Miss Lula O'Conner Will Wed Rev. William Edward Cox, Jan. 16.

Mrs. James O'Conner announces the engagement and approaching marriage of her daughter, Lula, to Rev. William Edward Cox, of Wilmington, N. C., the wedding to be solemnized on the morning of Thursday, January 16, at St. John's Episcopal church of this city. Rev. Walter C. Whitaker rector of St. John's church will officiate and the details of the wedding will be as simple as possible on account of the death of the father of the bride-elect which occurred a year ago.

Miss O'Conner is the daughter of the late Col. James O'Conner and has always made her home in this city, where she has scores of friends. She is a graduate of the city schools, and of the Miller school of Cincinnati. For several years she has been a successful teacher in the city schools where she has won for herself the love and respect of all.

Mr. Cox was formerly rector of St. Paul's Episcopal church, Greenville, N. C., but is now of the St. John's church, Wilmington N. C. He is an alumnus of the University of North Carolina, having taken the B. A. degree from that institution. He also holds the B. D. degree from the University of the South at Seawanee, and has taken special courses at the General Theological Seminary of New York City. He was at one time called to assist Rev. Samuel Ringgold, D. D. in this city.

During the past summer he was in temporary charge of Christ's church, Nashville, during the vacation of the rector.

The announcement of the wedding of these two young people will be heard with interest by many in this city.—Knoxville, Tenn., Sentinel.

Savory Seamless Roasters are self basting, self browning, seamless, sanitary. Call and examine them. They are guaranteed to please. J. R. & J. G. Moye.

Richmond is holding a tuberculosis convention. Many learned men have given their views on the dreadful disease. One of them commented on the dangers of contracting tuberculosis from the germs breathed and spit upon the air in cities. A most hopeful note was the statement that these germs, even if breathed into the lungs, will not give the disease unless the patient is already weakened and in fit condition to absorb the poison, showing the importance of maintaining the general health. This serves to remind that a vast deal of the sickness and death could be averted if the "general health" were kept up to the standard. Unfortunately the average person regards his constitution as exceptionally strong and fancies that while other people may be able to stand all sorts of abuse and misuse of their physical strength, he can. A person who carefully and persistently cultivates a good condition of general health is able to resist disease. One who permits himself to remain in a low state of health falls an easy prey to almost any serious malady that may come in his way.—Greensboro Telegram.

If you want to make a friend a Christmas present that will be a constant reminder, send The Reflector for a year.

All Happy Now.

Jimmie Reuss was scared his shipment of fire works would not come in time, it was so long delayed in transit. But it has come, and Jimmie and the little folks are correspondingly happy.

Eye Defects.

If you have eye troubles, don't put them off, but see Dr. Taylor, of Greensboro, who will be at his old office in Ayden, Monday and Tuesday, Dec. 23 and 24, for the purpose of correcting eye defects. Don't fail to see him. Small eye troubles make big ones when neglected. All work guaranteed.

Give us The Names.

It is hard to keep up with the movements of people at any time, and especially so during the holidays. So if you have guests, if any of your people go away, or any return home, tell it to The Reflector so we can print it. If not convenient for you to do this in person, phone us.

You will not go wrong by getting your Christmas goods at James Long's. Full line of toys, dolls, fruits, confections and everything in the Santa Claus line. Just come and see. Prices way down.

Fruit cake, pound cake and all other kinds of cake, fresh. J. M. Reuss.

Debate Tonight.

The graded school boys composing the Henry W. Grady literary society, will have a debate in the school chapel tonight. The query is "Resolved that the 24 passenger fare rate is just." After the debate the boys will entertain the girls of the Minervian literary society.

Holly—I have 23 cases carefully selected holly, with beautiful berries, for Christmas decorations. Will sell cheap in any quantity. D. E. House. 2t

Christmas Don'ts.

Don't leave the cost marks on presents.

Don't let money dominate your Christmas giving.

Don't let Christmas giving deteriorate into a trade.

Don't embarrass yourself by giving more than you can afford.

Don't try to pay debts or return obligations by your Christmas giving.

Don't give trashy things. Many an attic could tell strange stories about Christmas presents.

Don't make presents which your friends will not know what to do with and which would merely encumber the home.

Big Frost and Fog.

This morning was one of the kind that put people to running their minds back to inquire if they had ever seen one like it before. To begin with there was an unusually heavy frost, one that looked like a light snow, and on top of this was as dense a fog as ever comes in this section. Up to 9 o'clock objects could not be distinguished a few yards away. With the other mixture it was decidedly cold.

The fall session of the school will come to a close today at 2.30. Two weeks vacation will be given; the spring session will begin on Monday Jan. 6th.

The total enrollment to date has been 393 pupils. The report for December shows that the enrollment was 380, with an average attendance of 360; in other words, 95.72 per cent of the enrollment was present every day during the month.

Last December the enrollment was 338, with an average attendance of 319. It will be seen that the increase this December over the corresponding month of last year is 42 children, or 12 1/2 per cent. The increase in the daily average attendance has been 12.85 per cent over last December.

The heavy increase in attendance is beginning to make house room a serious problem, and the Board of Trustees will be called upon next summer to provide for the accommodation of more pupils than the present building will seat, unless the chapel be utilized. The present rate of growth demands one extra room and one additional teacher each year.

The Art of Appreciation and Retaliation

"This being the season for gift-making," said a gazer at show windows, "I am reminded that I am due to give my wife an unusual present this Christmas. On my last birthday two or three months ago she, thoughtful woman that she is, gave me a handsome rug.

"Now what do you reckon I have decided to give her?"

"I suppose a gold bracelet studded with diamonds, a new silk dress or something like that," replied the man who had already bought one of the wrist bands.

"You've missed it a mile. Just by way of comparison, I have decided to buy a very fine pointer dog for her."—Charlotte Chronicle.

Their Child Dead.

The hand of death has fallen heavily on Mr. and Mrs. M. H. Quinnerly in taking their only child, little Stephen Alfred, who passed away at 11:30 this morning, aged 16 months.

The child had been sick about a month, and while for several days its death was almost momentarily expected, the end of its life is a sad blow to the young parents, and every heart throbs in sympathy for them in their great sorrow. Little Stephen Alfred was the joy of the home and a favorite with a large circle of relatives and friends, and his death brings pain to many hearts.

The funeral will take place at 3 o'clock Saturday afternoon, interment in Cherry Hill cemetery.

At the Opera House New Year's Night.

A beautiful drama entitled "Under the Laurels," will be presented on New Year's night in Masonic Temple opera house. This is a play worthy of advanced praise, and to say the least it is going to be one of the best plays presented to Greenville people this season. It was selected and is being prepared by strictly "Home Folks," and their work on the stage heretofore speaks for itself. Remember the night, and get as near the front as possible.

The government ginners' report issued today places the number of bales of cotton ginned to Dec. 15th 9,281,077. This is 1,800,000 below last year.

Don't Break the Law

Boys should bear in mind that infractions of the fire works ordinance creates sentiment against the fireworks privilege being extended to them. Better keep the law and be in favor with the authorities.

If the weather keeps trying it may snow yet.

The Fleet is making pretty good time.

With the holidays and a prohibition campaign on at the same time Raleigh should be anything else than a dull town.

The holidays will loosen some of the purse strings and do that much good toward relieving the financial situation.

Some presents that have been laid away since last Christmas may be brushed up and given to somebody else.

Mr. Taft is back in time to hang up his stocking and he would like to get the presidential nomination in it.

Uncle Sam says he does not mean anything by it, so maybe he is just doing it to let the Japs see what fine ships we have and how nice our boys can sail them.

We have heard of people killing themselves because of financial troubles, that is because they had less money than they thought they needed, but the Ohio man who burned up \$100,000 in bills and then took himself off sets a new precedent. It is to be hoped no others will attempt to imitate him, especially while money is already scarce enough.

They are reviving the talk about a crusade to do away with giving presents at Christmas. What most of us are concerned in is a crusade to do away with giving bridal presents. Christmas comes but once a year; marriages take place every other week or oftener.—Greensboro Record.

What is the matter with including birthday parties also? They come oftener than weddings.

Ambition and Success.

A boy at seventeen can practically determine for himself whether he will be a simple burden bearer for others as long as he lives, a leach on society, or whether he will be a broad minded, useful, and successful man. If the boy at this age has no ambition to be anybody and is content to simply let things flicker and take his chance with others just like him, flitting away his opportunities to acquire knowledge and caring only for the trivialities of life, he can make up his mind to carry a load, ride on the brake beams of a freight car, or dodge the police as long as he lives, or he can resolve to be a man in the highest sense, seek every means for physical, mental and moral growth and development and graduate into the ever widening field of utility and success. It matters little what his boyhood environment may be. If he but has the ambition and well grounded purpose he will climb out of it.—Pittsburg Press.

When all is lost save honor some men get on their dignity.

Thousands of men and women in all walks of life are suffering from kidney and bladder troubles. Don't neglect your kidneys. Delays are dangerous. DeWitt's Kidney and Bladder Pills afford quick relief for all forms of kidney and bladder trouble. A week's treatment 25c. Sold by J. L. Wooten's drug store.

Jack and Jill were both quite ill, Now each is well and wiser, For blues and headaches have to go, When they take an Early Riser, DeWitt's Little Early Riser Pills are sold by J. L. Wooten's drug store.

Whenever you feel that your stomach has gone a little wrong, or when you feel that it is not in good order as is evidenced by mean headaches, nervousness, bad breath, and belching, take something at times, and especially after your meals until relief is afforded. There is nothing better offered the public today for stomach troubles, dyspepsia, indigestion, etc. than Kodol. This is a scientific preparation of natural digestions, combined with vegetable acids and it contains the same juices found in every healthy stomach. Kodol is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by John L. Wooten, druggist.

DeWitt's Carbolized Witch Hazel Salve—don't forget the name, and accept no substitute. Get DeWitt's. It's good for piles. Sold by J. L. Wooten's Drug Store.

Are you having trouble with your kidneys? There are lots of people today who wonder why they have pains across the back, why they are tired and lacking in energy and ambition. Your kidneys are wrong. They need relief without delay. Take DeWitt's Kidney and Bladder Pills; they are for weak back, inflammation of the bladder, backache and weak kidneys. Sold by J. L. Wooten's Drug Store.

Trial Catarah treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarah Remedy. Sold by Bryan's Drug Store.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lunghealing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harmful to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's Cough Cure. Bryan's Drug Store.

WHO'S WHO AND WHY
Who made the best crop in Pitt County during the year 1907

Everybody admits that this has been a bad crop year and as a whole it has been, but some planters had bounteous yields in return for their labours. Did you?
Why because they used Cotton Seed Meal as a Fertilizer.

Dr. Bonsteel of the Bureau of Soils of U. S. Department of Agriculture, in his address to the Planters of Pitt county strongly advised its use, stating that as a Fertilizer Stable Manure was the best adapted to our Soil and the next best was Cotton Seed Meal

WINTERVILLE MEAL IS THE BEST OF THE NEXT BEST

If you did not use it this year inquire of someone who did and you will fry it in 1908.
We will buy your Cotton seed and sell your Meal at reasonable prices, or we will exchange Meal for Seed on a liberal basis, delivering the Meal at any rail road station in the county.

SACKS furnished to seed shippers upon request.
Write or telephone us at once how many Seed you have, what station you can ship from and whether you wish to sell for cash or exchange for Meal. All inquires will have prompt attention.

BADLY MIXED UP.
Abram Brown, of Winterton, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth, blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed for blood poison, weakness and all stomach, liver and kidney complaints, by Jno. L. Wooten, druggist, 50c.

CHRISTMAS GREETINGS

A gift should be something that gives to him who receives it a better impression of your friendship, and also something that will keep that impression in mind. You surely will find the gift you want in our stock.

When you buy your gifts for Christmas you should endeavor to give something nice however small. Quality not quantity should be your motto. We kept this in view when we bought our holiday line and we have the daintiest and most appropriate gifts that can be given.

This space is too small to give you a list of everything we have. Suffice to say that we have the largest and most elaborate line of holiday goods we have ever had.

Our line of toilet and manicure sets is without doubt something

that will tempt you to invest. We have them from \$1 to \$12.50

We also have a line of men's pocket books and bill books to suit, and prices that are reasonable.

The use of candles at the Christmas season is as

closely identified with the holiday as Santa Claus himself. We have a line without rival ranging from 30c to 3.00 per dozen

Bohemian glass sets are again stylish and we have them in every style and in such pretty designs too. Our prices are from 1.50 to 3.50

Never before has such a gorgeous line of mirrors been displayed in Greenville

The line consists of French plate mirrors on gold and silver cases, and in triple mirrors with frames of the some materials. Our prices are very reasonable on this line

In leather goods we have a complete line of ladies shopping bags in all the popular colors of leather. Our prices range from 50c. to \$5.00

In bisque figures we have something that will appeal to your pocket book, however small or large it may be

We have drums, rocking horses, dolls, tin toys etc.

There is always a great demand for Bibles at the Christmas season. The Bible makes a most appropriate gift for either young or old. We have them from 50c. to 3.50

A book of poems in a dainty binding. A Christy Book, a new novel, and all the regular holiday editions, bring delight and enjoyment to the recipient. We always carry a good line of picture books, novels illustrated books, holiday editions, and everything usually found in the Book line

We especially call attention to our line of Christy, Fisher pictures, our calendars; Christmas and new year cards, and also to our holiday boxes for Christmas packages. We also have a complete line of holly tags and labels. No gift is complete without them

Be sure to see our line of Post Card Albums. Every post-card collector needs one, and nothing is more acceptable as a gift. Ask to see them

Our souvenir goods in silver, brass, gun metal, and white metal are the most tempting of the whole line. We have hundreds of articles in silver, antique brass, gun metal and copper, that will appeal to every holiday shopper in Greenville and the vicinity. Dainty and original, you may be sure the person to whom they are given has nothing like them. We have heard nothing but exclamations of delight whenever they have been shown. We also have articles of the same materials without the souvenir feature that are creations of beauty, jewelry cases, candelabras, puff boxes, pin trays, ink stands, pin cushions etc.

No where will you find such a collection in china goods as at our store. Our shelves are profuse with the world's china creations; the rich and modest line of hand painted Old

Ivory from Prussia, the delicate hand painted Nippon Art Ware from Japan, the brightly colored and artistically decorated pieces of our Tokio assortment, and the pretty creations from the German line. When you come to see us don't leave the store until you have seen our souvenir line of blue cobalt from Germany. This line consists of dozens of useful ornamental pieces containing views of Greenville. When you give a gift out of town give something that will give local touch to the one who receives it

The talking machine is a gift to the family. Mr. Man you can do nothing better than buy one now. The whole family will enjoy it, and none of the family more than you. We handle both the Edison and the Victor machines and a full line of records for each

We have been very frugal in marking our line of Christmas goods and we believe the people of the community will appreciate the fact. You must come to our store if you see the real holiday line. All goods will be sold at prices marked

\$100 REWARD \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of test money. Address: F. J. CHENEY & CO., Toledo, O. What About Christmas?

With the compliments of the season to all our readers we ask you the question of the hour

WHAT ABOUT CHRISTMAS

The children are asking it with wondering and hopeful expectations of what Santa Claus is likely to bring them.

The older people are asking it, not so much in speculation regarding the remembrance that Christmas will bring to them, but rather as an inquiry as to how they are to provide suitable and satisfactory presents for relatives and friends without too heavy a drain upon their time and purse.

May we help you to solve the problem and put you in the way of doing your Christmas shopping with pleasure satisfaction and economy?

We offer the advantage of selection that can only be found in a very extensive showing of first class goods. We take pleasure in pleasing customers and will do all in our power to help you to just the right article at the right price, so that you may leave our store glad that you came, and perfectly satisfied with your purchases in every respect.

We extend to all a cordial invitation to call and see our line of

TO MY FRIENDS.

Having been away for several months I wish to announce to my friends and patrons of the "empire" of Pitt that I am still connected with the firm of Chas. M. Steff, and if bachelors are allowed to misuse the happy term home as a synonym for a "hanging out place" I still call Greenville my home, and while I intend to be away from Greenville a great deal of my time during this fall a postal care of box 325, Greenville, will reach me within a day or two. We now have a number of slightly used upright pianos, some of which have been rented during the summer months, others which were temporarily used by artists at the exposition and for orchestra work, at bargain prices.

We also offer a special school piano for \$225 00 fully measuring up in standard to any \$350 00 instrument. This piano is especially built for college and school work for the special price named above and is full guaranteed by my firm for 10 years. Those interested in a school piano or in a good slightly used piano for the home should write me at once and will profit by it, and as ever I am always mindful of my patrons' protection and interest as well as my firm's interest. Grateful of past patronage. Very respt. G. G. Fineman, Box 325 Greenville, N. C.

Directions For the Care of Children's Teeth—Domestic Notes.

The first teeth, like the second, are required for the proper mastication of the food, which is all the more necessary in the growing child, who needs more nourishment in proportion than an older person of twice his size. As soon as the teeth appear they should be cleaned with a soft cloth, and when the child is old enough a little brush should be given to him, and he should be taught how to use it. After this the mother or nurse should see that it is used regularly. The mouth of every child should be examined two or three times a year by the dentist, and any little cavities discovered should be stopped with temporary filling. Indeed, as much care should be taken of the first as of the second set of teeth, for they are just as necessary to health, beauty and comfort.

Cleaning Soiled Ribbon.

Pick out all pieces of thread. Lay ribbon down right side up on cloth covered table. If the ribbon is wide, pin down smooth as possible. Put a small piece of white soap in a dish or saucer, then put in a little cold water. Make a soft pad of old muslin. With this rub a little of the soap and water together. Commence at one end of the ribbon. Saturate a little at a time, rubbing hard on soiled places and where creases are. Keep ribbon smooth. If the cloth underneath the ribbon becomes too wet, move the ribbon. When it is perfectly clean and smooth dry without any pressing. Ribbon cleaned this way will look nearly like new.
