PROGRAM FOR TEACHER MEETING.

Saturday, January 12, 1907.

11 a. m. Devotional exercises. Rev. M. T. Plyler.

11:15. Reading of minutes and roll call.

11:25. Announcements with remarks, W. H. Ragsdale

11:30. Round table talks on subjects announced by the president.

12. Address, S. C. Wooten.

12:30. Round table talks on subjects of vital importance to the teacher.

1. Adjournment.

It will be seen that the program has been varied a little from the usual order. I believe we need this informal meeting just at this stage of the schools, and I trust that any teacher will suggest any subject or phase of school work for these round table talks. The most helpful meetings I have ever attended were some conducted almost exclusively in this way. We have had three very fine meetings. Let us begin this new year with the best one we have ever had. Make some sacrifice to attend this midwinter meeting. Some of you have a perfect record on attendance so far. I thank you for this interest and only wish that every teacher would strive for such a record.

W. H. Ragsdale, Supt. of Schools.

Married.

The latter part of December Mr J. W. Tucker and Miss Susan A. Branch, daughter of Mr. D. N. Branch, were married by Elder C. L. Little at the latter's home near Ayden, where the couple went to have the ceremony performed. They took a holiday bridal trip to Lenoir county and returned to make their home with the bride's father.

County commissioners will meet Monday.

CHAMBER OF COMMERCE BANQUET.

A Meeting of Much Importance to Pitt County.

The Chamber of Commerce gives its first banquet next Wednesday night. From what we can learn this meeting is to be an occasion not only for pleasure but of real business looking to the future development of the town and county. The forty men who have been appointed from the county outside of Greenville on the committee of eighty to work for the establishment of a normal and industrial college in the county, have all been invited to be present at this meeting. It is earnestly desired that they meet with the Chamber of Commerce and the additional members of the committee at this time.

The necessity for such a college and the advantages which we would get from its location among us are sufficient to interest every man who loves his county. There are many reasons why the entire county should move forward along several lines at present. Never in its history have there been the opportunities which are now just about us, and if devolves upon us to take advantage of this favorable occasion to go forward.

The matter of advertising this section at the Jamestown exposition will also be presented at this meeting. Taken all in all the town probably never had a more important occasion for accomplishing something than next Wednesday night promises to be. It is to be hoped that every member of the organization and every invited guest will be present.

Our people still continue to move. R. G. Chapman has purchased the W. L. House residence and lot and has moved to it. W. L. House has moved to the Frizelle cottage. Elder Lupton will occupy the place Mr. Chapman has vacated.

There is still a great demand for houses here. People want to come and we sincerely hope this emergency can be met.

J. E. Green spent Wednesday night in Grifton with relatives. Mr. John Brooks of the Red Banks section was here Friday evening.

Several more electric lights have been put in the school grounds thus lighting them up beautifully.

NO DISTILLERY.

That is the Decision of the Aldermen.

The board of aldermen held an adjourned session Friday night to consider the application filed at the regular meeting to operate a distillery in Greenville. After a full discussion the members took a ballot on the question and license was refused by a vote of five to two, one member being absent. This action of the board meets the approval of a large majority of the citizens of the town.

Another important matter decided at this meeting was the opening of a street from Fifth street in West Greenville, to Dickinson avenue near the Atlantic Coast Line depot. The street committee was ordered to have this street opened. This matter was first considered some years ago, but until this action Friday night definite action was not taken.

BOILER EXPLOSION.

An Accident on Captain Dixon's Steamboat Uncle Sam Resulting in Death of the Fireman.

The new year was ushered in at New Bern with a fatal accident. But bad as it was we may say it was fortunate it did not occur any later as there might have been other fatalities connected with it. The boiler of the steamer Uncle Sam exploded at about half past 7 in the morning and Hardy Bennett, fireman, was killed.

The boat which was the property of Capt. Tom Dixon was lying at her place at the foot of Pollock street and was steaming up for trip on the river. Some of the negro help were busy getting ready for the trip, and were in a small boat near the Uncle Sam. Messrs. DeBrah, Thompson and Prescott were in the saw mill talking and one of them noticed steam escaping and remarked that there was something unusual in the volume of steam that was pouring out of the boiler room. Thinking that the engineer was merely blowing off steam they passed it up, but presently one of the negroes shouted to them that the boiler had exploded and he was afraid some one had been killed. Upon suggestion, Mr. Prescott shut down the mill and the party went aboard the boat and found that there had been an explosion. The head of the boiler had blown off and the whole stern was badly torn up. Fearing that some one had been killed or injured they searched the boat but did not succeed in finding anyone, but taking a long pike pole and feeling around in the water at the stern of the boat the prongs became fastened in the man's clothing and he was brought up to the boat and placed on board; it was the body of Hardy Bennett. A long wound on the right temple indicated the manner of the man's death showing that in all probability he was dead before touching the water. The body was not in the water exceeding twenty minutes—New Bern Journal.

RED MEN BANQUET.

Whilacoochee Tribe Installs Officers and Enjoys Toast.

Whilacoochee Tribe No. 351. O. R. M. held its semi-annual installation of officers Friday night, and a banquet followed in the wigwam. There were about 125 Red Men in attendance, beside the members of the home lodge there being representatives present from Falkland, Farmville, Grimesland, Ormondsville, Stokes and Winterville.

It was a splendid gathering of men and showed the excellent material of which the order is composed.

The following officers were installed.

- R. C. Flanagan, Prophet.
- D. L. James, Sachem.
- D. C. Moore, Senior Sagamore.
- W. S. Moye, Junior Sagamore.
- W. P. Edwards, Chief of Records.
- D. W. Hardee, Keeper of Wampum.
- C. E. Moore, First Sannap.
- J. E. Ayscue, Second Sannap.
- W. T. Fleming, First Warrior.
- D. C. Dudley, Second Warrior.
- J. N. Hart, Third Warrior.
- A. H. Taft, Fourth Warrior.
- W. T. Lipscomb, First Brave.
- Hugh Ragsdale, Second Brave.
- B. C. Pearce, Third Brave.
- Ned Laughinghouse, Fourth Brave.
- E. F. Ward, Guard of Wigwam.
- Richard Randolph, Guard of Forest.

In the social meeting that followed very interesting speeches were made by several of the home members and visitors. These brought frequent bursts of applause.

At the conclusion of the meeting tables were spread in the wigwam and an elegant supper of oysters, crackers, pickles, coffee, fruits and cigars was served by caterer W. C. Hines.

It was a most pleasant occasion and every one present enjoyed it fully. While yet a young order, the Red Men are growing rapidly and the influence of the order is far reaching. Whilacoochee Tribe has established a library and social club room in connection with the wigwam and this is a source of much pleasure and benefit to the members.

GERMANY AT JAMESTOWN EXPOSITION.

Naval, Military and Aeronautical Features Assured.

Norfolk, Va. 24.—As might have been anticipated, the German government, when extended an invitation to participate in the celebration of the ter-centennial of America's birth, was not slow in appreciating the sentimental and historical significance of an event which involved such tremendous consequences to many people of the Fatherland. The response to this invitation was instantaneous and hearty, and in the congress of the nations which will assemble the best of their navies and armies on the waters and shores of Hampton Roads this year, the land of Emperor William, will contest with England herself the palm for splendor and power. Germany will be represented by a squadron of her best war vessels, and possibly with one of the finest regiments of the most perfect military organization on earth, and the flag of the Fatherland in Virginia floating over such an assemblage of her power and her pride, will be the rallying sign for countless thousands of Germans and German-Americans and their children from every section of the land to flock to the Jamestown exposition.

Some Things Legislators Should Do.

That better provision be made for the unfortunate insane of the State—that none be housed in jails or denied admission into the State's institutions.

assessment be provided, in order to do more equal justice to property holders of all classes. As it is, much taxable property escapes taxation, and the honest tax-lister bears unequal burdens.

That the regulation of railroad traffic be more positive and with more regard to the shipper and traveler, to the end that there may be more safety to life and more speedy transportation of goods and products to and from our people.

That all laws permitting the manufacture and sale of liquor in this State be repealed, and the people be given a chance to write in the constitution the total prohibition of the traffic.

That a reformatory for youthful criminals be established.

That the movement of freight trains on Sunday be restricted in so far as the State can reach them.

That a Historical Commission be established, with means and authority to provide a suitable history for the public schools of the State.—N. C. Baptist.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated. Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol For Dyspepsia

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol relieves Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

In bottles only. Two sizes, fifty cents and one dollar. Prepared at the Laboratory of E. C. DeWitt & Co., Chicago, U.S.A.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

Dr. Shoop's Headache Tablets

J. W. BRYAN.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, chloroform or other unsafe ingredients commonly found in cough remedies. Dr. Shoop, it seems has welcomed the Pure Food Drug Law recently enacted, for he has worked along similar lines for many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by Bryan's Drug Store.

The more dignity a man has the less use the world has for him.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet pleasant and safe Syrup called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for croup alone, remember. It does not claim to cure a dozen ailments. It's for croup, that's all. Sold by Bryan's Drug Store.

A woman has but little use for a man who thinks he is the whole thing.

Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. Health Coffee is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember in Dr. Shoop's Health Coffee, yet it's flavor matches closely old Java add Mocha coffee. If your stomach heart or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing and satisfying. It's safe even for the smallest child. Sold by T. E. Hooker & Co.
