## WINTERVILLE ITEMS.

Newsp Notes From Our Hustling Neighbor.

Winterville, N. C. Sept. 22, 1909.

I. A. Baker, of Shelmerdine, spent Friday here. Mr. Baker is a former student of W. H. S. and has many friends here.

Miss Lizzie Cox spent Sunday at her home near Shelmerdine.

Miss Annie Flowers spent Sunday with relatives in Ayden.

M. G. Bryan has returned from Zebulon.

H. T. Oglesby and family returned from Norfolk Monday night.

I am representing to oldest and strongest fire and life insurance companies in America. Office in bank building.—J. S. Ross.

Mrs. Mack Ellis and Miss Hattie Hartfield, of Kinston, are visiting Mrs. Pattie Sutton.

Miss Ethel May Carroll left this morning for Colerain, where she will teach again this session.

The young men of the school have organized a Y. M. C. A. and elected the following officers:

L. G. Whitley, president, H. G. Cox, vice president, J. A. Worley, secretary, Roy Causey, marshal.

This section has a right to be proud of its school for its moral influences as well as its excellent literary training.

Rev. T. H. King filled his regular appointment at the Baptist church Sunday morning and night. Both sermons were especially good. Though a young man, Mr. King is easily one of the best preachers in the State.

Miss Lilly Owens spent Sunday in the country with Miss Rosalie Dail.

Mr. Willingham, who "will treat you right," was in town Monday.

Newton Taylor and Elmer Gardner, of Ayden, were in town yesterday.

Cotton is selling fine now. Some of our farmers are using their heads and waiting for fifteen cents. These are the wise ones.

B. D. Forest, who for a number of years has been employed in the store of A. W. Ange & Co. and easily one of the best salesmen in the county, has accepted a position with the Pitt County Oil Co. He informs us that most of his work will be on the road, buying seed and selling hulls and meal. Mr. Forest is well known by all the farmers of this section as a young man of much energy and business ability, and we feel that it will be a pleasure to them to learn of their future relations with him. We congratulate the company upon securing his service.

## Excursion to Norfolk.

Moore & Bros. excursion over the Norfolk & Southern road from Walstonburg to Norfolk, passed here about nine o'clock this morning. Including those who went from Greenville there were about a hundred people on board when the train left here. Passengers were taken on at all stations as far as Pinetown, so there may have been enough to keep the excursion from proving a loss to the promoters.

## Show Did Not Come.

The company that was billed to present "The Final Settlement" in the opera house here Tuesday night, must have had a final settlement enroute, as they did not come to time. It is reported that the company disbanded a few days ago.

## CAROLINA CLUB.

An Organization That Should Have the Support of Our Citizens.

Carolina Club had a very enthusiastic meeting Monday night, the best for some months, and now the outlook for the club is very much brighter. Recently there were rumors that the club might disband, but such a course would be a misfortune to the town, and we are glad that renewed interest is being shown. There are a number of good citizens who should connect themselves with the club and give it their support, for it is an organization that does much to promote the interests of the community.

The present officers and members of the club are as follows:

Dr. D. L. James, president, W. L. Hall, vice president, W. S. Atkins, secretary, A. J. Moore, treasurer, Dr. E. A. Moye, R. Williams, D. M. Clark, O. C. Gregory, Jesse Speight and J. E. Gates, board of governors.

Members—W. S. Atkins, P. T. Anthony, H. D. Bateman, F. H. Beaton, W. L. Best, C. E. Bradley, R. L. Carr, J. B. Cherry, R. J. Cobb, W. H. Dail, J. W. Ferrell, G. G. Fineman, E. G. Flanagan, J. L. Fleming, F. D. Foxhall, S. E. Gates, O. C. Gregory, W. L. Hall, R. J. Howard, J. B. Higgs, W. E. Hooker, T. M. Hooker, J. N. Hart, D. L. James, F. G. Janes, R. O. Jeffress, J. J. Laughinghouse, C. O'H. Laughinghouse, W. T. Lipscomb, Jr., D. C. Moore, L. I. Moore, C. E. Moore, A. J. Moore, J. S. Mooring, A. M. Moseley, E. A. Moye, Jr., C. T. Munford, B. J. Pulley, M. H. Quinerly, Harry Skinner, Jr., J. I. Smith, Jesse Speight, H. B. Smith, J. L. Starkey, H. E. Sledge, W. J. Turnage, C. R. Townsend, M. L. Turnage, R. A. Tyson, Jr., C. C. Vines, H. W. Whedbee, H. A. White, S. T. White, C. M. Warren, Eugene Wilson, Richard Williams, C. L. Wilkinson, G. J. Woodward, D. J. Whichard, A. T. Moore.

## GRIMESLAND ITEMS.

Our little town is on a boom now, as to the high prices of cotton and tobacco, and the good rain that fell last Saturday.

Miss Della Toppins, of Jamesville, is spending this week with Mrs. J. O. Proctor.

Our school opened Monday with an attendance of 45 pupils. Miss Ruth Gorden, of Chatam Va., and Miss Addie Johnston, of Greenville, are teachers for this year. We welcome the young ladies to our town and hope that they will make great success in teaching our school. Mrs. W. E. Proctor and little son, John, spent Sunday in Winterville.

Greenville and other places were well represented at the yearly meeting at Tyson's on last Sunday and the people of the neighborhood were well prepared to feed all the visitors. There was a large crowd.

Rev. Jesse Moore, of Wilson, filled Rev. Mr. Crumpler's appointment at Smith's school house Sunday and preached excellent sermons morning and night. He returned to Wilson Monday morning.

Mr. and Mrs. Mills Smith spent Sunday evening at B. P. Willoughby's near Farmville.

Miss Mary Anderson, of Marlton, spent Saturday night and Sunday at C. E. McLawhon's.

We had a very nice shower Saturday morning and a very big rain in the evening. There was also some rain Monday and much cooler weather which makes it a great deal more pleasant.

Miss Mattie Little, who has been spending several weeks with relatives and friends in our community, returned yesterday morning to her home in Wilson.

Mrs. Pattie F. Smith went to B. P. Willoughby's Saturday morning to return Sunday evening, but we hear that she was sick in bed and was not able to come home. We hope she will soon be well again.

Our Greenville, yours if you come.

## STATE NEWS.

Happenings of Interest in North Carolina.

This morning at Troy a negro man was killed by the Asheboro and Aberdeen train. The negro jumped from the Durham and Charlotte engine to the A. & A. track and was stuck by the engine of the latter road, killing him almost instantly.—High Point Enterprise.

Tarboro, Sept. 21.—Every business place on the west side of the East Carolina Railway was swept away by fire Sunday at Pinetops, which left only one place of business standing. The origin of the fire is unknown. The loss is estimated between \$40,000 and \$50,000, about 20 per cent. being covered by insurance, the places of business destroyed were those of W. E. Phillips, Walter Reason, W. H. Harrell, J. Levy, Cobb Brothers, W. L. Walston, store; R. L. Walston, livery stable, J. E. Cobb & Co., Pinetops Supply Co., J. W. Stokes. The heaviest loss was the Pinetop Supply Co.

## Masonic Opera House.

We are going to show tonight three more reels of those good pictures. As we have on hand such a large number of films, we get the very best and a long, interesting program. The pictures of Monday and Tuesday night were extremely enjoyed judging by the applause of the audience. Our patronage is good, our people are good, our pictures good. So why do you stay from a good place.

The program tonight is: "The Poor Kids" contain 1000 feet of film; "Much ado about Nothing," 500 feet; "The Mustard Plaster," 500 feet; "The Little Busy Body," 500 feet; "The Bewitched Manor House," 500 feet, colored film.

Watch the date for the "Leopard Queen." It's fine.

## Rock Hill Attacked by Mosquito Pest.

By actual count, 459,000,000 mosquitoes made Rock Hill their abiding place last week, and each fellow thinks all of them were in his house. There certainly has been a scourge of the varmints here, and there must be some local cause for the trouble, which should be located and remedied. Most people are not aware that the little pests came down the chimneys of unused fire places, but it is a fact. Open up your fireplace and you will find swarms of them. The way to get rid of the crowds you will find is to burn a newspaper in the fireplace.—The Record.

## To All People.

Webber, of Boston, Mass., a learned and godly man, and one of the greatest preachers of this country, will conduct a mission, or series of services, from Oct. 1st to Oct. 7th, at St. Paul's Episcopal church. Every person will be most welcome to any or all services. I take this method of asking all persons in our community to take part in this mission and to help make it as great a blessing as possible to all of our people. Faithfully yours, B. F. Huske.

## Quail Hatched Young Chickens:

Mr. J. A. Elledge stands sponsor for the following story: A quail and a hen laid their eggs in the same nest at the home of Mr. Tebe Watkins, near Haymeadow. The quail began to set first and as a result hatched out six bright cheerful little chicks. The little mother took to the bushes with four of her newly hatched family and is doubtless industriously scratching for them and teaching them all the arts incident to a young quail's early education. She has already, perhaps, exhibited them to the mothers of her social set, with a pardonable pride in their rapid growth, but, perhaps, some apprehensions about their obtuseness in catching on to the ways of a quail's life and habit.—Wilkesboro Patriot.

WEDNESDAY, SEP. 22, 1909.

The equinoctial storm of the last few days played much havoc in the far South. Arkansas, Mississippi, Louisiana and Texas suffered severely.

Yes, sir, we are getting down to navigation now. The latest project is a combination automobile and flying machine, provided with both wheels and wings. It proposes to spin along on the wheels where roads are good and when bad places are reached flap its wings and fly over. That's the stuff.

Peary's charge that Cook took fake observations to prove that he had been to the North Pole could just as well be turned into an intimation that it is what he did himself. The man most free with insinuating accusations against others, is in most cases giving an insight into what he would do if he was in the other fellow's place.

Gov. John A. Johnson, of Minnesota, died Tuesday morning, and in his death his State and the nation loses a good man. Governor Johnson was truly a self-made man. Beginning life amid adverse surroundings and having very meagre advantages in his youth, he worked out his own destiny, and overcoming all difficulties by his own efforts arose to prominence and received the highest honors the people of his State could bestow upon him. His death is a calamity.

Those recognized as being the more prominent physicians of the country, must either not be well up in their profession or they wilfully practice much deception on the public. During the illness of the late Mr. Harriman daily information was given out that he was rapidly improving and would soon be well. In the case of Governor Johnson, who died Tuesday morning, as late as the afternoon before he died dispatches were sent out that gave the impression that he was nowhere near death's door. We do not understand why physicians should give out such reports that are so misleading.

### Farming in Easy Chairs.

To do one's work seated in a chair, to have money in bank and in pocket, to own automobiles and trotting horses, to wear good clothes, to have plenty to eat and drink, and to see wealth in grain, vegetables and live stock accumulating, with no grievance except that laborers are few—that is the picture which Mr. Wilson, Secretary of Agriculture, draws of the Western farmer.

If the prosperity thus officially attested be real the cities and towns of this country contain millions of people who have been hopelessly deluded, for in spite of Mr. Wilson's assertions there is an unending procession from the farm to the factory. Men do not exchange abundance for

scarcity, the comfort of independence for the anxiety of dependence or the pleasure of computing profits for the pain of solving the cost-of-living problem. Accepting Mr. Wilson's statement, we must ask, not as of old, Why do people leave the farms? but, Why do not people leave the cities?—New York World.

### No Good Roads, No Progress.

Those counties which have no macadam roads and which are not joining in the general good roads movement will soon find themselves left far behind in the march of progress their neighbors are making. The good roads idea has come in this part of the country to stay. It is no sudden spurt of fancy, no fad of a day. The people who use the highways have learned the difference in results between good and bad ones and they have determined to have the former and are willing to tax themselves to secure them. Every county in the State which has not a system of macadam roads should at once form a good roads association to push the work of improving the highways. The people in those counties in which it is not done will, in time to come, regret their indifference in this matter.—Charlotte Chronicle.

### A HARD STRUGGLE.

#### Many a Greenville Citizen Finds the Struggle Hard.

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. One hundred thousand people endorse this claim.

Here is one case:

Mrs. Joseph Fly, Jr., Rose Street Rocky Mount, N. C., says: "I am pleased to testify in favor of Doan's Kidney Pills, as the results I obtained from their use proved them to be a remedy of great merit. I suffered considerably from dull, nagging back-aches and sharp pains across my loins. If I stooped, lifted or made a quick movement, the twinges were more noticeable and often it was hard for me to perform my household duties. I always felt tired and languid and was devoid of energy or ambition. Believing that the trouble arose from my kidneys, I started using Doan's Kidney Pills. They helped me at once and further use disposed of the pains in my back, regulated the passages of the kidney secretions and gave me renewed strength. I cannot say too much in favor of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Hudson-Fulton Celebration--Excursion Rate of \$18.15 Via. A. C. L. to New York and return

This historic celebration will take place from Saturday, September 25th, to Saturday, October 9th. The principal events during the first eight days will occur in greater New York and in the Hudson River opposite the city. The following week the celebration will continue at the Hudson River cities and villages from New York to Troy.

This event, commemorating the 500th Anniversary of the navigation of the Hudson River by Hendrick Hudson and the 102nd anniversary of the operation of the first steam boat by Robert Fulton, will present a spectacle on land and water, parades and illumination SUCH AS THE WORLD HAS NEVER WITNESSED.

All the great navies of the world will be abundantly represented, which with other craft, including replicas of the historic "Halfmoon" and "Clermont" will go to make up a water parade of a thousand or more vessels, and on land there will be gorgeous spectacles in floats, parades, reviews, exhibitions, decorations and a thousand and one object lessons in our 390 years progress.

Every day will be a picture of a veritable fairyland and millions of electric lights of all colors and sizes will fairly turn night into day.

## OUR PIANO WAREROOM Now Open.

WITH the exception of two makes which have not reached us yet, the most of the makes which we intend to handle are now on our floor, next to Carr & Atkins Hardware Co. The grandest display ever shown. In this magnificent group of pianos can be seen, the artistic Lester. This strictly high grade piano is used in the leading Conservatories of the U. S., among them in the New England Conservatory, Boston, largest musical institution in the U. S. The East Carolina Teachers' Training School, Greenville, N. C., has also equipped its music departments with these famous instruments. The renowned Henry and S. G. Lindeman Pianos, this concern is one of the most noted of the pioneers in the piano industry in this country. Of this piano we quote from the music trades:

"Mr. Henry Lindeman is considered to be one of the few really scientific and expert piano makers we have living today. He is also recognized as an expert scale drawer and his reputation for developing the same is second to none in the trade. He stands pre-eminent as a maker of scales of

pianos." Six other makes are all standard and legitimate. Among those "the Boudoir pianos" known as the smallest high grade, upright, ever manufactured "Nothing ever like it" A truly artistic little piano and is the artists' favorite of the little pianos. We thus quote the celebrated Madam Emma Calve: "Relative to the Boudoir Piano, which I purchased for my private use last February and used by me in my Trans-Continental Tour. I desire to say that this piano has certainly proved itself to be a little jewel. To state the whole truth, I am enthusiastic over this little piano. It possesses a quality of tone that is sweet and sympathetic, being practically well adapted to accompanying my voice, and a volume that is the equal of, if not surpassing, pianos of usual size. It is truly a wonderful little piano, and I would not dispose of mine for any consideration."

We invite the public to visit our wareroom. Are you considering the purchase of pianos, or have you one in your home on trial? Come and look at ours, and your home will be made happier and your pocket book will remain decidedly in a healthier condition. Terms to suit your convenience. Come and listen to the Lindeman, Lester, Milton and Bjure Bros. Player-pianos. Daily recitals.
