

WILKINSON'S CR VENETTE RAIN COATS FOR LADIES AND OVERCOATS FOR MEN AND BOYS.

"EFF-EFF"
FORM FIFTY-TWO

Let us set you straight on the matter of Cravenette Overcoats. The most successful process for waterproofing a garment is that of Priestley's, and every Cravenette treated to their process bears their name, and when in addition to Priestley's Cravenette stamp an overcoat is identified with the label of Wilkinson the combination is one that insures not only a waterproof overcoat, but also an overcoat of fine fabric, with all the knocks of fashion and style that distinguish the "EFF EFF" Clothing people from the ordinary sort.

Love Laughs at Locksmiths.

At the Star warehouse this morning in the private office of the Farmers Consolidated Tobacco Co., about 10:30 o'clock, there was solemnized a runaway marriage, the contracting parties being Mr. R. L. Gwaltney and Miss Pennie Boyd, both of Black Jack. The ceremony was performed in the presence of a few witnesses by Elder C. B. Jones, of the same township, with B. F. Starkey as right hand man. The couple drove from Black Jack to Greenville this morning, procured license, were married and left immediately for home, the distance being about fourteen miles. It seems as if the law of nature has no effect upon a loving couple as it was one of the most distagreeable days of the season.

The witnesses to the marriage were O. L. Joyner, Oia Forbes and W. P. Edwards.

BEGINS MONDAY.

Schedule of New Passenger Train.

The Atlantic Coast Line with commendable quickness, is fulfilling the promise made in letters sent to Greenville a few days ago giving notice that an additional passenger train would be put on between Tarboro and Kinston. Notice has been given that this new train will begin Monday, 11th, and run daily (except Sunday) on the following schedule: Leave Tarboro at 9:50 a. m., arrive at Greenville at 11:18 a. m., arrive at Kinston at 12:30 p. m. Returning leave Kinston at 3:25 p. m., arrive at Greenville at 4:27 p. m., arrive at Tarboro at 6 p. m.

This announcement brings corresponding gratification to the people of Greenville and other towns to be benefitted by this additional train. It is now up to the people to do their part toward making this train profitable to the railroad, and we believe it will take only a short while to manifest this.

The schedule of the new train is an excellent one and will make Greenville so easy of access that it will no longer be classed by the traveling public as an out-of-the-way town and shunned because there was no means of getting here but once a day. Now we will have two passenger trains, both making such connections with the main line as to give quick transportation to almost any point desired. There is not a business enterprise in Greenville but what will be benefitted by this additional passenger train and THE REFLECTOR is glad that it has been secured.

The matter of holding cotton for 15 cents for ninety days was discussed and many signed pledges to hold. There is a determination on the part of the farmers to sell no more cotton at low prices.
