RALEIGH, July 11, 1904.
Chas. M. Stieff,
9 Liberty St., Baltimore, Md.
Gentlemen:—We beg to enclose you herewith an order properly executed for the purchase of thirty new Upright Stieff Pianos and one new Stieff Baby Grand. We beg to advise that this will equip our school throughout, for teachers and pupils, with your celebrated instruments, excepting one Concert Grand. It is needless to say that we expect a great deal of the pianos which you shall send us, and from the thorough investigation we have given the matter and the great satisfaction which we find your pianos have given in other schools, we feel sure that

we shall not be disappointed in our expectation.
The Baptist University for Women being among the foremost schools of its kind in the South, places us in such a position that our patrons expect of us the best equipment that can be had in this country, and we feel sure that they will not be disappointed in sending their daughters to our University to find it equipped with Stieff Pianos exclusively.
We trust you will be able to deliver these instruments to us not later than September 10th, so that they will be in place in ample time for the opening of our fall session.
Yours very truly,
R. T. VANN, Pres.

When the heads of such colleges with whom we entrust our children for their education select the Artistic Stieff Piano, would it not be wise for you to profit by their knowledge and experience? The Stieff Piano is a Southern production and sold direct from factory to fireside, thus saving all in-between profits.

Besides our own matchless Stieff, we have several other standard makes at exceedingly low prices and lenient terms. Several slightly used upright pianos and organs at surprising low prices.

We are here for a limited time only. Take advantage of rare and timely opportunity.

CHAS. M. STIEFF,
G. G. FINEMAN, Factory Representative.

START IN TIME.

The Merchants' Association Should Act.

This is the time of year when we hear some talk in the distance that there will be a fair in Weldon this fall, and it brings to mind the great trouble the people and towns along this branch of the Atlantic Coast Line were put to because the railroad officials made the one passenger train on this road do excursion work during the week of the fair. Greenville people wanted to complain about it then to the railroad officials but found out it was too late, as the schedule for the fair had already been arranged for the fair of that year.

But it is not too late to do something about it and request the railroad officials not to again afflict us as they did last year. The Merchants' Association ought to take the matter up at once. Surely any one who remembers the inconvenience and annoyance a year ago does not want it repeated this year. Do not wait until fair schedules are made to speak about it.

Took The Sidewalk.

A dray horse that thought the sidewalk would make a better place to travel on than the street, had some people getting out of his way this morning. Even the horses would appreciate better streets.

Educational Rally at Ayden.

There will be an educational rally at Ayden, next Saturday, at which speeches will be made by State Superintendent Joyner and others. A large crowd is expected to be present.

Protracted Meeting.

On Thursday night, 22nd, a protracted meeting conducted by Elder S. B. Stephens, state evangelist, will begin in the Free Will Baptist church in South Greenville.

Mother—Yes, one package makes two quarts of baby medicine. See directions. There is nothing just as good for babies and children as Hollister's Rocky Mountain Tea. 35 cents, Teas or Tablets, Wooten's Drug Store.

WEDNESDAY AFTERNOON, SEPTEMBER 14, 1904.

If wheat keeps soaring we will have to fall back on hocke and potatoes.

Those who have them can afford to lose them. The dispatches tell that Mrs. H. M. Flagler lost a bag of diamonds and money at Newport.

It was expected that the Republicans would carry Maine in the state election held Monday, but that they did so by a considerably reduced majority gives comfort to the Democrats.

The story that comes from Reidsville sounds almost like the days of Sherman's march through Georgia. It is said the First Regiment of North Carolina soldiers returning from Manassas developed a number of toughs who left the train at Reidsville and proceeded to plunder several stores in the vicinity of the depot. Is that the kind of big standing army we are fostering?

The State Board of Health has recently issued a valuable pamphlet on the causes and prevention of consumption. The pamphlet should be read carefully, as it gives information by which this most fatal of all diseases can be prevented if followed. Any one interested can get a copy of the pamphlet free by addressing Dr. Richard H. Lewis, Raleigh, N. C.

It is cause for congratulation that the faculty of the A. & M. College, at Raleigh, won out in the recent trouble with certain students of that institution. If a college cannot have rules of discipline and enforce them it had as well close its doors. As to the case in question, it was a foolish demand the students made for greater liberty, and President Winston was right in standing firmly by the rules of the college.

There is danger of the Democratic party making mistakes in the county convention that will take years to overcome. We do not believe there has ever been a campaign marked by so much malicious misrepresentation as the present one. Men without regard for truth, and with a purpose to accomplish their own personal aims, have gone through out the county circulating falsehoods with a view of engendering bitterness and disorganizing the party. The conservative element of the convention would do well to act with prudence in making nominations.

Public-Spirited Men.

In announcing the death of a prominent citizen a newspaper in a certain North Carolina town recently made the statement that "the deceased was a public spirited man, ever alive to the needs of his home town and ever willing to aid in any movement that had for its object the upbuilding of the community in which he lived." Of how many men can this be truly said? There are prominent business men in every community. There are men of considerable means in every town of any size. How many of these men are "ever willing to aid in any movement that has for its object the upbuilding of the community in which they live?"—Winston Sentinel.

A Thought for the Day.

Never stir up litigation. A worse man can scarcely be found than one who does this. Who can be more nearly a friend than he who habitually overhauls the register of deeds in search of defects in titles, whereon to stir up strife, and put money in his pocket? A moral tone ought to be infused into the legal profession which should drive such men out of it.—Lincoln.

Needs no Help.

The New York Republican papers did not enjoy the gathering of editors in New York on their journey to Esopus. They do not enjoy anything that shows Democratic unity and Democratic determination to win. Here is one of the New York Tribune's squibs:

"M. L. Shipman, of 'The Hendersonville (N. C.) Hustler,' one of the editors at the Waldorf-Astoria dinner last night, will offer ex-Judge Parker \$5,000 a year to write exclusively for 'The Hustler' after November 8th."

The Hustler needs no help. Editor Shipman makes it as warm as the Radicals from Tenth district can stand. If he wished the great jurist on his editorial staff, Mr. Shipman could not get his services because Judge Parker will have an engagement to serve the country in the White House from March 4th, 1905, to March 5th, 1909.—Raleigh News & Observer.

If there is one enterprise on earth that a 'quitter' should leave severely alone, it is advertising," says John Wanamaker. "To make a success of advertising, one must be prepared to stick to it like a barnacle on a boat's bottom. He should know before he begins it that he must spend money—lots of it. Somebody should tell him, also that he cannot reap results commensurate with his expenditure early in the game. Advertising doesn't jerk; it pulls. It begins very gently at first, but the pull is steady.

It increases day by day and year by year, until it exerts an irresistible power. It is likened to a team pulling a heavy load. A thousand spasmodic, jerky pulls will not budge the load, while one-half the power exerted in steady effort will start and keep it moving. There are three ways to make advertising pay, and these are the only ways. There are no others. First, is to keep at it; second, is to keep at it; third is to keep at it."

A drunkard thinks everybody is drunk except himself, and a fool suffers from the same trouble. It is not an argument at all to accuse your opponent of ignorance.—Charity and Children

And now the latest fad with the four hundred of New Yorkers to carry toy monkeys dancing in their hands. They act so much like monkeys themselves that it is useless to carry imitations around with them.—Durham Sun.

BENSONIZER LUNG CURE
NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks. So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured. Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

Fearful Odds Against Him

Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. It put him on his feet in short order and now he testifies: "I'm on the road to recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. AYDEN ITEMS.

AYDEN N. C., Sept. 13, 1904.

Samuel Munford and R. H. Garris went to Greenville yesterday.

This fickle weather takes a fellow foul. It makes him changeable.

It begins to look like good old times from the way cotton is coming in.

Rev. W. E. Cox conducted services in the Episcopal church last Sunday night.

Joe Stroud, of Farmville, is here on a visit to his brother, Everett Stroud.

Jesse Stokes and family came up on the train Saturday morning from a visit down the road.

The primary here Saturday was very largely attended and with some exceptions seems to have given satisfaction.

Miss Hattie Denton, ofmondsville, came over this morning and left on the train for Littleton where she will attend school.

Last Saturday we had the pleasure of meeting so many of our old friends from Winterville and elsewhere where we find a special mention impossible. It was a very pleasant day with us.

The protracted meeting in the Baptist church still continues. Rev. A. T. King, of Greenville, who has been assisting left for his home Monday. The meeting, however, will still continue.

We have been requested to announce there will be an "Educational Rally" here Saturday, 17th of September, 1904. State Supt. of Public Instruction J. Y. Joyner and several prominent speakers are expected to be present. Everyone invited.

Sour Stomach

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by Wooten's Drug Store, Greenville.

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissue and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia cure digests what you eat, cleanses and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. Sold at Wooten's Drug Store.

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at Wooten's Drug Store.

What's in a Name

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's, the genuine. Sold at Wooten's Drug Store.

It's mighty funny how a woman's hair can begin to turn red about the time you think it is ready to turn gray.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county. Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale at Wooten's Drug Store.
