TEACHERS' ASSOCIATION

The Session One of Marked Interest.

There was a large attendance of teachers at the monthly meeting of the county teachers' association here today, and though there had been no prearranged program the session was one of great interest.

The opening exercises were conducted by President T. H. King. After the roll call and transaction of miscellaneous business, County Superintendent Ragsdale distributed registers to the public school teachers and explained their use.

Then followed discussions on several interesting topics in the following order:

Opening exercises of the schools. The use of objects in emphasizing lessons.

Mechanics of reading. Reading for expression and thought gathering.

Literature in the first five grades. History in the first five grades. Closing exercises of the schools.

Many of the teachers took part in these discussions and the suggestions drawn out were helpful to all.

Every meeting of the association proves the great benefit the teachers are deriving from it.

At the Christian Church.

The Christian church will hold the usual services tomorrow as follows: Sunday school 10 a. m., preaching by the pastor at 11 a. m., and 7:30 a. m.

The public will please note the change of time for the night service from 7:15 to 7:30; the Christian Endeavor will meet at 6:30, p. m., with Miss Janie Tunstall, leader.

The C. E. will hold its monthly consecration meeting at this service and all members are requested to be present. The public is cordially invited also to attend this gathering of the young people. New members are being added continually and the society is rapidly becoming one of the strongest working forces in the church.

Plans are now in hand for a large revival meeting late in April or early in May. The evangelist has not yet been selected, but no effort will be spared in getting an able man. H. H. Moore, Pastor.

Anniversary Services.

Tomorrow is the second anniversary of Rev. F. G. Hartman's pastorate of the Presbyterian church here, and at the morning service the church will have a special observance of the Lord's Supper.

Rev. Mr. Hartman began his pastorate here two years ago, and these years have been filled with earnest, faithful labor for the church and the cause of Christ. He has made many warm friends both among and outside of his congregation.

Meeting in Baptist Church.

On Sunday Rev. A. T. King will begin a meeting in the Baptist church. Rev. J. T. Jenkins, of Wilson, will arrive Monday evening and will hold two services each day through the week.

Ministers of the Gospel and Christian people of every name are cordially invited to attend the meetings and to work and pray for the salvation of the lost.

Respectfully,
A. T. KING.

Friday night when Richard Marriner, night watchman for the Building & Lumber Co., was making his 4 o'clock round and had gone up in the office, heard a noise on the outside. On opening the door he saw a mad dog and shot him twice. The dog was struck once but made his escape.

She Died By Poison

Honolulu, March 9.—The coroner's jury last night returned a verdict that Mrs. Jane L. Stanford died an unnatural death. The verdict says that death was due to strychnine poisoning, the poison having been introduced into a bottle of bi-carbonate of soda with felonious intent by some person or persons unknown to the jury.

The end of the inquest with a positive verdict of murder leaves the police of Honolulu as much without a clue as when Mrs. Stanford died. High Sheriff Henry said after the inquest that it was his opinion that the strychnine was placed in the soda in San Francisco by a member of Mrs. Stanford's household. At the inquest Dr. Shorey testified that the strychnine used as shown by tests, was a strychnine such as is not used generally for medical purposes but used principally for poisoning animals. This statement is regarded as of possible assistance in tracing the purchase of the strychnine.

Mukden Prisoners and Spoils.

Tokio, March 10.—Field Marshal Oyama telegraphs as follows under today's date:

"We occupied Mukden at 10 o'clock this morning.

"Our surrounding movement, in which we have been engaged for some days past, has now completely succeeded.

"The fiercest fighting continues at several places in the vicinity of Mukden.

"We captured a great number of prisoners, enormous quantities of arms and munitions, provisions and other war supplies. There is at present no time to investigate the number of these.

Still in Deep Mystery.

Rhizabeh City, N. C., March 10. No trace of Senator Beasley's son has yet been found and no clue as to his whereabouts has developed. The belief in Cutruick is that he was really kidnapped and carried to some distant place, although no tangible evidence has been produced to verify it. With his disappearance is connected the stranger who drove through that place the same day the boy was missed, but the connection is extremely vague and there is practically nothing to work on in the efforts to find him.

Russians Panic Stricken.

Yinkow, March 10.—Mukden fell at 10 o'clock this (Friday) morning.

The Russians are panic stricken. Thousands of prisoners and enormous quantities of stores and guns have been captured.

THE WEATHER

Fair tonight, Sunday partly cloudy, probably rain in western and southern portions.

WINTERVILLE ITEMS.

WINTERVILLE, N. C., MAR. 11.

Misses Mollie Bryan, Bonner Kittrell, May Anderson, Cora Carroll and Rosa Tucker went to Greenville this morning.

Mrs. Oscar Brown, of Greenville, who has been visiting here, left for her home today.

Miss Elmer House, who has been visiting Miss Nannie House, returned home this morning.

Miss Addie Calvin went home with Miss Bessie Brooks.

Miss Dora Fleming returned to Stokes this morning.

Profs. Lineberry and Nye went to Greenville today.

Miss Lucy Manning, of Pehel, came down to attend the Old Maid's Convention.

Miss Anne Fleming left for House this morning.

The young ladies of the Philo-Altean society of Winterville High school, held the "Old Maid's Convention" Friday night. They gave a splendid rendering of this mirth producing play. Every character was well taken and our people enjoyed it more than anything they have seen here.

Rev. Chas. Jones, of Black Jack, was here Saturday morning.

Willie Purser, of Gardner's X Roads, spent Thursday night with his sister, Mrs. J. H. C. Dixon.

Mr. and Mrs. J. R. Smith, of Hanrahan, are here visiting.

Mr. Marcellus Letchworth, of Ayden, was here Thursday and Friday visiting friends.

Mrs. Louisa Manning, of Ayden, is visiting her son, Len Manning, near here.

J. H. C. Dixon has purchased the Rowan Cooper home place. Mr. Cooper will soon build a nice house on his farm near here.

While Mrs. L. L. Kittrell was ironing some clothes Thursday, they caught fire and about 15 pieces were burned before the flames could be extinguished. Quite unfortunate as it was, but lucky to save the remainder and their home.

There was a little fire alarm over to A. W. Ange's the other day, but the damage was slight.

The Pitt county teachers are soon to select the place for the Teachers Institute. Winterville is as it has always been, the very best place in the county for this bright and intelligent assemblage of fair women and handsome men.

Board here is cheaper and more convenient than any other town can offer. The lecture rooms of the Winterville High school are ample, and railroad facilities are equal to any place in the county. The people always give the teachers a hearty welcome. Teachers the keys of the city are yours, come to Winterville!

Flying to the Hills.

New Chwang, March 10.—According to reliable information received here the Russians, having been driven out of Mukden and Fushun and with the railroad cut, are retreating in a demoralized condition to the hill country towards the northeast.

It will be impossible for the Russians to keep up any sort of resistance for many days as there are not means of provisioning in the rough country through which they are retreating.

It is believed that the Russians may attempt to reach Kirin, 225 miles northeast of Mukden through the valleys, but a special Japanese corps from the direction of the Yalu river (probably General Kawamura's force) threatens to cut them off.

The casualties on both sides have been enormous. The Russian sixteenth army corps was practically annihilated at Fatehekiao. Eight thousand Russians fell at Leukapao.

ARRIVING DAILY.

There is one thing that we do not claim in our business to do and that is to sell goods cheaper than they can be bought—neither do we want to create the impression that our store is full of shop worn, out of style goods nor by filling our store with show bills and sign boards will we try to impress false ideas in your mind that we are going out of business, but we do wish it understood that we are receiving daily shipments of the newest things in

GREAT RAILROAD PRESIDENT.

Dr. J. M. Hines, correspondent of the St. Louis Daily World and Industrial Press Syndicate, pays the following tribute to Col. Samuel Spencer, president of the Southern railway:

The statement of Samuel Spencer, president of the Southern railway, before the house congressional committee on interstate and foreign commerce on the Cooper-Quailes measure authorizing the interstate commerce commission to establish railway rates, is received with approbation by railroad officials, throughout the Southwest. Prominent officials in the freight department of two other great truck lines, in St. Louis, discussing the subject said:

"We believe 99 per cent of the railroad interests, of the country thoroughly agree with Mr. Spencer that no well managed railroad gives rebates at present, and the whole tendency is to discountenance tonnage over certain lines and the practice is practically obsolete."

The specific clause that has proven so objectionable to the railroads in the Cooper-Quailes bill is that conferring on the interstate commerce commission the power to substitute rates where complaint is entered, and such rate fixed by the commission to remain in effect until appealed from to the proper court by the railroad interested. Mr. Spencer's explanation of the adjustment of rates between given localities clearly presented the situation when he declared it was the outgrowth of natural competition. Not only between localities which had and would always exist, but between railroads as well.

The consensus of belief among all prominent railroad officials, is that Mr. Spencer presented irrefutable arguments to congress against the measure and while some action will be taken in the future to regulate railway rates, it will not be in its present form incorporated in the pending measure, for the reasons set forth by Mr. Spencer.

An officer of the business men's league, of St. Louis, is authority for the statement that at the next meeting of that organization the matter of freight rates by Federal legislation would be taken up, and congress would be petitioned to enact some remedial measure for that purpose, but the present bill did not accomplish the desired end.

He said he agreed with Mr. Spencer's testimony before the committee, and did not believe congress would increase the powers of the interstate commerce commission, but would find a solution of the subject through a different medium, if any radical action in the premises was taken at all. Mr. Spencer's statement will have great weight before the financial centres of this and European countries. He is regarded by railroad financiers as the ablest railroad manager in the United States. He is a Southern man by birth, education and training. He entered the Confederate army at the tender age of sixteen and served with distinction throughout the war. He is an able lawyer, with classic accomplishments, having graduated from the University of Virginia with honors. He entered the railway service at the bottom of the railroad ladder, and has worked his way to the top-most round, climbing step by step with a load of financial responsibilities seldom ever allotted to so young a man.

He has the confidence of Pierpont Morgan, John Rockefeller, Russell Sage, George Gould, the Vanderbilts, Belmonts, Hoarman and the Rothschilds of Europe. He shows what kind of material a Georgia boy is made of when he starts to conquer the task before him.

Kuropatkin is waiting to "strike a decisive blow," but while he is waiting the Japs go right on taking off wings of his army.

Another advantage growing out of a reduced acreage will be the better cultivation of the acres planted.

The Russians are not taking time now to tell if their retreat is in good order.

It will be excursion weather, bye and bye.

A Dinner Invitation.

After a hearty meal a dose of Kodol Dyspepsia Cure will prevent an attack of indigestion. Kodol is a thorough digestant and a guaranteed cure for indigestion, dyspepsia, Gas on the Stomach, Sour Rising, Bad Breath and all stomach troubles. N. Watkins, Lesbus, Ky., says: "I can testify to the efficacy of Kodol in the cure of Stomach Trouble. I was afflicted with Stomach Trouble for fifteen years and have taken six bottles of your Kodol Dyspepsia Cure, which entirely cured me. The six bottles were worth \$1,000 to me." Kodol Dyspepsia Cure will digest any quantity of all the wholesome food you want to eat while your stomach takes rest—recuperates and grows strong. This wonderful preparation is justly entitled to all of its many remarkable cures. Sold by J. L. Wooten's Drug Store.

The President's Cabinet.

How many of our readers can name, off-hand, the members of Mr. Roosevelt's cabinet and the states from which they came? We venture to say it is a very small proportion, so we give the information here:

John Hay, District of Columbia, Secretary of State.

Leslie M. Shaw, Iowa, Secretary of the Treasury.

William H. Taft, Ohio, Secretary of War.

William H. Moody, Massachusetts, Attorney General.

George B. Cortelyou, New York, Postmaster General.

Paul Morton, Illinois, Secretary of the Navy.

Ethan A. Hitchcock, Missouri, Secretary of the Interior.

James Wilson, Iowa, Secretary of Agriculture.

Victor H. Metcalf, California, Secretary of Commerce and Labor.

There seems to be a general belief that none of them, except perhaps, Secretary Cortelyou, will remain in office for more than a year. Before Mr. Roosevelt's term expires he will be likely to have one or more Southern men in his cabinet. We look for him to fill some of the vacancies which will occur with men from this section of the country. Secretary Hay has been in the service of the executive branch of the government longer than any of his associates. His career dates back to Mr. Lincoln's administration, he having filled the position of private secretary to that president.—Wilmington Messenger

Pleasant and Harmless

Don't drug the stomach to cure a cough. One Minute Cough Cure cuts the mucus, draws the inflammation out of the throat, lungs and bronchial tubes, heals, soothes and cures. A quick cure for Croup and Whooping Cough, One Minute Cough Cure relieves a cough in one minute because it acts first on the mucous membrane right where the cough troubles—in the throat or deep-seated on the lungs. Sold by J. L. Wooten's Drug Store.

Men are prone to get too everlastingly smart. The other day a woman in a New York cemetery plucked a flower from her husband's grave that she had planted and nurtured herself, then the smart officer in charge, who had been watching her, arrested her, carried her to a police cell in a patrol wagon and juggled her. She protested in a most becoming manner by bringing suit and recovering a judgment for \$8,000 against the cemetery and the policeman. What is more to the point is that she will get every cent of it.—Greensboro Record.

Hollister's Rocky Mountain Tea never fails to tone the stomach, regulate the kidneys, stimulate the liver and cleanse the blood. A great tonic and muscle producing remedy. 35 cents, Tea or Tablets. Wooten's Drug Store.

"Stop My Paper."

We sometimes hear of a subscriber stopping his paper because the editor takes positions he does not like. There are some things which, if a paper contains, justify a subscriber in refusing to take it and read it. If there is no interest in a paper, if the editor has no ability, or if he is vicious, dishonest or untruthful, and such like things, then a subscriber is fully justified in refusing such a paper into his office or his home. But the man who would stop a paper simply because the editor dared to do a thing different from him, and so express it, is too small for any use at all. So far as we go, we like to get such underbrush out of the way as soon as possible. When a small man is a tyrant he is the worst to be found; a negro overseer don't hold him a light.—Raleigh Times.

A Destructive Fire

To draw the fire out of a burn, or heal a cut without leaving a scar, use DeWitt's Witch Hazel Salve. A specific for piles. Get the genuine. J. L. Tucker, editor of the Harmonizer, Centre Ala., writes: "I have used DeWitt's Witch Hazel Salve in my family for Piles, cuts and burns. It is the best salve on the market. Every family should keep it on hand." Sold by Jno. L. Wooten.

Governor Glenn yesterday granted pardon to a Raleigh man who had been serving a four month term on the Wake county chain gang on condition that the prisoner leave the county and behave himself. The conditional feature of the pardon is all wrong. If the man is at all vicious (and we take it that banishment from his home justifies the belief that he is not a worthy citizen) he should not be saddled on some other community, where he is unknown, the better situated to violate the laws without being detected. There are cases where conditional pardons are meritorious, but we can conceive no condition which would justify the infliction of criminals upon any people.—Salisbury Post.

By the Tonic Route

The pills that acts as a tonic, and not as a drastic purge, are DeWitt's Little Early Risers. They cure Headache, Constipation, Biliousness, etc. Early Risers are small, easy to take and easy to act—a safe pill. Mack Hamilton, hotel clerk at Valley City, N. D., says: "Two bottles cured me of chronic constipation." Sold by Jno. L. Wooten.

Two of a Kind.

The legislators have had under consideration a bill to prevent the shipment of liquor to fictitious names. The law-makers want to make the man who orders his booze have it shipped to him in his own name. So far so good, but how about the man who wants his name kept out of the paper when anything shady is about to come out on him? The fellow who has his liquor shipped to a "dream man" and the man who does dirt and then wants the newspaper man to be mum about it and tell on a nigger are in the same class.—Monroe Enquirer.

Wanted—Ladies and gentlemen in this and adjoining territories to represent and advertise the wholesale and educational departments of an old established house of solid financial standing. Salary \$3.50 per day, with expenses advanced each Monday by check direct from headquarters. Horse and buggy furnished when necessary. Position permanent. Address, Blew Brothers & Co., Dept. 8, Monon bldg., Chicago, Ill. 2 28 18

The controversy between Mrs. Jefferson Davis and Gen. Miles is being carried a little too far and the people are growing weary of it. According to our way of thinking Mrs. Davis has not elevated herself by indulgence in such a controversy. It is a pity the discussion was ever renewed, as nothing could possibly have been gained by it. The unpleasant matter should be dropped right where it is.—Charlotte News.

Why suffer with headache, constipation, stomach, kidney and liver troubles, when Hollister's Rocky Mountain Tea will cure you? No money wanted unless you are cured. 35 cents, Tea or Tablets. Wooten's Drug Store.

Can't you eat, sleep or work? Bad liver! Hollister's Rocky Mountain Tea makes rich, red blood, gives strength and health. Cures when all others fail. No cure no pay. 35 cents, Tea or Tablets. Wooten's Drug Store.

Is It Right.

Is it right that a property-owner should lose \$4.20 to let a dealer make 50 cents? A dealer makes 50 cents more on fourteen gallons of ready for use paint, at \$1.50 per gallon, than our agent does on eight gallons of L. & M. paint and six gallons of linseed oil, which make fourteen gallons of the best paint in the world, at \$1.20 per gallon; the property-owner loses just \$4.20. Is it right?

It only requires 4 gallons of L. & M. and 3 gallons linseed oil to paint a moderate sized house.

Ten thousand churches painted with Longman & Martinez L. & M. paint.

Liberal quantity given to churches when bought from H. L. Carr.

Every man 16 years old and over is cordially invited to attend the Baraca services tomorrow morning at 9:30 at the Baptist Sunday school. The services are very interesting and exceedingly beneficial. Strangers are cordially welcomed. Hugh Sheppard, Secretary.

Correct Styles.

FOR SPRING & SUMMER

In selecting material, choose something that will harmonize with your make-up. Big checks don't look well on stout men and stripes should not be worn by men of a tall, slim build. Be careful, also as to color. Pale complexioned men should be careful of drabs, or a material with a touch of green in them. Browns are better. Blue looks well on most people, but men with reddish hair should not select a shade that is too bright. A little care in this direction goes a long way in improving a man's looks.

Over 500 styles to show you. Brown serges will take the place of Blues this season. See our \$17.50 and \$20 line.
