REV. J. H. CLEWELL, Ph. D., Principal.

WINSTON SALEM, N. C., March 9th., 1904.

Mr. Chas. M. Stieff, Charlotte, N. C.,
Dear Sir:—It is a little unusual to file an order this late in the season, but we find that the more Steiff Pianos which we add to our music department, the better the results attained in the work. We have added quite a number of your instruments during the last few years, and they have all given good satisfaction. It requires a piano of unusual merit for the constant use which all practice pianos have within our school, but we are glad to be able to say that your instruments have stood the test, and we will continue to purchase from your firm from time to time as the need arises. I think there are about a dozen now in the school.

J. H. CLEWELL, Principal.

A rare and magnificent display of these pianos can now be seen and heard at Greenville, at lowest factory prices and easiest terms. We also have on the floor several slightly used upright pianos at prices ranging from \$175.00 to \$225.00. Each instrument is guaranteed for 10 years.

We also have a fine display of organs at surprising low figures ranging in price from a tune.

CHAS. M. STIEFF.

A New Postal Order.

Under an order signed by the postmaster general a few days ago, an innovation was made in the postal service by which identical pieces of mail matter of the third and fourth class may be mailed with out postage stamps affixed thereto. Congress during the last session made provision for the transmission in the mails of quantities of not less than 2,000 identical pieces of this character of mail, and the present order is in pursuance of that act. All persons, firms, or corporations desiring to avail themselves of the new privilege must make application therefor to their post masters, who will, after first receiving authority from the department, issue a permit covering the conditions under which the matter may be sent without stamps. In all cases postage on the entire quantity of mail must be paid in money at the time it is presented at the postoffice.

A Little War Tragedy.

In the Franco-Prussian war a French gunner was commanded by his colonel to fire on a small house which was believed to be a retreat of the enemy, says The Southern Churchman.

"Try it with a shell my man," said the officer.

With pale face Pierre obeyed. He sighted his piece deliberately and accurately, then fired it.

"Well hit, my man, well hit," said the officer, as he looked through his glass. "That cottage could not have been very solid. It's completely smashed."

Turning around, he noticed a tear stealing down the gunner's cheek. Why, what's the matter?" he exclaimed, roughly.

"Pardon me, colonel," was the answer. "It was my own little house—everything I had in the world."

NOT A CANDIDATE.

EDITOR REFLECTOR:

I see in the report of the Populist convention published in Saturday's issue of THE REFLECTOR that I was named as a candidate for treasurer by that convention. I wish to state that the use of my name by the convention was without my knowledge or consent, and I am not a candidate of that or any other party for any office. Respectfully,
W. J. THIGPEN.

GEN. RANSOM DEAD.

Ex-Senator Matt. W. Ransom, North Carolina's foremost citizen and greatest statesman, died suddenly Saturday morning at his home in Northampton county. He was 78 years old the day of his death.

Gen. M. W. Ransom was born on Oct. 8, 1826, in Warren county. He became Attorney General for the state of North Carolina in 1852, being only 26 years of age at the time, thus being the youngest man to hold this position in the history of the State. By reason of Gov. Vance being unable to qualify as Senator after his election, Gen. Ransom became United States Senator in 1872, which position he held constantly until 1895, immediately after which he was appointed United States minister to Mexico, in which capacity he served for two years. He was a member of the board of arbitration in the Venezuelan troubles with Mexico.

He leaves five sons and one daughter and a wife. He was probably the largest landowner in the State, the acreage being variously estimated from 14,000 to 18,000, in fact, he recently remarked: "There is only one person who knows how much land I own and that is myself."

In both public and private life and in the Confederate army General Ransom was a great man, and his reputation covered the bounds of the nation. The influence he wielded in the United States Senate was equalled by few men. He lived to a good age and measured a useful life, and to the grave was crowned with the honor and love of his fellow men.

LETTER TO W. B. WILSON.

Greenville, N. C.

Dear Sir: Have you found out you can paint a job with fewer gallons Devoe than of anything else, lead-and-oil or anything else? Mr. Floyd Almy, House and Sign painter, Greenwich, N. Y., found it out three years ago; he writes: "I have used Devoe lead-and-zinc for the past three years, and cannot say too much in its favor. I am using it now on a big job that I took by contract, and it has saved me at least \$25 in the cost of material."

Devoe is the strongest paint we know of; goes furthest; takes less of it to do your job.

Lead-and-oil is pure; lead-and-zinc is stronger; covers more; goes further.

Have you found out you can paint a gallon Devoe in less time than a gallon of anything else? That means less time for the job. Less time; less money.

Less paint; less money for that; less time, less money for that. Devoe lasts longer; do you mind the less money for that? You are sure of it.

Yours truly

F. W. DEVOE & Co.

P. S. H. L. Carr sells our paint.

Reminder of the Good Old Days.

A good woman remarked this morning "I saw something in the Methodist church Sunday night that Greenville has not witnessed in years." When asked what it was she said, "A man went in penitence to the altar and was converted while kneeling there praying for the pardon of his sins." The incident recalls the good old days of the "mourner's bench."

D. J. WHICHAARD, EDITOR AND PROPRIETOR.

Entered at the post office at Greenville, N. C., as second class matter. Subscription rates: One Year, \$3.00; One Month, 25 cents; One Week, 10 cents. Delivered in town by carriers without extra cost. Advertising rates reasonable and can be had on application to the editor at the office. We desire a live correspondent at every post office in the county, who will send in brief items of news as it occurs. Write plainly, and only on one side of the paper.

MONDAY AFTERNOON, OCTOBER 10, 1904.

There is time enough yet for the Populists and Republicans to get together on their county ticket, which they will doubtless do before the election comes. But their united strength can't make much show, and will only be an incentive to the otherwise stay-at-home Democrats to come out and vote. And let us say in passing that every Democrat in the county should go to the polls and vote on the 8th of November. No matter if the ticket is going to be elected anyway, put in your ballot to swell the vote as large as possible. On the basis of the vote cast for governor in the coming election will the county's standing in conventions during the next four years be determined. The number of delegates in these conventions will be on a ratio of the votes cast. Therefore let every township in the county bring out the full vote.

A new Republican paper has been started in Raleigh. While the Enterprise is there we do not see the need of another of the same stripe.

The Republicans in this state have actually resorted to the circulation of negro cartoons. Such amusing things do occur in these times.

When it is not one thing with Judge Peebles it is something else.

The Durham Herald has got back from doing the pike at St. Louis.

THE PITT COUNTY RESOLUTION.

The Greenville REFLECTOR corrects those of its contemporaries—one of whom The Observer was which—which had published that the recent Pitt county Democratic convention had, before making nominations, adopted a resolution instructing the nominees to be for the legislature to urge a bill giving that county a vote on the Watts law. THE REFLECTOR says that the convention adopted no resolutions at all. How do such things get a-going? The Wilmington Messenger printed what purported to be the very language of a preamble and resolution, of this import, adopted by the Pitt county convention, and The Observer copied it. It is certain that The Messenger did not fabricate the story, but it appears to be equally certain that somebody did.—Charlotte Observer.

Of course The Messenger did not fabricate this story. It could not have done so, for two reasons—the statement that the Pitt county convention had adopted such a resolution appeared in a state paper, which published the resolution, one or more days before it was copied from that paper in The Messenger. For another reason it could not have been fabricated by The Messenger—the proprietors of this paper and the men they employ on its staff are gentlemen of honesty and integrity. The latter are not given to fabricating news items nor would the former allow it were they so inclined. The Messenger is a clean, honest sheet (if we do say it ourselves) not given to fabricating items or by cowardly insinuation insinuating falsehood against other members of the newspaper fraternity of the state. We thank The Observer for its positive assertion of confidence in The Messenger's integrity in this matter. It would be better if all of the papers were as honest and truthful and as free from venom and spite.

The only way we can account for

the appearance of the item in the paper which first published it is that the reporter of that paper made a mistake in saying such resolution was adopted instead of saying it had been introduced, but not acted upon, as we learn from the Greenville REFLECTOR were the facts. It was an unfortunate mistake, but it was not of the Messenger's making. We made announcement of this matter last Wednesday, but some editors who were quick to take us up on the error have not had the courtesy to notice our correction.—Wilmington Messenger.

A negro who was in the recorder's court of this city yesterday for trespassing upon the freight yard of the Southern Railway, had it developed on the trial, objected to the sharp manner in which a policeman had warned him off, and told him that he wanted to be addressed like a gentleman. This is a reminder of the estimable Mr. Arthur Bishop. It will be recalled that just before he killed Wilson in this city a year or so ago, he called his attention to the fact that he was a gentleman, and objected to being ordered out of Wilson's house where he was drinking wine at a late hour of the night. The word is much appropriated by those who are least able to establish title to it.—Charlotte Observer.

It looks as if the republicans had given up New York to the democrats on the state election and that they have small hope of carrying the state for Roosevelt.—Wilmington Messenger.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Cholera, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale at Wooten's Drug Store. †

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interest.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call. —From the St. Louis Globe Democrat.

From 148 to 92 Pounds

One of the most remarkable cases of a cold, deep seated on the lungs causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold at Wooten's Drug Store.

A Power For Good

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.

If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders.

I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.

GREENVILLE'S GREAT DEPARTMENT STORE.

OUR SHOE STORE IS A VERY INTERESTING PLACE

We claim to have the largest and most complete stock of Shoes in this town. We are now showing large variety of styles in the best makes for Men, Women, Children and Infants. We can't tell you much about them in this space, but we want to call your attention to the famous

Ralston Health Shoes For Men.

All of the Style and the most Comfort

Ralston Health Shoes \$4. UNION MADE

It is easy enough to cry "Best" but that which convinces is the test. We make strong claims for this Shoe, and ask a trial that our claims may be proven. We claim a unique, common sense sole construction, found in no other shoe. A system of last modeling which makes a shoe that fits the foot as nature intended.

We also claim that while quantity of material and workmanship may possibly be equaled, they cannot be excelled at the price, and that as good a shoe cannot be made and is not sold for less.

They are, however, the tangible results of many years study of the highly complex needs of the human foot. They appeal to common sense and warrant a trial by every one who desires foot comfort and good service combined.
