## BIG PIANO PURCHASE. 50 STIEFFS---BARNAU COLLEGE.

Gainesville, Ga., May 16, 1904  
Chas. M. Stieff,

9 Liberty St., Baltimore, Md.

Dear Sir: I beg to enclose you an order properly executed for the purchase of fifty (50) Stieff Pianos, to be delivered at Brenau Conservatory, Gainesville, Ga. This will equip the Conservatory with Stieff Pianos exclusively, with the exception of one Concert Grand which we have on hand.

When I began to investigate pianos with a view of taking out all and putting in an entirely new supply, the Stieff came to my notice. I have studied pianos closely during the last ten years and have purchased ninety instruments in that time. After visiting the factories in a number of cities, I inspected your plant in Baltimore. I felt sure that no factory in the United States was better equipped to produce

a strictly high-grade piano than the Stieff factory.

We have had one of your instruments in the Conservatory for one year, and have tested the tone, quality and mechanical construction. After thoroughly testing it for eight or ten hours per day, I have placed an order for fifty new Stieff Pianos. I find the action of this piano in every way desirable to the artist and to the student.

While the cost of your piano is considerably more than I have to pay for others, it has greater merits, and I considered the very best none too good for Brenau Conservatory.

I take pleasure in saying that after we have secured the pianos ordered all of our practice rooms, both for teachers and students, will be supplied with your excellent instruments. Yours very truly,  
A. W. VANHOESE.

Rarest display of these artistic pianos now on at Greenville, N. C., direct from the factory at factory prices. Terms to suit.

CHAS. M. STIEFF.

G. G. FINEMAN, Factory Representative.

### ROBBERY THE MINSTRELS.

And Got Two Years Sentence.

Here is an example of quick justice. While Faust Minstrels were showing in the opera house Tuesday night some one slipped up the back steps and stolen the clothing of some of the actors.

The thief was soon discovered and reported to Chief of Police Smith, and before the show was over he had G. W. Easley, colored under arrest. Easley said he came a few days ago from Knoxville but he was readily identified by the show people as one who was hanging around the rear stage entrance before the show started. This morning clothing belonging to one of the showmen was found in the room where Easley stayed.

Soon after court met this morning the grand jury found a true bill against Easley. Before noon the negro was tried, convicted and sentenced to two years in jail to be assigned to the roads.

### Card of Thanks.

So many expressions of sympathy and deeds of kindness to us amid the recent bereavement in our home, that we wish to return our sincere thanks therefor. We would like to thank each one individually, but as that is impossible we take this method of assuring the people of Greenville that we deeply appreciate their sympathy and kindness.  
M. A. ALLEN AND FAMILY.

### WINTERVILLE ITEMS

WINTERVILLE, N. C., Sept. 21. Jesse Cannon, of Ayden, was here Tuesday evening.

Every available man is at work in the oil mill and it is being rapidly pushed to completion. They will soon be ginning cotton, and in a short while you will be seeing cotton seed meal and hulls from the Pitt oil mill.

We saw several bales of 101 ct. cotton at the depot this afternoon. There are several new houses going up in Winterville.

People with money to invest will find a paying investment in a few houses to rent here.

John Hearne, of Greenville, was here Tuesday night.

Rumor says there will be an addition to the W. H. S. building at an early date.

Last Sunday evening near Black Jack, our townsman W. L. Hurst, was married to Miss Martha A. Hudson, Eider T. N. Manning officiated. They will make Winterville their home.

### KILLED BY HIS UNCLE.

A. G. Fussell Shoots Sam Derr by Mistake.

A distressing accidental killing occurred Tuesday afternoon about 7 miles below Greenville.

A. G. Fussell and Sam Derr went out squirrel hunting together. After getting in the woods they became separated, and while creeping about looking for game Mr. Fussell saw a bush shaking. He thought there was a squirrel in the bush and fired on it when to his horror he discovered that he had shot Mr. Derr. The entire load struck him in the face and head and death resulted in a few minutes.

Mr. Derr was a young man about 22 years of age and his home was in Goldsboro. He had been down in this county for sometime visiting relatives. He was a nephew of Mr. Fussell.

### Benefactors' Day.

Trinity College, September 19.—Ex Governor T. J. Jarvis has accepted an invitation to deliver the address of the occasion on Benefactors' day, of Trinity College, October 3d. The exercise will be conducted in the Craven Memorial Hall in the evening of the holiday. Benefactors day probably the most important holiday for Trinity College, is the announcement of all benefactions that have been made to the institution during the year just past. The day was set aside as a holiday several years ago and the first benefaction announced was that of Mr. Washington Duke, who gave to the college \$100,000 on condition that women be admitted to the institution. Since that time Benefactors' Day has been the real big day of the session for Trinity.

### Masonic Opera House Friday Night.

"Miss Tomlinson is a young woman of rare personal beauty and remarkable elocutionary ability. Her work was equal to that of any artist on the professional stage of today and she can easily make for herself a reputation that Waynesville may feel proud of."—G. K. Willis, Williamston, S. C. (taken from Waynesville Courier.)

### Good Show.

A tremendous audience greeted the Ted Faust minstrels, Tuesday night, at the opening of Masonic temple opera house. The minstrels gave a fine performance and the audience was delighted. The costumes and stage effects were superb.

## THIS TAKES THE CAKE.

A man up in Boston who has been a prominent Democrat announces that he will separate from that party and vote for Roosevelt. And here is the reason he assigns for this change of heart:

"Does not this dilemma face Mr. Parker? If elected president and if there were in Washington a gathering of the most eminent educators in this country, among whom Booker Washington would be classed, and the president wished naturally enough to show due recognition and honor to this gathering and invited them to the White House, would he bar out Booker T. Washington? Would he have a Jim Crow pantry behind the house to which Booker Washington would be shunted off? "On the other hand, if Parker as president should ask Booker T. Washington to the White House, would not the whole South again raise the cry that they had been bannoced in their candidate?"

This man says he has dined with Booker Washington and would consider it a privilege to do so again. And he is so afraid that Parker would snub Booker in case that the opportunity offers that he does not want to take any risk about it.

National chairman Tom Taggart who is on a visit to Chicago, gives a cheering report of the prospects of Democratic success. He says the situation in New York is all that we could want. Indiana is in the best condition for Democratic victory since 1892. If Democrats in Illinois are harmonious that state is debatable ground.

Republican candidate for governor C. J. Harris, or somebody for him has actually gone to the expense of having campaign buttons made. That was a pure waste of good money.

No, thank you, Greenville does not want any street carnival. When application was made for one to come in here every voice was against it.

The press of the state sympathises with editor J. H. King, of the Durham Herald, upon the death of his little daughter.

As long as the weather continues so favorable to the straw hat it will likely remain in evidence till frost catches it.

Won't Lena be in a predicament when she is stripped.—Durham Sun. Will they take off her Russian blouse, too?

## Why Men Default.

The insurance Press publishes a lot of letters from presidents of surety companies, discussing the causes of defalcations by clerks and other employees. The statements of these men may be accepted as authoritative. All sections of the country are represented.

In Cleveland, where heavy defalcations have been unusually numerous the most common causes assigned are three.

"1. New York stock exchange.

"2. Chicago board of trade.

"3. New Orleans cotton market."

In Cleveland, New York and Boston in all cases where speculation is not assigned as the first cause it is given second place.

In New York a cause that is put

prominently forward is betting on the horse races.

In Boston, "extravagant expenditures on women" is given as a leading cause.

At the South card playing does the most harm.

In all the cities, intemperance is given as a prolific cause of defalcations, as it is also of business failures.

These officers all agree that only a very small proportion of defaulters deliberately set out to defraud their employers. The defalcations in nine cases out of ten come as a result of disastrous speculations or other losses.

The first step in defalcation is taken with the intention of returning the money. It is surreptitiously "borrowed" in an attempt to get out of a tight corner. But gambling, or speculation, even if successful at first, lures one on, deeper into it. And some day there comes losses that cannot be retrieved.

The showing made by these surety presidents leaves little cause for wonder that the largest companies have resolved to refuse to bond any man that gambles.—Atlanta Journal.

## THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh neat and some scuse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale at Wooten's Drug Store.

## Sour Stomach

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by Wooten's Drug Store, Greenville.

## What's in a Name

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's, the genuine. Sold at Wooten's Drug Store.

## Quick Arrest

J. A. Gullidge of Verbena, Ala. was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It conquers aches and kills pain. 25c. at Wooten's drug Store.
