## NIGHT RIDERS INVADE THE EAST.

### GINS PLACARDED WITH THREATENING NOTICES.

Say Houses Will be Destroyed Unless Operations Cease and Cotton is Held for Higher Prices.

We had hoped that the spirit of outlawry among a class known as "night riders" would not make its appearance in Eastern North Carolina, but the realization has come that even this section is not free from such outrages. We learn that much excitement prevails among the farmers of Martin county because of the fact that on Monday night every cotton gin in that county was placarded with notices warning the owners that operations must cease or the buildings would be destroyed. We are told that on the same night a similar notice was posted on a gin at Fountain, in Pitt county.

For several months "night riders" have been at work in Kentucky and Virginia, in which States a number of tobacco warehouses were destroyed, and recently a cotton gin in Wake county was burned, but these placards in Martin and Pitt counties are the first outbreaks in this section of the State.

It is awful to think that the parties guilty of posting these placards are very serious in it. We can see no good to come from it, but on the contrary much danger may result. It is a defiance of law and order, and a violation of the rights of others that no good man should countenance.

### High Class Musical Comedy.

It takes a word like "Snap" to aptly describe the Wayne Musical Co. which will be seen in high class musical comedy at the opera house for a two night's engagement. The bill for this engagement will be "The White Hat". This cleverest musical comedy is the work of Fred Wayne, in so far as its conspicuous services to the public is concerned, has been placed in the same class with "The Social Whirl" and other similar attractions. From the moment the curtain rises on the first act to the end of the play there is not a dull moment. The play is full of ginger, spirit, speed and life. It is one panoramic view of hilarious fun, a continuous routine of uncontrollable merriment. Dainty girls in pleasing dances flit before the eye, witty comedians with droll sayings keep the soul joyful, while the beautiful and costly scenery forms a picturesque background of marvellous beauty that holds the spectator spell bound with amazement. This is the unprecedented success of the "White Hat."

### Odd Fellows Planning to Build.

At the meeting of Covenant Lodge I. O. O. F. Tuesday night, the question was discussed of the order erecting a building here to be known as Odd Fellows building. A committee was appointed to take the matter under consideration and devise plans for securing the building. If the plans mature it is the purpose of the order to have a handsome building with offices to rent on the first floor and quarters for the lodge above. We hope the movement will meet with sufficient encouragement to make the building a certainty in the near future.

## PITIFUL CASE OF RABIES.

### Four Persons Bitten by the Same Dog.

New York, Oct. 6.—Mrs. Harvey M. Day of 16 Cherry street, Elizabeth, N. J. died today of rabies from the bite of a pet bull terrier, in spite of the fact that she had been under the Pasteur treatment for the past several weeks.

Her husband sits in an adjoining room, fearing every minute that the disease will attack him and that he, too, will have to be restrained until relieved by death.

In a neighboring house is Mrs. Samuel Doty, an intimate friend of Mrs. Day, who was also bitten by the dog. She, too, is in a state of nervous collapse, and the doctors say she is almost certain to develop hydrophobia. A letter carrier was also bitten.

The dog, which was a pet in the Day home, was being led down the street by Mrs. Day a month ago, when she became entangled in his leash. Suddenly he began to show signs of rabies and attacked his mistress. Five times he sank his teeth in her arm, hurling her to the pavement. Mrs. Doty saw the attack and ran to the rescue of her friend, when the dog set upon and bit her several times on the hands and arms.

The dog then started up the street and met Mr. Day, who had heard the screams of his wife and Mrs. Doty. The animal fastened his teeth in Mr. Day's leg, and the letter carrier who happened along tried to free Mr. Day from the mad brute, when he was bitten too. The dog was killed and showed unmistakable signs of hydrophobia.

All four victims came to New York and were treated at the Pasteur Institute. It was thought all danger of rabies was over until a week ago, when Mrs. Day confided to her physician that she knew she was inoculated.

The letter carrier has kept at work constantly, and this has diverted his mind. He, too, is nervous, now and the mental effect on him is feared.

### Give Them Work.

The best way to extend charity to persons who are in need is to give them work. Don't give any able bodied man a penny or a mouthful unless he works for it. By this the man retains his self-respect, and the profession of the tramp is not encouraged. If a man needs help and is able to work and you are tempted to give him something, don't you do it. But instead, give him work. Odd jobs can always be found, and set him at these. We do not advise refusing to relieve hunger, but we do advise that it be done in a manner that will not breed dependence in men. If everyone would do this all over the land, this country would soon cease to be the paradise for tramps that it has been.—Ex.

### W. F. M. Society of the M. E. Church.

There will be no regular meeting of the Greenville auxiliary on Wednesday afternoon but on Friday afternoon at 3 o'clock, at the residence of Mrs. F. G. James, there will be held a Missionary Question Bee. You will enjoy this novel feature of the program as well as the social hours afterwards, so come without fail. We extend a cordial invitation to all the ladies of the church.

## CUT AND ROBBED ON ROAD.

### Fray at Chocowinity Was Nearly Fatal.

Saturday night Mr. Gaston Clark was seriously cut on the Grey road, in Chocowinity township, between 9 and 10 o'clock, by Frank Harding and Frank Nobles, supposedly as the result of an altercation. All of the muscles and the jugular vein were severed on the left side of the face, and an incision five inches long, reaching to the windpipe, was made on the right side of his face and neck. Thirty-odd stitches were taken by Dr. P. A. Nicholson. The physician's timely arrival saved the man's life, as he would soon have succumbed from loss of blood. A brother of the wounded man, Fred Clark, was with him, and claims he was robbed by Nobles and Harding. The men are in hiding, and have not been apprehended.

Mr. Clark is resting well at the home of his brother, and it is thought he will recover.—Washington Messenger.

### Drowned.

Henry Williams, of the schooner Haroll Clark, Capt. G. E. Bradshaw, was drowned off Wades Point last Saturday morning. He was trimming the jib when the sheet gave away and he was thrown overboard head first. It was blowing a heavy gale at the time and it was impossible to save him, although every effort was made by the captain.

The body has not yet been recovered.—Washington Messenger.

### Point of View.

There is no other so effective a lubricant for humane intercourse as the proper point of view. It is a simple task to disarm an adversary if only one can see through his glasses, and understand a friend is but a synonym for sympathy. Back of every action which is not the result of habit, there is a reason. To be able to discover the reason which prompts others to action is a gift which comes only through wide experience and painstaking observation. It is an invaluable asset in the daily business of life.—Printers Album.

### A Thief in the Night.

Mrs. Martha A. White shut up in a pen six pigs Monday evening, and advertised them Tuesday. Tuesday night between 3 and 8 o'clock some one opened the door of the pen and turned the pigs out. And they are gone.

### Rally at Kinston.

There will be a big Democratic rally at Kinston on next Monday, 12th. Hon. W. W. Kitchin, candidate for governor, will be the principal speaker.

## WINTERVILLE ITEMS.

### Newsy Notes From Our Hustling Neighbor.

Winterville, N. C., Oct. 7, 1908.

Hunsucker is certainly selling buggies, and the A. G. Cox Mfg. Co., is shipping school desks.

Rev. T. H. King filled his regular appointment here Sunday morning and night, each service being attended by large congregations. He is away this week conducting a meeting at Ayden. Ernest Whitley, from near Wilson, entered school here last Monday and also Misses Daisy Porter and Drucilla Sutton and brother, from Pitt.

Mrs. Chas. Aldridge returned from the Primitive Baptist association at Rocky Mount Monday.

Our streets are in the best condition in the history of the town. This is excellent weather for street and road working.

It is wonderful to see the amount of oats and hay A. G. Cox has made on three or four acres of land this year. By proper preparation and fertilizing a few acres will produce all the feed a man needs.

Our people should look after the hog and hominy part. Money crops are all right, but the man who has to buy meat, hay and corn will undoubtedly feel it at the present prices.

Mrs. Maggie Butt is getting together material for a residence near Dr. Cox's.

Misses Hattie Kittrell, Lala Chapman and Kate Chapman spent Sunday afternoon with Miss Eva Langston.

The orphans from the colored department of Oxford Orphan Asylum, gave an entertainment here last night to the colored people.

Quite a number of the boys went coon hunting last night. They came in this morning just before day muddied and sleepy with one little opossum. It was pitiful to hear some of them begging to come home every path they came to leading in the direction towards home but it proved to no avail for the boys were bent upon securing the game.

### Record Breaking Tobacco Sales.

F. D. Foxhall continues to make fine sales at the Star Warehouse branch of the Farmers Consolidated Tobacco Company. Tuesday he made a sale that for high average surpasses anything that has been done on the market. His sales that day aggregated 65,611 pounds and the average price was \$12.20 taking everything through. Here are the prices made for some of his patrons:

Fred Sutton—116 at 14.25, 100 at 25, 60 at 47, 20 at 48, 12 at 50, average 27.70.

J. H. Johnson—295 at 15.50, 200 at 22.50, 95 at 26, 60 at 41, average 21.54.

## STATE NEWS

### Items of Happenings Over the State Gathered from Our Exchanges

Wilson, N. C. Oct. 6.—Last evening after business hours one of the proprietors of the Enterprise Machine Company had occasion to enter the building after it had been closed for the day. Before inserting the key in the lock he heard some one moving on the inside. He sent for an officer and when the building was entered the fellow jumped in an opening in the floor and secreted himself behind one of the brick pillars. The officer fired in his direction when the fellow yelled out: "Hold on, Cap'n; I'm helping to hunt the black rascal myself." He was sent to jail and in December will have to answer to the charge of house breaking.

Jonesboro, N. C., October 6.—On Monday evening of this week the team belonging to Mr. L. E. Byrd, who lives near Broadway, N. C., got frightened at some bags of cotton near the road just in front of Professor McLeod's house and ran away, throwing his son, Alva Byrd, from the wagon, and the wheels passing over his neck broke it. The young man died at once. Alva was son of a well known farmer through this section. He was eighteen years of age and his sudden death is regretted very much by his many friends. He was buried at Holly Springs Baptist church on the evening following.

### Millinery Openings.

The ladies have their day occasionally, and today was one for them. It was the occasion of the fall millinery openings of both Mrs. L. Griffin & Co., and C. T. Munford. Both stores had exceedingly handsome displays of trimmed hats and other millinery of very latest styles and a large number of ladies called to look at them. The displays were indeed creditable and show the enterprise of Greenville's millinery establishments.

WEDNESDAY, OCT. 7, 1908.

They are going to let 'em have a pint a day in Charlotte.

The president says son-in-law Nick is talking too much, and has called him down.

When a lie gets up in front of Mr. Bryan he nails it, but there are those who keep on misrepresenting him.

There is a play going about the State called "The Devil," and it seems to be raising what its name implies.

There is a call for dollar contributions to the Bryan-Kern campaign fund. Those who are going to contribute should do so in a hurry.

In Beaufort county the Republican and Democratic candidates for county offices have arranged a joint canvas and are looking for some lively times.

No, the notifications are not over yet. Bryan and Kern are both to be notified on the morning of November fourth that they were elected the day before.

Out West some Republican editors take sections of their platform and tear it to pieces, thinking they are talking about the Democratic platform. "Every little bit helps."

North Carolina is giving a cordial greeting to Mr. Kern, candidate for vice-president, who is in the State this week. Thousands of people crowd to hear him at his appointments for speaking.

They got in a hurry to call "Miss Alice's" husband off from making speeches, but we bet if the truth was known he was merely telling what Father-in-law Roosevelt had on his mind about that 1916 candidacy.

We are unable to see the difference in effect between Roosevelt holding a third term himself, or dictating who shall be president and running the administration by proxy. The people have had enough of the "big stick" bossism.

According to son-in-law Longworth, Mr. Taft is merely to hold down the lid for eight years and Mr. Roosevelt is to come back to the white house in 1916. That is a nice program, but the people must be reckoned with in the meantime.

Of course Republican office holders can preach prosperity and brag on the "full dinner pail" as they have the government treasury to draw on, but 15,000 starving school children in the city of Chicago give the lie to their claim. And Chicago is not the only city where the laboring man sees the lack of prosperity.

**Deafness Cannot be Cured.**

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Charlotte aldermen had a long and spirited controversy over whether druggists should be allowed to sell liquor on prescription. The matter ended in the passing of an ordinance allowing the druggists to fill prescriptions in quantities not greater than a pint, and one person can get only one prescription filled a day. A pint a day ought to be enough for anybody, and it must be a bad case of sickness (?) that requires that much. We pity the conscience of any physician who would say a patient needed a pint of liquor a day.

In the course of an address before the American Bankers' Association at Denver Wednesday, President Woodrow Wilson, of Princeton, made certain observations that must have caused his hearers to wince. He declared that men today no longer fear the government, but now fear the power of capital. In other words, this is the age of money rule. Mr. Wilson reminded the bankers that in the public estimation "they stand remote from the laborer and the body of the people, and put whatever comes into their coffers at the disposal of the big captains of industry, the great masters of finance, the corporations which are in the way to crush all competitors." He declared that the most isolated and the most criticised interest of all is banking.—Richmond Journal.

Dear Sir:— During the summer you prevailed on me to buy a disability policy in the Maryland Casualty Company. Within a very short time after purchasing same, I found that it was necessary for me to have a slight surgical operation performed on account of which it was necessary for me to remain away from my business for a period of about two weeks.

The check presented me to-day in full settlement of lost time, also covering cost of operation is very much appreciated, and I can highly recommend the Maryland and yourself for the prompt service rendered.

Very truly yours,

## If You Need a Piano

### THE PONTS

SHOULD BE CONSIDERED WHEN YOU PURCHASE

First: Is the Piano strictly high-grade, of a lasting tonality, and made by a reliable factory?

Answer—From  
 Start  
 TIME to  
 Finish

The use of best materials, best construction by skilled workmen, profiting by the experience the STIEFF FACTORY has had in its sixty-eight years of continued manufacture under the same management, places the STIEFF PIANO at the head of High-Grade Instruments. Its sweet tone does not change, as does the so-called "good as" variety, so often sold by dealers to unsuspecting purchasers because there is more profit in the sale.

Second: How can I obtain the BEST PIANO for the least money, value being considered?

Answer—BUY  
 Straight  
 TIME from  
 the  
 Factory

All STIEFF PIANOS ARE SOLD TO THE CUSTOMER BY THE MANUFACTURERS thus guaranteeing against excessive profits often obtained when an instrument passes through several ownerships before reaching the customer.

Third: How am I to know what I select will prove all claimed for it?

Answer—You are  
 Safe  
 TIME from  
 Fraud

If you buy a STIEFF. There are more STIEFF PIANOS in use in North Carolina than any other three makes of high-grade Pianos. Some of the STIEFFS in use have been in the same homes for over half a century, and to all STIEFF purchasers we gladly refer.

The STIEFF is sold for cash or on terms to suit purchaser.

## BRICK TALK, No. 11

Masons prefer our brick to those of other makes. WHY?

Because all they have to do is mark off with a trowel just where they want to break it to fit a joint and first one breaks right.

REASON. There's no twist. They're MADE.

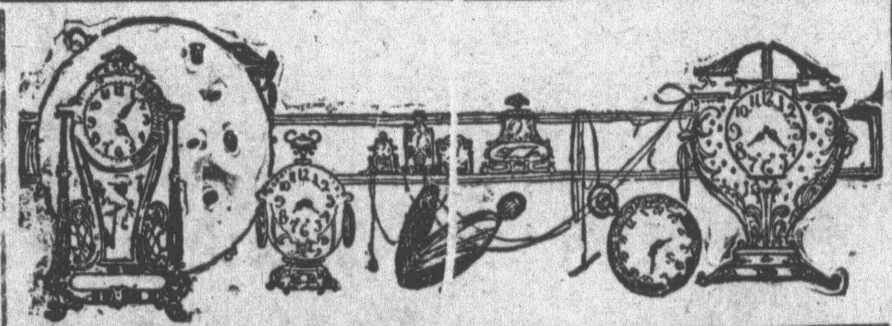

Think of the saving of TIME in this to say nothing of the brick broken up of other kinds in trying to break one right. See the point?

We have plenty on hand and they are sold at COMMON BRICK PRICE.
