

## "RED Letters," "Blue Signs"

Markdownwits Reduction Ophobia and Salesfever, These ailments are common with most retailers at the closing of the season, but with some of Greenville's retailers it has become "epidemic." Just think of a store selling at cost the whole year. Markdownwits affect the patients pump, veracity—they can't tell the truth.

Reductionphobia develops a mania for talking "hot air" and the germ is in some stores in Greenville all the year-round.

Salesfever creates a reckless gathering of "flotsam and jetsam," stuff of inferior qualities, no matter what its antecedents, most of it prepared for the store with Red Signs and Markdownwits.

### A Veritable Hoarding House Hash.

We shall expect our methods to hold.

We are neither reformers nor philanthropists, and for young fellows, rather than old-fashioned. But we are determined to build up this store on principle statements based on facts and values and Merchandise beyond any competition.

Newspaper space is too expensive to use for "JOKES."

Our little comparisons, such as reference to the "Merchantile diseases" are very serious statements, and we take this method of calling the attention of the most critical and intelligent purchasing public to these abuses.

It is high time for better business methods any how. This store has demonstrated that to-day, did yesterday, and shall to-morrow.

We are never "over stocked," because we do not buy merchandise because it is cheap.

It must be good or it will not be admitted in this store. We reduce every week, yes every day, if we think it necessary. The new goods are here. Now for a general shake-up all along the line.

WE ARE HERE TO SELL GOODS.

#### VAN AMBURG SHOW.

Gave Two Performances in Greenville.  
The Van Amburg circus, that has been on the road for fifty-seven years, gave two performances in Greenville Tuesday. In the afternoon the large tent was fitted to its full seating capacity, and there was also a large crowd at night. There were good some features about the show and both performances pleased the audiences. Some of the best acts were by the Hines family of acrobats in which the children were especially good, Mrs. Sifley in her marvelous slack wire feats, the riding of Chas. Cook and Miss Annie Carroll, and the four horse riding of Dan Leou.  
The reputation had preceded the circus here that there were many fakers with it, but we have questioned Chief of Police J. F. Smith on this point and he says there was nothing of the kind in evidence here but that it was one of the cleanest shows he has ever seen in Greenville.  
E. J. Gosney, the press agent and manager of the circus, was a most clever gentleman.

#### Last Night's Services.

Bishop Strange preached last night at the Episcopal church on "Faith". Faith, he said, is the moral attitude toward God of trust and obedience based upon intellectual conviction and assent to the truth of the being of God as revealed in Holy Scripture. He emphasized the fact that faith is not something superimposed upon us, but a moral attitude which we have a part in, either to assume it or not to assume it. Whom we believe we trust; whom we trust we obey. That is the way of faith.  
The subject of tonight's sermon is "Conversion," and the subject of the sermon for tomorrow night is "Baptism."

#### OAKLEY ITEMS

OAKLEY, N. C., Oct. 10, 1905  
Oakley sent a large delegation to the circus at Robersonville last Friday. They all say they have seen poorer and have seen better. Mrs. Gray Corey while out driving last Tuesday fell from her buggy. She was painfully but not seriously hurt.  
Lum Wynn, of Grindool, spent Friday night in Oakley.  
Chas. Skinner, of Greenville, spent Friday here.  
J. K. Barnhill and Z. V. Whitehurst took in the carnival at Greenville Thursday night. They report a pleasant time.  
T. F. Nelson and J. R. Jenkins visited Bethel last week.  
Capt. Toon, of Whiteville, spent Saturday here on business.  
J. E. Hines and family left Thursday to visit friends and relatives at Dudley and Mount Olive.

#### WINTERVILLE ITEMS.

WINTERVILLE, N. C., Oct. 11.  
Miss Helen Galloway, of Grimesland, a former student of Wirtville High school, came Sunday evening to visit friends.  
Misses Mimie Cox and Louise Fleming attended church at Ayden Sunday.  
Miss Nora Davis, of Lenoir county, came up Monday morning and entered Wirtville High school. She attended school here last year and has been detained this year by the sickness of her mother whom we are glad to know is improving.  
Prof. G. E. Lineberry attended services at Tillery Sunday morning and returned on the evening train.  
Miss Annie L. Perry came in Sunday evening from Ayden where she visited the family of Rev. T. H. King.  
Mrs. M. L. Cox went to Greenville Monday to spend a week with relatives and friends.  
Mr. Meeks, special agent for the Standard Oil company, was in town yesterday.  
Mrs. W. J. Wyatt and children, of Raleigh, are visiting at Mrs. A. G. Cox's.  
Rev. R. D. Carroll, of Williams ton, after spending a short while with his mother, returned home this morning.  
Lang Rouse spent Saturday and Sunday at Strabane and returned Monday morning.  
There is a little girl visiting at A. D. Cox's—we hope she will stay with them many happy years.  
Mrs. Elizabeth Cox is spending the week here visiting her children.  
Mrs. Polly Smith is spending sometime in Greenville.  
Emmett Smith is going to move to New Bern. We regret to lose him from our town.  
Miss Annie Stox spent Sunday at Mrs. Catharine Carroll's.  
Miss Bessie Cox who has been visiting in the country has returned home.  
Several of our number went to Greenville Tuesday among whom were A. W. Ange, W. C. Vincent, M. G. Bryan.  
There is a rumor in our town that two our fair maidens are so strongly matrimonially inclined that while attending the carnival in Greenville last Saturday they decided to ease their anxious hearts and impatient souls by leaving the whole future at once. No sooner thought of than done. Each paid for a half revelation and received the joyous message. One was told that she had a good disposition, would treat others right if treated right, worried too much, had one pretended friend who was a traitor, had better keep her own secrets, but that she would soon receive an unexpected letter and would not marry the one she now was expecting to marry and that he would neither have red, black, or gray hair nor be bald headed, but would have light hair be very rich and she was to live in much peace and joy to the ripe old age of 92 years. The other heard to her great joy that she would yet get married twice, one time to a widower and each time very rich. So they impatiently await the arrival of the light haired man and the rich widower.  
On Saturday night Oct. 14, 1905 there will be a festival in the M. E. church building, to which everybody is cordially invited. The proceeds are to be used for the completion of the church, and we trust a large crowd will be present, and thus help in the good work.  
The Dr. will be here 'till Friday night Nov. 24 1905 this time. Your eyes, ears, nose and throat and catarrh. Come and see him at once. Satisfaction guaranteed in every case. Glasses fitted to suit everybody, old and young.  
Dr. Odum, Macon Hotel, Greenville, N. C.

Mr. and Mrs. L. A. Cobb, of Kinston, who had been here attending the funeral of his father, returned home Tuesday evening.  
Col. W. J. Pope, of Grifton, took two days here for the circus, and his friends were glad to see him in town that long. He thought the circus was to be on Monday, so come over that day. Finding his mistake after getting here he decided to stay rather than go home and come again.

Boys  
Clothes  
Question

It's an interesting subject to study and, as a rule, a most difficult problem to solve. We have studied Boys Clothes—concluded that Boys are "bound to be Boys."

**A Good Name Better Than Riches.**

In his address at the opening of the 152nd year at Columbia college, President Nicholas Murray Butler laid special stress upon the investigation that is being made into the affairs of the big life insurance companies. He said, the American people are receiving some painful lessons in practical ethics. They are, he declared, having brought home to them the distinction between character and reputation.

The men who for years stood most prominently before the public as the leaders in the insurance world and commanded the respect of practically all men because of their seeming integrity, uprightness of character, their probity and their honor, have quickly fallen from that high estate and all of their riches cannot compensate them for the fall.

Like a white hot brand is the seal of public condemnation on the man who once commanded the respect of his fellows. To the insensate criminal, bearing on his gloomy brow the indelible stamp of despair, only prison walls possess the element of terror.

But to normal, intelligent, self respecting man the respect of his fellows is as necessary as water to the soil, as sunshine to the growing crop. The whispering tongues of envy, the poisonous shafts of malice and all of the fanged thoughts that purjurers can utter leave no lasting trace on the soul of the upright man. He has lived his life like an open book that all may read.

When through lack of moral principle men who have risen above their fellows lose the public respect and esteem they commanded before their guilty acts were heralded to the four winds, there is no compensation for them. Marble palaces offer a cheerless retreat for a mind tortured by the lash of public obloquy.

In the final analysis the man whose career is based upon the question, is it legal? carries in his heart that swift poison which blinds the vision and stunts the soul and makes him a parish in the marts of the world. Detection may not deter, though it may finally destroy. The Bible tells us a good name is rather to be chosen than great riches.—Atlanta Journal.

This week will mark the close of the Lewis and Clark Exposition at Portland, Oregon, after a successful career not anticipated by even the most enthusiastic supporters of the project. Before the closing day is over the fair will have recorded an attendance of practically 2,250,000 persons, the combined population of the old Oregon territory.

**ORMONDSVILLE ITEMS.**

ORMONDSVILLE, Oct. 10, 1905.  
 J. R. Turnage, of Ayden, spent Sunday afternoon with his parents.

George Darden went to Snow Hill last Sunday. He seems to have special attractions over there.

Misses Margarette Ormond and Elizabeth Carver went to Greenville Friday and returned Sunday.

The series of meetings held at Little Creek last week proved a success, the result being five additions to the church. The pastor, R. I. Corbett, was very ably assisted by Rev. King and Crater, of Ayden.

Quite a large crowd of people met at Ridge Springs last Sunday evening to witness the baptism of the candidates who recently joined at Little Creek.

Will Hardy, who has been confined to his room for about ten weeks, is slowly improving. He has suffered intense pain during this long period.

No mercury, no minerals, no danger in Hollister's Rocky Mountain Tea. The greatest family tonic known. Brings good health to all who use it. 35 cents, Tea or Tablets. Wooten's Drug Store.

Mrs. Roosevelt is coming, too, so there will be a chance for the folks to see them both.

The papers are trying to get Miss Alice Roosevelt engaged again, "this time to an Ohio congressman."

The weather is bringing on stove talk, and the people will find that it is easier to get the stove than the wherewith to heat it.

W. R. Hearst is out after something else. He has announced himself an independent candidate for mayor of New York.

It would not surprise us a bit if there is some of the meanest weather going when the state fair and the president get together next week.

We have noticed somewhere that the slim waisted girl is to come back into fashion. The short arm man will undoubtedly welcome this fact.

The Durham Herald thinks the trouble about getting eleven cents for cotton will be the failure of the farmers to stick together. But the farmers may fool you.

Houston, Texas, has adopted a novel law which provided a fine of \$100 for any person who makes "goo goo eyes" at any "woman or female person." We are sorry for the justice who is called upon to define "goo-goo eyes" or explain when a woman is not "a female person."

Did it ever occur to you that the saloon and the blind tiger would both have to go out of business if it was not for the man who patronized them? Men cannot engage in the business of selling liquor unless there are enough people buying it to make it worth their while to stay in the business. Who is to blame for the business, the men who sell or the men who make it profitable to the others to do so?—Wilmington Messenger.

Totally blind and his mind almost a blank, both caused by cigarette smoking, Mr. James Reeves, who holds a responsible position in the Southern railway shops at Spencer, wandered into Dr. Whisnant's sanitarium last evening. He did not even know his name. He was put to bed in the sanitarium, after he had been closely examined, and given something to make him sleep. He awoke this morning with his sight restored and his head as clear as ever. Accompanied by relatives, who came over after him, he returned to Spencer this morning. The physician declared that Mr. Reeves' condition was due to the use of cigarettes. His system is poisoned with the nicotine. Unless Mr. Reeves gives up cigarettes, the physician states, his mind will be permanently hurt.—Charlotte Chronicle.

There is hardly any fun at all in being only as smart as people think you are.

Hollister's Rocky Mountain Tea is positive, never nauseates or upsets the stomach. Cleanses and purifies the entire system. A great blessing to suffering humanity. 35 cents, Tea or Tablets, Wooten's Drug Store.

It fills the arteries with rich, red blood. Makes new flesh and healthy men and women. That's what Hollister's Rocky Mountain Tea will do. 35 cents, Tea or Tablets, Wooten's Drug Store.

A man can get an idea of nearly everything he doesn't know by trying to run an automobile.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour rising, rifting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Kodol Dyspepsia Cure. Sold by John L. Wooten, druggist.

# THE NEW WAY!

## If you Had to Get Your News in the Old Way?

In the old times people had to go from house to house to tell the news or meet at the cross roads store once a week to find out what was going on. They were slow days.

## It Is Not So Now

But in this day of numerous postoffices and rural free delivery mail routes you can get the news every day.

This is the reading age and no home is complete without a good newspaper. Every man ought to take his county paper and know what is going on.

## The Reflector

can supply you with the news. We print two editions, Daily and Semi-Weekly

**THE DAILY REFLECTOR** is a 4 page paper and costs only \$3 a year.

**THE EASTERN REFLECTOR** (twice-a-week) is a large 8 page paper, \$1 a year.

Don't be without a paper when you can get one so cheap. If you are not a subscriber send in your order today.

The Eye and the Digestive System.  
Some one says that an improper fitting pair of spectacles, frames too large or too small, lens not exactly in front of each eye. It acts as a prism, and not as a lens, produces dizziness, nausea, vomiting, headache and even faintness. So many abnormal strengths of the eye, or its muscles involved. He thinks that not only the above named symptoms, but other functional digestive disturbances, and even constipation may be due to the inadequate nerve supply to the digestive organs. In these conditions, because an undue amount of energy is consumed in overcoming the muscular or refractive errors, Sickness is chiefly due to reflexes of the eyes and semicircular canals rather than from any thing in the stomach itself. Disorders of the digestive system affects the vision as is often witnessed after too hearty a meal. For example: disturbances of accommodation, diplopia. See that your glasses are properly fitted and they will always give you satisfaction. When they are not correct they give you trouble. Dr. Odum corrects all refractions and guarantees satisfaction to every body. Office now at Macon Hotel, Greenville, N. C. Call the earliest day you can to see him. Preliminary examination free. d & s w tf.

### Let Common Sense Decide

Do you honestly believe, that coffee sold loose (in bulk), exposed to dust, germs and insects, passing through many hands (some of them not over-clean), "blended," you don't know how or by whom, is fit for your use? Of course you don't. But

### LION COFFEE

is another story. The green berries, selected by keen judges at the plantation, are skillfully roasted at our factories, where precautions you would not dream of are taken to secure perfect cleanliness, flavor, strength and uniformity.

From the time the coffee leaves the factory no hand touches it till it is opened in your kitchen.

This has made LION COFFEE the LEADER of ALL PACKAGE COFFEES.

Millions of American Homes welcome LION COFFEE daily. There is no stronger proof of merit than continued and increasing popularity. "Quality survives all opposition."

Should Consider with great forethought the suit he is to buy and the store he is to buy from for the coming season. His general appearance will depend largely upon the fit of his clothes, and the **GRIFTON** he wears.

**Good Cloth:** This is the foundation of your suit. Avoid those unreliable firms who deal in shoddy and pin your faith to **GRIFTON** Clothes.

**Good Fit:** This is one essential that you should exercise with more care than all others. A poor fitting suit is a poor piece of property. But it matters not how tall you are, how slim you are, how stout you are, how short you are, we have 'em to fit your form. A **Griffon** suit has the distinction of being distinctly stylish.

All the new things are here. At any price from \$10.00 to \$22.50. We will make it very interesting to you. Bring your shoulders with you.
