## AYDEN ITEMS.

**News Notes From a Hustling Town, Briefly Told.**

Ayden, N. C., Nov. 25, 1908.

Mrs. W. E. Hooks, Misses Florence Blount and Marguerite Meredith went to and returned from Grifton Friday.

Miss Earl Tucker, of Grifton, and her friend Miss Clyde McNair, from Red Springs, spent Saturday in Ayden visiting friends.

Those were fine horses Mr. Martin, of Greenville, was sporting though our street Sunday afternoon.

The Disciple Sunday school of this place went out to Mr. Dick Garris' church, about three miles from here, and organized a Sunday school there. There was a very large crowd that went from here.

There has been a perfect rush of cotton on this market for the past two weeks. Now that the price has advanced a little we expect the rush for the next week will be great.

Wyche Taylor and wife of Greene county, were visiting at the home of Guy Taylor Sunday.

Lemuel Taylor and wife, of Lenior, spent Sunday with their daughter, Mrs. Frank White.

Mrs. Thomas Nichols from the country is spending a few days in town with relatives.

The most attractive place in town is Dr. M. M. Sauls', his soda fountain, fountain pens, his clerk the fountain of all sources, and the doctor the very fountain itself. If you don't believe it look in and see. The olds folks like him, the girls can't stay away and the boys are always there.

John F. Evans, of Greenville, was here yesterday.

Miss Mamie Dawson, of Grifton, came up Sunday to visit Miss Florence Blount.

Misses Lena and Clyde Dawson spent Sunday in Winterville.

Mr. Ferrall, one of the buyers on the tobacco market here, left Saturday for Baltimore to enter a hospital.

Workmen are here lengthening out the depot platform. This is the second time within the year this has been done. The increase in shipping and other business resources of Ayden require constant enlargement. See us grow.

We are showing a strong line of ladies' cloaks and wraps. Pulley & Bowen.

**Mr. White Tomorrow Evening.**

The management of the school of music at the graded school is very anxious to do its best for the musical talent of Greenville. You are therefore asked not to forget Mr. White tomorrow evening in the chapel of the graded school.

He is a charming singer and it is seldom that our town is favored with such talent, as the following press notices unmistakably indicate:

Mr. James Wesley White was the soloist. He is a talented musician and has a voice of musical sweetness and scope.—Wilmington Star.

Mr. White though suffering some slight indisposition, held the attention of his audience from first to last and the applause was spontaneous; to say that his voice is a gem and that he handled the selections with ability, and skill, is putting it lightly.—Greensboro Record.

A full line of tan shoes for ladies at Pulley & Bowen's.

## WINTERVILLE ITEMS.

T. E. Little took his two little grand-daughters to Wilson Friday evening and returned Monday morning and turned the little girls over at Farmville to Mr. A. F. Flanagan at whose house will be their home in the future. They being motherless and fatherless Mr. Flanagan and his good wife agree to take the children and care for them. ## PLAY WELL SET AND ACTED.

**"Damon and Pythias" from a Famous Story.**

From Damon and Pythias is learned a friendship more binding, a love more strengthening, a devotion more enduring than ever displayed save by David and Jonathan, for did not Pythias place his head upon the sacrificial altar that Damon might go and see his wife and child ere he died, and prayed the gods to prevent his return, so that he, Pythias, might suffer in his stead?

Damon, who is under respite, visits his wife, the beautiful Hermon and their little son, and they implore him to break his bond and fly with them where danger cannot come. He will not; honor is more to him than life.

Friday night this beautiful drama will be presented at the opera house. An excellent cast has been gotten together for the occasion. Mr. D'Oize, an actor of long experience and scholarly attainments will be seen as Damon, the patriotic senator of Syracuse, a part he has played with great success in the principal cities of the South. Mrs. D'Oize will appear as Calanthe, the betrothed bride of Pythias.

The supporting cast numbering in all twenty persons will be fully up to the requirements.

The costumes to be worn are handsome and historically correct.

The advance sale of reserved seats will be on sale at The Reflector Book Store Thursday morning from 8 to 10 and Thursday afternoon from 4 to 6, and all day Friday.

Reserved seats 50 cents; general admission 35; gallery 25.

## PYTHIANS TO HAVE ORPHANAGE.

**Greenville Should Bid for the Location.**

The grand lodge of Knights of Pythias of North Carolina have decided to establish an orphanage at some convenient location in the State, and a committee has been appointed to take charge of the matter and receive offers from the towns that want to put in bids for the orphanage.

Greenville might get active in this direction. The Pythians are strong here, we have one of the best and healthiest towns in the State, and it would be an ideal location for the orphanage. Our people should get busy and put in a bid for it. What is done must be done quickly, as bids will be closed Feb. 15th, 1909.

## THANKSGIVING.

The season has again arrived when it is fitting to pause in the march of life, and with thoughts lifted up to the Giver of all good render thanks for the many blessings He has bestowed. While we should not cease to be thankful daily for blessings and mercies enjoyed, it is appropriate that once a year for one day we should lay aside the cares of life and the perplexities of business, and spend the day in thanksgiving to God. Our custom as a nation to observe the day is a beautiful one, and it is the duty of every true citizen to take part in the. All should recognize God and His watch-care over us, and should not withhold the praise that is due Him.

Take a mental inventory of the blessings that have been yours during the year, and you will find enough to cause your heart to swell with gratitude and your lips to exclaim "Bless the Lord, O my soul, and forget not all His benefits." There is not one so poor in this world's goods who cannot yet find much to be thankful for. There are none who have suffered but who can see there is much they have been spared. There are none who have had sorrow in the midst of which a Comforter was not sent. There is so much for which we should be thankful, and let our thoughts be on these.

And in the midst of our thanksgiving let our gratitude not end in meditation and praise, but may it find expression in the practice of that precept "it is more blessed to give than to receive." God has given us much, and we can best show our appreciation and gratitude to Him by doing something for others. "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Open your heart liberally to the poor and the orphan and make it a season of real thanksgiving to them.

Two men together can carry a load more than twice as heavy as one can carry alone. One man may lack just a little strength sufficient to turn a wheel, when that little added by another starts the wheel and keeps it going. You see the point? "In unity there is strength." If you find a man trying to push Greenville forward, join hands with him and the united effort may accomplish wonders. At any rate don't hinder, but help. Help by patronizing each other, by keeping everything possible at home, by saying an encouraging word. Touch shoulders with the other fellow and let him feel that there is somebody standing by him.

Walter Williams, of proposed arctic expedition fame, has had his feelings hurt, and has brought suit against a magazine publishing company for \$100,000 for criticising his expedition. If he wins that will pay much better than looking for the North Pole.

Governor-elect Kitchin has appointed Mr. Alex. J. Field, of Raleigh, to be his private secretary when he is inaugurated. Mr. Field has for several years been secretary of the State Democratic executive committee, and Governor Kitchin has made a good selection.

Hobson keeps having spasms over what he thinks is inevitable war between this country and Japan, and is urging the president to keep our battle-ships at a convenient place in the Pacific waters. First thing you know a commission inquiring lunatico will be needed for Hobson.

Rockefeller says he was happy when he made his first million. Who wouldn't be?

Governor Glenn has been showing Governor-elect Kitchin what the inside of the mansion looks like.

A New Jersey woman was frightened to death at the sight of a mouse. An elephant would not have alarmed her in the least.

If President-elect Taft's brother got all that was charged out of that Panama canal deal, he could well afford to contribute a hundred and sixty thousand to the campaign fund, and then have plenty left to get along on.

You do not help conditions any by complaining. Business is not going to the bad if you will do your part to keep it on the up grade. Be a booster and do not pull backward. Everybody put his shoulder to the wheel and push.

If it is good job printing that you want, try The Reflector printery.

There is more Catarrh in this section of the country than all other disease put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease and there fore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggist, 75c. Take Hall's Family Pills for constipation.

The Reflector hopes that everybody has something to feel thankful for.

### LIBRARY SLOW POKES.

Time Killing Methods of Officials in Continental Europe.

"Americans who grumble about having to wait a long time for books when applying to a public library," said a Boston literary woman, "should try to work or study in a foreign library, particularly in Germany."

"The typical continental librarian takes no account of time. The reader, worker or student must turn in his or her application for books at least a day in advance. The men who search for the books applied for are aged, tottering creatures who have been shuffling around the dusty piles of books for years, and the word hurry is not in their vocabulary."

"The most priceless books and manuscripts are kept in places which are perfect fire traps, and disorder predominates in every department. When you speak about the impossible methods employed the librarians tell you that they are too poor to introduce any modern indexes or catalogues. This is to some extent so, but as a matter of fact they would not change if they had all the money in the world at their disposal."

"They do not wish to encourage the common people to use books. The learned are among the aristocracy, and the spread of the knowledge which is hidden in those wonderful literary museums is far from the purpose of the men at the head of Europe's libraries."

"There may be some delay in our libraries, but our people in the lower walks of life are certainly ahead of the common people of the old world in the matter of getting books when they want them, and generally free of charge."—New York Telegram.

What it means to be a king, and you will understand why we named our ointment THE KING OF OINTMENT, for it is as much above other salves and ointments in curing eczema, itch, ring worms, tetter worms, piles, fever sores, ulcers, corns or any kind of sore or disease of the skin or scalp as a King is over one of his servants. It is for sale at L. H. Witherington's and at Tripp & Hart's, Ayden, N. C., also at Harrington & Barber's, Winterville N. C., or we will send it postpaid on receipt of price, 25 cent per box, or 50 cents per jar. Give it a trial. We guarantee it to cure or we take no pay.

### BLOCKADED

Every Household in Greenville Should know How to Resist It.

The back aches because the kidneys are blocked.

Help the kidneys with their work. The back will ache no more. Lots of proof that Doan's Kidney Pills do this.

A. A. Tyson, 134 Lexington St., Rocky Mount, N. C., says: "I feel it my duty to recommend Doan's Kidney Pills as I used them and found them to be a valuable kidney remedy. For years my kidneys were in a disordered condition and their action was so frequent that I was obliged to rise several times during the night, thus being unable to obtain my proper rest. I also had dull pains across my loins and was bothered by a constant dull backache. Having heard about Doan's Kidney Pills I decided to try them and procured a supply. I had taken them but a short time when I could notice their beneficial effects and thus encouraged I continued their use until cured."

For sale by all dealers. Price 50 cents. Feeter-Milburn Co., Buffalo, New York sole agents for the United States. Remember the name—Doan's—and take no other.
