AN XMAS MISTAKE.

By FRANK H. SWEET.

[Copyright, 1907, by Frank H. Sweet.]
ST. NICHOLAS was resting
 From his Christmas work at last,
 The gifts had all been given,
 The holidays were past,
 And, dozing in his armchair,
 With his cat upon his knees,
 The good saint smoked his honest pipe
 And took his honest ease.
 But something roused him quickly,
 He started from his seat.
 A soldier bold, a maiden fair,
 Were kneeling at his feet.
 "St. Nicholas," the maiden cried,
 "Behold my fearful plight!
 These wounds have been inflicted
 Since that dreadful, dreadful night
 When you left me in the stocking
 Of a being I dare not name."
 She paused. The soldier raised his
 voice
 And said: "I blush with shame
 To stand before your saintship
 In the dress you now behold,
 But the way I have been treated
 Makes my very blood run cold.
 I've been nursed and kissed and ood-
 led;
 I've been rocked and sung to sleep.

A SOLDIER BOLD, A MAIDEN FAIR, WERE
 KNEELING AT HIS FEET.

Oh, were I not a soldier still
 I'd almost like to weep."
 "Ah," mused the good St. Nicholas,
 "I think I understand."
 And he smiled a merry little smile
 And coughed behind his hand.
 "Twas on that busy Christmas eve
 When all was in a whirl,
 This doll was given to a boy,
 This soldier to a girl."
 And then a cold he gravely said:
 "I grieve to see your pain,
 But if you'll stay with me a year
 All shall be well again.
 Next Christmas eve, my children,
 When you are well and strong,
 I will put you in the stockings
 Where you really do belong."

"I wonder where my soldier is!"
 Cried gent's little Moll,
 And baby, gazing round him, sobbed,
 "Where is my baby doll?"

But, though they hunted high and low
 And searched both far and near,
 The maiden and the soldier bold
 Were seen no more that year.

 now left will have to be done
 then, as Christmas is not going

Resolutions of Respect.

The Great Spirit in His allwise
 and merciful Providence has
 seen fit to take from our midst
 our brother, Willis T. Fleming,
 therefore be it resolved:
 1st. That Withlachochee
 Tribe No. 35, I. O. R. M. has
 heard with sincerest sorrow and
 deepest regret of the death of
 our beloved brother, Willis T.
 Fleming. In Brother Fleming
 we feel that we have lost not
 only a good and true Red Man,
 but a kind, noble, sympathetic
 friend; the community an hon-
 est, upright and excellent citizen.
 2nd. That we extend to his
 aged parents, and his devoted
 sister our sincere sympathy, and
 direct them to Him in their hour
 of sorrow, who alone has power
 to soothe their aching hearts.
 3rd. That a copy of these res-
 olutions be spread upon our min-
 utes, a copy be sent to the family
 of Brother Fleming, and a copy
 be given to The Reflector with
 request to publish the same.

Hon. T. G. Skinner Dead.

Ex Congressman Thomas G.
 Skinner, of Hertford, who has
 been in feeble health, died Sun-
 day in a hospital at Baltimore. He
 was some over 60 years of age,
 and a brother of Messrs. Charles
 and Harry Skinner, of Greenville.
 Mr. Skinner represented this
 district in congress for three
 terms, and the district never had
 a more popular representative.

Weather.

Partly cloudy and colder to-
 night. Tuesday fair, colder.

STATE NEWS.

J. H. Hendley, a merchant and
 postmaster at Ansonville, com-
 mitted suicide Thursday by shoot-
 ing himself with a pistol.

The public school house in one
 district of Randolph county has
 been burned three times in the
 past year.

Expressions of Sympathy.

The Cradle Roll of the Metho-
 dist Sunday school has been
 called to surrender one of its
 brightest members. Little Ste-
 ven Alfred Quinerly slipped
 away from us on the morning of
 December 20, 1907. He was a
 most promising child and the
 idol of fond parents. The devo-
 ted father and dear stricken
 mother feels robbed of their
 hearts best treasure, and are left
 sitting in the shadows of an aw-
 ful grief. They hoped and
 waited, and still watched but the
 morning never came, save the
 one that swept the little dar-
 ling from their arms into the
 eternal day. It is inexpressibly
 sad, still we would suffer the
 little children to go to Him who
 can care for them far better than
 we, though their going leave the
 heart almost broken.

We extend our sympathy and
 would remember in our prayers
 the devoted father and mother
 and all the stricken relatives
 and friends, reminding them of
 the one Comforter in our every
 hour of sorrow. Through His
 power and grace the little grave
 in Cherry Hill is but the gateway
 to glory and to a larger life.

"There is no death—the stars go
 down
 To rise upon some other shore.
 Where, safe in heaven's jeweled
 crown,
 They shine forever more."

Our school cannot forget the
 little flower that bloomed for a
 short space on earth before
 being transplanted to the gar-
 den of the skies.

Heavy Loss on Eve of Marriage.

Mr. J. G. Watson left Sunday
 morning for Norfolk where to-
 morrow he is to wed Miss Mary
 Langley. The day before his
 departure he met a serious mis-
 fortune that is calculated to rob
 him of much anticipated pleas-
 ure. For sometime Mr. Watson
 had been saving his earnings in
 readiness for his marriage and
 holiday honeymoon. Saturday
 he took his savings, \$855, out of
 his trunk and placed them in a
 bill book in the breast of his coat,
 intending to deposit the greater
 part of it in bank and take the
 remainder with him on his trip.
 He came down town from his
 room, made several stops, and
 before reaching the bank felt in
 his pocket only to find the book
 and money gone. He made dil-
 igent search for it, but with-
 out success. It is a heavy loss.

Had His Neck Broken

A colored boy, Charles Wilson,
 aged about 19 years, who has
 been employed as a stevedore at

 a terrible accident there yester-
 day morning, which will un-
 doubtedly result in his death.

Wilson, while engaged at his
 work, in some manner was
 crushed beneath a bale of cotton,
 having his neck broken—Wil-
 mington Messenger.

Davis' star has dimmed early in the game.

Calling a man a liar is an invitation for a blow, even in congress.

Wilson has been selected as the place for holding the Baptist State convention of 1908.

What a delightful rest Sunday gave coming in between the busy times of last week and this week.

If the railroad rate matter is settled along the lines proposed, Governor Glenn will be the foremost man in North Carolina.

If that scrap had been between boys on the school ground instead of between congressmen in the National legislative hall, it might have been more decent.

It seems probable that Governor Glenn will call the legislature in extra session sometime in January, to consider the compromise of the rate matter with the railroads. We hope the matter will come to an early settlement somehow, as the agitation has been prolonged until it is hurtful to business generally.

Congressman John H. Small, according to the Washington correspondent of the News and Observer, has been treated anything else but courteously by Speaker of the House Cannon, in the failure to give him an appointment on the rivers and harbors committee. Congressman Small is the originator and recognized leader of the movement for the inland waterway and ought to be on the committee under whose consideration matters of that kind most directly come. The speaker gave no reason for not appointing him even after being recommended, and it is not well understood why he was thus ignored.

At a meeting of Mecklenburg county medical association, Dr. C. A. Missenheimer, of Charlotte, read a paper that stirred up a sensation. But the doctor uttered truths and said some things along lines that people have already been thinking, and it applies to some other sections outside of Mecklenburg. We quote one paragraph:

"The sending of so-called nurses out of town to wait on sick people is a disgrace to the nurse's profession and to the medical profession. To send a young woman to a brother physician in a distant town under the assumed name of a trained nurse and cause the family to pay four and six dollars per day for common labor is not right. Let the doctors say whether she is a trained nurse or just a good woman who is nursing as best she can, and it will be better for all concerned."

Thousands of men and women in all walks of life are suffering from kidney and bladder troubles. Don't neglect your kidneys. Delays are dangerous. DeWitt's Kidney and Bladder Pills afford quick relief for all forms of kidney and bladder trouble. A week's treatment 25c. Sold by J. L. Wooten's drug store.

Jack and Jill were both quite ill, Now each is well and wiser, For blues and headaches have to go, When they take an Early Riser. DeWitt's Little Early Riser Pills are sold by J. L. Wooten's drug store.

Whenever you feel that your stomach has gone a little wrong, or when you feel that it is not in good order as is evidenced by mean headaches, nervousness, flat breath, and belching, take something at times, and especially after your meals until relief is afforded. There is nothing better offered the public today for stomach troubles, dyspepsia, indigestion, etc. than Kodol. This is a scientific preparation of natural digestions, combined with vegetable acids and it contains the same juices found in every healthy stomach. Kodol is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by John L. Wooten, druggist.

DeWitt's Carbolyzed Witch Hazel Salve—don't forget the name, and accept no substitute. Get DeWitt's. It's good for piles. Sold by J. L. Wooten's Drug Store.

Are you having trouble with your kidneys? There are lots of people today who wonder why they have pains across the back, why they are tired and lacking in energy and ambition. Your kidneys are wrong. They need relief without delay. Take DeWitt's Kidney and Bladder Pills; they are for weak back, inflammation of the bladder, backache and weak kidneys. Sold by J. L. Wooten's drug store.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by Bryan's Drug Store.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lunghealing mountainous shrub, furnish the curative properties to Dr. Shoop's cough cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's cough cure. Bryan's Drug Store.

BADLY MIXED UP.
Abram Brown, of Winterton, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth, blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed for blood poison, weakness and all stomach, liver and kidney complaints, by Jno. L. Wooten, druggist, 50c.

CHRISTMAS GREETINGS

A gift should be something that gives to him who receives it a better impression of your friendship, and also something that will keep that impression in mind. You surely will find the gift you want in our stock.

When you buy your gifts for Christmas you should endeavor to give something nice however small. Quality not quantity should be your motto. We kept this in view when we bought our holiday line and we have the daintiest and most appropriate gifts that can be given.

This space is too small to give you a list of everything we have. Suffice to say that we have the largest and most elaborate line of holiday goods we have ever had.

Our line of toilet and manicure sets is without doubt something

that will tempt you to invest. We have them from \$1 to \$12.50

We also have a line of men's pocket books and bill books to suit, and prices that are reasonable.

The use of candles at the Christmas season is as

closely identified with the holiday as Santa Claus himself. We have a line without rival ranging from 30c to 3.00 per dozen

Bohemian glass sets are again stylish and we have them in every style and in such pretty designs too. Our prices are from 1.50 3.50

The Bible is always a great demand

for Bibles at the Christmas season. The Bible makes a most appropriate gift for either young or old. We have them from 50c. 3.50

A book of poems in a dainty binding. A Christy Book, a new novel, and all the regular holiday editions, bring delight and enjoyment to the recipient. We always carry a good line of picture books, novels illustrated books, holiday editions, and everything usually found in the Book line

In leather goods we have a complete line of ladies shopping bags in all the popular colors of leather. Our prices range from 50c. to \$5.00

The line consists of French plate mirrors on gold and silver easels, and in triple mirrors with frames of the some materials. Our prices are very reasonable on this line

We especially call attention to our line of Christy, Fisher pictures, our calendars; Christmas

and new year cards, and also to our holiday boxes for Christmas packages. We also have a complete line of holly tags and labels. No gift is complete without them

Be sure to see our line of Post Card Albums. Every post-card collector needs one, and nothing is more acceptable as a gift. Ask to see them

In bisque figures we have something that will appeal to your pocket book, however small or large it may be

We have drums, rocking horses, dolls, tin toys etc.

No where will you find such a collection in china goods as at our store. Our shelves are profuse with the world's china creations; the rich and modest line of hand painted Old

Ivory from Prussia, the delicate hand painted Nippon Art Ware from Japan, the brightly colored and artistically decorated pieces of our Tokio assortment, and the pretty creations from the German line. When you come to see us don't leave the store until you have seen our souvenir line of blue cobalt from Germany. This line consists of dozens of useful ornamental pieces containing views of Greenville. When you give a gift out of town give something that will give local touch to the one who receives it

Our souvenir goods in silver, brass gun metal, and white metal are the most tempting of the whole line. We have hundreds of articles in silver, antique brass, gun metal and copper, that will appeal to every holiday shopper in Greenville and the vicinity. Dainty and original, you may be sure the person to whom they are given has nothing like them. We have heard nothing but exclamations of delight whenever they have been shown. We also have articles of the same material's without the souvenir feature that are creations of beauty, jewelry cases, candelabras, puff boxes, pin trays, ink stands, pin cushions etc.

The talking machine is a gift to the family. Mr Man you can do nothing better than buy one now. The whole family will enjoy it, and none of the family more than you. We handle both the Edison and the Victor machines and a full line of records for each

We have been very frugal in marking our line of Christmas goods and we believe the people of the community will appreciate the fact. You must come to our store if you see the real holiday line. All goods will be sold at prices marked

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimony. Address: F. J. CHENEY & CO., Toledo, O. What About Christmas?

With the compliments of the season to all our readers we ask you the question of the hour

WHAT ABOUT CHRISTMAS

The children are asking it with wondering and hopeful expectations of what Santa Claus is likely to bring them.

The older people are asking it, not so much in speculation regarding the remembrance that Christmas will bring to them, but rather as an inquiry as to how they are to provide suitable and satisfactory presents for relatives and friends without too heavy a drain upon their time and purse.

May we help you to solve the problem and put you in the way of doing your Christmas shopping with pleasure satisfaction and economy?

We offer the advantage of selection that can only be found in a very extensive showing of first class goods. We take pleasure in pleasing customers and will do all in our power to help you to just the right article at the right price, so that you may leave our store glad that you came, and perfectly satisfied with your purchases in every respect.

We extend to all a cordial invitation to call and see our line of

TO MY FRIENDS.

Having been away for several months I wish to announce to my friends and patrons of the "empire" of Pitt that I am still connected with the firm of Chas. M. Steff, and if bachelors are allowed to misuse the happy term home as a synonym for a "hanging out place" I still call Greenville my home, and while I intend to be away from Greenville a great deal of my time during this fall a postal care of box 325, Greenville, will reach me within a day or two. We now have a number of slightly used upright pianos, some of which have been rented during the summer months, others which were temporarily used by artists at the exposition and for orchestra work, at bargain prices.

We also offer a special school piano for \$225 00 fully measuring up in standard to any \$350 00 instrument. This piano is especially built for college and school work for the special price named above and is full guaranteed by my firm for 10 years. Those interested in a school piano or in a good slightly used piano for the home should write me at once and will profit by it, and as ever I am always mindful of my patrons' protection and interest as well as my firm's interest. Grateful of past patronage. Very respct. G. G. Fineman, Box 325 Greenville, N. C.
