AYDEN ITEMS.

Newsy Notes from a Hustling Town.

Ayden N. C., Dec. 11 1906.

We have been very much disappointed in our efforts to secure full proceedings of the district meeting of the Odd Fellows held here Thursday of last week. Several prominent members promised to furnish us with same, but for some cause failed to do so. It was an enthusiastic and very interesting meeting. The personnel of the body were fine looking and intelligent and readily conveyed the impression upon the outsider that Odd Fellowship is a grand, magnanimous and progressive organization. All the visiting, as well as resident, members seemed to enjoy the occasion in the highest degree. Everything passed off pleasantly and we are informed that great good was the result of the meeting. Indeed all know and realize Odd Fellowship is a noble institution and has accomplished, and will continue to accomplish, great and lasting good not alone for themselves but for mankind in general.

J. A. Harrington returned from Baltimore Thursday where he had been to purchase the Christmas goods of J. N. Alexander & Co. The public before making their holiday purchases will do well to see this enterprising firm if they desire good goods and good bargains.

Misses Delia Smith, Lena Hines, Julia Bready, Mary Long Whitehead, Hennie Brown and Prof. J. A. McArthur attended the teachers' meeting in Greenville Saturday and report a large attendance and an excellent time.

R. H. Garris will soon erect a fine iron fence around the homes of himself and W. E. Hooks on Third street.

There were regular services in the Disciple church Sunday.

Prof. F. C. Nye and J. B. Carroll, came over from Winterville Sunday to attend services in the Baptist church.

John Noble, of Kinston, spent the Sabbath here with his parents.

J. H. Barnhill, of Greenville, has been visiting C. L. Sumrell. B. F. Stanfield, of Leasburg, Caswell county, spent Sunday here with his son, Rev. B. E. Stanfield.

Out at the train Monday a little daughter of Edwin Trip ran against a horse and was knocked down. A badly frightened little girl fortunately was the only result.

Many marriages are predicted in and around Ayden during the week. We expect to assist in the good work.

G. W. Prescott has or will soon receive the appointment as postmaster for the town of Ayden and community. This is a good selection. Mr. Prescott is an excellent gentleman and fully capable to discharge the onerous duties pertaining to the position. We congratulate Ayden and our people upon the selection.

Postmaster M. G. Bryan, of Winterville was a pleasant caller at our office yesterday.

Bazaar Next Year.

We are asked to announce that the Ladies Aid Society of the Christian church will hold a bazaar in Greenville in the early part of December, 1907.

Makes the Best.

When it comes to making persimmon beer, Mr. J. J. Evans can beat the State. He knows how to get the flavor just right.

PROCEEDINGS OF ODD FELLOWS DISTRICT MEETING.

Held With Ayden Lodge, No. 208, Dec. 6th, 1906.

At the appointed time the meeting was promptly called to order by our excellent presiding officer, District Supervisor E. G. Cox.

The session was opened with prayer by brother Jonathan White of Covenant No. 17.

First came the reports of lodges in district No. 3. The reports were very encouraging—showing growth and increasing interest in Odd Fellowship throughout the district.

Under remarks for good of the order a strong plea was made that care should be taken by each lodge entertaining the district meeting not to have it on too elaborate a scale, for by doing so our weaker lodges might be embarrassed by entertaining us.

We had the pleasure of listening to our most worthy Grand Secretary, B. H. Woodell, who made a splendid talk for the good of the order. We are always glad to welcome Brother Woodell in our midst. His talks are very instructive and greatly enjoyed. At 4:30 p. m. the meeting took a recess until 7:30 during which time the Daughters of Rebekah held a very interesting meeting.

Promptly on time the district meeting reassembled and the following program was greatly enjoyed by both Odd Fellows and visitors:

First, the orator of the day Brother R. W. Smith, who so cordially welcomed us to the hospitable town of Ayden, succeeded in making us experience a great sense of comfort. He is the only original Bobbie Smith. Brother Smith's address of welcome was ably responded to by Brother Stephen C. Wooten, who is one of Greenville's promising young lawyers. He made a beautiful talk voicing the sentiment of all visitors. The indications are that brother Wooten will make a big Odd Fellow as well as a big lawyer.

That well known scholar and educator, Prof. W. H. Ragsdale was called on for a talk. It is needless to say that his speech was most able for we knew a treat was in store. It is also needless to remark that our expectations were fully verified. The beautiful thoughts and ideas advanced by Brother Ragsdale were very instructive and helpful.

It was our good fortune to have with us our P. G. M. and present representative to the Sovereign Grand Lodge Plato Collins, who made a splendid talk for the good of the order, which was very instructive and full of good advice. He is an all round Odd Fellow.

As usual we listened to a most eloquent address by our very enthusiastic member, Dr. D. L. James, which was rendered in his usual pleasing style, it was regarded as a gem, consisting as it did in all that which is greatest in Odd Fellowship.

Enjoyable talks were made by Brothers J. White, D. C. Moore, J. T. Smith, Dr. W. H. Dixon, W. H. Hooker and Scott Frizzell. A donation of \$9.35 was made to the library fund of the orphans home.

A vote of thanks was extended to hospitable people of Ayden for their splendid reception and entertainment.

Our district meetings were in every way pronounced a success,

SHOOTING FIREWORKS.

Boys are Violating the Law.

The first cannon cracker of the season was exploded Monday night, which is a reminder that the sale of fireworks has begun.

The boys do not seem to appreciate the privilege the aldermen gave them in suspending the fireworks ordinance for Christmas, but are disposed to shoot them in violation of law. When the aldermen suspend an ordinance merely for their pleasure they certainly should show enough appreciation to wait until the time prescribed to shoot fireworks. If the aldermen should hereafter refuse to suspend the fireworks ordinance at all, and permit none to be sold in town, the boys will have only themselves to blame for their fun being cut off.

How to Do It.

The editor of the Dodson, (La.) Times has summed up the "knocker" after the following fashion:

Fight on the streets;
Oppose improvements.
Run the town down to strang-
TO HURT YOUR TOWN.

Go to some other town to trade.

Refuse to advertise in your paper.

Do not invest a cent; lay out your money somewhere else.

Be particular to discredit the motives of public-spirited men.

Lengthen your face when a stranger speaks of locating in your town.

If a man wants to buy your property ask him two prices for it.

If he wants anybody's else interfere and discourage him.

Refuse to see the merit in any scheme that does not exactly benefit you.

Run down your officers.

Run down everything and everybody but Number One.

Talk in the barber shops and loafing places of how bad times are, of how everything and everybody is going to the "demnition bow-wows."

The Ladies Meet.

The Ladies Aid Society of the Baptist church will meet at 3 o'clock tomorrow afternoon with Mrs. J. E. Ayscue. At this meeting the report of the bazaar held last week will be made.

Shipping Holly.

Along this time of year people living near the main line of the Atlantic Coast Line do a good business shipping holly to Northern cities for Christmas decorations. There is much holly in Pitt county and we wonder why our people near the railroad have not taken to shipping it.

showing increased interest at each meeting and proving most enjoyable occasions.

The secretary was instructed to write up proceedings of meeting for the following papers Daily Reflector, News and Observer, Orphans' Home and Free Will Baptist, of Ayden, after which the meeting adjourned to meet with Phalaax No. 10, Washington, N. C., on first Thursday in April, 1907.

RESOLUTIONS OF SYMPATHY.

"In the cold moist earth we laid her,
When the forest cast the leaf,
And we wept that one so lovely
Should have a life so brief."

In the death of little Estelle Baker, the infant daughter of Mr. and Mrs. G. W. Baker, Greenville lost one of its most beautiful children. The Cradle Roll of the Memorial Baptist Sunday school one of its fairest and sweetest members, and her father and mother their dearest treasure.

While we cannot understand our Father's will in taking this lovely child, whose life was so full of promise, from parents so devoted to her, yet we know that He doeth all things well, and we believe that He has taken little Estelle from this world to dwell with Him in a world more beautiful.

Resolved. That we, the Memorial Baptist Sunday school, extend our sympathy to the sorrow stricken family, and commend them for comfort to the One who is able one day to unite the now broken family tie.

Resolved further, that as a token of our sympathy, and desire to keep fresh the memory of one so fair, we spread this expression of esteem upon the records of our Sunday school, send a copy to The Reflector for publication, and also send a copy to the father and mother with a prayer that God will comfort and bless them in this their great sorrow.

SUPPLEMENTARY BOOKS.

Recommended by Committee from Teachers' Association.

Sometime ago the teachers' association appointed a committee to recommend supplementary books for the various grades in our schools. They have made their report. Below will be found their recommendations and I believe it will be to the interest of the schools to use these books as recommended as far as is possible to do so. I would ask the dealers in the county to keep these books in stock so that the teachers may get them without delay. You will see that not only the name and grade of the book but the company from which the book can be had is given:

A. B. Co. grade I (a) Reynard the Fox.

A. B. Co. grade II (b) Big People and Little People of Other Lands.

A. B. Co. grade (b) Stories of Great Americans for Little Americans.

A. B. Co. grade III (a) Fifty Famous Stories Retold.

A. B. Co. III (b) Old Stories of the East.

Mc. M. Co. grade IV (a) Robinson Crusoe.

H. M. Co. grade IV (b) Wonder Book (in 3 parts.)

He wants to have the biggest and finest stocking that the mill can produce made to hang up Christmas for Master Louie Noble Wade, who has just arrived at his home. We hope the young man will have a merry Christmas for his first one and a full stocking.

Polk Miller Company.

Capt. A. W. Miller, of Richmond, a brother of Polk Miller, the South's greatest humorist and entertainer, was here today arranging for the latter and his famous quartette to give an entertainment here in Masonic Temple opera house on January 10th. Polk Miller is so well known in Greenville that his coming again will give great delight to our people.

Today was more like March than December. The wind was high.

The rain Monday night caused another cave in near the culvert on Evans street, south of the graded school.

The Cameragraph show drew only a small audience in the opera house Monday night.

The Southern railway had another rear end collision near Danville Saturday. It was almost similar to the one near Lynchburg on Thanksgiving, but not so disastrous. An engineer was killed and a fireman injured, and two tramps missing are supposed to have been killed.

Every time we read of a house being entered and money stolen we think if that money had been in the bank it would have been safe. The day has long since gone when banks are only for the convenience of rich people and merchants. They are here for the convenience and protection of the people of small means, whether they live in town or country, and any one who has made a little money ahead can put it in no safer place than a bank.

The next two weeks will be busy ones, and those who put off their Christmas shopping until the last day or two will get the least satisfaction out of it.

JAMES I.

No doubt many women and little children all over this land are dreading the Christmas season. Shame on a man who would sadden the lives of a loving wife and dear little children by indulging his own selfish appetite in getting drunk instead of making happy the lives of those about him. A shame, we say, on such a husband and father. —Clarkston Express.

In Self Defense

Major Hann, editor and manager of the Constitutionalist, Eminence, Ky, when he was fiercely attacked 4 years ago, by Files, bought a box of Bucklen's Arnica Salve, of which he says, "It cured me in ten days and no trouble since." Quickest healer of Burns, Scalds, Cuts and wounds. 25c at J. L. Wooten's drug store.

For chapped and cracked hands nothing is quite so good as an application of DeWitt's Witch Hazel Salve. Put it on before going to bed, use an old pair of gloves and see what a difference the morning will bring. Sold by Jno. L. Wooten's Drug Store.

The fellow who courts trouble generally ends by marring it.

It is a mistake to use a violent cathartic to open the bowels. A gentle movement will accomplish the same result without causing distress or serious consequences later. DeWitt's Little Easy Risers are recommended. Sold by Jno. L. Wooten's Drug Store.

A woman has less logic than a man but more instinct.

I pay no taxes—I pay no rent, Often busted—without a cent; But a king among men—from disease I'm free.

Since taking Rocky Mountain Tea, Wooten's Drug Store.

My heart and hand another claimed,

His plea had come too late, It's ever thus with people without pluck and vim,

Take Rocky Mountain Tea, don't get left again. Wooten's Drug Store.

Open the bowels and get the cold out of your system. Kennedy's Laxative, (containing) Honey and Tar opens the bowels and at the same time allays the inflammation of the mucous membranes. Drives out the cold and stops the cough. Absolutely free from any opiates. Conforms to the National Pure Food and Drug Law. Pleasant to take. Sold by Jno. L. Wooten's Drug Store.

It is the best safeguard against indigestion, biliousness and dyspepsia, known to mankind. Hollister's Rocky Mountain Tea or Tablets, 25 cents. W. S. Wooten's Drug Store.

It is noticeable a cold seldom comes on when the bowels are freely open. Kennedy's Laxative, (containing) Honey and Tar is the original Laxative Cough Syrup. Taste as pleasant as maple sugar. Free from all opiates. Conforms to the National Pure Food and Drug Law. Sold by Jno. L. Wooten's Drug Store.

Any thin or undeveloped girl or woman will be benefited by taking Hollister's Rocky Mountain Tea. It is one of the greatest known remedies for people strong, healthy and well. Tea or Tablets, 25 cents. Wooten's Drug Store.

A man with a sprained ankle will use a crutch, rest the ankle and let it get well. A man or woman with an over-worked stomach can't use a crutch, but the stomach must have rest just the same. It can be rested too without starvation. Kodol will do it. Kodol performs the digestive work of the tired stomach and corrects the digestive apparatus. Kodol fully conforms to the provisions of the National Pure Food and Drug Laws. Recommended and sold by Jno. L. Wooten's Drug Store.

Hollister's Rocky Mountain Tea purifies the blood, strengthens the nerves, regulates the bowels, aids the kidneys, cures stomach troubles, builds up the nervous force and repairs the ill effects of over eating. Tea or Tablets, 25 cents. Wooten's Drug Store.

A TEXAS WONDER.

There's a Hill at Bowie, Tex., that's twice as big as last year. This wonder is W. L. Hill, who from a weight of 90 pounds has grown to over 180. He says: "I suffered with a terrible cough, and doctor gave me up to die of Consumption. I was reduced to 90 pounds, when I began taking Dr. King's New Discovery for consumption, Coughs and Colds. Now, after taking 12 bottles, I have more than doubled in weight and am completely cured." Only sure cough and cold cure. Guaranteed by Jno. L. Wooten Druggist. 50c and \$1.00. Trial bottle free.

E. C. DeWitt & Co., of Chicago, at whose laboratory Kodol is prepared, assure us that this remarkable digestant and corrector for the stomach conforms fully to all provisions of the National Pure Food and Drug Law. The Kodol laboratory is a very large one, but if all the sufferers from indigestions and stomach troubles could know the virtues of Kodol it would be impossible for the manufacturers to keep up with the demand. Kodol is sold here by Jno. L. Wooten's Drug Store.

NOTICE: Our line of Christmas goods is the largest we have ever had. Our china display is, to say the least, very pretty and complete.

Our line of books shows a considerable increase over last years, and our stock of fisher and christy drawings which we have are this years' work. No old drawing in stock.

Our calendar display is also larger and more complete. We have perhaps the largest line of Bibles ever before displayed in Greenville.

We have also toys and fancy goods of many designs and patterns. Waterman's Ideal Fountain Pen makes an ideal gift. Evans' Book Store.

How Would You Like to be the Ice Man.

The ice man cuts ice in December, there are others who cut ice the year round, competition is so sharp they have to. The man who does'nt cut any ice doesn't amount to much. About the 15th you will begin to buy your Christmas gift. Shop early and avoid the rush.

Buy from H. L. Carr, your wife a Gillette razor for yourself. If you are unmarried get your best girl a box of Huyler's candy from Coward & Wooten and help her eat it.

Fine Stock at Cost.

As the partnership will change at the close of the year, C. L. Wilkinson & Co. are selling their entire stock, including store fixtures, at cost. Never before in Greenville has a stock of the character carried by this firm been sold at cost, and it offers an unusual opportunity to buyers. This is an actual cost sale just as represented.
