EXCLUSIVELY IN SALEM ACADEMY AND COLLEGE.

REV. J. H. CLEWELL, Ph. D., Principal.

WINSTON SALEM, N. C., March 9th., 1904.

Mr. Chas. M. Stieff, Charlotte, N. C.,

Dear Sir:—It is a little unusual to file an order this late in the season, but we find that the more Steiff Pianos which we add to our music department, the better the results attained in the work. We have added quite a number of your instruments during the last few years, and they have all given good satisfaction. It requires a piano of unusual merit for the constant use which all practice pianos have within our school, but we are glad to be able to say that your instruments have stood the test, and we will continue to purchase from your firm from time to time as the need arises.

I think there are about a dozen now in the school.

J. H. CLEWELL, Principal.

A rare and magnificent display of these pianos can now be seen and heard at Greenville, at lowest factory prices and easiest terms. We also have on the floor several slightly used upright pianos at prices ranging from \$175.00 to \$225.00. Each instrument is guaranteed for 10 years.

We also have a fine display of organs at surprising low figures ranging in price from \$35.00 and up. They are fully guaranteed. This factory sale will positively close before many more days, when factory prices will promptly withdrawn, and if you have any earthly use for either piano or organ it will pay you to take a look around. WINTERVILLE ITEMS

WINTERVILLE, N. C., Nov. 5 Mrs. Jerry McGlohon and daughter, Miss Lula, of Ayden, spent Thursday with Mrs. W. L. House.

J. M. Blow, of Ayden, was here Thursday.

Heber Cannon, of Rountrees, was here Thursday.

E. L. Cox was here Thursday. Jesse and Joe Nelson were in town Thursday.

The county candidates, R. Williams, J. L. Fleming, Leon Tucker and J. J. Laughinghouse, spoke to a crowd of about 80 to 100 here Thursday. Mr. Williams and Mr. Tucker simply thanked the people for the nomination they had already given them and for the vote that they would get in the coming election. They are both splendid button-hole politicians and good officers. Mr. Laughinghouse opened by saying that Mr. Little was sick and had to go home that morning, he regretted very much not being able to be present. Mr. Laughinghouse devoted most of his time to state issues, exposing Republican rascality and mismanagement in the dark days of the sixties and under fusion rule of the nineties, and showed North Carolina's progress and advancement under all of the Democratic administrations. He explained the Watts law so clearly that anybody could well understand it. Senator Flemming was the orator of the occasion, he told jokes and got the laughter, exposed the robber tariff and Roosevelt's usurpation of powers not vested in him by the constitution. The Democrats have made no mistake in the ticket and Contentnea will give them a handsome majority.

Double Daily Trains.

We have heard it stated unofficially, that the double daily train on this branch of the Atlantic Coast Line is soon to be a reality. It is said the extra train will be put on about the 15th and that it will run from Tarboro to Kinston in the morning and return in the evening. This will be a convenience to the public and helpful to business.

Pitt County Boys Succeed.

THE REFLECTOR is always glad to note the success of Pitt county boys. We see in the Mount Olive Tribune that an electric light and power company has been organized there with X. T. Keel president. Mr. Keel moved from this county to Mt. Olive and has become a prosperous merchant there.

Read Your Ticket.

Some tickets have been circulated that contain most of the Democratic candidates with one or more of the mongrels slipped in between them. Every Democrat should read his ticket carefully and not get fooled into voting a mixed ticket.

MONDAY AFTERNOON, NOVEMBER 7 1904.

They keep saying Port Arthur will fall, but it is standing yet.

The big speaking at the court house Saturday night did not cut any ice or startle the world with eloquence.

The jury in the case of former McCue, charged with the murder of his wife at Charlottesville, Va., brought in a verdict Saturday of murder in the first degree. The jury was out only thirty minutes.

The Democratic party is in favor of education, and every resource of this State administration has been used to educate the children. As a result every school district in the State has had four months school. The Republican party does not want the people educated, because it knows that it can control an ignorant man.—Concord Times.

As an educational factor, and element of educational strength and progress, the public schools of this country are each year becoming more important. Each state is willing to be taxed for the public instruction of its children, and every year the tax payers realize that the educational tax is the cheapest and best one they have to pay, in its resulting benefits.—New Bern Journal

President Roosevelt can make our lives very uncomfortable by his encouragement of social equality ideas in the negro, and what is more, can make the black race discontented, and mutinous, but mere sectional and political questions cannot materially affect the wonderful growth that is to come to the south within the next decade. Our natural resources, particularly the cotton crop, combined with the progressiveness of the people, will make the period from 1900 to 1910 a record breaker for advancement along every line, and for this we should not give thanks to the republican party, but to ourselves. The south is making herself great despite the handicap of political favoritism of other sections.—Charlotte News.

Mulhall's Statistics declares that during the past hundred years, more than four and one-half million men have laid down their lives in combat among the civilized nations of the world. The amount of money spent to support these wars exceeded fifteen billion dollars! Is it any wonder the world should show a disposition to turn away from this terrible business? Mr. Carnegie was wise in his day and generation when he spent a portion of his money in an attempt to get the world to settle their difficulties peaceably rather than by the sword. As a rule, the recorders of language hasten to forget profanity, but strange to say, General Sherman's laconic expression, "War is hell," has been allowed its place in the speeches and writings which have appeared by Christian men. Raleigh Times.

Morbid sensitiveness requires heroic treatment. A sufferer who wishes to overcome it must take himself in hand as determinedly as he would if he wished to get control of a quick temper, or rid himself of a habit of lying, or stealing, or drinking, or any other defect which prevented his being a whole man. "What shall I do to get rid of it?" asked a victim. Think less of yourself and more of others. Mingle freely with people. Become interested in things outside of yourself. Do not brood over what is said to

you, or analyze every simple remark until you magnify it into something of the greatest importance. Do not have such a low and unjust estimate of people as to think they are bent on nothing but hurting the feelings of others, and depreciating and making light of them on every possible occasion.—Success.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some goose meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale at Wooten's Drug Store.

A man's self-respect is often punctured by the suspicions of his neighbors.

Sour Stomach

When the quantity of food taken is too large or the quality too rich, our stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by Wooten's Drug Store, Greenville.

Two-thirds of the dignity we encounter in our daily walks is merely bluff.

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak man without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissue and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia cure digests what you eat, cleanses and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. Sold at Wooten's Drug Store.

In order to j in the great silent majority a man must either die or get married.

A Power For Good

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue mass, or any other pill I ever took and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sold by Wooten's Drug Store.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

LETTER TO KING & CO.

Greenville, N. C.

Dear Sir: Why, do you think, can Devoe sell pure paint as low as others sell adulterated paint?

There are 30 or 40 or 50 different makers of paint, that rank, in a way, as "first-class;" they have their regions; one's region is large another's is small; everyone is "first-class" in its region.

Of these 30 or 40 or 50, one is best another next, and so on down; but the prices are all same or about the same—you can buy one for less than another though; a personal matter sometimes.

But how do you think, can Devoe sell the best for no more than the rest? The answer is: it costs less to sell it; more to make, less to sell. Reputation helps sell it. Its 150 years help sell it.

Go by the name. Yours truly,
F. W. DEVOE & Co.

From 148 to 92 Pounds

One of the most remarkable cases of a cold, deep seated on the lungs causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down down in weight from 148 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold at Wooten's Drug Store.

Piano Tuning.

Our Mr. Butler, piano tuner and repairer, will be here in a day or two anyone wishing to have their piano tuned or repaired will please leave their order at our warehouses. Mr. Butler's work is guaranteed by us or money refunded. Of course we don't propose to put life in a worn out instrument for \$3 or \$5. Tuning simply means to even up the unisons, it never improves quality of tone due to the fault of a defective sounding board or imperfect scale, or wires full of flats (commonly known in cheaper instruments) causing a metallic tone. Inferior hammer felts will produce a woody tone, such faults can hardly be adjusted, and we cannot promise to cure chronic troubles.

Very Respectfully Yours,
11-7 2t G. G. FINEMAN.

Ask for DeWitt's, the genuine. Sold at Wooten's Drug Store.

"I Will if I Can"

An amusing story, really the truth, comes from Rock Creek township. Last Sunday a young man who had previously secured his license procured the girl of his choice and they hid themselves to a justice of the peace for the purpose of being united in the holy bonds of matrimony. Their hearts were light and gay—filled with anticipated happiness—at least his was, but he was unaware of the feelings that possessed her being. After he had answered, satisfactorily, the officials' questions and it came her turn she balked and all the officer could get from her answer to his question was: "I will if I can." This did not satisfy the officer and he repeated the question with the admonition that she give the proper answer, but she refused to change. The would-be husband then remonstrated with her and thought he had things right, and the question was again repeated, but her only answer was: "I will if I can." At this the husband that "was to be, but hain't" became enraged, jerked the license from the justice of the peace, tore the paper into shreds and left. She followed him some distance and asked him if he did not know how to take fun? He replied that it was no time to be fooling. And the ceremony has not as yet been performed.—North Wilkesboro Hustler.

Shoes Lead, Others Follow.

BEHIND EVERY FACT LIES A REASON.

When there are a multitude of shoes trying to be sold, and one shoe far surpasses all others in volume of sales, there is a reason for it.

This one shoe is "Queen Quality." Its sales are more than double the sales of any other women's shoe. It can't be because of price, since many other shoes cost the same. It is simply a triumph of leadership.

"QUEEN QUALITY."

"Queen Quality" is recognized as leader in style. It leads others follow. It originates, others copy. Everywhere it sets the style. If you wear a "Queen Quality" you are with the leaders in fashion.
