THE OLD MAID SOCIETY.

Having a Big Time at Ayden.

The old maids of Ayden met in their regular monthly meeting last Monday afternoon for the purpose of electing new officers for their society.

Mother Ella Wayne called the meeting to order and Miss Olivia Berry conducted religious service, after which the secretary read the report of the last year's work and called the roll. Those present were: Mother Wayne, Lucy Turnage, Olivia Berry, Alice Baker, Blanch Cannon, Nannie and Lee Nichols, Edith and Beulah Munford, Lena and Lizzie Hines, Jimmie and Ara Davis, Agnes and Annie Dixon, Carrie and Mattie Johnson, Bessie Harris, Lorena and Lizzie Dixon, Ella and Eva Hart Helen Quinerly, Vita Pearl and Onnje McLohorn, Willie Faulkner, Hattie and Annie Cooper and sister Annie Dudley.

Then the following officers were elected: Olivia Berry, president, Annie Dudley, vice president, Agnes Dixon, secretary, Carrie Johnson, treasurer, Mother Ella Wayne as oratorian.

Lucy Turnage, Blanch Cannon and Hellen Quinerly were elected as lookout committee. Their work is to lookout for all of the members and help them to win some man's heart if possible.

The officers all being elected the president took her chair and proceeded with the work. The secretary had seven applications for new membership which were: Misses Richardson, Perry, Ella Harris, Lena Dawson, Addie Johnson, Carrie Smith and Elizabeth Bridgett.

The house voted on each application separately and all passed except Miss Elizabeth Bridgett and she would have passed but the members decided that she was too near ready to change her name to enter the society. We could only judge by the way she has been sporting and if she is still single and no hope of getting one of the stronger sex we will be glad to have her application at the August meeting which is to be Monday, 2nd, August.

A motion was made by Carrie Johnson and seconded by Jimmie Davis to have a picnic in honor of Mrs. Phronica Moore, one of their faithful members who was married to Mr. C. G. Moore last Wednesday. It was unanimously carried and the day was set to be Wednesday, 15th of May, at Littlefield. A special train will run, leaving Ayden at seven-thirty and leaving Littlefield to return at five-ten in the afternoon. Hope all the members will attend for it will be a treat to those who go and see that grand city. No other business came before the house. The president led in prayer and all then returned to their homes hoping to be as lucky as the member they lost. It is the first one of the members they have lost. Will meet again 3rd. May 1909.

Agnes Dixon, Sec.

Ellington, and all Pythians that have not paid their assessment on the banquet will please make payment at once to the above, as the committee will make final report at the regular meeting, on next Thursday night.

SCHOOL CLOSING

Large Attendance and Interesting Exercises.

The closing exercises of Misses Cora and Sadie Carroll's school, at Mills' school house were held last Friday night. The crowd was unusually large, a great many not being able to get in the house; but the order and attention were perfectly splendid. It was a matter of general comment that the crowd was larger and the order infinitely better than it had ever been before. By the way, this is one of the very best communities in the county, and it is getting better all the time. The exercises were perfectly splendid. The children all showed that they had had the very best training and they rendered their parts with much credit to themselves and their teachers. The drills were unusually fine.

Two prizes were offered by the teachers, one for the highest average mark and the other for the most improvement in writing. Misses Janie Clark and Eva Williams made the same grades, each averaging 98 on all her work for the entire session; so the teachers gave each one a handsome teachers' Bible. The prize for most improvement in writing was won by Miss Janie Clark. The prize was a handsome fountain pen. The committee that examined the copy books considered Miss Eva Williams such a close second, that the committee presented her a book. The prizes were presented by T. H. King, of Winterville.

Taken all together, it was one of the most delightful entertainments we have ever attended. The writer was impressed with the words of commendation and appreciation on the part of the patrons for the teachers and on the part of the teachers for the patrons and the entire community. The patrons seem to think they have the best teachers in the county, and the teachers seem to think they have the best place in the county to teach. The teachers deserve all the more praise, when we remember that they are teaching and are so much appreciated in the same community in which they were raised.

STATE NEWS.

Happenings of Interest in North Carolina.

A large livery stable in Charlotte was destroyed by fire, Saturday morning, causing a loss of \$25,000. Six horses were burned to death.

J. J. Laughinghouse, the new superintendent of the State prison announces the escape of five prisoners the past few days—two from the convict camp at Seima, April 8, one from the State farm, April 14, and two from the Selma convict camp, April 15. The rewards for recapture are \$25 each.

Dr. Edwin Mims, of the English department of Trinity college, has tendered to the president and board of trustees his resignation to take effect in June and will this summer go abroad for a cultural and traveling tour of a length that no disciple of the press has been able to guess or procure. Dr. Mims has been called to the state university in the room of Dr. C. Alphonso Smith, recently resigned.

SUPERIOR COURT.

April Criminal Term in Session.

The April term of Pitt Superior court, for the trial of criminal cases, began Monday morning with Judge C. M. Cook presiding and Solicitor C. L. Abernethy representing the State.

The grand jury is composed of the following: L. A. Mayo, foreman; B. D. Nelson, J. W. Brooks, Howard Moore, R. S. May, L. F. Worthington, F. M. Dupree, Gedaliah Tucker, R. B. Summerell, Paul S. Moore, Jesse L. Chery, W. E. Tucker, B. B. Warren, R. A. Forbes, Z. W. Erown, J. H. Cheek, J. E. Parkerson, R. A. Nichols.

The charge of Judge Cook was longer than usual, but it was well worth hearing and a large audience listened to it attentively with much interest.

Judge Cook explained at some length and with strong argument the need of laws and their enforcement. Laws made fifty years ago are not adequate to meet the needs of today because of our constantly growing population and changed conditions. Things that were permitted then could not be permitted now. Our natural liberties must be restrained whenever it is necessary for the welfare of the public.

On gambling, carrying concealed weapons, cigarette smoking and prohibition Judge Cook spoke very plainly as to their effects on society. He urged the grand jury to present all violations they could find, but said if they would not present the gambler in cotton futures they should not be so cowardly as to haul up some negro for shooting craps. The law should apply equally to those in high rank as to the lowly.

The charge ought to have a good effect.

Meeting in Baptist Church.

Rev. G. T. Lumpkin arrived from Winston-Salem Monday evening and preached his first sermon in the meeting in the Baptist church. His theme was "Personal Work" from the text "And he brought him to Jesus," referring to Andrew finding his brother Peter. He emphasized the need of preparation for work, separation from the world, having a message and the delivery of that message. People want to hear the gospel and are ready to listen to it. There is untold joy in leading a soul to Christ.

It was a sweet service. Mr. Lumpkin will preach again tonight.

Farmers' Consolidated Meeting.

The annual meeting of the stockholders of the Farmers' Consolidated Tobacco Company was held today in the Star warehouse with a large attendance, but owing to the Reflector going to press at a much earlier hour than usual a full report cannot be given until tomorrow.

There was a business session and report of officers for the past year, these making a very satisfactory showing, followed by an address by Hon. J. Bryan Grimes, secretary of State.

After the speaking a big dinner was served in the Gum warehouse.

PARDON NOT APPRECIATED.

Back to Jail in Less Than a Week.

Governor Kitchin, and those people who recommended the pardon of Allen Gray, a gentleman of color of Pitt county, may feel like "thirty cents" when they learn that Gray was back in jail in less than a week after being liberated from the roads.

On Monday, 12th inst., Gray was discharged from the Pitt county convict camp, where he was serving a two years' sentence, on a pardon issued by Governor Kitchin. Saturday night Gray went into the store of Forbes & Brown in Greenville and asked to be shown some clothes. While Mr. Forbes was occupied with another customer Gray gathered up four pairs of pants, three coats, a vest and a hat and slipped out the back door of the store. Mr. Forbes soon detected the theft and went at once to have a warrant issued for Gray.

In the meantime Gray had hid the plunder in the back lot and walked in the rear door of the Central Mercantile Company. Here he picked up a pair of shoes from the counter and walking up to the front of the store told Mr. Davenport he had purchased the shoes there earlier in the day and wanted to exchange them. One of the employes of the store who saw Gray come in and pick up the shoes gave the trick away. Gray slipped out the back way again and Mr. Davenport also went to have a warrant issued for him.

Gray gathered up the plunder he had hid and made tracks for the river bridge, but officers were quick enough to prevent him getting away. Deputy Sheriff Tucker and Detective Hines had gone to the bridge in advance, and Policeman Clark kept close on the trail of the negro. First thing Gray knew he was hemmed in between the officers on the bridge and he was brought back to jail. All the stolen goods were recovered.

BARACA CLASS.

Of Memorial Baptist Church.

A large attendance greeted President Ed. Flanagan and teacher Dr. J. W. Bryan Sunday, 80 being present. It is indeed an inspiring sight to look into this class room and see so many bright young men as they are gathered together to study the word of God and receiving spiritual training that will guide them through life. Young men who some day not far distant must take up the work of guiding the uprising generation in the walks of a higher and nobler life.

The class was treated to an excellent presentation of the lesson. Dr. Bryan was at his best and made one of those telling talks that draw men to hear him.

It was announced that the round trip fare to Asheville to the National Baraca meeting on the 19th of June would be \$11.40.

The following committees were appointed:

Executive committee, to look after the finance and general business supervision of the class: J. W. Bryan, chairman, Z. P. VanDyke and W. M. Pugh.

Social committee, to look after all social features of the class: T. R. Moore, chairman, Simon Moye and Burney Warren.

Hustler's committee, on attendance, membership and punctuality: E. T. Blackturn, Z. P. VanDyke, W. J. Peel, E. H. Thomas, J. J. Harrington, J. R. Hutchings, Jr., C. B. Whichard, Z. T. Broughton, Jr., Will Lipscomb, Percy Forbes and J. L. Davenport.

This class is doing a noble work in Greenville and all are cordially invited to join in this great work. J. R. Hutchings, Class Reporter.

The farmers have commenced setting out tobacco plants. Corn is coming up nicely.

The Black Jack Debating Society had their regular debate Thursday night. The query was ably discussed by the young men, the judges deciding in favor of the affirmative. We will meet again Friday night and debate this query: "Resolved, that women should have the right of suffrage". All cordially invited to come out and hear the debate. We hope to have a large crowd present.

SAND-CLAY ROADS

Dr. T. H. Faulkner Writes of the Sand Clay Road that has Been Constructed near Greenville.

While over at Greenville yesterday I had the pleasure of driving over a portion of the new sand-clay road recently constructed there and was very favorably impressed with it.

The road runs out from the city two or three miles.

It is a scientifically built road as will be immediately apparent to any one, not a conglomerate admixture of clay and sand such as many of us have seen in crude attempts to build such a road without the necessary technical knowledge.

It was built with convict labor, under the supervision of a government expert sent there for the purpose.

The experience in building the short stretch of road has qualified the local authorities to now proceed in an orderly manner in constructing additional roads without unusual expense.

The road compares favorably with macadam as to smoothness of surface. As to its durability compared with macadam I can not say.

The Pitt county authorities are now preparing for a ten miles road of this construction in an opposite direction from the one already built, so I was told yesterday.

Those people are highly elated over the success of the stretch of road already built and take pride in showing it to strangers. Why can't something be done for Lenoir county in this line? We need better roads I think.

President Taft does not seem to have much opinion of Populists, but there are many who used that class as stepping-stones to what they got.

A dispatch from Richmond says with ninety odd of the one hundred counties in Virginia already dry, it is only a matter of a short while before that State gets in the prohibition column. Richmond, Newport News, Portsmouth, Norfolk and Petersburg are the only cities left in the State that have licensed saloons, and the anti-saloon forces are preparing to attack these. With Virginia dry it will be much easier to enforce prohibition in North Carolina. We hope the day will not be far distant when the prohibition sentiment will sweep every State in the Union.

 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

motorman's wife ran out with a basket of dinner for her husband. As he leaned from the car platform to receive the basket, the motorman greeted his wife with "Hello Sweetheart!" Her pleasure was gladly evinced by a smile and a hastily thrown kiss over her shoulder as she tripped back to the porch. The sunshine of the incident pervaded the whole car, and even the staidest passengers smiled their approval. We venture the prophecy, there is a happy home, and that motorman has the choicest bits that can be prepared by dainty hands. We can almost hear the little wife's heart beat with a song of joy all day long, just for that cheery "Hello, Sweetheart!"

But, you may say, what is that to me? Oh, well, we don't know, but we have seen and heard so much of the other kind of greeting that the practice of this method might be a new idea to some of you. May all of us who have wives try the "Hello, Sweetheart" method and see if the world, our world at least, is not the brighter and sweeter for it.—Durham Sun.

The officers of the State League of Local Building and Loan Associations are arranging for the annual meeting to be held at Raleigh. The date is not yet fixed, but probably will be some time in June. Mr. S. Wittkowsky is president of the State League and Mr. E. L. Keesler is secretary. It is expected that the meeting this year will be a large one. There are more than 100 local building and loan associations in the State, twenty four of which are members of the State League. Practically all the big building and loan associations belong to the league, which represents 65 per cent. of the building and loan interest in the State.—Real Estate Record.

We have been suspecting that the North Carolina brand of office-seeker is among the worst. Dispatches from Washington confirm our suspicion as it is stated that while President Taft has made many appointments to important positions since he has been in office he has not been so pestered about any of them as he has been about the judgeship for the Eastern district of North Carolina. North Carolina is said to be noted for its conservatism but its office-seeking contingent is strictly progressive.—Greensboro Telegram.

THE SPARKS SHOW.

Here Today for Two Performances.

John H. Sparks shows, the great amusement aggregation, arrived here from New Bern at 6 o'clock this morning over the Norfolk & Southern road, and the work of unloading and transferring to the Munford park, where the tents are spread, began at once.

Circus day is always a notable day, and brings people out when nothing else will. Before the circus train arrived this morning many had already gathered at the depot to wait for it. There is always interest about unloading and putting up a circus, and the people do not want to miss any part of it.

Sparks show is not the largest in the world, but it is in the lead for excellence, and those who see it today will get more than the worth of their money. There will be two performances, at 2 and 8 o'clock p. m. and the price is only 35 cents. If you want to see a real good circus, this one gives you an opportunity.

"The Californian" in the opera house tonight is going to be something worth seeing.
