HELP FOR THE FARMERS.

Fertilizer Company Will Extend Notes.

The Virginia Carolina Chemical Co. has offered to extend the term on fertilizer notes to enable farmers to hold their cotton for an increase in price. The president of the company sent the following letter to division managers that explains itself:

RICHMOND, Va., Jan. 5th, 1905.
TO THE DIVISION SALES MANAGERS,
Virginia Carolina Chemical Co.
Gentlemen:

The treasurer of this company is having so many requests to extend the notes of our customers and patrons, who have not finished paying their bills, and who desire to hold their cotton, stating that they believe they will get more for their cotton later on, that this company has concluded to issue a general letter on this subject as follows:

Any farmer or merchant who may be owing your division money and who has cotton which he desires to hold, you are at liberty to extend his note for him for six months from January 1st, with interest at the rate of 6 per cent. per annum, provided he will deposit sufficient cotton to pay the note in any reliable warehouse, and will turn over to you warehouse receipts for same. You are authorized to pay the insurance on said cotton and make no charge against your customer for this item.

We do not pretend to offer advice to our customers to hold cotton, but we do intend to offer them every facility and accommodation in our power to hold their cotton, if in their good judgment it is best. Whatever inures to the benefit of the agricultural classes in the South is to our benefit; our interests is identical with theirs. We are more closely and intimately connected with the cotton grower of the South than any dozen of her concerns combined. They are our customers in the purchase of fertilizers and we are their customers in the purchase of cotton seed. We both sell and buy of them and deal in every cotton growing county from Texas to Virginia. Therefore anything that will improve the agricultural conditions or help the farmer must necessarily benefit us and if holding their cotton will be a benefit to them, it is our desire to aid them in this as far as we can.

Other farm products, aside from cotton, appear to us to be selling at very full values, and we believe it would be wise in the farmers to sell any of their other surplus farm products, which would materially aid them in holding their cotton.

We are also of the opinion that the acreage last year devoted to cotton was too large, and that it never could have been cultivated in a normal season. The good weather during the spring enabled the farmers to cultivate every acre they planted; consequently the tremendous big crop of this year. As ordinarily it would be impossible to cultivate such an enormous acreage, we believe it would be wise in them this year to materially decrease the acreage. If it was decreased 10 per cent, it would mean a reduction of more than a million bales next, even if the crop yielded as much per acre as it does this year.

It strikes us that what the farmer wants is to make his cotton at the lowest possible cost. The profit derived from growing cotton is not so much the price of cotton as the cost at which the crop has been grown. Mules and hogs are high, much higher than a few years ago; the price of farm labor is high and scarce. Therefore every acre cultivated means a large expenditure. It costs more to cultivate an acre of land growing a quarter of a bale of cotton than one growing a bale. In the latter instance the plant soon grows up and shades the land

and consequently the grass does not grow so rapidly or luxuriantly.

The cheapest item that can be used in the production of cotton is commercial fertilizers, used liberally. With a liberal application of fertilizers the farmers can grow a bale of cotton where he has heretofore grown a half a bale, and do it with the same cost of mules and labor, and the additional quantity of seed will more than pay for the extra amount of fertilizers used. Therefore, encourage your customers to reduce their acreage and to increase the amount of commercial fertilizers per acre, believing, as we do, that this is the way and the only way to raise cheap cotton.

The South must continue to produce around eleven million bales of cotton, or they will find in a year or two the balance of the world competing with them in growing this staple, and our foreign market largely supplied from sources that now produce but a limited quantity.

Wishing for you a happy and prosperous New Year, and also for our customer and patrons, I am,

Yours truly,

S. T. MORGAN, president,
Va. Carolina Chemical Company.

THE LEGISLATURE.

TUESDAY.

A special message from Governor Aycock was read in both branches, in which he opposed the enlargement of the capitol building on which a committee was appointed by the last legislature.

In the senate a petition was presented from citizens of Pitt county asking that a law be passed requiring all school houses, churches, stores and other buildings in the county to be stocked so as to prevent hogs, dogs and other animals from going under them and spreading disease.

Citizens of Northampton county petitioned for a law permitting that county to tax dogs, the taxes to be used for educational purposes.

A bill was introduced for the relief of State Treasurer Lacy, to reimburse him \$374.84 embezzled by ex-clerk Martin.

In the house a bill was introduced providing a pension for veterans who have lost an arm or a leg, though they may have \$500 worth of property.

Representative Glenn offered a bill to allow the governor to appoint women as notary publics.

Representative Frizzle introduced a bill to regulate the pay of jurors in Greene county.

Several other bills of purely local character were introduced.

A joint session of the senate and house was held to canvass the election returns for state officers.

WEDNESDAY.

This being inauguration day all other matters gave way for the eventful ceremonies. Lieut. Gov. F. D. Winston presided over the senate in the afternoon for the first time and much pathos surrounded the change of presiding officers.

Tucker's Page.

A. E. Tucker has inaugurated a special sale, beginning on Saturday 14th. His entire stock has been placed under the supervision of special sale conductors and prices have been cut and slashed to move the goods off. A whole-page advertisement tells you of the bargains. Read it over and remember the big sale starts Saturday morning.

TAX NOTICE.

All parties owing taxes for the year 1904, are notified to come forward and pay same on or before Feb. 1st 1905 or I shall proceed to collect by distress.

O. W. HARRINGTON,
Tax Col.

MOORE WARD.

A Pretty Afternoon Marriage.

Wednesday afternoon at three o'clock Mr. D. G. Moore, of Grimsland, and Miss Lavinia Ware, of Greenville, were united in the bonds of holy matrimony. The marriage took place at the lovely country home of the bride's parents, Mr. and Mrs. Fernando Ward, Rev. D. W. Davis, of the Disciple church, graciously performing the ceremony.

After the host of friends present had assembled in the beautifully decorated parlor the officiating minister took his place awaiting the approach of the happy couple. The next to enter were the Rev. W. E. Cox, of Greenville, and Miss Ada Ward, the sister of the bride, marching to the sweet strains of Mendelssohn's exquisitely rendered by Miss Lillian Nobles. Following them came the bride and groom together who took the solemn vows of pledged faith and were pronounced man and wife.

At the conclusion of the ceremony Mr. and Mrs. Moore turned facing the audience to receive the congratulations of their friends who showered upon them many life-long good wishes. The bridal party and a number of friends accompanied the newly married couple to Greenville where they took the evening train for an extended bridal tour to Richmond, Baltimore and Washington City. The large and handsome display of wedding presents attested the wide popularity of the bride and the man of her choice. Both are well known in Greenville and few, if any, have a larger number of friends or more well-wishers here.

A large number of relatives and friends were present to witness the marriage. Immediately after the ceremony the couple left for the home of the groom in Greenville where a reception was held at night.

Mayor Parker Ill.

On Wednesday while sitting at the dinner table Mayor W. R. Parker was suddenly taken quite ill. The attack was similar to the one he had last summer but not so severe. He is resting quietly today but quite sick. We earnestly hope he may be soon restored to health.

The Cake Is Ours.

Made and Guaranteed by R. Knippenbomer & Co. America's Leading Clothiers and Tailors.

We claim the cake this Season. We think we have a right to claim it, we are not alone in thinking it either. There are others.

Any man who has looked around will certainly say that our Suits and Overcoats are the most elegant garments in town. He can't say otherwise and tell the truth.

Then there's our Hats and the Haberdashery, "fixin's that every man wants." The newest, the choicest, the smartest of everything is right here.

Then, as if to each the whole matter, comes our fair and reasonable prices. We haven't heard a single man "too much" or "too high." Take a look yourself and you'll say with the rest that "The Cake is Ours."

The Durham Herald does not believe Mr. Duke is crazy. Same here.

If Duke's marriage to Miss Webb gets annulled possibly he can make another matrimonial venture.

David B. Hill seems to have kept his word and retired, but the newspapers keep trying to dig him out.

Just think of it. Texas must raise \$10,000,000 to meet state expenses this year. But they raise things down there.

The death of an insane man in the McDowell county jail is a reflection upon the State. The general assembly should make ample provision for this class of unfortunates in the hospitals so that it will not be necessary to confine them in jails.

We believe the bill introduced in the legislature by Representative J. D. Murphy, of Buncombe, to increase the legal note of interest from six to eight percent is unwise. Six percent is as much as money is worth, and both lender and borrower are satisfied at that rate. Ex Senator W. R. Williams, of Pitt, who is the father of six percent, worked for years to get it reduced to that figure, and notwithstanding the predictions of dire calamity when his bill became a law, the state has gone right on enjoying abundant prosperity. Let the rate remain as it is.

The Gastonia Gazette is kind enough to make the following reference to this paper in an article about its exchanges:

The Greenville DAILY REFLECTOR is ten years old and enlarges from six to seven columns. Editor Whichard found in his Christmas mail a bill of lading for a new press, which he is probably installing by this time. THE REFLECTOR is one of this office's most valued exchanges. It has served its town well and deserves the support it is receiving. THE REFLECTOR has stood for the protection of home and for virtue in public life and has steadfastly refused to sacrifice moral duty for material gain.

Education Up-to-date.

We teach the children Danish, Trigonometer and Spanish; Fill their heads with old-time notions And the secrets of the oceans, And the cuneiform inscriptions From the land of the Egyptians; Learn the date of every battle; Know the habits of the cattle; Know the date of every crowning; Read the poetry of Browning; Make them show a preference For each musty branch of science; Tell the acreage of Sweden, And the serpent's wiles in Eden; And the other things we teach 'em Make a mountain so immense That we have no moment left To teach them common sense. -London Times.

Saved From Terrible Death

The family of Mrs. M. L. Bobbitt of Bargerton, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly but surely taking her life. In this terrible hour Dr. King's New Discovery for Consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. It's the most certain cure in the world for all throat and lung troubles. Guaranteed Bottles 50c and \$1. Trial bottles free at J. L. Wooten's Drug Store.

The Other Side.

Many remember vividly how low it was a few years ago when cotton sold at five cents; but perhaps not so many are willing to come back to the economy which such prices forced upon us. The economy which was practiced in consequence of such low prices is the chief cause why the same persons who suffered then are more independent now. Many a farmer who felt driven to the wall under five-cent cotton is now able to hold his cotton for a better price than he can get. The economy which came as a result of low prices a few years ago had as much hand in making farmers now independent as did the high price of cotton last year. That same sort of economy will again do the same thing for those who will practice it. -Scotland Neck Commonwealth.

No Moore Stomach Trouble.

All Stomach trouble is removed by the use of Kodol Dyspepsia Cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D. E. Skine, of Allenville, Mich., says, "I suffered Heartburn and Stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol Dyspepsia Cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me this relief." Sold at Wooten's Drug Store.

In reply to an inquiry as to the cotton situation, Senator B. R. Tillman, of South Carolina, says: "Sensible farmers in the South are holding their cotton. It costs too much to burn it. I predict that cotton will go back to 8 1/2 cents inside of 90 days, and there will be a million bales that will not come to the market even at that price. There is absolutely no need for panic anywhere, and none but idiots will burn cotton. The Southern planters are in a better condition financially than they have ever been within my recollection. We have had a good price for cotton the last two crops. Most men are out of debt and have money in the bank." It is to be hoped that the Senator's prediction will prove as accurate as his conclusions now appear. -Charlotte Observer.

Tonic to The System.

For liver troubles and constipation there is nothing better than DeWitt's Little Early Risers, the famous little pills. They do not weaken the stomach. Their action upon the system is mild, pleasant and harmless. Bob Moore, of Lafayette, Ind., says, "I use talking, DeWitt's Little Early Risers do their work. All other pills I have used gripe and make me sick in the stomach and never cured me. DeWitt's Little Early Risers proved to be the long sought relief. They are simply perfect. Persons traveling find Little Early Risers the reliable remedy to carry with them." Sold at Wooten's Drug Store.

Lawyers have a curious way of phrasing their documents, and often they would be ludicrous were it not for the real gravity of the matter involved. An instance of this is shown in the following taken from the petition of the former mayor of Charlottesville to the Virginia Supreme court of Appeals: "Your petitioner, J. Samuel McCue, respectfully represents that he has been greatly aggrieved by a judgment of the corporation court of the city of Charlottesville, pronounced, to wit, on the 9th day of November, 1904, whereby petitioner was condemned to be hanged on the 20th day of January, 1905." -Charlotte Observer.

A Very Close Call

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by J. L. Wooten. Price 50c.

The greatest system renovator. Restores vitality, regulates the kidneys, liver and stomach. If Hollister's Rocky Mountain Tea fails to cure get your money back. That's fair. 35 cents, Tea or Tablets. Wooten's Drug Store.

In Burlington, Iowa, the other day, two doctors were whetting their knives preparatory to performing an operation for appendicitis. The patient, suffering great agony, had been already prepared for the operation, all but the etherizing. Just as everything was about ready the fire alarm sounded. The patient jumped up and into his trousers and ran half a mile at top speed to see what what was going on. He stood an hour in the cold, and then walked home. His appendicitis was gone, and he never felt another pain. Is this a pointer for appendicitis sufferers?

Speedy Relief

A salve that is without a peer is DeWitt's Witch Hazel Salve. No remedy of its kind so speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits, they are dangerous. Sold at Wooten's Drug Store.

Domestic Troubles

It is experienced to find a family where there are no domestic troubles occasionally, but these can be lessened by having Dr. King's New Life Pills around. A considerable number of families credit they save by their great work in Stomach and Liver trouble. They not only relieve you, but cure. 25c at J. L. Wooten's Drug Store.

We sincerely regret to see Governor Aycock take leave of his office. He has had the best chance of any man who has ever occupied the Governor's office in the State, and he has made the best of his opportunity. His administration has been glorious because it rested on the eternal principles of truth, justice and mercy. The only reason he is allowed to retire is, he is not eligible to re-election. God be thanked for such a man. -Raleigh Times.

Coughs And Colds

All coughs, colds and pulmonary complaints that are curable are quickly cured by One Minute Cough Cure. Clears the phlegm, draws out inflammation and heals and soothes the affected parts, strengthens the lungs, wards off pneumonia. Harmless and pleasant to take. Sold at Wooten's Drug Store.

Wonderful Nerve

Is displayed by many a man enduring pains of accidental Cuts, Wounds, Bruises, Burns, Scalds, Sore feet or stiff joints, But there's no need for it. Bucklen's Arnica Salve will kill the pain and cure the trouble. It's the best salve on earth for Piles, too. 25c at J. L. Wooten's Drug Store.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Internists.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a laboratory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. F. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.
