GREENVILLE, NORTH CAROLINA, WEDNESDAY AFTERNOON, FEBRUARY 17, 1909.

NUMBER 44

THE LEGISLATURE.

What Our Law Makers Are Doing at Raleigh.

THIRTY SIXTH DAY.

SENATE.
Senator Barringer introduced a joint resolution to submit to the vote of the people the question of removing the State capital from Raleigh to Greensboro. Other senators regarded the resolution as a joke and a number of them offered amendments substituting their town for Greensboro and speeches were made for several of the towns.

Senator Blow introduced two bills, one to allow Greenville to issue bonds to fund its floating debt, the other to amend the general school law to provide a special tax in every school district so as to give a four months school in every district in the State.

HOUSE.

There was a flood of new bills in the house, but all of them were of local nature and without general interest. The drainage bill came up for another discussion, as did also the child labor bill. The latter after several amendments passed third reading.

WINTERVILLE ITEMS.

Newsy Notes From Our Hustling Neighbor.

Winterville, N. C., Feb. 17, 1909.

Rev. E. T. Phillips, of Ayden, filled his regular appointment here Sunday morning and night.

Rev. B. W. Spilman will deliver a lecture to the students of Winterville High school Saturday night and will preach at the Baptist church Sunday morning. Mr. Spilman is well known here and it is needless to comment on his reputation. All are cordially invited to these services.

D. R. Jackson and mother were poisoned Sunday night from eating fruit put up in a tin can. For awhile they both were extremely sick. Dr. Dixon, of Ayden, was called in and gave them relief. We are glad to say that they are improving.

J. D. Cox, who is surveying out tram roads in Roberson county for the Beaufort County Lumber Co., spent Sunday at home and returned to Lumberton yesterday.

Rosie had Charms too.

Rosie and Ethel, though only five and seven, were bitter enemies and quarreled continually. One day I overheard a conversation between them. "I've got dimples," said Rosie, "you haven't any dimples." "No," answered Ethel regretfully. Then she brightened as she looked at her enemy. "No—but I've got moles."—The March Delineator.

Munford's Big Store.

Tomorrow morning at 9 o'clock the overstocked sale at Munford's Big Store, under the management of J. L. Stern & Co., of New York will be thrown open to the public, and for ten days lively times will be looked for at that store. Look at the page advertisement in this paper and note the astonishing prices at which the goods will be sold.

For Sale—Cabbage plants grown from Tate's thoroughbred Jersey Wakefield seed, in any quantity. \$1 per 1,000 delivered from field, 25 cents per 1,000 extra for packing for shipment. 29 tfd L. C. Arthur.

ROCHDALE SPROUTS

Rochdale, N. C., Feb. 17, 1909.

The young people of our town gathered up two wagon loads of themselves and took a hay ride or a serenade, don't know which they called it, but any way they went to Farmville and paraded the town. It was Wednesday night, the night of the fire there, and next morning some of the neighbors told them that the sheriff was coming in the evening to take them under arrest for setting the town on fire. I don't think they were scared much, for they left Farmville before the fire broke out.

Ivy Smith went to Greenville Friday to sell tobacco.

Mills Smith and T. E. Little went to Greenville Saturday.

Misses May Brooks and Trilby Smith went to Greenville Saturday, Miss Brooks to attend the teachers' meeting.

Miss Mattie Little went to A. J. Flanagan's Saturday to spend some time with the family.

Miss Anna Willoughby and T. E. Little were visiting at A. J. Flanagan's Saturday evening and Sunday and returned in time for Sunday school.

Mr. and Mrs. C. D. Smith went to J. H. Flanagan's Sunday evening to visit his sister.

STOKESTOWN ITEMS.

Stokestown, N. C., Feb. 16 1909.

Sam Harper and J. D. Stokes went to Greenville Saturday.

Gid Weathington and Wyatt McGowan went to Ayden Saturday on business.

H. S. Stokes went to Shelmerdine Saturday.

Miss Annie Kittrell spent Sunday at W. B. Harpers.

S. F. Harriss and wife spent Sunday near Ayden.

G. T. Stokes and wife spent Sunday at Grimesland.

Mrs. W. J. McGowan and children spent Sunday near Gardeners X Roads.

H. C. Venters was in town Sunday.

J. A. Stokes went to Ayden Saturday.

Herman Stokes and Lonnie McGowan went to Gardenersville Sunday.

TO JOIN FLEET.

North Carolina and Montana to Sail.

Old Point Comfort, Va., Feb. 16.—The armored cruisers North Carolina and Montana, which conveyed President-elect Taft and his party of engineers to the Isthmus of Panama and which will form a part of the welcoming squadron to the returning battleship fleet, put in here today, anchoring far out in the roadstead.

The two big fighting ships began coaling at once. Their bunkers will be filled by tomorrow afternoon and they will sail at once to join the incoming armada. A fast run almost due east should bring the cruisers in touch with the combined forces of Admirals Serry and Arnold by Friday evening and they will participate in any maneuvers that may occur after that time.

The tiny little dispatch boat Yankton which valiantly has fought her way around the world in company with or ahead of the fleet from port to port, is due in Hampton Roads tomorrow.

The ceremonies of the falling in of Rear Admiral Arnold's third squadron of the Atlantic fleet with the two squadrons which made the voyage of the globe will be marked by extreme simplicity.

VALENTINE PARTY.

Delightful Evening With Mrs. E. G. Flanagan.

On Tuesday evening from 8 to 12 Mrs. E. G. Flanagan charmingly entertained a large number of friends at a Valentine card party, four hand euchre and finch being the games enjoyed.

The guests were met at the door by the hostess, and her sisters, Mesdames H. L. Coward and J. L. Wooten received in the parlor, where punch was served by Misses Helen Forbes and Vernessa Smith.

The parlor was decorated with pink hearts and Cupids, the other rooms with red, the score cards being in keeping with the colors.

The prize for the highest euchre score was awarded to Mrs. D. E. House and the booby to Miss Irma Jeffress, and the first finch prize was won by Mrs. Charles Laughinghouse and the booby by Mrs. Coward.

After the games refreshments were served by Misses Nannie Bowling, Susie Warren, Hennie Whichard, Vernessa Smith and Helen Forbes.

It was an occasion of much pleasure to all present.

MERCHANTS REORGANIZE.

And Give the Association a New Start.

On Tuesday night in the mayor's office E. E. Andrews, of Asheville, State organizer of the Retail Merchants' Association, addressed a meeting of Greenville merchants with the view of reorganizing and reviving the association here. Mr. Andrews spoke interestingly of the work the association is doing throughout the State and the benefits to be derived from co-operation.

He said that there were only fifteen important towns in North Carolina in which the retail merchants were not organized for their mutual benefit. High freight rates, express extortion, the homestead exemption, abuse of credit and like matters were briefly discussed by Mr. Andrews, and he pointed out how these evils can be corrected through the co-operation of the association.

After his address the Greenville branch was reorganized and the following officers elected: President, J. S. Mooring; Vice-president, J. N. Hart; Secretary, W. F. Evans; Treasurer, J. R. Moyer.

Today a canvass was made to enlist all retail merchants of the town in the organization and another will be held next Monday night.

Quake Kills 30.

Constantinople, Feb. 16.—A number of houses and government buildings at Sivas, the capital of a vilayet of the same name in Asiatic Turkey, collapsed today as the result of an earthquake.

The loss of life has not been ascertained, but reports say that thirty persons have been killed and others injured. Many of the inhabitants are without shelter. Sivas, sometimes spelled Sevas, has a population of about 6,000 families.

Big Day for Masons.

The Masons of Robersonville lodge are going to have a big day next Saturday. They have work in the first, second and third degrees for that day, and during an intermission will serve an oyster dinner.

STATE NEWS.

Happenings of Interest in North Carolina.

A negro boy named Harrison Reil, who has been working as a shoe shine in one of the local barber shops, was arrested this morning by Policeman Causey on the charge of criminally assaulting a negro girl named Mary Colter. The girl appeared at police station last night and swore out a warrant for Reil, telling the officers that he assaulted her while she was on her way home from work as a house girl, the assault being committed in Burton alley, in the eastern part of the city.—Greensboro Record.

Thomasville, N. C., Feb. 16.—Saturday night about nine o'clock some boys were seen in the new Methodist church, shortly thereafter a passerby discovered the church to be on fire, and by quick work the fire was extinguished. Only one room and some of the doors that had not been uncrated, in the room, were damaged.

Louisburg, N. C., Feb. 16.—Eugene, the 18 year-old son of Edward Alston, and nephew of Plummer Davis, (a former member of the legislature from this county), committed suicide late Sunday afternoon by tying the trigger of his shot-gun to his foot with his shoe string, the shot entered the head. When found he was dead.

No reason can be given for the rash act, as he was in his usual health and cheerful spirits on leaving the house. The body was found in the woods.

Statesville, Feb. 16.—The physicians tell of an interesting case at Dr. Long's sanatorium. Eugene Erwin, the 4-year-old son of Mr. and Mrs. Harper Erwin, of Durham, was brought to the sanatorium Friday afternoon for an operation for appendicitis. He was operated on Saturday morning and the doctors were surprised to find a long black pin in his appendix. The pin had penetrated the appendix and an intestine.

Safe Blower Caught In Act.

Jacksonville, Fla., Feb. 16.—John Simpson, of Curtis Bay, Baltimore, was arrested this morning at 3 o'clock while in the act of blowing open the safe in the store of Charles H. Burnett.

Policeman Ammons found the door unlocked, crept in, and was directly over the safe-blower before the latter was aware of his presence. Scattered about him on the floor were nitroglycerine, saws, chisels, fuses, revolvers and all implements carried by professional burglars. The man offered no resistance.

Simpson made a confession, saying that he has been operating for some time in Jacksonville, and was a pal of Charley Silas, the yeggman who was killed by a police at Laurens, S. C.

School Girl Killed.

Greenwood, S. C., Feb. 16.—Irene Wade, a school girl, was run down and killed by a Southern railroad train here this morning.

The girls of today are the mothers of tomorrow, and, going a step further, are the mother-in-law of day after tomorrow.

Two Straight Streets.

In viewing Manhattan from a point of vantage on the Metropolitan tower, nearly 700 feet from the sidewalk, one is chiefly impressed by the rigid lines which Park and Madison avenues cut through the length of the island. A tape-line drawn through a miniature model city could not be straighter. A twelve inch rifle discharged at Twenty-third street would send its bullet straight into Harlem without touching a building on either side.—New York Post.

Even though he had no idea the State capital will be moved to his town, Senator Barringer took advantage of the opportunity to make a good advertisement for Greensboro.

Fire starting from a moving picture machine in a crowded theatre in the City of Mexico destroyed the building and three hundred people lost their lives. Several Americans were among those killed.

Notwithstanding what some might have feared in that particular, we believe the present legislature is going to adjourn without doing a thing rash. Conservatism and care has been the key note so far.

They did not quite get a scrap in the Monday night session of house of the General Assembly, but came pretty close to it. Representatives Morton, of New Hanover, and Underwood, of Cumberland, were the wordy combatants.

The business men of Greenville took the right step Tuesday night in reorganizing the local branch of the Retail Merchants' Association. A working organization of this kind will help their business and be beneficial to the town.

Greenville started The Central Mercantile Company in January, the Taft & Boyd Furniture Co. was organized early in February, and now the Retail Merchants' Association is reorganized. Lets keep up the work and get something good every month of this year.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Texas is trying to keep a fellow from getting a matrimonial drop on his rival. A trade bill has been introduced in the legislature of that State to make persons contemplating matrimony give ten days public notice that they intend to apply for license.

If you folks up there in the General Assembly decide to break up the seat of government in Raleigh and transfer it to some other town, Greenvills will get right in the race for it. See? There are plenty of folks who think this is the best town in the State.

All sorts of strange situations are being created in the "Sub-Section A" discussion. The Winston-Salem Journal, of Sunday, prints a letter from Colonel H. Montague, in which he says that if this section, or its substitute, is passed, "is enacted into a law and rigidly and strictly enforced, would paralyze not only the tobacco business in Winston-Salem, but in a very great measure throughout the entire State, and would most assuredly be a great blow to all material prosperity in our beloved Twin-City for years to come. And it is surpassingly strange to me that our people don't be stir themselves more to avert a calamity of this kind." The interesting part of it is that Colonel Montague is a member of Governor Kitchin's staff, the first man, in fact, to get an appointment thereon.—Charlotte Chronicle.

No Misrepresentations—No Inflation of Prices—Everything as Represented. This sale cannot but help stir this community from end to end for never has there been no commercial event of such importance to all the people. Can you? Will you? Dare you? During these hard times overlook such a money saving opportunity as this.

STATEMENT TO THE PUBLIC

We bought a very large stock of Merchandise for the fall with the view of selling them before Spring and as our trade did not equal our expectations it has left us with a tremendous large stock to dispose of and now in order to raise cash, believing that our first loss will be our best loss we have decided to sacrifice our entire stock.

WE MUST UNLOAD! Irrespective of cost or value, therefore we ask the people of Greenville and vicinity to come in and see us at our store where our entire stock in conjunction with our Spring Stock which is arriving daily will be slaughtered regardless of cost at the mill. It means a terrible sacrifice but experience tells us that this is the best thing to do. Sale will last ten days and we know the people of Greenville and surrounding country will respond as we have never exaggerated a single statement or misled them in any way. We positively agree to refund money to any purchaser for any article sold if not satisfactory and sold as represented. (Signed) C. T. MUNFORD.

Be with us and see the big sale start, Tomorrow Thursday February 18th at 9 a. m.

**Sick Kidneys Weaken the
Whole Body---Make
You Ill, Languid
and Depressed.**

Sick kidneys weaken the body through the continual drainage of life giving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broadcast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills. Great Greenville cures prove it.

James Hardison, 319 E. Fifth St., Greenville, N. C., says: "My kidneys were weak and the secretions passed too frequently, especially at night when I was forced to rise several times. In the morning my back was very lame and I was subject to pains through my loins. Doan's Kidney Pills, procured at Wooten's drug store, restored my kidneys to a normal condition. I am now able to sleep well and the lameness and soreness across the small of my back has entirely disappeared. I have found Doan's Kidney Pills to live up to representations and I have no hesitation in giving them my endorsement." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.
