AYDEN ITEMS.

News Notes From a Hustling Town, Briefly Told.

Ayden, N. C., Oct. 20, 1908.
Miss Julia Bready, after spending several months at her home in Maryland, has returned to Ayden and we are informed will take charge of a school near here.

The colored Free Will Baptists held their yearly meeting at Jumping Run, this county, near Grifton, the last three days of last week. There were thousands present, the crowd reaching as far, it is said, as one mile on each side of the church. All the latter part of last week the trains were crowded with colored people on their way to the meeting. In this community last Sunday a colored person could scarcely be seen. All were gone.

Miss Esther Johnson, of Winterville, spent from Saturday until Monday here with Miss Helen Johnson.

J. W. Sparks, of Georgia, a former resident of Ayden, is here on a visit to relatives.

Mrs. Carrie Aldridge and little daughter spent the Sabbath with the family of her father, Elder C. C. Bland, and returned to her home in Winterville Monday morning.

Charlie Ross, an old Ayden boy from Winterville, is here visiting his parents.

The small rise in cotton last week caused a slight rush on our market Saturday and Monday.

We regret very much to learn of the awful tragedy in Greenville Sunday night. Both principals were well known in our community and each had hosts of friends and relatives who were shocked when they heard of the sad occurrence.

Sunday morning just before the arrival of the 3 o'clock train, Josephus Jones and his loving spouse, Pussie Jones, were seen to be in waiting to take their departure for other and perhaps more congenial scenes. Both were pretty much how-come-you-so, and Pussie was gloriously so. Now and then they would go to the rear of the depot and kiss the bottle containing the fiery fluid to enliven spirits and cheer drooping souls to befit them, maybe, for anticipations of joys brighter in view, until at last Pussie and a bale of cotton in contact came, and the platform received the falling woman upon its face while Josephus stood and gazed unable to lend a helping hand. Upon her own resources, and her own resources alone, the prostrate Pussie at last arose and as the train glided in she, with the aid of a helping hand, climbed aboard, with Josie soon to follow, and away they sped to pastures green and fields afresh to gain new laurels and notoriety often enjoyed where troubles to them are unknown and sorrows never come. The scene was not only disgusting, but in the extreme disgraceful, and if justice had been done instead of a comfortable seat on a fast moving train they would have spent the day in a calaboose to ponder and think the transgressor's way is hard, and the devil after awhile will get his own.

Misses Edith and Beulah Mumford went to Winterville Sunday to visit friends.

Hon. Claudius Dockery and the Republican county candidates held forth in the Centre Brick warehouse Saturday. There was the usual Saturday evening crowd in town and right many went to the speaking. The county candidates simply announced themselves with the exception of Mr. Job Moore, candidate for the senate, who made quite a lengthy speech. We have heard no comments upon the speeches of Mr. Dockery or Mr. Moore and as we were not present are unable to give a synopsis.

The editor is indebted to O. E. Warren, of Riverside Nurseries, for a bunch of white chrysanthemums which he left at the office Monday evening. They were beauties.

DISTRICT MEETING OF RED MEN.

They Have a Fine Day at Ormondville.

The third district meeting of Dist. No. 4, I. O. R. M., was held at Ormondville, Greene county, on Thursday, Oct. 15th. The program was as follows:

Invocation by Rev. R. F. Taylor.

Address of welcome by Dr. E. L. Stamey.

Response to address of welcome by Hon. J. A. Albritton.

Address "Good of the Order" by Roy C. Flanagan.

Election of officers.

The following officers were elected for the ensuing term:

Deputy Great Prophet, Roy C. Flanagan.

Deputy Great Sachem, Dr. Jenness Morrill.

Deputy Great Sr. Sagamore, Brother Ketcham.

Deputy Great Jr. Sagamore, Brother Nobles.

Deputy Great Chief of Records, Heber McGlohn.

The responses to the calling of the roll of tribes showed that this district is in fine shape.

Wyandotte Tribe No. 68 at Ormondville certainly entertained the visiting brethren in genuine Southern hospitable style, and every one enjoyed the day. Besides an attendance of about 150 Red Men there were present 500 or 600 ladies and gentlemen from in and around Ormondville.

All will welcome the day to meet at Ormondville again.

BENEFITS OF BUILDING AND LOAN

[Extract from the address of Hon. O. B. Eaton at the State Convention of the North Carolina Building and Loan League at Winston-Salem.]

"So strongly do I feel the difficulty of saying anything appropriate and worthy of this gathering that I should have been disposed to defer it had I felt at liberty to decline the service to which I had been invited. I wish, however, by compliance to acknowledge my sense of obligation to those from whose industry and skill the home building sentiment among our people has drawn, help, inspiration and life."

TO CONFEDERATE VETERANS.

State Chairman Eller Issues an Interesting Letter.

State Chairman A. H. Eller has sent out to Confederate veterans in every part of the State the following letter:

"Knowing you to be a Confederate soldier it gives me great pleasure to write you a few lines in regard to the campaign and to enclose you some reading matter, which I hope may be interesting to you."

"The Republican newspapers and speakers make a great hue and cry, because they say the Democrats do not nominate Confederate soldiers to office. On our State ticket you will see the names of Dr. B. F. Dixon for State auditor, and Mr. W. A. Graham for commissioner of agriculture both gallant Confederates, and true and tried friends of the brave men of the sixties."

"You will not find the name of a single Confederate on the Republican State ticket."

"The same Republican party that now says it favors doubling pensions voted against the bills to a man in 1885. They did, however, when in power, elect Abe Middleton, a black negro, assistant door-keeper over Henry Reitzel, a brave, one-legged Confederate. They did refuse to adjourn the legislature in honor of Robert E. Lee, and adjourned in honor of Fred Douglas, a free-negro, who married a white woman in Washington City."

"The Democratic party has from year to year increased the roll of our worthy pensioners to \$15,000; likewise the appropriation, until it now reaches \$400,000 a year besides establishing and maintaining the Soldiers' Home."

"This is a Democratic year. I trust nothing will prevent your getting to the polls and casting your ballot for the only party that has ever befriended you."

"The Runaways."

A very large audience greeted the "Runaways" in the opera house, Monday night, and all were well pleased with the show. The music was catchy, the songs good, the girls and costumes attractive, the comedians the funniest ever, and the audience was kept in fine humor all the way through. Manager Williams promised his patrons something good in the "Runaways" and the company fully sustained all that he had promised for them. The patronage showed what Greenville can do for a good attraction.

MR. KITRELL DEAD.

One Death Results From Sunday Night's Tragedy.

Mr. Allen B. Kittrell, who on Sunday night was shot by Mr. C. F. White, died about 5 o'clock this morning. While his death was expected, this sequel to the awful tragedy cast further gloom over the community.

Mr. Kittrell, was nearly 48 years of age, a widower, and leaves eight children, three sons and five daughters. He also leaves three brothers and two sisters, his brothers being Messrs. L. L. Kittrell, of Winterville; W. J. Kittrell, of Grifton, and Charles Kittrell, of Contentnea township. He has been living in Greenville the last few years and conducted a grocery store on Fifth street. He was a quiet, peaceable, hard-working man and had many friends.

The remains were carried to his farm near Haddock's Cross Roads for burial this afternoon.

FIRE IN NORFOLK.

Three Buildings Destroyed and an Infant Killed.

Norfolk, Va. Oct. 20.—A fire that started at 3:30 this morning for a time seriously threatened this city with a disastrous conflagration, the location of the fire being in a district thickly surrounded by frame buildings and a stiff breeze blowing at the time. A fortunate shifting in the direction of the wind greatly aided the firemen in getting control of the situation, so that by a little past 4 o'clock the danger was practically over.

The fire was first discovered in the rear of the grocery store of G. F. Brown, at No. 40 Washington street. This building and the Jockey Club stables adjoining were totally destroyed, and the building and stock of the Norfolk Hardware Co., badly damaged. Every stall in the Jockey Club stables was occupied and several of the fire patrolmen rushed there to get the horses out. An inventory taken later showed that two horses and John Morris, a stable boy, were missing.

Eldra Carferrati, an Italian resident of the second story of a building near the fire, became excited and began throwing his furniture out of the window. In his mad desire to save his property the father picked up his three months old baby in a mattress and hurled it out of the window. The child was crushed to death in the fall to the pavement.

Mr. White No Better.

Mr. C. F. White one of the principals in the tragedy of Sunday night and who was carried to the hospital at Washington, was reported today as holding his own very well but chances are largely against his recovery.

BUILDING AND LOAN.

The Reflector begins today on first page extracts from the address of welcome of Hon. O. B. Eaton, mayor of Winston-Salem, to the State convention of the North Carolina Building and Loan League. These extracts will continue from day to day until the entire address is given, and our readers will find them well worth their attention. We are giving these extracts simultaneously with the appearance of a half page advertisement of The Home Building and Loan Association, an institution that is doing much good to Greenville, in the hope of awakening greater interest on the part of our people in the new series that will begin Nov. 7th, shares in which are now on sale.

The Reflector is a believer in local building and loan associations. It put forth more effort to get The Home Building and Loan Association organized and started successfully than perhaps on any other enterprise the paper has ever helped to secure for Greenville, and the good the association is doing in helping our people to secure homes is gratifying reward for this effort. The Home Building and Loan Association is admirably and economically conducted, and ought to be the pride of every citizen in the community. We hope to be able to announce that the new series will have the largest number of shares of any series in the history of the association.

H. E. O. Bryant, special correspondent of the Charlotte Observer, who went along with the Taft train and reported the candidate's speeches on his flying trip through North Carolina, said of Mr. Taft "His voice is weak and his mental faculties dull." One can readily believe the reference to his dullness of mental faculties, by his version of the meaning of the guarantee of bank deposits which he tried to explain to his Danville audience.

The Republicans in this county are trying to convince the people that the county affairs have been mismanaged. You Republicans are challenged to show one instance of mismanagement. The records are open to the public, and we ask you to bring forth the records to prove to the people that you are not telling falsehoods.

Candidate Taft says he hopes after the 3rd of November he can stay quiet a little while. We expect he is going to get his wish and can stay very quiet the whole time Mr. Bryan occupies the White House.

Just as we are bragging about pretty weather the announcement comes that a cold wave is on the way.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

To show that automobiles are worth more than has really been claimed for them, we publish the following from the New York Times: Recently an automobilist ran down and killed a hen. He was a conscientious automobilist. Instead of racing along unmindful of the grief of the owners of that hen, he immediately stopped, got out, tenderly picked up the unfortunate fowl, and rang the doorbell of the farmhouse, from the vicinity of which it had emerged. A woman opened the door, "I am very sorry to inform you," remarked the automobilist, "that I have unintentionally killed this hen of yours." He held the fowl up to her view. "Now, I am quite willing to pay whatever the value—" "But she checked him with this joyous exclamation: "Oh, I'm so much obliged to you. I've been trying to catch that hen for three days to cook it for dinner, and I never could so much as lay a hand on the pesky thing. Thank you, sir, thank you."

The Circus as a Barometer.

From the fact that four or five circuses are touring this State and all making money, The Charlotte Chronicle judges that money must be more plentiful than most people suppose. We had been thinking the same way about it. Durham has been visited by three circuses this season and all have filled their tents to their capacity. It is of course understood that circuses do a cash business.—Durham Herald.

Dear Sir: During the summer you prevailed on me to buy a disability policy in the Maryland Casualty Company. Within a very short time after purchasing same, I found that it was necessary for me to have a slight surgical operation performed on account of which it was necessary for me to remain away from my business for a period of about two weeks. The check presented me to-day in full settlement of lost time, also covering cost of operation is very much appreciated, and I can highly recommend the Maryland and yourself for the prompt service rendered. Very truly yours, W. E. HOOKER.

GOOD WATER

MEANS Good Health

Analytical tests made by the Director of the STATE LABORATORY OF HYGIENE under the control of the NORTH CAROLINA BOARD OF HEALTH at RALEIGH, N. C., shows that the water supplied by the Greenville (municipal) water works is PURE.

For the protection of patrons samples of water are submitted monthly and the reports of the Chemist are always on file in the office of the Commission for inspection.

Discard the old well or pump and get the benefit of the advantages offered by the Water Department. It not only means that you will always have good water to drink, but it will prove a great convenience. Nothing to do but turn the spigot. No more pumping and drawing.

We furnish 3,000 gallons per month for \$1.00 and allow you a discount of 10 per cent. if bill is paid by 5th of month succeeding month in which service is rendered. This makes the cost only 90 cents.

Information gladly furnished to anyone regarding cost of making tap, etc.

If You Need a Piano

THREE POINTS

SHOULD BE CONSIDERED WHEN YOU PURCHASE

First: Is the Piano strictly high-grade, of a lasting tone-quality, and made by a reliable factory?

Answer—From
Start
STIEFF
to
Finish

The use of best materials, best construction by skilled workmen, profiting by the experience the STIEFF FACTORY has had in its sixty-eight years of continued manufacture under the same management, places the STIEFF PIANO at the head of High-Grade Instruments. Its sweet tone does not change, as does the so-called "good as" variety, so often sold by dealers to unsuspecting purchasers because there is more profit in the sale.

Second: How can I obtain the BEST PIANO for the least money, value being considered?

Answer—BUY
Straight
STIEFF
from
the
Factory

ALL STIEFF PIANOS ARE SOLD TO THE CUSTOMER BY THE MANUFACTURERS thus guaranteeing against excessive profits often obtained when an instrument passes through several ownerships before reaching the customer.

Third: How am I to know what I select will prove all claimed for it?

Answer—You are
Safe
STIEFF
from
Fraud

If you buy a STIEFF. There are more STIEFF PIANOS in use in North Carolina than any other three makes of high-grade Pianos. Some of the STIEFFS in use have been in the same homes for over half a century, and to all STIEFF purchasers we gladly refer.

The STIEFF is sold for cash or on terms to suit purchaser.

Golden Silence.
A man who once met Ralph Waldo Emerson at the house of a friend told of the characteristic way in which the Concord philosopher blanted the edge of a compliment. "Oh, Mr. Emerson," said a young woman of the party, "it must be so delightful to know that people all over the country are grateful for the things you have said!" "Thank you," said Emerson slowly, "but it is for some of the things I have not said that I feel most grateful."
