### Charlotte Man Gets Tired of Life and Exits.

Charlotte, N. C., July 27.—Mrs. Madge Leonard Powers was found dead this morning about 7:30 o'clock in her home at the corner of Morehead street and the Southern Railway. Mr. Harry Powers, her husband, was found in an unconscious state on the floor near her, and both had been shot through the head with a 32 calibre pistol. It is thought that Powers will not survive.

The news of the double crime shocked the community this morning. It is said, and there is every evidence that the fact is true, that Powers murdered his wife and then shot himself. The woman was shot through the forehead, the bullet entering just at the right of the media line. Powers shot himself below the right ear, and when picked up was barely breathing. It is supposed that the tragedy occurred about 9:30 o'clock last night.

## Echoes of R-eflector's Industrial Edition

The "Greater Greenville" edition of the Greenville Reflector, composed of twenty pages, handsomely and fully illustrated, is one of the best industrial newspapers issued in this decade in North Carolina. The illustrations show the architectural progress, in business houses, in beautiful residences, and in school and churches. Every page of the paper is full of facts and figures showing Greenville's steady advance in every line of industry and development—facts and illustrations that will be sure to attract the attention of those looking for homes and profitable investment.

Greenville, with the completion of the Raleigh and Pamlico railroad, will have unexcelled transportation facilities. It is the centre of a rich agricultural section. Its business men are progressive and wide awake, and its Chamber of Commerce is taking active steps to make known the advantages and opportunities of Greenville to investors and home-seekers everywhere. The Reflector, among the foremost institutions of the town, has done Greater Greenville a lasting service in the publication of this splendid edition.

Not only is Greenville making progress in business and industrially, but it has recently demonstrated its devotion to the cause of education in a manner that has caused it to be widely commended. Its success in securing the new Eastern Training school to be established by the State was due to the earnest cooperation of the people of town and county; and the voting of \$100,000 of bonds to secure that institution was made possible by the educational revival that has touched and blessed every part of the county. Pitt people have learned that the first step toward all that is best and most profitable is to educate all the people. That is the basis upon which they are building for the future. —Raleigh News & Observer.

✻ ✻

The special edition of the Daily Reflector on Greater Greenville was an enterprising piece of work and a very creditable one as to its general appearance and the subject matter of its columns. It sums up the town of Greenville as follows: "The Queen City of eastern North Carolina and home of the East Carolina Teachers' Training School. Industrial center of a rich agricultural, tobacco and trucking section. Excellent transportation facilities, unexcelled climatic conditions and hospitable people, coupled with the energy of hustling business men, make this an ideal location for the manufacturer, the home seeker and the artisan."

We are not prepared to dispute a single one of these statements.

The edition is well illustrated with good cuts. It fills twenty pages. Greenville is getting to be a great town, or has been about this stunt for a long time, we would better say. The reason is because it has live folks who are good folks, too.—Raleigh Times.

Raleigh, N. C., July 27.—Governor Glenn says he has no idea that any effort will be made by the state officials or others to bring about the impeachment of Judge Jeter C. Pritchard because of his course in the rate case, especially the charge that he had usurped powers exclusively for the state courts, and that he has entertained no such idea relative to Judge Pritchard himself.

## Southern and Coast Line Come to Terms With the Governor of Our State and New Rate Goes On August Eighth

The agreement made yesterday afternoon in the office of the Governor of North Carolina by Governor Glenn for the State, and by the general counsel of the Southern and Atlantic Coast Line Railways on behalf of their roads, by which the 24 cent State rate goes into effect by August 8th, and by which a procedure of an orderly legal contest is agreed to by the railroads, all present indictments to end, is a complete vindication of the position and demands of Governor Glenn, and is a complete surrender of the railroads to the laws of North Carolina, which they have been violating since the first day of July. The full text of the important document by which the sovereignty of the State is acknowledged is as follows:

1. The railroad puts the 24-cent rate into effect not later than August 8, 1907.
2. The State to appeal from the order of Judge Pritchard discharging parties in Asheville on writ of habeas corpus.
3. The Southern Railway appeal to the Supreme Court of North Carolina in the Wake County case, and if the case is there decided against it to take the case by writ of error to the Supreme court of the United States.
4. That both sides co-operate to have both of said cases advanced and argued together and speedily determined.
5. The State at its option to indict the Atlantic Coast Line in one case.
6. All indictments and prosecutions now pending to be dismissed and no other indictments or prosecutions to be instituted for any alleged violation of the law, up to the time the new 24-cent rate is put into effect under this arrangement, as far as the Governor can control the same.
7. The Governor advise all people against bringing any penalty suits pending final determination of the questions involved and ask the people as a whole to acquiesce in this arrangement.
8. The suit pending before Judge Pritchard to be diligently prosecuted without the State, however, waiving any question of jurisdiction. Signed.

ALFRED P. THOM,  
ALEXANDER P. HUMPHREY,  
Counsel for the Southern Railway Company.  
R. B. GLENN,  
Governor.

Messrs Thom and Humphrey also as counsel for the Southern Railway Company undertake that the Southern Railway will not inaugurate contempt proceedings because of anything theretofore done by any of the State officers in connection with the rate litigation, and will do what it can to prevent the inauguration of any such contempt proceedings.

This arrangement between the Southern Railway and R. B. Glenn, Governor, is also assented to by George Rountree, attorney for A. Nelson Buckley and others, complainants, and Alexander Hamilton, General Counsel for the Atlantic Coast Line Railroad company, except that they do not consent that the Atlantic coast Line Railroad company shall be indicted in one case, but as to that leaving the State at liberty to do as its sense of duty may dictate. —News and Observer.

### League Disbanded.

The Eastern ball league composed of Rocky Mount, Wilson, Tarboro, Kinston, New Bern and Washington teams has disbanded for the season. The last games were played Saturday.

### Important Meeting.

Keep in mind that the Chamber of Commerce will meet tomorrow (Tuesday) night, and the meeting is of such importance as to need the presence of every business man in the town.

### Stop The Nuisance.

With dogs barking all night and so much whistle blowing from 5 to 7 o'clock in the morning, sleep is a hard thing to get. It is up to the ordinance committee of the board of aldermen to afford relief from such nuisances.

The first spike in the stretch of track from this vicinity to Southport and which railroad promises to be of much profit to both New Hanover and Brunswick counties was driven today. —Wilmington Dispatch.

### One on Capt. Walker.

At Tarboro yesterday afternoon there boarded the Plymouth train a young man, Mr. G. H. Jones, of Warrenton. The genial Capt. Walker, who weighs about a ton, stared at him, and wiping the perspiration from his forehead, exclaimed: "That's one on me." Mr. Jones is six feet, nine and a half inches tall, and the clever captain is about that the other way. Between the two we had "the long and the short of it."

### Storm at Scotland Neck.

Scotland Neck, N. C. July 27.—Yesterday afternoon a violent wind and rain storm did much damage in the town and community. Half of the smoke stack of the electric light power house was twisted off and the roof of Hancock & Hooker's store was blown half off. One of the large oaks in the graded school yard was torn up by the roots and all other town smaller trees were twisted in two. The extent to which the crops were injured has not yet been ascertained.

### Greenville Man Visits Chase City.

Chase City, Va. July 26th 1907. Mr. Robert O. Jeffress of Greenville, N. C., and Manager of the Imperial Tobacco company, at that town, has been sojourning here since 10th of June at the residence of his father col. Thos D. Jeffress. He has been taking treatment at the Mecklenburg Sanatorium" located here, and his disabled leg and ankle have considerably improved. He will doubtless return to Greenville in early part of August. During his stay here where he has been known since a boy, and was very popular, he has been visited by numerous friends and old acquaintances. But he clings to the opinion that Greenville is the garden spot of the old North State and destined to be the commercial and educational centre of Carolina.

Mrs. R. O. Jeffress, and little son went by the Jamestown Exposition for a week, and expected to return home on 26th instant.

The father of Mr R. O. Jeffress is an old resident of Chase City, a native of Charlotte county, Va., ex-mayor of the town, a lawyer in active practice, Past-Comander of Armisted Camp of Confederate Veterans, No. 26 of Va., and chairman of Pickett's Division, Association of Virginia. He was elected to this position in Sept. last when the survivors of that Division went to Gettysburg and the word of Armistead was returned to men of Pickett's division by the Philadelph Brigade, and made the speech accepting the sword on the spot where Armistead fell now marked by a monument on which is inscribed "The high water mark of American Valor." He was re-elected Chairman at the Great confederate reunion in Richmond in June 1907. Although he is 67 years old he is apparently as active and young as any of his sons.

The railroads saw the handwriting on the wall when Governor Glenn made up his mind to call the legislature together if the rate fight could not be settled any other way.

The business men of Greenville should bear in mind that an important meeting of the Chamber of Commerce, is to be held on the night of the 30th to consider the resignation of the president and elect his successor.

If the railroad rate controversy had gone on far enough to have given good grounds for the State to annul the lease of the North Carolina railroad to the Southern railway, there would have been many pleased people throughout the State.

North Carolina has won the victory over the railroads in passenger fares, but the matter should not end there.

Greater Greenville is being talked from one end of the State to the other, and even far beyond our borders.

Old North Carolina is making history, and just now is the biggest State in the union in the eyes of the people.

It looks like the railroads have decided to be good. They had better make up their minds to stay that way.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves". Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Bryans Drug Store.

When the Editor of a prominent Worker...  
Rev. Anna Shaw, president of the American Woman Suffrage Association, said in an address in Chicago: "An excellent example of false pride is a little one seen in my work. By false pride I mean the belief that the poor regard one as noble and fine because one happens to be rich. Servants and dependents have to curtail this false pride in us, but a little settlement work soon undoes the mischief."  
"I know a Philadelphia woman. She is proud because her great-grandfather, a carpenter, happened to own land that is now worth millions. In her haughty way she did some settlement work during her life."  
"There was an old woman whom she visited every few days. She carried the old woman jellies, tea, olives and such like luxuries. And she was secretly pleased with the attention she attracted as she passed up and down the narrow, squalid street."  
"Your neighbors stare at me a good deal," she said complacently one morning.  
"I'll be bound for that," said the old woman.  
"I suppose they are very inquisitive, eh?"  
"They certainly are, the busy-bodies," the old woman grumbled.  
"No doubt they question you about me a good deal?"  
"Indeed they do, mum."  
"The visitor smiled again.  
"And what do you tell them?" she asked sweetly.  
"Oh," said the old woman, "I just say y'er me dressmaker, and let it go at that."

"I SUPPOSE THEY ARE VERY INQUISITIVE."

The Modern Builder.  
Dr. H. W. Wiley, the chemist and food expert of the department of agriculture, paused in an address in Washington to tell an appropriate story.  
"Not in food alone," he said, "has an ugly modern spirit manifested itself. Take, for instance, the building trade."  
"A builder the other day was showing a prospective buyer over a row of new houses.  
"Talk about walls," the man said, rapping a parlor wall proudly with his knuckles. "John," to his clerk, "just go in next door, and we'll show this here gentleman what these walls is like."  
"John ran into the next house. The builder shouted through the wall to him:  
"John, can ye hear me?"  
"Yes, sir, I can hear ye," John replied.  
"The builder, looking disappointed, paused. Then:  
"John, can ye see me?" he shouted.  
"No, sir," sang out John. "No, sir, I can't see ye."  
"The builder turned to the prospective buyer:  
"There's walls fur ye," he said."

Up to Them.  
"A trust conference—any kind of a conference, for that matter—is a good thing," said Governor Sheldon of Nebraska, "if it is conducted fairly."  
"To be unfair, to be prejudiced, to be suspicious, is always to judge wrongly. The suspicious man falls into error and makes a fool of himself."  
"There was a very suspicious countryman who went to New York to see the sights. Coming to the Metropolitan museum, he was amazed to find that the admission to this splendid building cost nothing. He mounted the steps and entered.  
"Your umbrella, sir," said a uniformed official, extending his hand.  
"The countryman jerked back his umbrella, laughed scornfully and turned on his heel.  
"I knowed there was some cheat about it when ye got in free," he said."

**Weak Women**  
To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments. The "Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, ceases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well the system. For positive local help, use as well the system.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

**Kodol Dyspepsia Cure**

Digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. ## The Savory Seamless Roaster

Is far superior to any other Roaster made, not an ounce of substance lost. Other roasters waste from 10 to 20 per cent. The Savory seamless roaster needs no water, grease or attention of any kind. It simply asks to be let alone. Retains all juices and flavors, renews the youth of the toughest fowl. One great feature of the Savory roaster is the oval bottom, with the ordinary flat bottom roaster the moisture brought out of the meat by cooking has no chance to accumulate and is burned and dried up in the bottom of the pan. In the oval bottom this meat juice flows continuously to the lowest point of the bottom, where it is turned into steam and condensed on the surface of the meat. This condensation continues until the roast has become heated through to the temperature of the atmosphere in the roaster, when the condensation stops and the browning of the roast begins.

The Savory roaster is self basting and self browning. The bottom is raised off the oven by the outside heat-retaining jacket, which applies a uniform heat to the roast from all sides.

The Savory roaster is in a class to itself. Is guaranteed to give satisfaction when used according to directions. Buy one, take it home, go by the directions, use it thirty days, if not all we claim forth, return it to us and we will give you back your money, providing the roaster when returned, is in good condition.

See our window display of the Savory roasters. We will be glad to show you. Call and see them.

### Farmers Educational Meeting.

The meeting of farmers in Greenville August 9th, which has been arranged for by Congressman John H. Small and which will be addressed by able men from different departments of the government, should awaken the interest of every farmer in the county. Such a meeting for the benefit should be appreciated by their presence. The good hoped to be accompanied will be lost unless they attend the meeting.

### Both Legs Cut Off

Kinston, N. C., July 27 - Matthew Miller, colored, about 35 years old, had both legs cut off by a Norfolk and Southern train here this afternoon. He was trying to get aboard the train at the passenger station, just as the train was leaving. Miller was slightly under the influence of whiskey, and had an arm full of packages. When he attempted to step on the train he missed the step, was knocked down and under the car and had it not been for a bystander the car wheels would have severed his body. The railroad company took charge of the injured man, but the chances of recovery are slight.

### TO THE PEOPLE OF PITT COUNTY.

As you know after a sharp contest, we have succeeded in securing the Eastern Training School. There are now great opportunities for the county and therefore for you. There is now an absolute necessity for a forward movement along all lines. We need to let the world know the resources and possibilities of the county. We need to consult with each other and plan together that this may be done. We can move if we will. The only question is will we do it? We can now have a great institution of learning in our very midst from which there will go out an influence, enthusiasm, and spirit that will stir this old county from center to circumference. Coming with this will be general development in every portion and section of the county. With these things in view the Chamber of Commerce of Greenville has decided to request the citizens of Pitt to meet in Greenville on Monday, August the 5th, at 12 o'clock m. for the purpose of discussing ways and means and for planning for the further advertisement and advancement of the county. We desire especially that each town and village unite with the county surrounding it and have a large
