## EXCLUSIVELY IN SALEM ACADEMY AND COLLEGE.

REV. J. H. CLEWELL, Ph. D., Principal.

WINSTON SALEM, N. C., March 9th., 1904.

Mr. Chas. M. Stieff, Charlotte, N. C.,

Dear Sir:—It is a little unusual to file an order this late in the season, but we find that the more Steiff Pianos which we add to our music department, the better the results attained in the work. We have added quite a number of your instruments during the last few years, and they have all given good satisfaction. It requires a piano of unusual merit for the constant use which all practice pianos have within our school, but we are glad to be able to say that your instruments have stood the test, and we will continue to purchase from your firm from time to time as the need arises.

I think there are about a dozen now in the school.

J. H. CLEWELL, Principal.

A rare and magnificent display of these pianos can now be seen and heard at Greenville, at lowest factory prices and easiest terms. We also have on the floor several slightly used upright pianos at prices ranging from \$175.00 to \$235.00. Each instrument is guaranteed for 10 years.

We also have a fine display of organs at surprising low figures ranging in price from \$35.00 and up. They are fully guaranteed. This factory sale will positively close before many more days, when factory prices will promptly withdrawn, and if you have any earthly use for either piano or organ it will pay you to take a look around. Be sure you are in Greenville Miss when in Greenville Miss associated with us during our stay here, will be glad to give you figures ranging in price from a tune.

CHAS. M. STIEFF.

G. G. FINEMAN, Factory Representative.

Grimes for the best paper on unwritten North Carolina or Pitt county history must be sent to me by December 1st, 1904. Will you not induce one or two of your pupils to contest for this medal. You could do nothing better for them than to interest them along this line. I trust you will do this at once. Let the names be in by the above named time.

W. H. Ragsdale  
Co. Supt. of Schools.

### 412 Bushels Corn on Ten Acres.

Here is another record on farming. Mr. M. M. Cline raised 412 bushels of corn on 10 acres of upland, over 41 bushels to the acre. Mr. Cline remarked to the writer when telling about this crop: "that if he was a young man, he could make a fortune farming." Mr. Cline has demonstrated the fact that a fortune can be made on the farm by an old man, especially when he farms in the right way—Newton Enterprise.

MONDAY AFTERNOON, NOVEMBER 28, 1904.

The steamer Goldsboro run on a snag and sunk near Kinston Friday

Durham is much concerned over the high price of wood. The folks might fall back on coal.

The Mikado has ordered the Japanese army to take Port Arthur or die in the attempt. They may do one or the other.

Gideon Missenheimer, a prominent young farmer of Rowan county, accidentally shot himself while out hunting and died from the effects of the wound.

On his trip out west President Roosevelt said he was president of all the country and shall try to be a good and decent president. If he succeeds in this much will be forgiven him

At Durham Friday a bloody tragedy occurred in which J. S. Murray was killed by his nephew, W R Murray. Both were prominent business men and bad feeling existed between them because of rivalry in business

The inauguration of President Roosevelt, it is promised, will be one of the most spectacular events of the kind ever held in this country. The District of Columbia has no voice in the election of a president, but it puts up the money for the show when he is inaugurated. The district on this occasion will spend \$60,000 on the pageant. With the military feature, for which the government will pay, it ought to be a memorable show.—Savannah News

Have you noticed how beautifully scarce mortgage sales are? That is one of the very best signs of the good condition of the country. It is anything but a good indication of the prosperity of the people to see the bulletin board at the court house covered with notices of personal property for sale under mortgage and to see newspaper columns filled with notices of mortgaged land for sale. We are more than glad to say that the cry of the auctioneer crying mortgaged property for sale is a rare sound now and an advertisement of mortgagee's sale is a rare piece of print. This is certainly a cause for thanksgiving.—Monroe Journal.

**Sentenced for Highway Robbery.**

Roanoke, Nov. 26—Last Thursday night two negroes—Fisher Pearman, of Dinwiddie County, Va., and Jesse Bolden, of Greenville, N. C.—held up and robbed several railroad men in Pulaski City, securing \$65 in cash. Later two policemen attempted to arrest the negroes and were fired upon, but not hit. The robbers got away, but were captured yesterday. Today they were indicted and tried for highway robbery, and sentenced to eighteen years each in the penitentiary.—Washington Post.

No one around Greenville knows a negro named Jesse Bolden. If the one arrested is from this section he must have changed his name

**The Nude in Art.**

The young ladies living in one of the cottages of the North Western University near Chicago recently demanded and secured the removal of a print of the Magdalene from the parlor of their dormitory on the ground that seminude figures represented were not fit to be seen.

Their action is to be commended. America has furnished her ideas upon this subject from Continental Europe. The News may be old fashioned but we have never had any sympathy for the doctrine that indecency ought to be tolerated in pictures merely because they are said to be artistic. The good women of the country should follow the example of these Chicago school girls in making a fight against the disgusting pictures which decorate the walls of some of our public buildings. There is nothing so subtle in its evil influences especially upon the minds of the young as a suggestive picture.—Charlotte News.

**A Practical Temperance Measure**

The demon rum is about to receive a telling and effective blow, if reports that emanate in New York are correct. It is said that a plan is being matured whereby practically all the life insurance companies in this country will issue policies to total abstainers at much lower rates than will be charged even moderate drinkers. We cannot imagine a more practical temperance measure, for the time has come when almost every man, carries a certain amount of life insurance, and we believe the average moderate drinker—certainly in the case of the man of moderate means—would "cut out" intoxicants in order to buy his insurance cheaper or to be able to carry heavier policies. The claim that drinking is wrong, regardless of the quantity imbibed, is admitted by a few people, but rejected by the great majority, but the claim that, just as much drink does much evil, so a little does enough to diminish measurably the drinker's chances of life is a different matter, and the public knows that the insurance companies will judge the second claim without a trace of sentiment. Their judgment, too, while not necessarily infallible, will be final so far as concerns the expenditure of certain money by those who desire insurance, and while opinions may continue to differ as regards the lethal quality of the occasional glass, there will be unanimity in ascribing weight to the pocket argument that will be presented to everybody.—Charlotte Chronicle.

**A Heavy Load.**

To lift that load off of the stomach take Kodol Dyspepsia Cure. It digests what you eat. Sour stomach, belching, gas on stomach and all disorders of the stomach that are curable, are instantly relieved and permanently cured by the use of Kodol Dyspepsia Cure. S. P. Storrs, a druggist at 297 Main street, New Britain, Conn. says: "Kodol Dyspepsia Cure is giving such universal satisfaction and is so surely becoming the positive relief and subsequent cure for this distressing ailment, I feel that I am always sure to satisfy and gratify my customers by recommending it to them. I write this to show how well the remedy is spoken of here." Kodol Dyspepsia Cure was discovered after years of scientific experiments and will positively cure all stomach troubles. Sold by Jno. L. Wooten.

**Sour Stomach**

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by Wooten's Drug Store, Greenville.

## THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." ## THE WEATHER

Fair continued colder tonight. Tuesday fair warmer.

## Ladies Home Journal.

The ladies in charge of the bazaar to be given in the opera house in December wish to inform their friends that they will have a Ladies Home Journal booth. The managers of that booth and of the bazaar will appreciate the favor if those intending to subscribe to this Journal, or to renew present subscriptions, will keep the bazaar in mind and place their subscriptions through it. Mention is made of this for fear that some who would gladly favor the bazaar with their subscriptions may not know of such booth and subscribe or renew beforehand. Subscriptions will be taken from now on should any one wish to subscribe or find it necessary to renew before the time for the bazaar.

## Flashed Out.

The large lamp in Edmunds & Fleming's barber shop got cranky Saturday night, and for awhile left the shop in darkness. Other lights had to be substituted for a time.

## ABOUT

## RAIN COATS AND OVERCOATS.

The very height of fashion, according to whispered rumors from good tailors—for, to be honest, the good tailors set the Fashion—is just a little bit of Brown, or a big bit of brown, according to how much a man can stand.

Here are the "Rosewald & Weil" Mackinette coats some almost brown—others just fleckered brown and speckled with combinations of blue and grey and red invisible plaids.

Perfectly stunning patterns yet not "loud" either.

## Just Conspicuously Swell.

"Griffon" Overcoats in all patterns are here, with or without belts, loose or close fiters just as you prefer.

And now is the time to make your purchase.

Our sizes are not broken. We fit others, we can fit you. We suit others, we can suit you.
