## Christmas Exercises at Pine Hill School

The evening of the 19th of December was a happy occasion at Pine Hill. The school taught by Miss Delia Smith gave an entertainment, which was followed by a Christmas tree.

The room was decorated with holly, mistletoe, pine and other evergreens from nature's store-house.

At an early hour the house was filled with the parents and friends of the school.

At seven o'clock the exercises began, and the following program was rendered.

Bible Selection, 2nd chapter of Luke, by school.

Motion Recitation, The Empty Nest. First and second grade.

Motion exercise, The Christmas tree, First grade.

Recitation, While Shepherd watched their flocks, Lottie Ellis.

Song, Birth of Christ, school.

concert Recitation, In the land of Somewhere, Several boys and girls.

Song, Happy, Happy Festal Day, by school.

Acrostic, Christmas and Santa Claus, 1st, 2nd, 3rd. grade.

Six Little Candles, Six boys and girls.

Song, Marching around the Christmas tree, by little folks.

At the close of the exercises the candles on the Christmas tree were lighted and the presents were distributed, making many hearts glad.

Everything passed off pleasantly, everybody looked happy, seeming to have caught the true Christmas spirit.

## Petition Ready for Aldermen.

Those who are taking around the petitions for the prohibition election tell us that more than the requisite number of signatures of qualified voters of the town were secured the first day. The petition will be presented to the board of aldermen at the regular monthly meeting to be held tomorrow night.

## To Delinquent Subscribers.

Under the ruling of the post-office department of the government, newspapers cannot carry on their mail lists persons who are long in arrears on subscription. Newspapers are given second class rates of postage to legitimate subscribers, and as the postoffice department does not want to handle any more papers than necessary at this rate, the ruling is to prevent newspapers from carrying dead heads or padding their subscription lists. The postoffice department construes that a man who will not pay for his newspaper in a reasonable time is not a legitimate subscriber of the paper and his name must be dropped or a higher rate of postage charged for mailing the paper to him.

Under this ruling newspapers will be compelled to drop the names of delinquent subscribers, as they cannot afford to pay the additional postage to send papers to them. It is not a matter of choice with the newspapers, but they must act in accordance with the ruling.

In order to comply with this rule The Reflector will begin early revising its subscription lists and cutting off the names of those far enough in arrears to come under the ruling. Before dropping such names notice will be given by placing a blue cross mark on the paper. Those who see the blue mark should pay promptly in order to keep their names on the list.

We shall print this article a few times so as to be sure that none fail to see it. In the meantime if you see the blue cross mark on your paper do not delay to act on it. If it is not convenient for you to call at the office, send a remittance by mail and receipt will be promptly returned.

## To The People of Greenville.

On Friday Night, January the 3rd, Polk Miller will give an entertainment in the opera house. This entertainment will be for the benefit of the public school near Mr. O. L. Joyner's. This district has built a splendid two room school house, they have a first class school, they have made sacrifices to get what they have won. An effort is now being made to beautify the interior of the school building and the school grounds, and also to purchase a piano for the use of the school. A large number of friends in Greenville from time to time have said to me "if we can ever aid you in the school work in the country let us know and we will gladly do so." You now have an opportunity to get the worth of your money and at the same time aid us very materially in fitting up in good shape this school that is so near to Greenville. I would kindly ask every man and woman, boy and girl in town who would like to see progress in this great old county to come out Friday night and show us by your presence that you are with us in the education of the children. It will not cost you much, and yet it will mean much to us.

In behalf of the teachers, the committee and the people of this district, I wish to earnestly ask the people of Greenville to come and let us fill the opera house, thereby gladdening the hearts of those who are trying to get better things for the children who live in the country, as well as for those who live in the towns. With best new year wishes for you all, and the hope that we will all stand together for a year of great progress in the school work of the county. I am

W. H. Ragsdale,  
County Supt. schools.

## NEW YEAR CHANGES.

### Found Among the Business Houses.

The Reflector reporter made a round of the business houses this morning to find what changes had taken place for the new year. In a majority of them the same clerical force continues as before. The changes noted are as follows:

J. B. Randolph, formerly with the Greenville Wholesale Co., is now with J. B. Higgs.

Purnell Tripp has purchased the grocery business of A. B. Kittrell.

Tom Andrews, formerly with the Greenville Supply Co., has gone to Richmond

W. A. Tyson is a new addition to the force at C. T. Munford's.

L. E. Scoggins, formerly with J. L. Wooten, has retired to engage in business for himself.

E. L. Baker, formerly with S. M. Schultz, is now with Baker & Hart.

D. C. Beach takes a position with S. M. Schultz.

A. W. Flake, formerly with B. E. Patrick & Co., has gone to the country.

Roscoe Cox retires at W. B. Green's to attend school.

T. A. Barrow is a new clerk at Sam White's.

W. C. Cannon, formerly with C. D. Tunstall, is now with the Greenville Wholesale Co.

W. H. Hughes takes a position with C. D. Tunstall.

Leon Rives retires at J. L. Carpers and will be succeeded by C. B. Carper, of Bessemer City.

Jesse Smith retires at C. S. Forbe's and will be succeeded by Hassell Boyd, of Aurora.

F. V. Johnston is moving to a building near the A. C. L. depot.

Charlie James, formerly with J. R. & J. G. Moye, is now with the National bank.

Norman Warren retires at Frank Wilson's to attend school.

W. C. Williams, formerly with J. R. & J. G. Moye, has gone to New Bern and is succeeded by W. C. Vincent.

J. S. Mooring has purchased the interest of the late W. T. Fleming in the business of Fleming & Mooring.

## New Year Watchers.

There were several parties of young people up until past midnight, Tuesday night, to watch the old year out and the new year in. A little before midnight the whistle at the plant of the Greenville Lumber and Veneer Co. played "Home Sweet Home," and as soon as this was finished all the bells in town began tolling. At 12 there was a momentary pause when the bell's rang out merrily in greeting to the new year.

## Tobacco Seed Free.

The Greenville Tobacco Board of Trade has ordered a quantity of the best varieties of bright Tobacco Seed. White Stem, Orinoco and other sorts, which they will put in the hands of the Greenville Warehousemen and drug stores to be given to all farmers who may ask for them who have been raising what is known as the Cobb Tobacco as well as other kinds. None of the buyers like to buy Cobb Tobacco and the Tobacco Board of Trade has ordered seed to give away to farmers in order to induce them not to raise any more Cobb Tobacco. So when you get ready to sow your plant bed, do not use the Cobb seed, but come to Greenville and get free of cost a better kind.

## WINTERVILLE ITEMS

### Notes From Our Hub

Winterville, N. C., Jan. 1, 1908.

Mrs. W. E. Hooks and children of Ayden, spent Tuesday with Misses Carrie and Henrietta Wesson. She was accompanied by little Misses Irma and Hennie Cannon.

The spring term of Winterville High school opened Monday morning with a good number of students. Every train brings back the old students and also many new ones accompanying them.

Ralph McCauley, of Chapel Hill, spent Sunday and Monday here with his sister, Mrs. Nye. He accompanied his sister, Miss Sallie, who entered W. H. S.

Some nights ago Church Mills, a negro, while beating his way on the south bound freight, fell off the train just before it pulled in to the depot and was badly hurt, but not fatally.

Jno. R. Carroll and C. J. Jackson left Tuesday morning for Wake Forest college where they will resume their studies.

Mrs. M. G. Bryan returned home Monday night after having spent some days with her mother near Whichard.

Several of our citizens are trying the virtue of dynamite on the lightwood stumps in B. W. Tucker's field. They say that it is much cheaper than digging them up.

Misses Mollie Bryan, Kate and Lala Chapman and Huldah Cox have returned to their respective schools.

F. A. Edmundson returned from his old home near Eureka Monday night to take up his work again with the A. G. Cox Mfg. company as book keeper.

Roy T. Cox spent part of the holidays with Hassell House, of House.

## Decorations Not Approved.

Alexandre Delavier, medical masseur, is afflicted with a singular monomania. Whenever he drinks a little more than he ought he puts on a military uniform and decorations he is not entitled to wear. He has been fined or imprisoned thirteen times for his offense, but punishment has not cured him. A few days ago he was caught proudly walking about at Vincennes wearing the uniform of the colonial infantry and three medals. He was brought before the ninth correctional court and sentenced to fifteen days' imprisonment.—Paris Temps.

## Boss of the Turkish Harem.

Curiously enough, says P. T. O., it is not the sultan who is the most powerful and most autocratic in his own harem, but the sultan's mother, known by the name of "Valide." It is the sultan's mother who not only regulates every incident of the harem, but possesses the right of life and death over the women in it, and there are almost no known instances in which a sultan has dared to save a favorite from a punishment ordered by "the Crown of Veiled Heads," as the Valide is called in the harem.

## A London Landmark.

Another of the famous old buildings of London that will disappear soon is Crosby Hall, in Bishopsgate Street Within, which has been sold to a syndicate and will shortly be pulled down to make room for a bank. It was long the residence of lord mayors of London, and Queen Elizabeth once presided there over a famous feast. It is one of the most beautiful of London's historical buildings and worth preserving if only as a specimen of fifteenth century architecture.—Argonaut.

## A Double Test.

"He seems to have a weak streak in him," said the analyst. "I don't know whether he is a moral or a physical coward." "Both kinds," answered the abrupt person. "He refused to umpire a baseball game."—Washington Star.

WEDNESDAY JAN. 1st. 1908

Let us resolve to make Greenville outstrip herself this year.

A good new year motto is: be happy, be optimistic, be a hustler.

The man who can do most for the advancement of his town and county this year will make the best citizen.

If your new year resolutions held out through the first day, stick to them and keep them unbroken.

If you will join the building and loan association and build a home, you will not have to be looking around for a house every time a new year comes. Through the association you can nearly pay for a house with what rents ordinarily cost.

The old year passed away with the usual ceremonies, Tuesday night, solemn bells tolling its demise, the same bells on the stroke of midnight changing their doleful tones to merry chimes in greeting to a new year born. One passes away, another takes its place, and the world goes on as if nothing had happened. As with the years, so with life. One falls and another rises to take his place, the world shedding a tear for one and throwing a smile at the other, but never stopping in its march. May the new year be a good one to us all.

**RANDOM REFLECTIONS.**

By a contributor.

Secretary Loeb's sleep must be much sounder now that he doesn't hear the yowling of the third term boom on the white house steps every night.

The Buffalo Inquirer declares that Gov. Hughes is a "fake reformer." Well, goodness knows, there are plenty of fakes in New York, who need reforming.

"If two thirds of the girls who go on the stage would go to the kitchen instead, there would be a whole lot more happiness in the world," says the Birmingham Age-Herald. But not if their cooking is as bad as their acting.

Is papa-in-law going to give his dear little Nicky Longworth a foreign ambassadorship to play with?

London Punch thinks the president's message a joke. That shows that Punch still has a hazy idea of American humor.

Senator Culberson is looming up as a leader. Alabama, and South Carolina are both contending for the honor of his birth.

Congressmen are getting the idea that a bill is not really important unless it appropriates a million or more.

Governor Hughes should remember as a warning the case of Judge Parker, who kept silent until the people thought he didn't have anything to say.

If the Japanese spies will furnish their names and addresses, Uncle Sam will be glad to send them plans and specifications of all the battleships.

Thousands of men and women in all walks of life are suffering from kidney and bladder troubles. Don't neglect your kidneys. Delays are dangerous. DeWitt's Kidney and Bladder Pills afford quick relief for all forms of kidney and bladder trouble. A week's treatment 25c. Sold by J. L. Wooten's drug store.

Jack and Jill were both quite ill, Now each is well and wiser, For blues and headaches have to go, When they take an Early Riser. DeWitt's Little Early Riser Pills are sold by J. L. Wooten's drug store.

Whenever you feel that your stomach has gone a little wrong, or when you feel that it is not in good order as is evidenced by mean headaches, nervousness, bad breath, and belching, take something at times, and especially after your meals until relief is afforded. There is nothing better offered the public today for stomach troubles, dyspepsia, indigestion, etc than Kodol. This is a scientific preparation of natural digestions, combined with vegetable acids and it contains the same juices found in every healthy stomach. Kodol is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by John L. Wooten, druggist.

DeWitt's Carbolized Witch Hazel Salve—don't forget the name, and accept no substitute. Get DeWitt's. It's good for piles. Sold by J. L. Wooten's Drug Store.

Are you having trouble with your kidneys? There are lots of people today who wonder why they have pains across the back, why they are tired and lacking in energy and ambition. Your kidneys are wrong. They need relief without delay. Take DeWitt's Kidney and Bladder Pills; they are for weak back, inflammation of the bladder, back-ache and weak kidneys. Sold by J. L. Wooten's Drug Store.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's catarrh Remedy. Sold by Bryan's Drug Store

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lunghealing mountainous shrub, furnish the curative properties to Dr. Shoop's cough cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, and no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's cough cure. Bryans Drug Store.

Engagement goes on in grand opera, marriage in ragtime.

The finest coffee Substitute ever made, has recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. "Health coffee" is really the closest coffee imitation ever yet produced. Not a grain of real coffee in it either. Health coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. J. E. Hooker & Co.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimony. Address: F. J. CHENEY & CO., Toledo, O. PAIN  
Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. The tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently, though safely, it surely equalizes the blood circulation.  
If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.  
Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.  
We sell at 25 cents, and cheerfully recommend

# What About Christmas?

With the compliments of the season to all our readers we ask you the question of the hour

## WHAT ABOUT CHRISTMAS

The children are asking it with wondering and hopeful expectations of what Santa Claus is likely to bring them.

The older people are asking it, not so much in speculation regarding the remembrance that Christmas will bring to them, but rather as an inquiry as to how they are to provide suitable and satisfactory presents for relatives and friends without too heavy a drain upon their time and purse.

May we help you to solve the problem and put you in the way of doing your Christmas shopping with pleasure satisfaction and economy?

We offer the advantage of selection that can only be found in a very extensive showing of first class goods. We take pleasure in pleasing customers and will do all in our power to help you to just the right article at the right price, so that you may leave our store glad that you came, and perfectly satisfied with your purchases in every respect.

### Ivory Handled Knives.

Knives which have ivory handles which have become darkened should have the handles rubbed with half a lemon which has been dipped in salt. After treating them thus wash in warm water.

### For a Troublesome Felon.

Take common rock salt, dry in an oven, then pound it fine and mix with spirits of turpentine in equal parts. Put it in a rag and wrap it around the part affected. As it gets dry put on more.

### To Restore Colors.

When the color is taken from dresses by lemon, pieplant or tomato juice sponge the spot with aqua ammonia, then wash in warm soapsuds.

### A Slight Jolt.

"By the way," said Borem, "I've got something to say to you."  
"Have you really got something to say," queried Knox, "or do you merely want to talk, as usual?"—St. Louis Post-Dispatch.

### Locating the Profits.

"Did that mine you took hold of pay?"  
"No," answered the financier who always gets out even; "the mine didn't pay, but the prospectus did."—Washington Star.

### A Practical Interest.

"He seems to take a great interest in art."  
"I hadn't noticed it."  
"Yes; he was out automobiling yesterday with a model."—Cleveland Plain Dealer.

### Paid For.

Stella—Do you believe that Miss Oldun came by her complexion honestly?  
Mabel—I know she did. I saw the receipted bill for it.—Chicago News.

### Hiss.

Patient—If you'll allow me to speak—that tooth you insist upon pulling is not the one that aches.  
Dentist—Confound it, sir! Who's doing this job, you or me?—Harper's Weekly.

### Sour Cream Salad Dressing.

Another excellent salad dressing for potatoes or cabbage has sour cream for a foundation. Add to a small cup of thick sour cream three tablespoonfuls of cider or tarragon vinegar, a teaspoonful of paprika or a pinch of cayenne. For a potato salad a teaspoonful of onion juice or minced onion and a tablespoonful of minced parsley will be found an addition.

### Bathing the Eyes.

Few practices are more beneficial to the condition of the eyes than is that of bathing them regularly every night before going to bed. Dust readily accumulates on the lids between the lashes and causes them to smart. An excellent method of cleaning them is the old fashioned one of dabbing them with a piece of cotton wool dipped in cold weak tea.

### Sore Throat Gargle.

Strong sage tea, one-half pint; strained honey, common salt and strong vinegar, of each two tablespoonfuls; cayenne, pulverized, one rounding teaspoonful. Steep the cayenne with the sage, strain, mix and bottle for use. Gargle from four to a dozen times daily, according to the severity of the case.

### Washing Glasses.

Always use cold water for washing glasses. The cold water not only helps to produce a higher polish than warm water does, but it is a safeguard against unnecessary breakages.

**SOLID AS A ROCK**  
and sound as a bell are expressions that can well be applied

## THE NATIONAL BANK OF GREENVILLE

Its resources are ample, its management able and conservatively progressive. It is an institution where the interests of the depositors come first. It is a bank where you can safely deposit your funds, whether they be small or large. It invites your account and offer you the security of abundant resources and sound management.

### Papier Mache Trays.

Papier mache trays should never be allowed to remain wet from tea, water or milk spilled on them. Wash them with a sponge, not too wet, and cold water. While still damp sprinkle a little flour over, then rub with a soft flannel and polish with a chamois leather.

White heat marks may be partially removed from papier mache trays by rubbing with a flannel dipped in sweet oil and afterward lightly in spirits of wine.

### Cleansing Brushes.

To clean hairbrushes put one-half teaspoonful of pulverized borax in a saucer or deep plate. Pour on a sufficient amount of hot water to wet the bristles of the brush. Let cool and put in the brush, taking care not to wet the outside of the back. When clean shake well and let lie in the sun until dry. This method will leave the bristles stiff.

### For the Rug by the Door.

To keep a rug in place in front of a door sew a brass ring on each upper corner of the rug. Put a brass headed tack close to the edge of the floor, hook the brass rings over the tacks and the rug will not slip or turn up when opening or closing the door.

### Inexpensive Furniture Polish.

Equal parts of turpentine, boiled linseed oil and common household vinegar make an inexpensive and excellent furniture polish. The vinegar and oil combine to make an emulsion which eradicates smoke and dirt.

**MAYBE** you'll realize the
