AYDEN ITEMS.

AYDEN N. C., Jan. 13 1905.

J. M. Lloyd returned to Bethel this morning.

J. W. Taylor, W. J. Jenkins and E. V. Cox spent one day in Greenville on business during the past week.

J. A. Harrington who lives out near the seminary having a natural taste for scenery and things pertaining to the beautiful with the consent of the trustees of the school has taken pains at his own expense to set out trees and otherwise beautify the grounds and much to his credit has succeeded most admirably. Some miscreant with devil bent and mischief shown has taken it upon himself to destroy the trees and otherwise injure the work of this enterprising citizen. If the authorities will do their duty such rascality will not go unpunished and the culprit will receive his just reward.

Deputy Sheriff Sam Dudley has been a frequent visitor heard of late.

Miss Janie Barwick, of Kinston, is on a visit to her brother, J. F. Barwick.

R. W. King, of Greenville, has been here this week.

A. M. Moseley went to Grassville Wednesday.

Carlos Harris is here painting signs, etc. Some of his work is very greatly admired.

The lettering on the glass front door of the office of E. V. Cox is certainly pretty. The words "Life and Fire Insurance" "Real Estate Agency" are of beautiful design each letter having in its center an imitation pearl. The whole being artistically executed by Carlos Harris, of Greenville. Mr. Cox is a gentleman of firm taste and knows a good thing when he sees it and never fails to take the proper advantage.

Johnnie Nobles has accepted a position as salesman in the store of W. N. Edwards & Co.

Miss Ophelia Collins, of Grifton, is here on a visit to friends.

At a meeting of the directors of the Ayden Milling and Mfg Co, Tuesday evening a dividend of 25 per cent was declared. This company is doing a flourishing business and while the past year has proven profitable the directors anticipate with the added facilities and many more advantages surrounding them to make the coming season still more so.

Mrs. Willie Prince, of Parmele, who has been visiting her mother returned to her home.

Johnnie Basden a little 12 year old lad while at play out at the graded school yesterday had the misfortune to fall and break his left arm just below the elbow. Dr. Jos. Dixon set the injured limb and Johnnie says he will soon be alright and nobody need fret. He is a plucky little fellow.

Sheriff Leon W. Tucker was a visitor in our town yesterday.

Awkwardly Worded.

The Perkins and the Podgrass families are unfriendly. Adherents of the Perkins say it is Mr. Podgrass's fault, but he warmly protests that he meant no harm.

The trouble began at the concert given in aid of the Volunteer Fire Company. Mr. Podgrass was stage manager. Miss Belle Perkins was down for a solo, but when the eventful evening came she found herself prostrated with a cold, and the last moment sent a messenger asking that she be excused to the audience. When her place on the program was reached, Mr. Podgrass advanced to the front of the platform.

"Ladies and gentlemen," he said "I have to announce that Miss Perkins will be unable to sing as announced, and therefore Mr. Brown will give us a 'song of Thanksgiving.'"—Exchange.

DELIGHTFULLY ENTERTAINED.

The Baraca class of the Memorial Baptist Sunday school was delightfully entertained at their home in South Greenville, Thursday night, from 8.30 to 11.30 o'clock, by Mr. and Mrs. J. W. Bryan, the former being teacher of the class. As each member of the class arrived with his lady they were met at the door by the host and hostess and ushered into the parlor where various games were played until the guests were invited into the dining room to a delicious supper. The menu consisted of stewed and fried oysters, chicken salad, olives, coffee, cake, hot chocolate and pickles.

Toasts were responded to by Rev. A. T. King, R. L. Strickland and Dr. Bryan on the subject of Baraca work in Greenville.

The Baraca class feels highly honored by having Dr. Bryan as its teacher. At a late hour the guests departed to their respective homes, having spent a very pleasant evening. All thank the host and hostess for their kind courtesies.

BARACA PRESS REPORTS.

Will Fight The Dukes

New York, Jan. 12.—Mrs. Alice Webb Duke, whose marriage to Brodie L. Duke was followed by his incarceration in a sanitarium, will fight the relatives of her husband who intended to have the marriage annulled and has retained counsel and taken steps to procure his release upon habeas corpus proceedings.

She has retained Champe S. Andrews, and instructed him to spare neither pains nor expense in effecting the release of the tobacco man. Telegrams passed between the firm of Hill, Straetk & Andrews and persons in Stamford and Norwich, Conn., today.

Mrs. Duke could not be found today in the city by the detectives employed by the district attorney nor the Duke family, and it is believed she is now in Connecticut.

Farmers Institute.

There was a good attendance of farmers here today at the institute and the meeting was a helpful one to them. Dr. Tait Butler and Prof. H. H. Hume, of the State Agricultural Department, both delivered lectures on subjects of interest and importance to the farmers, and also gave practical answers to questions asked along different lines of farm work.

Such meetings as this are a great advantage to the farmers and every one who can should attend the institutes whenever one is held. Pitt county farmers are interested in their calling and want to take advantage of whatever helps them on to greater success.

The Crime of A Friend.

Chicago, January 11.—With a desperation born of friendship John Miller, a restaurant keeper, this morning shot and slashed his wife and two children, Martha and Mary, two and a half and one year old respectively with a razor then fired a bullet into his own breast at the same time cutting his throat. His wife and two children are dead and Miller is in a hospital dying. It is said that was the termination of a long feud of Miller.—Raleigh Times.

Improvements in Court House.

The hallway in the lower story of the court house has been white washed. New bagging carpet has been placed in the court room, and on the stairway.

THE WEATHER

Rain in east, rain or snow in western portion tonight, colder. Saturday fair, much colder. Cold waves in western portion.

DISPENSARY REPORT

How it Stands Financially—Aldermen Order New Fire Hose Purchased—Charter Amendments.

The board of aldermen met in adjourned session, Thursday night, to transact some business left over from the last regular meeting. Mayor W. R. Parker being unable to attend because of sickness, Mayor protem J. R. Moye presided.

The dispensary commissioners made a statement of the business of the dispensary for five and a half months up to Jan. 1st. We give the following condensed statement from the report:

Debit.

Salaries, insurance, freight etc.	2,238.03

	\$26,599.77
Credit.	
Amount of sales	\$20,836.60
Rebate	61.25

	\$26,599.77

The dispensary commissioners turned over to the town treasurer checks for \$2,400, one half of which goes to the general fund of the town and one-half to the public school fund of the county.

Representatives of several fire hose makers were before the board to submit samples and prices of fire hose to use on the hydrants. The fire department recommended the purchase of 1,500 feet of new hose and a committee was appointed to examine the different samples and make the purchase.

The committee appointed to look over the charter of the town and suggest any amendments needed also reported. Not many changes were recommended. About the only ones of importance were to consolidate the offices of tax collector, tax collector and clerk into one office, and to change the election of the aldermen so that the terms of only half the members will expire at the same time.

The Cake Is Ours.

Made and Guaranteed by B. Knuppen, Bremer & Co. America's Leading Clothing Makers.

We claim the cake this Season. We think we have a right to claim it. We are not alone in thinking it either. There are others.

Any man who has looked around will certainly say that our Suits and Overcoats are the most elegant garments in town. He can't say otherwise and tell the truth.

Then there's our Hats and the Haberdashery, "fixin's that every man wants." The newest, the choicest, the smartest of everything is right here.

Then, as if to catch the whole matter, comes our fair and reasonable prices. We haven't heard a single man "too much" or "too high." Take a look yourself and you'll say with the rest that "The Cake is Ours."

WE NEED HIM.

In the retiring of Governor C. B. Aycock, North Carolina loses one of its best and ablest public servants. He is one of the ablest men in the South today, and has always done great honor to his state, and now as a private citizen he will return to his old home in Goldsboro to resume the practice of law...

When Mr. Aycock was inaugurated as Governor he found things in rather bad shape, the result of fusion management. But he was the right man in the right place, and he was not long in purifying things and for this the whole State owes him their everlasting gratitude.

It is gratifying to note the success and prosperity among North Carolina newspapers. The past year was a good one with most of them and many improvements have been the result. The Wilmington Dispatch has just celebrated its tenth anniversary by enlarging from four to six pages and installing a fine perfecting press.

Those people who have been having so much to say about the dispensary in Greenville being a financial failure should read the statement of the commissioners published elsewhere. The dispensary has been in operation a little less than six months and making a profit of \$4,000 in that time does not look like it is a financial failure.

If you just give Greenville a fair shake it is going to be a town worth talking about.

Should Certainly Pass

Senator Odell's bill to increase the pension appropriation from two hundred thousand to three hundred thousand dollars should certainly pass. Some pensioners, including worthy widows of soldiers, are said to be receiving only about one dollar a month. North Carolina can do better than that and it should.

Keep your money in circulation. Don't salt it away. Pay your debts as fast as you can. Have patience with one another. Buy your goods of the home merchant. Encourage home industries and home enterprises and give the home mechanics all the work you have to let out.

The mother of Governor Glenn was present at the inauguration yesterday. She enjoyed a rare privilege as few mothers live to see their sons awarded such a mark of honor and confidence.

The greatest system renovator. Restores vitality, regulates the kidneys, liver and stomach. If Hollister's Rocky Mountain Tea fails to cure get your money back. That's fair. 35 cents, Tea or Tablets. Wooten's Drug Store.

The Opinion of a Great Many of Us.

The Twin City Sentinel is of the opinion that we have too much law, an opinion which a good many of us have. The Sentinel says: "It may seem strange but it is true that there are a large number of laws on the statute books that are never enforced and more are constantly being added all the while."

Our contemporary will, we hope, let us add a word. Each legislator supposes he must pass a bill, and too often people who vote for a man to go to the Legislature consider that if he does not get some bill through he is not doing much; hence they want to send somebody else to his place. The fact is, about every other citizen of this country has in his mind at least two or three pet ideas which he would like to see embodied into law.

What we we quote above from the Sentinel is true; as also is this which it adds: "What we need is fewer laws and a better enforcement of those already on the statute books."

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a jury in a murder case at Edwardsville, Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the six I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us."

Baltimore the past year maintained her position of second place to New York in the exportation of breadstuff. She also, during the first eleven months of 1904, maintained her usual position of third place in the shipment of provisions, including cattle, hogs and sheep. New York taking first position and Boston second. The great Southern city holds its own, and it is a pleasure to note it, for many North Carolinians have been identified with the up-building of Baltimore—Wilmington Star.

No Moore Stomach Troubles

All Stomach trouble is removed by the use of Kodol Dyspepsia Cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D. Eskin, of Allenville, Mich., says, "I suffered heartburn and stomach trouble for some time. My sister-in-law had had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol Dyspepsia Cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me instant relief." Sold at Wooten's Drug Store.

Keep your money in circulation. Don't salt it away. Pay your debts as fast as you can. Have patience with one another. Buy your goods of the home merchant. Encourage home industries and home enterprises and give the home mechanics all the work you have to let out.

Cured of Lame After 15 Years of Suffering. "I had been troubled with lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gilliam, Ind. This balm is also without an equal for sprains and bruises. It is for sale by Wooten's Drug Store, Greenville.

Why Cotton is Low.

On November 30 the total available supply of cotton on hand was 6,273,382 bales, as compared with 4,192,298 bales on November 30, 1903, and 5,274,766 bales on November 30, 1902. The net overland movement for the first three months of the cotton year amounted to 202,375 bales in 1904, 210,133 bales in 1903 and 365,368 bales in 1902. Up to November 30 of the present season domestic spinners have taken 1,480,161 bales, which was a decided increase over the 1,100,000 for corresponding periods in both 1903 and 1902, and was largely accounted for by heavier orders from Northern mills. Total exports for September, October and November were considerably in excess of those for 1903 and 1902. At Memphis, Tenn., the cotton receipts for the present season up to and including December 2 amounted to 432,344 bales, as compared with 316,922 bales during the same part of the season of 1903-04, and 476,532 bales in 1902-03. Shipments for the same periods were 306,164 bales in 1905, 254,236 bales in 1903 and 371,331 bales in 1902. This movement was largely accomplished by the use of the transportation facilities afforded by eleven railroads and three rivers, although large quantities of cotton are brought into the city each year from outlying districts by means of wagons.

Tonic to the System.

For liver troubles and constipation there is nothing better than Dr. Witt's Little Early Risers, the famous little pills. They do not weaken the stomach. Their action upon the system is mild, pleasant and harmless. Bob Moore, of Lafayette, Ind., says, "No use taking DeWitt's Little Early Risers do their work. At other pills I have used gripe and make me sick in the stomach and never cured me. DeWitt's Little Early Risers proved to be the long sought relief. They are simply perfect. Persons traveling find Little Early Risers the reliable remedy to carry with them. Sold at Wooten's Drug Store."

Commenting upon the fact that the probation of the will of J. H. Alford, recently shot and killed by Raymond D. Bynum, one of his business partners, reveals the interesting circumstance that his interest in the business in Raleigh, is left to his two partners, one of whom slew him. The Columbia Star asks: "And what was the cause of that deadly strife between friends? Was it an uncontrollable temper and whiskey, with the ever-ready pistol? It was whiskey and the pistol, the weapon that is always dangerous, but never more so than when ready to the hand of a drunken man."

Sour Stomach

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach will be avoided. For sale by Wooten's Drug Store, Greenville.

Speedy Relief

A salve that heals without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, bruises and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits, they are dangerous. Sold at Wooten's Drug Store.

Coughs And Colds

All coughs, colds and pulmonary complaints that are curable are quickly cured by One Minute Cough Cure. Clears the phlegm, draws out inflammation and soothes the affected parts, strengthens the lungs, wards off pneumonia. Harmless and pleasant to take. Sold at Wooten's Drug Store.

Constipation and piles are twins. They kill people inch by inch, sap life away every day. Hollister's Rocky Mountain Tea will positively cure you. No cure no pay. 35 cents, Tea or Tablets. Wooten's Drug Store.

Will you want a new ledger for next year? Reflector Book Store can supply you.

LEAD DUAL LIVES.

The Way Some New York Doctors Maintain Two Offices.

"Why can't you come to see me any more," asked a physician with an office in a fashionable street just off 14th avenue of a patient. "To be frank, doctor," was the reply, "I cannot afford it. I am a salaried man. When I came to see you as a specialist I believed it would be only for a short time; but, as you say, my case is an obstinate one. I have already far exceeded the amount I contemplated to pay. You have been very kind about arrears, but I don't wish to continue further. The money must be paid some time, you know," the patient added, with an attempt at cheerfulness.

The physician pondered for a moment. Then he said: "Mr. Blank, I am glad you have been frank with me. I shall be equally frank with you. I will intrust you with a secret. I am interested in your case for professional reasons. Go to this place," handing over a card with an address far downtown on the west side, "between 4 and 6 o'clock in the afternoon, and I will see you there. But I must ask you not to go except between the hours named. My fee there will be just one-third what it is here, and you can take your time about paying it."

"A great many doctors do that," said a New York physician who is so rich that he need not practice at all unless he wishes. "I did it myself once. If a doctor aspires to a fashionable practice he must live in a fashionable neighborhood, among other fashionable doctors, where there are always plenty of carriages lined up on the street. Frequently when a man moves into a house or even an apartment, costing anywhere from \$2,000 to \$4,000 a year, his practice will not pay his rent and living expenses."

"Of course he must keep up appearances in his uptown office. Downtown he may do as he pleases. Uptown he is, for instance, Dr. Cavendish-Jones, office hours from 9 until 11 a. m. and 7 until 8 p. m. Downtown he is Dr. Jones, office hours 4 to 6 p. m. Frequently in cases of this kind another physician's plate is on the downtown window, giving his hours as 1 to 3 p. m. In this way Dr. Cavendish-Jones is easily able to meet the deficiency in his uptown house expenses. He makes his calls, of course, between 11 and 4 and drives home to lunch in his brougham. The man who pays his \$2 a visit to Dr. Jones in Greenwich village never dreams that he is receiving the services of the distinguished Dr. Cavendish-Jones, whom he may have heard of as a specialist in his particular trouble, but whose fees were prohibitory to him."

I'll brave the storms of Chilkoote Pass. I'll cross the plains of frozen glass, I'll leave my wife and cross the sea, (rather than be without Rocky Mountain Tea. Wooten's Drug Store.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device has located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

Free booklet, on request. BENSONIZER COMPANY, 417-19 N. Seventh St., St. Louis, Mo.
