CAFE OPENS FOR SEASON.

Carolina Club Growing and a Credit to the Town.

The opening of Carolina Club cafe for the season, Friday night, was a very pleasant occasion, both for the members of the club and guests who were present. The occasion was entirely informal and all moved about through the well furnished apartments at will, enjoying the music, reading room and games. An elegant oyster supper was served.

Carolina club has far outgrown the pessimistic predictions some were disposed to make at its organization some over two years ago. It now numbers about eighty members and has always been conducted on so high a plain as to make it creditable to its members and to the town. Its furnishings are modern and in keeping with the best social clubs of the day. Objectionable features sometimes prominent in club quarters are not permitted, so that it is not only a place for pleasant gathering but has a good moral influence as well. The members are to be congratulated upon its success.

Christian Church.

At the Christian church tomorrow services will be as follows:

10, a. m. Bible school; 11, a. m., preaching by the pastor; 4:30, p. m., meeting of the Jr. C. E.

The Young People's Society of Christian Endeavor will meet at 7:15, p. m., followed by preaching service at 8, p. m. All are cordially invited to all of these services.

At the close of the morning service there will be a business meeting of the congregation to take under consideration the matter of selecting a pastor for the fiscal year beginning November 1st. All members are earnestly requested to be present as it will be decided at this meeting whether the present pastor is to continue the work another year.

H. H. MOORE, Pastor.

WINTERVILLE ITEMS.

WINTERVILLE, N. C., Sept. 23.

The painter is following close after the carpenters on the new boy's dormitory and will soon be done painting the outside of the building. In a few days it will be occupied and already several rooms are engaged in it.

There are more boarders in the Winterville high school now than were ever enrolled in a whole year before.

The girls! the girls! the tall and the low, the fat and the lean, the large and the small, but all pretty and just as nice as they can be—the pick of the flock (state), the salt of the earth. They are all down the street this morning to attend the millinery openings of Mrs. Sparks and Mrs. Taylor, for what girl is it that won't go to see such pretty hats as they have. Surely no town in the county has prettier or better goods and no school in the state prettier or better girls.

Miss Georgia Joyner, one of the teachers in the school, went to LaGrange last night to see her sister, who is quite sick. We hope she will find her much improved.

Misses Minnie and Corinne McGlohon were in town Thursday.

Mr. McNair, of Tarboro, representing the Royster Guano Co., spent Tuesday night in town.

Watch the Advertisements.

This is the season of the year when people are busy and it will always pay them to watch the advertising columns of THE REFLECTOR, especially when contemplating purchases. It will save time and save money to do this. There are frequent changes in advertisements to which special attention cannot be called in the local column, and every issue of the paper should be read through to be sure that nothing is missed. Our advertisers are up-to-date business men and what they have to say is always worth reading.

Greensboro, N. C., August 24, 1905.

Greensboro Life Insurance Company,
Greensboro, N. C.

Gentlemen:

Enclosed you will find a remittance for the full annual premium on my policy in your company, and with it I wish to send my congratulations upon the extraordinary record of the company during the first month of its life.

I have taken out this policy for three reasons:

1. Because I believe in the substantial business men who are backing the company.
2. Because I like the form of the Income Indemnity Policy.
3. Because I desire very much to encourage, so far as I am able to do so, the building up of strong insurance companies in North Carolina, in order that we may send less of our capital through insurance companies to build up other sections of the country instead of our own.

Very truly yours,
CHARLES D. McIVER.

The policies issued by the GREENSBORO LIFE INSURANCE COMPANY appeal to and are bought by intelligent and far-seeing people. This is why the business of the company is growing at the rate of more than \$100,000.00 a week. Since beginning business—on July 22nd, or seven weeks ago—the company has written an aggregate of more than

\$1,000,000.00 PAID FOR LIFE INSURANCE

If people would generally consider divorces before marriage there would be less after marriage.

The administration seems determined to go to the bottom of everything except the Panama canal.

Root thinks the presidency is not waiting for him. Fairbanks, Taft, Shaw & Co. will be pleased to learn of this fact and happier still if it comes true.

Not being able to fight it on any other score, Raleigh ex salomists have caused proceedings to investigate the dispensary on the ground that it makes too much profit. They hate to see the city getting what they used to make.

Candidates in this day and time are bled unmercifully when they start out to get office. It cost Governor Montague over \$5,000 to run for the senatorial nomination in the recent Virginia primary, and then he never got it.

The statements of candidate Parker and chairman Taggart, denying emphatically that the Democratic campaign fund received any donations from the insurance companies, shows that the official roster of the latter also contains some liars.

The New York Sun intimates that the national Republican campaign committee has been getting large contributions from the insurance companies through a system of blackmail. If that is so the investigation ought to afford relief to the companies.

When preachers fall out and fight, it leaves the way more open for ordinary folks to sometimes get beligerant. Two in Iredell county who run saw mills and do preaching as a side line struck such a difference that they undertook to settle it with knives. Both were fined for the disturbance.

The editor of the New Bern Journal has entered suit against the Atlantic Coast Line railroad for \$10,000 damages alleged to have been caused through failure of trains making connection. The termination of this matter will be watched with interest, as it will show if railroads can be forced to make the connections advertised and promised the public.

"The Pity of It."

Some one has said "It is better to have loved and lost than never to have loved at all." Probably there is much that is true in this saying, but no more than for some one to love and marry a woman who admits immediately after her marriage, "I have married one man and my heart is given to another." This is but the text of what may properly be called a tragedy in high life and has brought to the heart of the man many millions pangs of indescribable sorrow and regret.

It is also an evidence that love, whatever this thing may be, cannot be bought with money. It is something that is necessary to one's existence, we must have a little money to get along at all, but the man or woman who expects to buy happiness with the coin of his country will soon realize the mistake made. It is true there are many people in the world who fall down before the mammon of unrighteous-

ness and will set out soul and body for its acquirement. But in the end, whoever is thus guilty will wake up some day and find that all is worm wood and gall.

We are sorry for the man who has been so terribly fooled in the choice that he made thinking it was going to make the rest of his life all of happiness and joy. The pity of it is he has found his idol to be his nemesis.—Trojan in Durham Herald.

After a hearty meal a dose of Kodol Dyspepsia Cure will prevent an attack of indigestion. Kodol is a thorough digestant and a guaranteed cure for indigestion, Dyspepsia, Gas on the Stomach, Weak Heart, Sour Risings, Bad Breath and all Stomach troubles. Sold by John L. Wooten, druggist.

Morton Looks to the Future.

Let the dead past bury its dead, says Paul Morton, of the Equitable. "I am only concerned with the future of the Equitable," he told a reporter yesterday. He does not know whether the money of the Equitable policy-holders went to swell the Republican campaign funds, as the ingenuous Mr. Perkins relates of the New York Life dollars or not. He does not care. His face is turned towards the golden future. Never more will Equitable money be spent in the purchase of gorgeous trifles such as delighted the heart of Jimmie Hyde, nor on food and trappings for the G. O. P. elephant.

We trust that Mr. Morton is in earnest about it. There is a general feeling that it's about time a set of officials and directors capable of taking things seriously were given command of the big insurance companies. Perhaps Mr. Morton's shining example will spread throughout the haunts of the financiers, and one after one the knights of the street will take the vow to keep away from politics. Perhaps not.—Atlanta Constitution.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour rising, rifting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cared by the use of Kodol Dyspepsia Cure. Sold by John L. Wooten, druggist.

It is stated that "diamonds are still going up." We shoved ours up long ago. There's nothing like keeping a good thing going.—Wilmington Star.

Never in the way, no trouble to carry, easy to take, pleasant and never failing in results are DeWitt's Little Early Risers. These famous little pills are a certain guarantee against headache, biliousness, torpid liver, and all of the ills resulting from constipation. They tonic and strengthen the liver. Sold by John L. Wooten, druggist.

"What constitutes a beautiful girl?" asks a fashion magazine. Not face, nor figure, nor clothes. These make a woman pretty but she is beautiful when she is sincere, gentle, pure in heart and devoted to her mother.—Wilmington Star.

For sunburn, tetter and all skin and scalp diseases, DeWitt's Witch Hazel Salve has no equal. It is a certain cure for blind, bleeding, itching and protruding piles. It will draw the fire out of a burn and heal without leaving a scar. Boils, old sores, carbuncles, etc., are quickly cured by the use of the genuine DeWitt's Witch Hazel Salve. Accept no substitute as they are often dangerous and undertain. Sold by John L. Wooten, druggist.

It is said that President Roosevelt hopes to have as much "influence" with the Senate as he had with Russia and Japan in the peace settlement. We fear he does not know the Senate yet.—Henderson Gold Leaf.

The salve that heals without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Be ware of counterfeits, they are dangerous. Sold by John L. Wooten, druggist.

We do not understand President McCall's testimony. In one place he says that his company made no contribution at any time to state or municipal political campaigns, and in another part of his testimony he declares that Judge Parker, when chairman of the state executive committee, did "accept proffered contributions to the campaign fund." Mr. McCall was not such a willing witness as was his vice president, Mr. Perkins.—Wilmington Messenger.

The pills that act as a tonic, and not as a drastic purge, are DeWitt's Little Early Risers. They cure Headache, Constipation, Biliousness, Jaundice, etc. Early Risers are small and easy to take and easy to act. Sold by John L. Wooten, druggist.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol Dyspepsia Cure

Cures indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured. MRS. LORING NICHOLS, Penn Yan, N. Y.
