EVENTS IN 1906

A Year's Record From January to December.

DAILY HAPPENINGS.

Havoc of Storms, Volcanic Eruptions and Earthquakes.

A NOTABLE OBITUARY ROLL.

Losses of Life and Treasure by Fire, Accidents and Violences of Nature. Miscellaneous Affairs, Personal, Political and Sporting Items—A Chronological Review.

Destruction of life and property in both hemispheres caused by the forces of nature has been a notable characteristic of the year 1906. In March occurred the earthquake upheaval on the island of Formosa. Early in April Vesuvius burst forth, destroying life and property for miles around the volcanic mountain. A few days later the San Francisco earthquake and fire calamity startled the world with its almost unparalleled horrors.

In August an earthquake devastated the coast cities of Chile, causing heavy loss of life, especially in Valparaiso. In September a destructive typhoon swept over Hongkong and a cyclone caused great destruction on the gulf coast, notably at Mobile and Pensacola. A fierce West India hurricane in October destroyed life and property on the coasts of Venezuela, Honduras, Salvador and Cuba. Landslides, cloudbursts and floods, shipwrecks, fires and railway accidents added to the year's record of victims. It is estimated that over 50,000 lives were sacrificed the first ten months by the manifestations of nature's fury and the accidents of travel on sea and land.

The obituary record of the year includes Carl Schurz, Mrs. Jefferson Davis, Henrik Ibsen, General Joseph Wheeler, General William R. Shafter, Senator Arthur F. Gorman, Christian IX. of Denmark, Adelaide Ristori, John Lawrence Toole, Russell Sage and Marshall Field.

Two That Are Out

Col. I. A. Sugg, after a siege of confinement extending through two months, is out again and seems to be his usual jovial self. His friends are glad of his improvement.

Mr. J. R. Moye, who was hurt by the overturning of his buggy some ten days ago, is able to get down to the store again though still showing signs of the accident. His improvement is noted with pleasure.

House Party Ends.

The house party at Cottondale broke with the new year and most of the guests took the train here this morning for their homes.

Died.

Mr. S. H. Spain died early this morning at his home six miles from town. He was about 80 years old and had been in feeble health some time. He was an upright man and excellent citizen and was once a member of the board of county commissioners. Several children survive him, one of them being Mr. D. S. Spain, of Greenville.

The Old and New.

The custom of ringing out the old year and ringing in the new year was observed as usual in Greenville Monday night. A few minutes before midnight the bells in town began tolling solemnly a requiem to the dying year, and on the stroke of 12 the tolling changed to merry ringing in greeting to the new year. The electric lights also took part in the observance this time gradually growing dimmer until extinct just at 12, then suddenly flashing out in all their brilliancy. It was a solemn moment.

The days are lengthening a little.

STATE NEWS.

Interesting Happenings in North Carolina.

Andrew Joyner, a Wilson county farmer, was killed by a passing freight train Saturday night.

John Nelson, an 18-year-old negro, of Anson county, weighs 300 pounds, is 7 feet 4 inches tall, wears number 18 shoes, and is still growing.

A run away train on the Seaboard Air Line jumped off the track and ran into the street at Louisburg. A negro in passing was caught by the engine and killed.

A wreck occurred on the Seaboard Air Line near Wadesboro, Saturday night, in which Engineer S. E. Maxwell lost his life. The engineer stuck to his post until he saved the passengers, but was himself caught between the engine and tender and roasted to death.

I believe in hospitality because it puts a roof over every man's head.

I believe in obedience because it is the only way to learn how to command.

I believe in self-control because I want to influence others.

I believe in suffering because it chastens and purifies.

I believe in justice because I believe in God.—Omaha News.

Greenville Will Grow.

The prospect looks like much building activity in Greenville this year and desirable building lots will demand good prices. If you want proof of this, just ask any man who has property what he will sell you a lot at. Prices for lots are not going to be any cheaper, but the tendency will continue upward. Those who contemplate building but defer buying a lot may expect to pay more the longer they wait. There are no more desirable lots on the market than on the Sam White property, and the prices there are yet reasonable. That property is going to be one of the prettiest parts of the town.

Bottles Plentiful.

There were about forty boys, white and colored, gathered around the back door of the dispensary this morning selling empty bottles. The holidays made more bottles than usual.

The board of directors of The Home Building and Loan Association will meet tonight in the office of the president.

NEW FACES IN OLD PLACES.

And Some Old Ones in New Places.

In making the round this new year morning to note the changes that had taken place among the business houses, The Reflector found the following:

J. R. Moore has purchased an interest in the Euvita Bottling Works and is in the office of the business.

C. D. Tunstall has purchased the interest of J. A. Lang in the business they were conducting together near the depot, and will move to the Darden store on Dickinson avenue.

J. M. Moore & Bro. will move from the Hardee store on Five Points to the building near the depot.

E. H. Shelburn is moving his bottling works to his new building on Third street.

From C. T. Mumford's store U. S. Tyson has gone to Norfolk to take a position, and B. L. Tyson has gone to Goldsboro to take charge of J. B. Higgs' brokerage office there. L. H. Rountree, formerly with C. S. Forbes, takes a position at Mumford's, and E. B. Manning, formerly with Wiley Brown goes with C. S. Forbes.

O. W. Rollins, formerly with W. B. Brown, has returned to Winterville.

W. G. Ward, formerly with the Bank of Greenville, has resigned to take a position in Spring Hope.

A. E. Tucker and J. H. Manning both retire at Baker & Hart's and E. E. Griffin succeeds them.

B. E. Patrick & Co. are changing from grocery to dry goods business and are getting in a new stock.

J. F. Smith, formerly with D. W. Hardee, has taken a position with J. B. Higgs and is succeeded by J. L. Harris.

M. A. Harris retires at Sam White's.

J. L. Rives retires from the Hub clothing store.

John Crawford retires at J. H. Starkey's.

From A. B. Ellington & Co Tom Blow goes to J. H. Starkey and Miss Mattie Corey will go to school. Miss Eula Cromartie takes a position with this firm.

L. Sherman has resigned at Flishman & Bros., and will return to Baltimore.

Carey Warren retires at Frank Wilson's and will go to school.

From J. R. & J. G. Moye's C. M. Jones will go to Norfolk, N. B. Alsbrook to Weldon and E. B. Thomas to South Boston, Va. The new employes with this firm are J. B. Little and Thomas Norman.

Miss Addie Taft is succeeded by Miss Octavia Rivers with A. H. Taft & Co.

Charlie Boyd retires at Taft & Vandyke's.

Destructive Fowls.

Some people who have loved ones buried in Cherry Hill cemetery, take pains in beautifying the lots surrounding the graves. The feelings of these persons can be well imagined when they visit the the sacred spot and find that chickens have destroyed their work. The cemetery authorities are trying to fix the fence so chickens can not get through, and if persons passing the gate would be careful to close it, the fowls might be kept out.

The Ladies Aid Society of the Memorial Baptist Church will meet Wednesday afternoon, Jan. 2nd, at Mrs. W. H. Bagwell's, at 10 o'clock.

TUESDAY, JANUARY 1.

Do not let the water wagon run in the mud.

If you made good new year resolutions stand by them.

Almost every fellow today you meet wears a bundle of bills.

Let's make this year, 1907 a record breaker in Greenville's progress.

We hope there will be no war talk this year but that all the nations will live through 1907 in peace.

In a week the legislators will be gathering in Raleigh and for two months that will be the news center.

Some folks think it is smart to speak sneeringly at a bill collector just because they know collection cannot be forced in their case.

Spencer Blackburn made a long step beyond the bounds of decency in the charges against Governor Glenn in connection with the contest matter.

Blackburn must have fallen down in his hopes of getting a big Federal appointment, as he has given notice that he will contest Hackett's election.

Secretary Taft says he is not seeking the presidential nomination and does not expect to be the Republican candidate. All the same he would not object to having it.

Spencer Blackburn has served notice on Congressman-elect Hackett, of the eighth district, that he will contest the election. Blackburn charges more fraud than there is going to be able to prove.

EACHERS ARE NOT PAID ENOUGH.

It is very desirable that this movement for better pay should everywhere be extended to teachers. Never have the schools of this country had so important a part to play in our civilization at the present time, and nothing else is so important about the school as the qualification and character of the teachers. Monthly or yearly rates of payment of teachers that seemed ample 15 or 20 years ago are quite insufficient now. This is true with respect to the public schools, and it also applies to higher institutions, where the salaries of professors ought to be made sufficient to attract and hold a superior class of men. The problem is a serious one, and it deserves careful consideration throughout the country. If there is one reason stronger than another why the taxing power should lay a firmer hand upon the growing wealth of great corporations and upon the income of vast private fortunes, it is because the state must adequately perform its responsible duty. If there is to

be compulsory attendance of schools, there must be schools worth the attending, and ample provision for all the children. If there is to be extension of child labor laws and better enforced exclusion of children from factories, mines, and various gainful employments, there must be developed such a system of education as to add immensely to the efficiency of the child when, at a later age, he joins the army of the bread-winners. Let us repeat, then, that the central fact in the school system is the teacher, and that we cannot expect to have the right sort of teachers, in the long run without paying them enough to justify them in regarding their profession as a permanent calling rather than a temporary make-shift.—"The Progress of the World," in the American Monthly Review of Reviews for January.

Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Possibly, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves. This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

When a man is broke his friends are always ready to give him—advice.

Reconstructs your whole body makes rich red blood. Drives out impurities that have collected during the winter. Hollister's Rocky Mountain Tea is a family tonic. 35 cents. Tea or Tablets.

HOW'S THIS,

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO, Toledo, O. We, the undersigned, have known F. J. Cheney for the last 15 years and believe him perfectly honorable in all business transactions and financially able to carry out any obligation made by his firm. Waiving, Kinnan & Marvin, Wholesale Druggists, Toledo, O.

Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all druggists. Take Hall's Family Pills for constipation.

Into each life some sorrow must fall;
Wise people don't sit down and bawl;
Only fools suicide or take to flight;
Smart people take Rocky Mountain Tea at
Wooten's Drug Store.

Many a widow's heart has been wormed over by an old flame.

To stop a cold with "preventives" is safer than to let it run and cure it afterwards. Taken at the "sneeze stage" Preventives will head off all colds and Grippe and perhaps save you from Pneumonia or Bronchitis. Preventives are little toothsome cold cure tablets selling in 5 cent and 25 cent boxes. If you are chilly, if you begin to sneeze, try Preventives. They will surely check the cold, and please you. Sold by Bryan's Drug Store.

Villains invariably get what is coming to them on the stage.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, chloroform or other unsafe ingredients commonly found in cough remedies. Dr. Shoop, it seems has welcomed the Pure Food Drug Law recently enacted, for he has worked along similar lines for many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by Bryan's Drug Store.

The more dignity a man has the less use the world has for him.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet pleasant and safe Syrup called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for croup alone, remember. It does not claim to cure a dozen ailments. It's for croup, that's all. Sold by Bryan's Drug Store.

A woman has but little use for a man who thinks he is the whole thing.

Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. Health Coffee is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember in Dr. Shoop's Health Coffee, yet it's flavor matches closely old Java add Mocha coffee. If your stomach heart or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing and satisfying. It's safe even for the smallest child. Sold by T. E. Hooker & Co.

Have you indigestion, constipation, headache, backache kidney trouble? Hollister's Rocky Mountain Tea will make you well. If it fails, get your money back. That's fair. Tea or Tablets form 35 cents at Wooten's Drug Store.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer - weaken, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Digests What You Eat
