WINTERVILLE ITEMS.

Newsy Notes From Our Hustling Neighbor.

Winterville N. C., Aug. 13, 1908. Mrs. T. H. King and little son, Willie Green, returned home Tuesday. They had been visiting Mrs. King's parents in Franklin county.

F. F. Cox and Miss Dora Ellen Cox attended church in Ayden Monday night.

After spending sometime at his old home, Mr. J. E. Green, our very popular depot agent, returned home Tuesday evening. In his absence Mr. Edmundson, of Gold Point, supplied for him.

Miss Huldah Cox spent several weeks at Seven Springs and at Wilmington and returned home Sunday to the delight of her many friends.

G. E. Lineberry and C. S. Smith spent yesterday in the country where they found several students for Winterville High school. We learn quite a number of rooms have been engaged the past two or three days by students in Chowan, Martin, Wayne, Greene, Pitt, Pamlico and Onslow counties.

Misses Yula and Carry Cox are visiting their sister, Mrs. Frank James, near Robersonville and Miss Blanche Cox is spending a few days at Mr. G. E. Jackson's in the country.

Prof. F. C. Nye returned today from a trip up the road.

Miss Lala Chapman, after a pleasant visit near Stokes, returned home Tuesday evening.

Miss Eunice Hargett, of Jones county, is visiting at J. B. Carroll's near here.

Quite a merry party of young people were entertained by Miss Mollie Bryan Monday night. That sweet music wafted through our open window on the gentle breeze was very fine. It reminded us of the days when the "Sweet girl graduates" play to the delight of the listening multitudes. The last we heard was the music for Morpheus claimed us as his own, but we hear that refreshments were served and all report a fine time.

C. T. and Harvey Cox have returned after a pleasant visit to their brother, Rev. W. E. Cox, in Wilmington. We missed very much the genial laugh of our good friend C. T.

H. A. White, of Greenville, was in town yesterday.

Jesse Rollins has returned after a short visit to his aged grandmother.

The mother's meeting was held at the home of Mrs. Maggie Butt, yesterday evening. They report a very interesting and profitable session. Their next meeting will be at the home of Mrs. G. E. Lineberry.

Heber McGlohon and Miss Miriam Johnson were visiting at Mrs. Maggie Butt's yesterday evening.

It occurs to us that "The studied efforts of a fire insurance company to keep from paying honest dues" would be a good subject for an editorial. If you want facts and figures come over this way.

Bruton Bryan spent Sunday night at home and returned to Greenville Monday.

Prof. G. E. Lineberry left today to attend a picnic in Lenoir county, also one at Reelsboro in Pamlico county Saturday, where he has promised to deliver an educational address.

W. M. Moore, of Grimesland, was in town yesterday in the interest of his candidacy for register of deeds. He met with a very pleasant reception here.

Attention is called to the ad of the A. C. L. railway. They offer round trip fare from Greenville to Norfolk next Monday, final limit Thursday, at \$2.00.

Big Hotel at Beaufort.

The Beaufort Hotel Company, of Beaufort, is incorporated to furnish to that flourishing town the hotel which has been so long needed. Not only will the company build and operate a hotel, but will also furnish electric power, manufacture and sell gas and oil machines, operate an ice factory and own gas, steam and sail boats. The authorized capital stock of the company is \$125,000, of which \$30,000 has been subscribed.

We saw John David Smith going to Greenville one day, but we don't remember the day.

However, the boys say put any day you please, and you could hardly miss a time when he went.

Dr. D. L. James, one of Greenville's popular dentists was in town Tuesday to extract a tooth for Claud Chapman.

Mr. Barrows, of Raleigh, who is said to be a contractor, was in town Tuesday, but did not stay long.

F. L. Edmundson, the efficient book-keeper of the A. G. Cox Mfg. Co. leaves today for a short vacation. He is going to his old home near Eureka.

We are glad to see that G. R. Dixon, who has been slightly indisposed, is out again.

Rudolph Croom is visiting relatives in Lenoir county.

Some moving in and moving around is going on in town. Mr. Wain has moved in on Main street, west of the railroad, T. C. Nelson in the Fair house east of the old academy. Alonzo Harris has moved from near the Baptist church to the dwelling formerly occupied by Clinton Smith, east of A. G. Cox's, and Mr. Hart, of Vanceboro, has moved in the house formerly occupied by Mr. Harris.

Miss Alice Tripp is having her beautiful two-story residence in front of the school grounds painted white.

Send S. M. Jones Back to the Legislature.

We the undersigned citizens and voters of Pitt county, most respectfully ask the people to support our legislator, Hon. S. M. Jones, for renomination. He has been tried and found worthy of every trust imposed in him. He knows the wants and needs of the farmers of the county and will be faithful to every promise he makes. He is an honest, upright and truthful gentleman, and a man of no ordinary ability. It has been a customary rule to give our legislators two terms, and we most earnestly request the Democratic voters of the county to help us nominate this most reliable representative for another term, that he may be able to accomplish more for the good of the people of our county. In the last legislature he did all he could in the interest of the people and his services as rendered should be satisfactory to every voter in the county. Let's send him there again.

Newspaper Ads. Paid Best.

A rather striking demonstration of the supreme value of newspaper advertising over all other kinds is given by the bureau of navigation, which spent last year \$50,000 in advertising for recruits for the navy. It was determined to spend a similar amount this year, but before letting the contracts the bureau thought it advisable to find out where it had received the best returns for its money. An investigation showed that all magazine and periodical advertising had produced from one-fourth to one-sixteenth the returns in enlisted men the daily newspaper advertising did. The most profitable line of advertising was that "Help Wanted." By using the daily newspapers the bureau of navigation got recruits at an advertising cost of \$3.86 each, as against \$15 to \$65 each through the medium of certain magazines and journals.

There is in this investigation by the bureau of navigation and its results a most striking lesson for commerce and industry, which depend for their profits on being known of the people. It is obvious why the newspaper offers so much more profitable a field than any other medium. Part of the people may read this magazine, part may read that, but in this day and age practically the entire population of the country reads the daily newspaper and goes to it for advice.

We merely cite this case of the bureau of navigation, which hereafter will advertise in the daily newspapers for the sailors it needs, as a modern instance pointing anew the old and tried moral, "It pays to advertise."—Washington, D. C., Herald.

Chamber of Commerce Tonight.

The Chamber of Commerce will meet in the mayor's office tonight, and it is important that the business men of the community should be present. The members of the Tobacco Board of Trade are especially asked to be present so that matters in which the tobacco men and other business men of the town have common interest may be discussed. The meeting tonight can be made a good one for the community, and there should be a large attendance with that purpose in view.

Excursion to Morehead.

An excursion from Raleigh passed through here Wednesday morning on the Norfolk & Southern road going to Morehead City. There were about 250 people on the train.

Steam Plants Starting.

The Skinner House Tobacco Co. was the first of our pricing and stemming plants to turn on steam this season, their plant having started up today. It is the custom to wait until some tobacco is bought ahead before the stemmings start up for the season, and they will all be in operation in a few days more.

FACTORY-WORKERS ARE HUMAN.

The New Kind of Manufacturer Counts Life in the Cost of His Product.

Time was when the manufacturer counted in the cost of his product only the materials and the making, says the September Delineator. What mattered it if men and women at their posts dropped one by one? There were always others. Time came when a few men wiser than their fellows counted, in the cost of the finished product, materials plus making plus, suffering humanity, and decided that the cost was too high.

Then these few men, with the courage of their convictions began a new kind of factory, in which men and women are, first of all, human beings, and, secondly, necessary factors in production. The chimneys of the new factory were practically smokeless, trees and flowers grew in the surrounding yards; the air untainted by germ laden dust, came in through broad windows. At noon-time a moderate-priced restaurant opened inviting doors; rest rooms for both men and women were placed in sunny corners. Better than all these, the manufacturers themselves undertook the construction of the homes of their employees. Neat, sanitary, well-built cottages with large yards were put up and offered at modest rentals. And after ten years the manufacturers proudly produced an array of figures. Notwithstanding the initial expense, the new arrangement had already begun to pay! The working capacity of every member had increased almost fifty per cent., the work was better done, there were fewer changes and there was plenty of labor always at hand. And, above all, there was life and an activity and a purpose among the "hands."

The best thing that a factory can do for its employees is to take them from the great army of those who work because they must, and lift them to the ranks of those who work because they will to do so, and because they know that labor and the results of labor bring adequate compensation.

The State's County Commissioners.

A meeting of all the county commissioners of North Carolina has been called for by Chairman C. E. Foy, of the Craven county board of county commissioners, the meeting to be held at Morehead City on the eighteenth of August.

The idea is a new one and the responses to Mr. Foy's letter have been so encouraging that he is led to expect that the meeting will be a very largely attended gathering.

Topics of interest concerning the various matters which come before boards of county commissioners will be discussed and how problems have been met with and solved will be told. The meeting will not alone be one to be enjoyed by those who attend, but it is possible to make it of great value to all the counties of North Carolina, as men who handle the practical side of county affairs can discuss these and show in what way the best results have been obtained. It is to be a practical meeting and every member of a county board who can be present should attend, as it is certain that there will be matters discussed which will give a new insight into the questions which come up for settlement when county affairs are being transacted.—Raleigh News and Observer.

Tobacco sales are expected to be heavy tomorrow, as many farmers coming in to attend the institute will bring a load with them.

The Norfolk & Southern excursion train to Morehead and Beaufort next Sunday will start from Wilson at 6 o'clock a. m., and pass Greenville at 7.20. Make a note of this.

The Taft notification costing \$10,000 while the Bryan notification cost only \$500, is only another example of Republican extravagance. The people should elect a president who will save the country something on expenditures, and the man to do that is Bryan.

He has served several terms in the legislature is the man who ought to be speaker, being in every way qualified for it.

The Scotland Neck Commonwealth in mentioning the fact that it is now nearly three months to the election, says "there is a great deal of time to devote to politics. That is indeed a good deal of time to waste, for it is wasted with many people, but the Commonwealth seems to overlook the fact that in this day the campaign goes on almost continuously from one election to another. If the time people lose in politics was devoted as energetically to some business pursuit, the country would be much better off. We need less politics and more business.

Mrs. Bradley, when questioned by a fellow traveler in the Pullman car in regard to her home, launched forth into a rather long and detailed description of its charms. Her little girl, Grace, who had been reading when she began to speak, soon closed her book and listened with great interest.

"It must be very pleasant," remarked the chance acquaintance, somewhat perfunctorily, when Mrs. Bradley finished, and Grace, her eyes gleaming with enthusiasm, said: "Oh, it must be perfectly lovely! What place is it, mamma?"

"Why, our own home, of course," answered the mother, somewhat embarrassed.

"Oh, dear," said Grace, sighing, "how much better it sounds than it looks!"—Youth's Companion.

An Announcement.

I hereby announce to the Democratic voters of Pitt county that I desire the nomination of the party for State Senator from the county of Pitt, and that my name will be before the Democratic voters at the Democratic primaries, to be held on the 29th day of August, 1908. The people of the county are familiar with my services to the party to which I have been attached from my birth. I have labored for its success in the days of prosperity and in its hours of adversity. I will very greatly appreciate any support that I may receive in every section of the county, and if it shall please the party to make me its candidate for senator I shall be very grateful and do what I can to roll up a big majority in the county. If elected senator I shall labor to represent the county in the upper branch of the legislature in a manner that shall reflect credit upon myself and honor upon the county that favored me with its confidence. The result of the primaries will in no wise effect my allegiance to the party or earnest support of its nominees. Alex. L. Blow.

The Farmers Consolidated Tob. Co.

(HOME OFFICE, GREENVILLE, N. C.)

WILL OPERATE WAREHOUSES THE COMING SEASON AT
Greenville, Robersonville, Wilson, Kinston

It is the experience of every stockholder in this company that he never made a better investment, for the five years of its operations the original stockholders have been paid 113 1-2 per cent in cash dividends. That is the result of co-operation, good management and sound business methods.

Again it is the experience of every farmer who has sold his tobacco at the warehouses of this company that he received higher prices than other houses could obtain. For the coming season the company is prepared to even surpass the fine record it has made in the past, hence it is to the interest of the farmers to sell their tobacco with this company.

THE GUM WAREHOUSE

on the Greenville market, will this season be in charge of that prince of warehousemen, Capt. J. R. Hutchinson, formerly of Wilson, whom you have only to try to be convinced of his ability to please you.

THE STAR WAREHOUSES

on the Greenville market will again be in charge of that veteran warehouseman and champion of high prices, F. D. Foxball, whose record in the past is a guarantee of what he can do for you in the future.

The warehouses at Robersonville, Wilson and Kinston will be under capable and efficient managers who will carefully guard the interests of all who sell with them. The wise farmer will sell his tobacco with

Female Weakness

"Last Fall," writes Mrs. S. G. Bailey, of Tunnelton, W. Va., "I was going down by inches, from female disease, with great pain. After taking Cardui, Oh! My! How I was benefited! I am not well yet, but am so much better that I will keep on taking Wine of Cardui till I am perfectly cured."

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.

Try This Experiment.

Take one of our QUALITY brick and mark off where you want to break it with a trowel. You'll break it where you wish.

Try another make of brick same way. Shells off or breaks wrong. Why?

Examine both and you will find that we take the twist out of ours while most all machine brick show a twist unless die is specially constructed.

The saving in working our brick makes a big difference in cost. Masons can lay more of our brick in same length of time and besides they are not broken up when you get them. We DO NOT ship bats.

Our brick look like PRESSED BRICK. Our motto QUALITY and yet costs only what you pay for common brick.

We will convince you with samples, prices, freight rates &c on request.

You'll say the same if you will drop in and look over our Spring Styles—they're beauties.

You may not be able to tell by looking at them that they're different from shoes costing one or two dollars a pair more. But try on a pair and you'll FEEL the difference.

Owing the fact that they are foot moulded while being made Ralston shoes need no "breaking in."

The above is a true and correct statement of the books of the Home Building and Loan Association of Greenville, N. C.

The books and records were checked and audited from date of organization, the loans proven and every payment shows proper voucher.

The records have been kept in a neat and careful manner, and without doubt, the most economically managed, especially when you consider the vast amount of detail work, that it has been my pleasure to note, and your directors should be congratulated both on the magnificent financial condition (notwithstanding the prevailing "hard times") and the economical management.

Respectfully submitted,
M. B. TORBETT, (Auditor)

We, the undersigned committee, appointed by the Board of Directors of The Home Building and Loan Association, to examine the books of the association, beg leave to report that we secured the services of Mr. M. B. Torbett, an expert accountant of Atlanta Ga., and with him have gone carefully over every item and detail since the association began business and find them absolutely correct.

The foregoing statement shows the exact standing of the association at the close of business, August 4th., 1908.

Came a Day Ahead.
Andrew Joyner, of Greensboro, came in this morning. He was looking for the farmers' institute, but got his dates confused, as the institute will not be held until tomorrow. But he says there is no place on the map that he had rather spend an extra day than Greenville. He took in the tobacco market today, and saw that our warehousemen are live propositions running sales.
