GREENVILLE, NORTH CAROLINA, FRIDAY, JULY 13, 1906.

NO. 4497

REPUBLICAN STATE PLATFORM.

Adopted by the Republican State Convention.

The platform was adopted after ten o'clock at night, having been written by the committee during the recess between the afternoon and evening sessions:

The Republican party of North Carolina in convention assembled at Greensboro, N. C., July 10, 1906, congratulates all the people of the State upon prevailing conditions, as the unquestioned offshoots of Republican policies enforced since 1896, resolve and declare the following to be a summary of their beliefs upon the more vital questions of present interest and of the action they will take if given power in the State.

1. We claim for the administration of President Roosevelt that it has satisfied every reasonable demand of the patriot, the reformer and the worker in every field of human endeavor, that it has established the currency upon a basis not to be shaken, that it has vastly extended our foreign commerce, and so added largely to the nation's wealth, that it has kept the peace at home and promoted it abroad, that it has expended the national revenue wisely and with absolute honesty, that it has laid bare and punished with iron hand every species of official or corporate corruption brought to light by vigilant agents of its own choosing, that it has hearkened to the voice of the oppressed in all lands and gave sympathy when forbidden by law to give more; that it has aimed with true and constant purpose to reflect in its every act the highest and finest aspirations of the American people, northern and southern, eastern and western.

2. We state with regret the acknowledged fact that the laws of our own State have not been enforced by the Democratic administrators in State and county affairs, the legislation upon the subject of temperance, so dear to a large part of our best people, is confessedly a dead letter as relates to its enforcement by State officials—Republican officials of internal revenue, bearing the whole burden of commanding for its popular obedience.

Yet the amazing spectacle is presented of a party which has kept the promise to the ear and broken it to the hope now masquerading as prohibitionists in such sections of the State as they deem ripe for that experiment in law-making.

The Republican party insists that every county and every town should be allowed to determine for itself by vote the question of whether, and if so, how whiskey shall be sold in its limits as well as who shall hold its offices, and that they shall, none of them, be appointed by the legislature or justices of the peace or any other authority except the people.

3. We refute in the proper spirit of just indignation, the frequent threat of danger to the State from our coming into power, made by Democratic speakers and newspapers. The merest novice in po-

FARMERS AND MERCHANTS

Should Unite Their Efforts for Common Good.

The business men of Greenville have been criticised, and not entirely without cause, for their seeming indifference to the efforts of the Southern Cotton association to organize the farmers and adopt such plans as will insure higher prices for the cotton crop. For a time the meetings of the county association were held on other days than Saturday with the idea of giving the merchants a better opportunity of attending, but because of their failure to do so a resolution was adopted in May to change the meeting to Saturday. Tomorrow is the day for the meeting of the entire Pitt county branch of the association, and even though it is Saturday it might be well for the business men to take a little while off and show some interest in it. No argument is needed to convince any one that what helps the farmer helps the merchant, and when the farmer gets more money for his crop he has more to spend with the merchant. We are all more or less one in interests dependent upon each other, and whatever movement is for the common good of all should have the encouragement of all. Let the business men turn out with the farmers tomorrow.

Baseball Today.

The Robersonville baseball team accompanied by about fifty rooters, came in on the 11.18 train today and crossed bats with the Greenville team this afternoon. The game is in progress as we go to press.

Political conditions must know that victory for us can come from the addition of one constituency alone—the men of the Farmers' Alliance and the Peoples' party to whom alone or in conjunction with Republicans, the State owes the great upward movement in railroad regulation, in female education, in common school education, in the preserving, care and encouragement of the University, A. and M. College and other State institutions, threatened then as now with ghost stories of their destruction, and we pledge ourselves to continue and perfect the common school system begun by the republic until a good English education is in the reach of every child.

We shall advocate one or more reformatories for youthful criminals, and pledge the people that, given power, no insane man or woman, white or black, shall lack the State's care, be the cost what it may.

4. We congratulate the people of the State upon the removal of

RENSTON ITEMS.

RENSTON, N. C. July 12, 1906—

The farmers are quite busy curing the "golden weed."

Miss Eva Langston spent a portion of last week visiting friends in Winterville.

Mrs. Lorenzo McGlohon went to Ayden yesterday.

Little Miss Jennie McLawhorn is away visiting relatives over the river.

J. A. Jarrell and Miss Annie McGlohon spent Sunday with friends near Farmville.

George Buck continues quite ill.

Misses Bessie, Laura and Nina Smita were in the neighborhood Saturday evening.

Misses Bessie and Esther Jones, of Ayden, spent Saturday night and Sunday with the Misses Darr.

H. J. Corbitt, of Ayden, was in this vicinity Sunday.

Joe Samerell was in the neighborhood Sunday afternoon.

Miss Roena Hudson spent last week with her aunt, Mrs. Levi Fortines.

The neighborhood gave a very nice "lawn party" at E. D. Braxton's a few evenings ago. There were quite a number present and all enjoyed it fine.

Jerome McLawhorn attended church at Piney Grove Sunday.

Madison Smith, Jesse Braxton and Joe Tucker were in the neighborhood Saturday evening.

HOW THINGS HAVE CHANGED.

A well-known cotton spinner of this city observed yesterday that at the present time and during the last few weeks cotton futures have been selling about 1.25 cents a pound less than spots. During all of this season spots have sold further in advance of futures than ever before.

"This fact," said the spinner, "is indicative of the fact the farmers are wresting the control of the price of cotton from the speculators. The growers of the staple are in a prosperous condition and they simply hold their crops until they get what they want for it. This has caused a stiffening of the price of spots, which no longer fluctuates with the constant changes of the future market. The speculators are no longer playing the important part they formerly did in the sales of real cotton and their power continues to grow less.

"It is getting unsafe for a spinner to rely on the future market to cover himself. It has been the custom for practically all users of the staple to manipulate the future market in such a manner as to get his raw product at the smallest possible price. A large number of spinners are making contracts for future delivery with reputable cotton merchants and leaving it to them to do the covering and manipulating." Charlotte Observer.

A Difference.

What a man asks for a watermelon and how much it is worth are entirely different propositions, but put the question to him either way and you get the same answer.

AYDEN ITEMS.

Newsy Notes From a Hustling Town.

Ayden, N. C. July 13, 1906.

R. C. Coward and wife have been visiting friends in Snow Hill.

W. M. Moore, of Grimesland, an aspirant for the office of register of deeds, was in to see us Thursday.

Miss Clyde Dawson, of Grifton, and Frank Quinerly, of Kinston, came up on the train yesterday.

We are pleased to see our friend D. S. Moore, who was threatened with appendicitis, is so much improved as to be able to attend to business.

It seems that in the Republican convention Blackburn was a A-dam Blacked-burned man.

Dr. J. J. Harper, president of the Carolina Christian college, at Wilson, has been here during the week.

Wednesday morning Miss Lucy Turnage, of Ormondsville, accompanied by her father, Elias Turnage, Dr. G. O. Edwards and Miss Ella Nora Ormond, left here for the sanitarium at Wilson. Miss Lucy's numerous friends sincerely wish that she may be greatly benefited and return very soon entirely restored to health.

R. H. Carney and family came up Tuesday from Kinston.

Miss Mattie Johnson is on a visit to friends in Winterville.

Miss Earl Tucker, of Grifton, is here for a visit to Miss Sallie Bet Quinerly. These are are two very sweet young ladies and special friends of ours.

Alexander, of Ayden, and Beddard, of Grifton, took a noon each to jail Wednesday.

Tuesday night the following gentlemen were installed as officers of Eureka Lodge K. of P. for the ensuing term: J. R. Turnage, C. C.; J. J. Hines, V. C.; J. H. Browning, Prel; W. E. Hooks, M. of W.; E. J. Burney, M. of E.; D. S. Moore, M. at A; W. J. Boyd, K. of R. & S; W. M. Edwards, I. G. John Pierce, O. G.

Each and every member of the Ayden Lodge A. F. & A. M. is earnestly requested to be present at the next meeting, Thursday, July 19th. There is degree work after which an elegant dinner will be served to the members at Hotel Tripp.

Mrs. Maggie Robinson, of Greene county, spent Tuesday night with the family of her brother, Dr. Joseph Dixon.

One afternoon during the week we took a ride with friend Ed Hooks out in the country and we enjoyed it, too. The crops are just splendid. Out in the Sam Mumford and Lorenzo McLawhorn neighborhoods everything is just perfectly grand. We can't say we ever saw finer cotton, corn and tobacco. We honestly believe some folks would growl if it should rain down twenty dollar gold pieces at their very door. The farmers' seemingly, have found fault until they can't help it. Well, one thing certain, no one has ever perished in this county yet, and never will unless there is a great change. We look for a fine crop and big prices.

THE WEATHER.

Showers tonight and Saturday.

PERSONAL MENTION.

Of Those Coming and Going.

F. G. James left this morning for Morehead City.

Miss Wille Bagnsdale left this morning for Smithfield.

Mrs. Fleming, who had been visiting relatives near Parmele returned this morning.

John Suttle, of Shelby, deputy sheriff, of Cleveland county, came in Thursday evening to visit his sister, Mrs. C. S. Forbes.

Miss Mae Schultz, who has been visiting relatives in Richmond, returned Thursday evening. Mrs. Liebrestein, of Richmond returned with her to visit a short while.

RESOLUTION OF SYMPATHY.

Adopted by Memorial Baptist Sunday School.

Little Perkins, son of J. C. Tyson, was six months old when he was taken from among us. He was never well, yet he made a hard struggle for life. The tender care of those who had taken into their hearts the motherless little one was of no avail, and so God took him to join those who had gone before.

Since our Heavenly Father in His loving mercy has seen fit to take from earth this member of the Cradle Roll of our Sunday School, we bow in submission to His will and say, "The Lord gave, and the Lord taketh away; blessed be the name of the Lord."

We extend to the bereaved family our deepest sympathy, and commend them to the great Sympathizer who is able to comfort us in our moments of sorrow.

A Sandy Suit.

It almost looked like Ayden had moved up to Greenville today, from the number of that town's citizens who were here. The occasion was a suit that had been brought before Justice C. D. Rountree by a colored man named Pess Cannon against Cox & Stroud building contractors of Ayden, a difference arising between them over the hauling of some sand.

Moore Remains Head of the Cotton Association.

The executive committee of the North Carolina Division of the Southern Cotton Association met in Raleigh yesterday to act upon the resignation of President Charlie C. Moore, submitted several weeks ago. All the members of the committee were present.

The committee did not accept Mr. Moore's resignation as president of the North Carolina Division, but will hold another meeting early in August to consider the matter further.

In speaking of Mr. Moore and his marvelous achievements in the cotton association work, Chairman Dockery said yesterday: Mr. Moore is the best fitted man for farmers association work I ever knew. He is absolutely the right man in the right place, and we hate to give him up under any condition. He has worked faithfully in every cotton growing county in the State, and organized forty-eight counties, all of which are in good working shape." Raleigh News and Observer.

THE GREAT

KEEPING ABREAST OF THE SPIRIT OF THE TIMES.

The time for Clearance Sales has moved up a month or more. Formerly September, then August, now July. To keep pace with this progressive age, Clearance Sales, swift and fast, is now the order. Nothing summerish is to be carried over. So profitless is this sale to us that no goods can be charged or sent out to see at July Clearance Sale prices. We have planned to sell all Summer Goods, have taken into due consideration the great loss of profit at such reduction as we are making means. We take the loss cheerfully, wisely, believing it to be the best kind of business sense to clean up all summer goods at a sacrifice, and do it while the wearing season is at its height.

FRIDAY, JULY 13, 1906.

If Hackett defeats Blackburn as bad as Adams licked him we will feel better still.

They may make all kinds of excuses for it, but the Republican wrangle in Greensboro shows up the party in its true light.

That may have been a vote winning affair that the Republicans held in Greensboro, but we fail to see anything in it leading to that result.

To hear an Adams Republican talk, one is led to the conclusion that he does not care a fig if Hackett does defeat Blackburn in the eighth district.

We are printing the platform adopted by the Republican State convention. Compare it with the Democratic platform and you will see the difference.

It is well that ex-chairman Rollins made his boast before the convention met, that North Carolina would show 100,000 Republican votes in the coming election. He would not be silly enough to make such a claim now.

Now that its side won in the fight the Greensboro Industrial News is crying for peace. Better thought of that when saying some of the hard things before hand. It will be hard to get the defeated faction to get in the peaceful humor.

REPUBLICAN STATE PLATFORM.

the Atlantic & North Carolina Railroad from the sphere of active politics, but denounce the refusal of State Democratic officials to let the light of publicity shine upon the evidence taken behind closed doors, which led to the lease of that piece of State property.

Graft was admitted but never suffered punishment, thus showing in marked contrast a national Republican, as against a State Democratic administration, and we further denounce the method of the Democratic party in appointing investigating committee of strictly partisan Democrats.

5. If Democratic testimony is to be taken, the present corporation commission exists chiefly for the purpose of drawing salaries. We pledge ourselves to make it efficient. At present it is a laughing stock of well-informed people, but no less a burden upon the taxpayer.

6. The Democratic party for years has vaunted its friendship for the Confederate soldier, while leaving him in many cases, an object of charity. The Republicans by their votes in the General Assembly have ever shown their friendship for this honored

class of our countrymen, now daily lessening in number.

We advocate doubling the pitance now received by these veterans and if we secure a legislative majority shall vote as we promise.

7. We favor rigid restriction of the servile immigration now coming to this country from Europe, and shall aid by every means in our power to uphold the dignity and manhood of native American citizenship.

We rejoice that sectionalism is a thing of the past.

8. We favor the establishment of the Appalachian Park, and pledge any Republican Congressman elected from this State to be its friend; but its establishment must be the work of Republican statesmanship and those its friends miscount who look to see it come from discredited Democratic bunglers in administration.

9. We charge that the Democratic State administration has been costly beyond precedent without being efficient; that the dockets of the courts in very many counties remain clogged, though judges and solicitors have been increased in number and in pay.

We are unalterably opposed to frauds upon the suffrage, and we believe that the great amount of crime and lawlessness that prevail and seem on the increase in our State, including lynchings, are due to the licentious tongues of Democratic orators and others who teach and advise that it is right to commit crime and fraud for the Democratic party. Honest men can see no difference between stealing a ballot and a horse—between a false return of the result of an election and a false oath in the court house and a false verdict in the jury box.

That it is the sense of this convention that town and city poll tax in North Carolina should not exceed one dollar.

And where as some dissensions have arisen among Republicans on account of contests over appointments to Federal offices, which with charges and counter-charges have been given undue prominence by the Democratic press, and whereas the Democratic party has been enabled to retain its hold upon the State government by appeals to race prejudice, references to the disorders and confusion resulting from the war and "the days of 68," as well as the manifold repetition of the statement that all Republicans are office-seekers.

It is therefore now resolved That the State executive committee of the Republican party be and it is hereby instructed to assemble, and each and every member thereof, in Greensboro, N. C., on the first day of September, 1906, and on the first days of March and September in each and every year hereafter, and shall then and there before adjournment consider applications for appointment to all Federal offices in North Carolina, the terms of which shall expire in the next six months, and to recommend to the appointing power in each instance a suitable person for each position, except in such districts as are represented by a Republican Congressman. That no application shall be considered unless the applicant shall state in his application that he will submit to the action and recommendation of the committee without further contest.

Resolved, That the executive committee in making recommendations for appointment to Federal positions shall observe well that the applicant has the support of his local party friends, in addition to being well qualified for the position.

The High Price House.

The Liberty Warehouse will be conducted the coming season by S. T. Hooker, manager, H. S. Hardy, assistant manager, and H. A. Timberlake, auctioneer. This is a strong team, and every one of them will look after the interest of every farmer who sells at the Liberty. For the past seven years the Liberty Warehouse has led the market in Greenville every month showing that it made higher average prices than any other house. That will continue to be the aim of the Liberty in future, never let a pile of tobacco go until it has reached its full value. Nothing will be left undone that is in the interest of the farmer.

USE CHRISTMAN'S OINTMENT

For all Skin Diseases on Man or Beast.

This Ointment has been used nearly two hundred years with the most wonderful success in the treatment of nearly every form of Skin disease, and in many instances, it has effected cures where other remedies had failed. While we do not claim that this Ointment will cure everything we say, a fair trial will convince any reasonable person that it is equal to any, and superior to most of the remedies for skin diseases on the market. This Ointment is made by the Christman Ointment Co. Greenville, N. C. and is for sale by druggists at 25 and 50 cts per bottle.

There is no need worrying along in
discomfort because of a disordered
digestion. Get a bottle of Kodol FOR
DYSPEPSIA, and see what it will do
for you. Kodol not only digests what
you eat and gives that tired stomach a
needed rest, but is a corrective of the
greatest efficiency. Kodol relieves in-
digestion, dyspepsia, palpitation of
the heart, flatulence, and sour stomach.
Kodol will make your stomach young
and healthy again. You will worry just
in the proportion that your stomach
worryes you. Worry means the loss of
ability to do your best. Worry is to
be avoided at all times. Kodol will tak-
e the worry out of your stomach. Sold

TO OUR FRIENDS

THE TOBACCO GROWERS

We take this opportunity of extending to our friends and patrons our sincere thanks for the liberal patronage bestowed upon us the past season.

WHEN THE CENTRE BRICK WAREHOUSE

was first erected, three years ago, it was the intention of its management to build up a permanent business upon a sound business basis. Our business has increased with the years, and we trust to be favored with your patronage the coming season.

Each Customer, as well as each Pile of Tobacco shall have our Personal Attention, and we shall endeavor, as in the past, to make The Centre Brick headquarters for High Prices, Fair and honorable treatment.

It affords us pleasure to announce in this connection that

MR. W. T. LIPSCOMB,

THE VETERAN TOBACCONIST AND WAREHOUSEMAN

Will be associated with us the coming season. Mr. Lipscomb is too well-known to the trade, planters, buyers, or manufacturers to need any commendation at our hands, suffice to say with his judgment and experience at the command of our customers, with our facilities for conducting the warehouse business, assisted as we will be by an experienced and competent force, in every department, it puts us in better position than any other warehouse in Eastern Carolina, at all times, to secure for our friends outside prices for their Tobacco. When you come to GREENVILLE, always

Always make the CENTRE BRICK your headquarters,

and when your tobacco is ready to sell, bring it where experienced judges will sell it to the best advantage for you. Again, thank you for your liberal patronage we beg to remain,

Your friends

BRINKLEY and LASSITER,

BRINKLEY, LASSITER and LIPSCOMB, Successors,

The sworn statement of the manufacturer's products you from opiates in Kennedy's Laxative Honey and Tar—the cough syrup that drives the cold out of your system Sold by J. L. Wooten.

The sincerest tribute that can be paid to superiority is imitation. The many imitations of Dewitt's witch Hazel Salve that are now before the public prove it the best. Ask for Dewitt's. Good for burns, scalds, chafed skin, eczema, tetter, cuts, bruises, boils and piles. Highly recommended and reliable. Sold by J. L. Wooten.

The most rational remedy for coughs and colds is Kennedy's Laxative Honey and Tar. It acts on the bowels as a mild cathartic—expels all cold from the system. Cuts all phlegm out of the throat, relieves coughs, colds, croup, whooping cough, etc. An ideal remedy for children—equally good for adults. Sold by John L. Wooten.

Thousands annually bear witness to the efficiency of Early Risers. These pleasant, reliable little pills have long borne a reputation second to none as laxative and cathartic. They are as staple as bread in millions of homes. Pleasant but effective, will promptly relieve constipation without griping. Sold by J. L. Wooten.

Wooten's Drug Store.

You cannot induce a lower animal to eat heartily when not feeling well. A sick dog starves himself, and gets well. The stomach once overworked, must have rest the same as your feet or eyes. You don't have to starve to rest your stomach. KODOL FOR DYSPEPSIA takes up the work for your stomach digests what you eat and gives it a rest. Puts it back in condition again. You can't feel good with a disordered stomach. Try Kodol. Sold by J. L. Wooten.

A painless cure for pain. One's pains are curable. Hollister's Rocky Mountain Tea comes to one's relief immediately. Tea or Tablets, 35 cents.

Wooten's Drug Store.

There's no gift of earth or sky, Which your rich stores behold, It is the breath of life to me, Your famous Rocky Mountain Tea.

Wooten's Drug Store.

You are often out of sorts, your body lacks energy, your nerves are weak, bad taste in your mouth; why not help nature by taking Hollister's Rocky Mountain Tea. Tea or Tablets, 35 cents.

Wooten's Drug Store.

If your stomach troubles you do not conclude that there is no cure, for a great many have been permanently cured by Chamberlain's Stomach and Liver Tablets. Get a free sample at J. L. Wooten's drug store and give them a trial. They also cure constipation and biliousness.

If you ever bought a box of witch Hazel salve, that failed to give satisfaction the chances are it did not have the name 'E. C. DeWitt & Co.' printed on the wrapper and pressed in the box. The original DeWitt's Witch Hazel Salve fails to give satisfaction for cuts, sores, boils, tetter, cracked hands, etc. For blind, bleeding, itching and protruding piles it affords almost immediate relief. It stops the pain. Sold by John L. Wooten.

The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borroughs, an old and well-known resident of Bluffton, Ind., says, "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." This remedy is almost sure to be needed before summer is over. Why not buy now and be prepared for such an emergency? For sale by J. L. Wooten.

Beware of Ointment for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials are free. Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.
