NO TIME FOR A CHANGE.

Mr. Whedbee Should Succeed Himself as Mayor.

Some who are opposing the re-election of Mr. H. W. Whedbee for mayor are circulating the report that he will not serve again at the present salary—\$30 per month. To set this at rest The Reflector called on Mr. Whedbee today, and he says he has made no such statement. The fixing of the salary of mayor is in the hands of the Board of Aldermen, and if he is re-elected he will serve the town faithfully at whatever salary the aldermen may name, even though it be at personal sacrifice to himself.

In this connection it is well known that during Mr. Whedbee's administration he has saved the town in legal services more than the amount of his salary. To make a change now and put an incompetent man in the office will mean injury and loss to the town. His experience in the office, and the present condition of the town's financial affairs make it all the more important that a man of his wisdom be retained.

Mr. Whedbee is not an office seeker, and is making no effort to get the place, but every citizen of the town should go to the primary tomorrow and see that he is nominated.

Gem Theatre

The program tonight at this popular little play-house is one of the best the management has been able to secure, in fact the entire week will be devoted exclusively to pictures only of the highest class. On tomorrow night the performance will be for the benefit of Bryan Grimes Drum Corps. This is an excellent organization and worthy of support. Plenty of fans will be installed insuring a clean, cool house, and in addition to the usual program of pictures illustrated songs and a cornet duet by two of Greenville's most popular young men will be rendered. You can't afford to miss the performance at the Gem tonight.

N. & S. Sunday Train.

Beginning next Sunday the Norfolk & Southern will run through trains on Sundays from Raleigh to Morehead City and Beaufort. The train will leave Raleigh at 6 a. m., passing Greenville at 9:17 and reach Beaufort about noon. Returning it will leave Beaufort at 5:15 p. m., giving some over five hours at the seaside.

STATE NEWS.

Happenings of Interest in North Carolina.

Elkin, May 28.—The Chatham Manufacturing Company today shipped 18 solid cars of blankets to different places in the United States, about half of them going to Chicago and St. Louis, from which points they will be distributed to different cities on the Pacific slope. The other half goes to Baltimore, Philadelphia and New York. Each car contained 1,100 pairs of blankets which made a grand total of 19,800 pairs or 39,600 single blankets. At \$4 a pair, which is rather under the average, it amounts to \$79,200 for this one shipment.

Goldsboro, May 29.—One of the saddest tragedies in the history of Goldsboro occurred today when William Humphrey, a young white man about 21 years of age, committed suicide by shooting himself through the head with a pistol.

Boone, May 28.—Mr. Ranson Coffey, an aged citizen of Blue Ridge township, was found dead yesterday near the roadside on the head of the Elk. He had been visiting some of his relatives at this place and had started on his return home. A Mr. Triplett, noticing a strange mule in his field, went to turn it outside and recognized it as Mr. Coffey's. Thinking strange of the animal having the saddle on he told his wife to go to one of the neighbor's and inquire if they had seen anything of the old gentleman while he went to ask another neighbor. On her way Mrs. Triplett came upon the old man sitting in a fence corner dead. The coroner was called and the verdict of the jury was that he died of heart failure.

Shipped Their Machines.

Messrs. J. L. Wooten and E. G. Flanagan returned from New York Saturday evening where they had been to purchase automobiles. They each bought a machine and had intended taking the trip back home in them, but upon reaching Philadelphia it was found that such delay would be caused by having to obtain tourist licenses from the capital of the State before they could pass through that the machines were shipped from that point and they came on home by rail.

Revival to Begin.

Rev. E. L. St. Claire, of Edison, Georgia, will commence a series of meetings in Free Will Baptist church Thursday night. Subject "Sin." Rev. St. Claire is a great evangelist and lecturer and it will be a treat for all who hear him. He is an eloquent speaker and much can be learned from his excellent sermons. Don't fail to hear him Thursday night. Everybody cordially invited.

Died.

Mr. James Hyman died Sunday morning at the home of his father, Mr. David Hyman, in Carolina township. He was about 40 years of age and had long been a sufferer from consumption. He leaves a widow but no children.

Marriage Licenses.

Register of Deeds W. M. Moore has issued the following licenses since last report:

J. K. Cobb and Mae E. Brooks.

THE SLOGAN CONTEST.

Committee Will Have a Long List to Select From.

The time for making suggestions for a slogan for Greenville, in competition for the \$3 Parker fountain pen offered by The Reflector for the best suggestion, will expire with today. After the last evening mail is in all the slogans will be turned over to the committee—Mayor H. W. Whedbee, Postmaster R. C. Flanagan and Mr. H. A. White—and these gentlemen will determine which one is best as an advertising slogan for Greenville, and the pen will be awarded according to their decision.

To give an idea of the interest this matter has awakened, we will say that a large number of suggestions have been received. They have come from various parts of the State, and some from beyond our borders. After the decision of the committee is rendered The Reflector will publish all of the suggestions that our readers may see them, giving special prominence to the one selected as Greenville's slogan. Then we want to see every citizen take up the slogan and put in some good licks for Greenville.

Good Work of Greenville Agency.

The Greenville agency for the Mutual Life Insurance Co. of New York, leads the State in business written in May, C. L. Wilkinson, of this agency, having written \$81,000 which heads the lists of the agents of the entire State. Mr. Wilkinson says this is easy done, as the liberal conditions of the old Mutual Life appeals to the people taking sound insurance. Mr. Wilkinson is receiving many letters of congratulations from different agencies of the State.

During the month of June there will be a contest between the State agencies of North Carolina and Virginia to see which can turn in the most insurance. District Manager H. B. Harriss says if other local agents do as well as he and Mr. Wilkinson are going to do he is sure North Carolina will lead in this contest. 5 31 1td 1tw

Church Benefit.

Beginning Monday and continuing through to Saturday June 5th, the moving pictures in Masonic opera house will be run for the benefit of the Episcopal and Baptist churches. The pictures for tonight are A Fighting Chance, a very thrilling little love story of a beautiful Western girl, showing the beautiful Western country and life. The Prince and Dwarf one of the finest hand painted pictures that has ever been produced. A Foxie Husband, showing a very clever trick played on the old lady by hubby. Be sure to send the children to the afternoon performance at 4:30 every day. We will show the beautiful picture, The Star of Bethlehem today.

Dress Parade.

The Bryan Grimes Drum Corps will have a dress parade on Evans street Tuesday evening at 8 o'clock. Capt. Lipscomb says the boys are in good trim and will make a fine showing.

The Bryan Grimes Drum Corps and the Boys' Brigade will both have practices tonight, the former at Center Brick warehouse and the latter at Star warehouse.

TO THE VOTERS.

Some Things You Should Consider.

Remember the primary for mayor tomorrow from two to eight-thirty p. m. Every citizen should vote and see that the best man is nominated.

Is it true that a certain element in our town is opposed to the present mayor and certain aldermen to be elected for the reason that they have attempted to vigorously enforce the prohibition law and endeavor to detect all violators? If so then the good law abiding citizens of the town should bestir themselves and see that the present efficient officers are overwhelmingly nominated and elected.

What was the purpose of the secret political meeting in Haskett's store in South Greenville Saturday night? Those citizens of the town of Greenville who fail to attend the primaries and vote for the very best man tomorrow for mayor and Friday night for aldermen should not complain hereafter if the management of the town finances and affairs are unsatisfactory to them. Greenville needs the best government possible just at this time.

City politics will have the right of way this week.

The crop of June poor people will be as large as usual. Tax listing time, you know.

The Durham Herald thinks if the country ever gets tariff reform it will have to look to a new party.

The month of May gave us only one new enterprise to record for Greenville—an automobile garage. Let us hope the month of June will do better.

Charlotte has evidently set about to break up the near beer selling in that city. The aldermen have levied a license tax of \$1,000 per year for selling the stuff.

The strike on the Georgia Railroad has come to an end and trains are running again. The differences with the engineers have been submitted to arbitration.

Either several of the Democratic senators and congressmen are wrong in their views on the tariff, or the Democratic platform is wrong on that question. The way these senators and congressmen are speaking and voting is much at variance with the declarations of the platform.

The Reflector has tried to warn the people of Greenville against making a mistake in the nomination of a candidate for mayor at Tuesday's primary. We understand that there is a movement on foot which, if it should prove successful, would not reflect any credit upon the town and might prove a hindrance to progress that all would regret. Again we remind you to be careful for whom you vote.

Mileage Regulation Upheld by Hines

Upon the request of the Georgia State Railroad Commission, Special Attorney James K. Hines has given an interesting opinion in regard to the complaints made by the traveling public as to the exchange of mileage book coupons for straight tickets at railway agencies. Attorney Hines holds that the railroads' regulation for the presentation and exchange of coupons for mileage is entirely reasonable.

Attorney Hines was asked by the commission to furnish an opinion upon [the right of a common carrier to expel a passenger, who had failed to comply with its regulation, requiring the exchange of mileage coupons for a ticket.

Attorney Hines says that carriers of passengers may eject from their conveyances all persons refusing to comply with reasonable regulations. He says that the present mileage books arrangement is reasonable, be-

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. cause the purchaser enters into a contract with the railway company selling the mileage book. One of the terms of the contract is that coupons from these mileage books will not be honored on trains except at non-agency points or at station agencies not open for the sale of the tickets.

The purchaser, says Attorney Hines, gets a reduced rate and he is bound by the terms of the special contract. He says in conclusion that the arrangement has already been submitted to and approved by the State Railroad Commission.—Atlanta Journal, May 8th, 1909.

DEMOCRATIC PRIMARIES.

To Select a Candidate for Mayor for Greenville.

The General Assembly of North Carolina at its recent session, having so amended the charter of the town of Greenville, as to provide for the election of the mayor of said town by a direct vote of the people, instead of by the board of aldermen elect, as heretofore provided, and the duty having devolved upon the undersigned as chairmen of the various ward executive committees of the town to provide some means for the nomination of a candidate for said office, to be voted for at the election to be held on the 7th day of June, 1909;

At a meeting of the various committees from the several wards held this day, it was ordered, that a voting primary be held at the court house by L. W. Lawrence and R. Hyman, on Tuesday, June 1st, 1909, from 2 p. m. to 8:30 p. m., at which any person who shall be legally entitled to vote at said election for mayor and alderman to be held on June 7th, 1909, shall be entitled to participate and vote for the person whom he favors for nomination for mayor.

It was also further ordered, that the usual primaries be held in the various wards of said town for nomination of aldermen, on Friday June 4th, 1909, at 8:30 p. m., at the following places:
 1st Ward—Mayor's office.
 2nd Ward—Court House.
 3rd Ward—Centre Brick Warehouse.
 4th Ward—Parham's Warehouse.
 5th Ward—Star Warehouse.

Why **RALSTON SHOES** are non-wrinkling

As you have probably noticed, most shoes have a tendency to wrinkle and "bunch up" across the toes after the shoes have been worn a few times. This is the fault of the lasting (the process of pulling and stretching the leather over the wooden last.)

The RALSTON method has remedied this fault. Ralston vamps are first crimped (see illustration) then lasted. There are no bunches, no wrinkles, because every part of the vamp fits the last perfectly without straining the leather at any point. This adds to the wear of the shoe. It also explains the reason why Ralstons retain their smart appearance until worn out.

There are other unusual features of RALSTON SHOE construction which will appeal to you. Come in and look over our new styles.

TAKE IT IN TIME.

Waiting doesn't pay. If you neglect the aching back, Urinary troubles, diabetes, surely follow. Doan's Kidney Pills relieve backache, Cure every kidney ill. Greenville citizens endorse them.

Mrs. J. S. Stokes, Twelfth and Evans Sts., Greenville, N. C., says: "For some time I suffered severely from kidney and bladder complaint. My kidneys were weak and the irregular passages of the secretions caused me great annoyance. I also had bearing-down pains through my abdomen and sharp, shooting twinges through my loins. There was a tender spot across my kidneys and at times my limbs pained intensely. I finally read of Doan's Kidney Pills and was so much impressed that I procured them at Wooten's drug store. They soon relieved the pains in my sides and limbs, restored my kidneys to a normal condition and at present I am feeling a great deal better in every way. I give Doan's Kidney Pills the credit for the great improvement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
