WINSTON SALEM, N. C., March 9th., 1904.

Mr. Chas. M. Stieff, Charlotte, N. C.,

Dear Sir:—It is a little unusual to file an order this late in the season, but we find that the more Steiff Pianos which we add to our music department, the better the results attained in the work. We have added quite a number of your instruments during the last few years, and they have all given good satisfaction. It requires a piano of unusual merit for the constant use which all practice pianos have within our school, but we are glad to be able to say that your instruments have stood the test, and we will continue to purchase from your firm from time to time as the need arises.

I think there are about a dozen now in the school.

J. H. CLEWELL, Principal.

A rare and magnificent display of these pianos can now be seen and heard at Greenville, at lowest factory prices and easiest terms. We also have on the floor several slightly used upright pianos at prices ranging from \$175.00 to \$250.00. Each instrument is guaranteed for 10 years. We also have a fine display of organs at surprising low figures ranging in price from

Lost Fifteen Years.

Mr. Luther N. White has located a handsome gold watch which he lost nearly fifteen years ago, and in a few days his property will be restored to him. The discovery of the watch after this lapse of time and the means by which it was accomplished furnishes quite an interesting story.

Recently a negro preacher in Louisburg carried the watch to a jeweler in that town to have it repaired. The jeweler noticed that it was of expensive workmanship and examined it closely. He found that it had at one time been repaired at the store of H. Mahler's Sons, so he wrote here making inquiries. Mr. Mahler, after referring to his books, reported the matter to Mr. L. N. White. Mr. White sent a full description to the Louisburg jeweler and he replied that the watch was the same one Mr. White lost. In this way Mr. White will soon recover the watch which is supposed to have been taken from his store or the premises years ago.—Raleigh Times.

Invitation to Marriage.

James Hopkins, colored barber here, and Louisa Hardee will be married in Sycamore Hill Baptist church on Wednesday evening, Oct. 19th, at 8:30 o'clock. They extend an invitation to their white friends to attend the marriage and will have seats in the church reserved for them. I t d.

Join the Procession.

Every township in the county should try to have the largest number of horseback riders in the procession at the Glenn rally in Greenville on Saturday, 22nd. Make it a big day and give our next governor a royal greeting.

BEAVER DAM ITEMS.

BEAVER DAM, N. C., Oct. 11.

Four families in this section are quarantined on account of small pox. The doctors report all stricken with the malady as doing well. No new cases are reported. All suspicious parties will be watched and reported to the authorities. One poor fellow said he had nothing but the itch, and that he had rather go to the penitentiary than have smallpox. All the whites are becoming converted and being vaccinated, while the colored people are giving it the go by as they are busy picking cotton.

A colored association began at Warren chapel on the 10th. If the colored people should happen to have smallpox on the ground there would be more work for the medical fraternity.

Another bear has been seen and chased, but bruin escaped all his pursuers.

A dog with hydrophobia passed J. H. Cobb's store going north. A phone message was sent to Ben Joyner, at Pollard's, to look out for the dangerous canine. Ben armed with a gun stood on guard and quickly dispatched the dog when he came along.

Cotton picking is progressing with a vim. It will soon be over if fair weather continues, as the crop is ten percent short.

All sunshine and no rain enables the farmers to save lots of bright hay.

Cotton is being ginned and sold as fast as picked. If Sully can hold out thirty days he will again be a noted Southern bull.

There is a very poor crop of field peas but a fair crop of corn.

We want Uncle Sam to sprinkle our roads, as there is more dust than ever before.

Farmers are all smiling as they come home from Greenville. Tobacco is selling well. That is the fruits of a small crop.

SHELMERDINE ITEMS

H. B. Phillips general manager of the Beaufort County Lumber Co. returned Monday from a business trip to Dillon, S. C.

J. A. Harris of Halifax, spent Monday here.

The Graded School.

Those of our people who do not visit the graded school occasionally have little idea what they are missing. The splendid system by which everything is done and the excellent work of the superintendent and teachers is well worth witnessing. A visit to the school will increase your pride in it. Your presence occasionally will also be an encouragement to your children by showing them you are interested in what they are doing in school.

Mr. Ames Dead.

Mr. L. P. Ames died last week, at his home near Portsmouth, Va. He was 80 years old. He was the father of Mrs. W. B. Brown, of Greenville, and used to spend much of his time here during the winter months.

WEDNESDAY AFTERNOON, OCTOBER 12, 1904.

Mr. Bryan agrees to be the talking Aaron for the leading Mases.

Port Arthur is feeling upish now, just like it never had any idea of falling.

It is too bad that the Japanese are being forced to retreat. The tide seems to be changing in favor of the Russians.

We hardly see the need of trial by court martial of the soldiers at Statesboro, Ga., for not shooting when they had been instructed not to shoot. Looks like they obeyed orders.

It is said ex-President Cleveland is about to yield to the pressure and will make one speech in New York in the interest of Democracy. The old man will certainly say something if he speaks.

It should be the aim of every township in the county to cast the largest vote possible in the coming election, so as to increase the number of delegates to which the township is entitled in county conventions. The number of delegates is based upon the number of votes cast, so that the larger the vote is in each township the greater number of delegates the township can have. Let every township do its best.

EVERY DEMOCRAT SHOULD SUPPORT THE NOMINEES OF HIS PARTY.

The REFLECTOR will give a warm and cordial support to the nominees of the Democratic party from president down to township constable, and it is our purpose to give, from time to time, some reasons for the faith that is in us.

Our county candidates and county canvas come nearest to us and we will first try to demonstrate that it is not only our duty but that it is likewise the duty of every Democrat in the county to vote for their candidates.

There was assembled in Greenville on Sept. the 15th, 1904, a great Democratic convention. It was composed of delegates appointed from every township in the county. How were these delegates chosen? By the Democratic voters themselves.

It had been fully advertised all over the county that meetings would be held in each township on Saturday, the 10th of September, at two o'clock, P. M., for the purpose of appointing delegates to the county convention. Every Democratic voter in each township had the opportunity of attending his township meeting and participating in the selection of these delegates if he chose to do so. As a matter of fact large numbers of them did attend. So when the delegates assembled in Greenville on the 15th of September they came direct from the people and had full authority to represent them in the selection of candidates.

In all instances when the voters in their township meetings had expressed a preference for any particular candidate this preference was faithfully adhered to. The convention thus chosen proceeded to name the following candidates:

For the senate, James L. Fleming, of Greenville.

For the house of representatives, Joseph J. Laughinghouse, of Greenville, and J. B. Little, of Pactolus.

For sheriff, Leon W. Tucker, of Chicod.

For treasurer, Samuel T. White, of Greenville.

For register of deeds, Richard Williams, of Greenville.

For county commissioners, John J. Elks, of Chicod; John R. Barnhill, of Pactolus; John W. Page, of Carolina; John R. Spier, of Contentnea; and William R. Horne, of Farmville.

For surveyor, John D. Cox, of Contentnea.

For coroner, Dr. William Fountain, of Greenville.

Every Democrat in the county had the opportunity to take part in the selection of candidates and we steadfastly maintain that it is the duty of every Democrat to be at the polls on the day of election and vote for the persons named by the convention. We did not all get our choice. That was impossible. THE REFLECTOR did not get its choice but what matters that we are just as much in honor bound to support those whose nomination we opposed as we are those whose nomination we favored. They were all named by the same convention and are the nominees of the party. We fought it out in the primaries and in the convention and that should be the end of the fight by all men calling themselves Democrats. From the moment the convention adjourned it became the duty of all of us to close up our ranks, touch elbows and march in solid column under the Democratic banner against a common enemy to a glorious victory. We shall urge this duty upon our Democratic brethren, and while we shall do this with earnestness we trust we shall also be able to do it in kindness.

The lately issued census bulletin on the subject of the negro shows that Washington, D. C., has more negroes than any other city in the United States, having more than 80,000 negroes, out of a total population of 278,234. Baltimore has over 500,000 population with 79,000 negroes. Issaqueme county, Miss., has 15 negroes to each white man and this is the largest percentage of negroes to whites in any part of the United States. One of the curious facts in connection with the distribution of negro population is that where the proportion of them is the greatest, they seem to give the least trouble and defer to the control of the civilization of the white man most readily. Throughout the Mississippi valley the negroes are generally respectful and generally follow the lead of the white people in the matter of their personal conduct. In northern cities there seems to be among the negroes a growing disposition to be restless of the control of civilization which is deemed essential to the good order of a community of white people. In the Mississippi bottom the feeling between the negro and white people is generally very good indeed. In the northern cities the feeling between the negroes and white people is apparently growing more and more prejudicial.—Charlotte Chronicle.

On the day after the election the people are likely to go on with their usual vocations, confident, which ever way it goes, that the country is not in immediate danger. And, of course, it will not be. It is the remote dangers that are to be feared. Governments do not break up in a day. It is the part of wisdom to take a safe and conservative man. This suggests that you support Judge Parker.—Durham Sun.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale at Wooten's Drug Store.

From 148 to 92 Pounds
One of the most remarkable cases of a cold, deep seated on the lungs causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold at Wooten's Drug Store.

Albiaa McMath, of Chatham, who was in Asheboro to see Clerk Hammond on business last week, is 88 years old and has been married 68 years and his wife is 85 years old and is in good health now. She is able to cook. Mr. McMath walked from Chatham county, a distance of 40 miles, to take a negro out of jail. He is a great fox hunter and when he goes is the foremost in the chase. The old gentleman's step has the elasticity of the sprightly youth. With a keen eye, prominent forehead, Roman nose and clear-cut features. GREENVILLE'S GREAT DEPARTMENT STORE.

OUR SHOE STORE IS A VERY INTERESTING PLACE

We claim to have the largest and most complete stock of shoes in this town. We are now showing large variety of styles in the best makes for Men, Women, Children and Infants. We can't tell you much about them in this space, but we want to call your attention to the famous

Ralston Health Shoes For Men.

All of the Style and the most Comfort

Ralston Health Shoes \$4. UNION MADE

It is easy enough to cry "Best" but that which convinces is the test. We make strong claims for this shoe, and ask a trial that our claims may be proven. We claim a unique, common sense sole construction, found in no other shoe. A system of last modeling which makes a shoe that fits the foot as nature intended.

We also claim that while quality of material and workmanship may possibly be equalled, they cannot be excelled at the price, and that as good a shoe cannot be made and is not sold for less.

They are, however, the tangible results of many years study of the highly complex needs of the human foot. They appeal to common sense and warrant a trial by every one who desires foot comfort and good service combined.
