THE NEW YEAR.

AT this season, the close of the Old and opening of the New Year, wise and prudent men take account of their assets and liabilities. In taking account of our assets and liabilities we find our most valuable assets to be the good will of our many patrons and friends.

In like manner, we find our greatest liabilities, are those we owe our friends for the kindly and substantial interest they have manifested in this store.

This good will we heartily reciprocate and trust our mutually relations will not only continue, but will show a marked increase for 1905. To realize this trust, community of interest will bind us together in indissoluble golden bonds.

We feel that the growth of our business is due to the loyalty of our friends, and we now thank them heartily for their contribution to our success.

In conclusion we shall ask you to expect better things from this store for the year 1905. With the season's greetings and our best wishes for your success and prosperity we are

Your Friends

CAROLINA CLUB ENTERTAINMENT.

The Annual Reception Most Delightful

Carolina Club are assuredly most royal entertainers when they turn a hand in that direction, and the annual reception on Friday night was an occasion seldom equalled. The elegant club quarters were opened to invited guests and the members and large number of ladies present made it a brilliant scene from 9 to 12.

The pool and billiard tables afforded many interesting games for the gentlemen, while a number of the lady guests, much to the delight of all, made the reception room joyous with splendid vocal and instrumental selections.

An elegant supper was served in the splendid furnished cafe, the menu consisting of oysters in various styles, salads, cold turkey biscuits, cheese straws, crackers, celery, olives, pickles, creams, assorted cakes, chocolate and coffee.

Carolina Club constantly grows in popularity and is a social organization of which Greenville may well be proud. Its membership numbering 70 and no expense is spared in making the quarters comfortable and attractive. All present Friday night are greatly indebted to the club for the splendid entertainment, and wish the biggest success may continue to come the organization.

FIRE AT FALKLAND

J. L. Fountain Loses Stables and Several Team and Cattle.

About 4 o'clock this morning the barn and stables of J. L. Fountain, at Falkland, were destroyed by fire. Two horses, two mules and three cows, perished in the stables, and all the corn and hay in the barn was burned.

Occurring at such an hour the fire is believed to be of incendiary origin. When discovered the buildings were burning so rapidly that nothing could be saved. The loss is about \$1,200 with no insurance.

Good Recipes Wanted

The ladies of the Methodist church are compiling a cook book to be published and sold for the benefit of the church building fund. The book will contain useful recipes for cooking various dishes. The ladies will soon make a census of the towns to collect the recipes and will thank the house keepers for furnishing them copies of any tested recipes which they may have. Get these copies ready so the ladies may get them when they call.

SHELMEKDINE ITEMS

SHELMEKDINE, N. C., Jan. 14, 1905.

The Beaufort County Lumber Co. have purchased quite a novelty in machinery for the purpose of cutting and splitting wood for the engines; doing away with the old time cutting and mauling wood.

Did you ever see so much rain? Our streets are unusually wet and muddy.

Many of our young folks are disappointed in not being able to attend the basket party Friday at Chapman's chapel, on account of the rainy weather.

Mr. Archbell, of Goldsboro, was in town Friday.

Mr. Higgs, of Greenville, visited our town Friday.

Robert Dixon and family have moved to Shelmerdine and are occupying the residence vacated by Mr. Burroughs and family.

Mr. McCarty, of Winston, was in town Friday.

Mr. Phillips and Mr. Calhoun made a flying trip to Washington Thursday, bringing back quite a treat—a bushel of oysters which were served on half shell in the office to all friends present.

Mr. Smith, of South Carolina, has accepted a position with the Beaufort County Lumber Company succeeding Mr. Hobbs.

Mrs. George H. Cole and little daughter, Emily, returned home Friday night.

TEACHERS ASSOCIATION.

Several Important Subjects Discussed.

The teachers of the county had very good weather against them for the meeting of the association today, yet a good number were in attendance and the proceeding were interesting.

The devotional exercises were conducted by Rev. H. H. Moore. There was no prearranged program for today, but a general discussion of timely suggestions through a form of questions.

Some of the questions submitted were "How teachers may improve themselves during the school term," "How to interest in their studies girls who are almost grown," "Which is better, to have a summer institute in the county or compel the teachers to attend a summer school," "What may be reasonably required in a standard of discipline for county schools," "What is the secret of good government in the school room?"

On this subject, as well as some others of less importance, several of the teachers spoke with much interest. It was well to occasionally vary the exercises as was done today.

Our Premium.

A number of our subscribers are availing themselves of the opportunity of getting that splendid farm paper, the Southern Agriculturist, free by paying a year's subscription to the semi-weekly REFLECTOR for four months to the daily in advance. All who pay a dollar in advance are entitled to the premium. We have only a limited number of these premiums and the first hundred who pay in advance get them. Sample copies of the Southern Agriculturist can be had at this office. THE REFLECTOR is worth more than the subscription price, and this additional paper given free is an offer that should not be missed.

New Firm in Charge.

J. A. Riess & Bro., who have succeeded E. H. Shelburn in the grocery and bakery business, have an announcement today. They are prepared to furnish hot bread, pies and cakes, and the best in the grocery line. J. M. Reuss will be in charge of the baking.

The Ladies Aid Society of the Methodist church will meet Monday afternoon at 3 o'clock at the home of Mrs. W. T. Hunter, in South Greenville. Immediately afterwards the Woman's Missionary Society will hold its meeting.

THE LEGISLATURE.

FRIDAY.

Governor Glenn submitted his first message to the assembly in which an increase of the salary of judges is recommended.

In the senate a bill was introduced to make it indictable for one to convert partnership property to personal uses.

Senator Hedell introduced a bill to enable a man whose wife is insane to convey his property free of dower upon the certificate of the superintendent of the insane asylum.

STATE NEWS

While insane John L. Gregory, of Wadesboro, shot his wife through the head with a gun, blowing nearly all the top of her head off. The woman was asleep at the time and apparently did not move after being shot.

D. A. G. Carr, a prominent physician of Durham, committed suicide early Friday morning. He shot himself through the brain.

An Open Letter to the Manufacturers of North Carolina.

Friends: A bill has been introduced into the Legislature of our State amending the present child labor law as follows: It aims to raise the age limit from twelve to fourteen for girls; to raise the age limit from twelve to fourteen for boys who can not read and write; and to forbid night work for children in the factories under fourteen years of age. The people whom I have talked about this measure from all over the State regard it as a wise and conservative, as well as a humane measure. I make an appeal for your co-operation and would greatly regret your opposition to this bill. If this measure becomes law by your acquiescence, I shall undertake to see there shall be no further agitation of the child labor question for a period of four years, at least, while the other manufacturing States of the South are catching up with North Carolina. But if it shall fail of passage, I shall undertake a campaign of education along this line for the next 2 years in order to secure the aid of every human and intelligent man and woman in the State for an adequate child labor law. I would deplore the resulting agitation as much as you would, and trust it will not become necessary to the task of saving the children of this State from the clutches of the child labor law. I appeal to your humanity and your patriotism.

Sincerely yours,

A. J. MCKELWAY

Now that fellow who wants to run the ferry boat on the streets can blow his whistle. There is water enough in the channel.

Fighting The Trusts

Washington, Jan. 12.—The campaign of repression which President Roosevelt has set in motion against corporations said to be operating in "restraint of trade" will be carried into several States in the South. The movement, which bears the earmarks of an insistent White House demand for these reforms, will particularly affect North Carolina, which Commonwealth affords, in the opinion of officials of the Department of Justice, much favorable ground for operations. District Attorney Harry Skinner to day made a lengthy statement before the Inter State Commerce Commission and presented to the commission certain data which was some time ago placed in his possession. Mr. Skinner was handling matter in which the Department of Justice is concerned, and therefore declined to disclose the exact nature of his mission here, but there is good authority for saying that either the question of freight rates or the affairs of the American Tobacco Company were under consideration, and it is furthermore known that there will be an investigation, inasmuch as the question of rebates has not been a live issue in North Carolina, and inasmuch as the commerce commission confines its activities to railroad matters this Skinner move opens up a wide field for speculation, but it is certain there will be something doing along the lines indicated. The commission was in executive session while this North Carolina matter was under consideration. The affairs of the tobacco trust are now under investigation in Tennessee by an assistant attorney general, who a few days ago received his commission from the President.—Cor. Charlotte Observer.

No Moore Stomach Troubles

All Stomach trouble is removed by the use of Kodol Dyspepsia Cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. Parsonage, who dieted himself when taking Kodol Dyspepsia Cure, J. D. E. Skyles, of Allegheny, Mich., says, "I suffered heartburn and stomach trouble for some time. My stomach would not digest anything and I was unable to eat for several weeks. After taking two bottles of Kodol Dyspepsia Cure I was entirely cured. I am now eating heartily and in good health. I am glad to say Kodol gave me no rest relief." Sold at Wooten's Drug Store.

Prosperity in the Homes.

There are some folks who base their ideas of the prosperity of the country on the fact that there is more money—in the saving banks. That is prosperity all right, and frugality and care for the future, and the old age that surely comes. But there is another kind of prosperity. The average American is better to his family and himself than ever before. He has put some money into the bank, and he is probably planning now for a home of his own instead of remaining a renter. And he has purchased more comforts and good things to eat than ever before. He has put some of his surplus into good clothing, not only for himself, but for the wife and children.

ALL OVER THE HOUSE.

Home Treatment For Colds, Wounds, Burns and Bruises.

Camphor is one of the good old time remedies which is fine where there are children. A flannel wet with it and bound on a sore throat at night will generally effect a cure if there are no diphtheritic conditions. In case white patches appear, a gargle of potash with a little tannate tincture of iron added is most effective. Add water to chlorate of potash. The quantity isn't material, as the water will dissolve only a certain amount of the potash anyway. About one teaspoonful of iron to a three ounce bottle of the potash gargle is the correct quantity. Gargle with this preparation every hour or two.

A flannel saturated with turpentine and grease is also good for sore throat. Turpentine also acts as an antiseptic in case of a wound from a dog bite, a nail, a splinter or a knife cut. Cleanse the wound thoroughly with warm water and pour on turpentine. It will burn for a time, but is a healing and effective remedy. Turpentine rubbed on the chest of a child at night will cure a croupy cough. Keep a 20 per cent solution of carbolic acid in the machine closet. For external use, such as healing bruises, burns, an abscess or a nasty wound of any sort, it is wonderfully effective.

Hard Soap, Cold Process.

Dissolve two pounds of caustic soda powder in a jar or earthen vessel in nine pints or pounds of cold water. Stir with a wooden spoon or stick while dissolving. The liquid will become very hot. Do not use it until it becomes cold. Weigh out fifteen pounds of clean grease, tallow or oil. Let it melt slowly. The temperature of the grease should not be raised higher than 100 degrees F. (oil requires no heating). Pour the caustic soda powder preparation in a small stream into the liquid grease, stirring all the time with a wooden paddle or piece of stick until the mixture is of the consistency of honey. It will take about fifteen minutes. Pour it at once into wooden boxes or pans dampened with water. Set aside in a warm place. The next day it may be cut into cakes.

Scrambled Egg and Bacon.

Lay as many pieces of sliced bacon with the rind removed as the frying pan will accommodate. Fry to a delicate brown and take up on a plate. Break four eggs in a bowl and add to them four teaspoonfuls of cold water and a little salt and pepper. Beat them a little and turn into the hot bacon fat. Lift and stir lightly until the white is set and the mixture is thick and creamy. Take out carefully and lay over the bacon.

Care of Copper Kettles.

A furred iron or copper kettle is easily cleaned. Place it empty over a clear fire for a short time. This will loosen the chalky deposit, which can then be removed. To prevent the kettle from furring again keep a large marble in it or an oyster shell will answer the same purpose.

Ivory Blancange.

Dissolve one ounce of gelatin for ten minutes in cold milk, a sufficient quantity to cover it. Stir this into a pint of thin cream and add a small cupful of sugar, two tablespoonfuls of sherry wine, strain into molds and set away to harden. Serve with whipped cream.

Eggs and Meat.

A dozen eggs are worth in nutrition the value of a pound and a half of meat, so it is wise to use eggs at all seasons, packing down in salt a supply for that season in early winter, when their prices become fabulous.

Coughs And Colds

All coughs, colds and pulmonary complaints that are curable are quickly cured by One Minute Cough Cure. Clears the phlegm, draws out inflammation and heals and soothes the affected parts, strengthens the lungs, wards off pneumonia. Harmless and pleasant to take. Sold at Wooten's Drug Store.

Domestic Troubles

It is exceptional to find a family where there are no domestic ruptures occasionally, but these can be lessened by having Dr. King's New Life Pills around. Much trouble they save by their great work in Stomach and Liver trouble. They not only relieve you, but cure. 25c at J. L. Wooten's Drug Store.

I'll brave the storms of Chilkoot Pass. They leave the plains of frozen glass, I'll leave my wife and cross the sea, rather than be without Rocky Mountain Tea. Wooten's Drug Store.

A Very Close Call

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. B. H. my, a locomotive fireman of Burlington, Iowa. "I was weak and pale, without any appetite and I lay down. A I was at it to give up, I got a bottle of Bieerie Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run-down people always gain strength and vigor from their use. To obtain satisfaction guaranteed by J. L. Wooten. Price 50c.

Speedy Relief

A salve that heals without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits, they are dangerous. Sold at Wooten's Drug Store.

Wonderful Nerve

Is displayed by many a man enduring pains of accidental cuts, Wounds, Bruises, Bares, Scalds, Sore feet or stiff joints. But there is no need for it. Bucklen's Arnica Salve will kill the pain and cure the trouble. It's the best salve on earth for Piles, too. 25c at J. L. Wooten's Drug Store.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder. If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders. I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.

THE AMERICAN MONTHLY REVIEW OF REVIEWS

The more Magazines there are, the more Indispensable is The Review of Reviews
"Indispensable." "The one magazine I feel I must take." "The world under a field glass." "An education in public affairs and current literature." "These are some of the phrases one hears from noted people who read The Review of Reviews." The more magazines there are, the more necessary is The Review of Reviews, because it brings together the best that is in all the most important monthlies of the world. Such is the flood of periodical literature that nowadays people say that the only way to keep up with it is to read The Review of Reviews. Entirely over and above this reviewing section, it has more original matter and illustrations than most magazines, and the most timely and important articles printed in any monthly.
Probably the most useful section of all is Dr. Albert Shaw's illustrated "Progress of the World," where public events and issues are authoritatively and lucidly explained in every issue. Many a subscriber writes, "This department alone is worth more than the price of the magazine." The unique cartoon department, depicting current history in caricature, is another favorite. The Review of Reviews covers five continents, and yet is American, first and foremost. Men in public life, the members of Congress, professional men, and the great captains of industry who must keep "up with the times," intelligent men and women all over America, have decided that it is "indispensable."

Every issue is like a big experience meeting, the farmers' questions being answered by such men as Maj. Thos. J. Key, former Assistant Commissioner of Agriculture of Alabama, and Prof. Andrew M. Soule, Director of the Virginia Experiment Station. The Home Department is conducted by Aunt Anne, whom all readers soon learn to love.
