Several Interesting Matters Discussed at Wednesday Session.

The Wednesday morning session began at 9 o'clock with devotional exercises by Rev. T. B. Hill, of Louisville, Ky. Prayer by Rev. J. G. Blalock. Rev. B. F. Huske, rector of St. Paul's Episcopal church, was recognized and introduced to the association, making a brief response of greeting and good wishes.

The time, place and preacher for the next association was referred to a committee consisting of E. C. Andrews, I. C. Sledge, J. W. Robbins, E. E. Hilliard and W. H. Ragsdale.

Thursday at 4 o'clock p. m. was selected as the time for making a visit to East Carolina Teachers' Training School.

T. L. Vernon read the report on periodicals which was discussed by himself and M. L. Kesler and adopted.

Dr. L. Johnson, secretary of the State Mission Board, was recognized.

Historian T. M. Arrington presented his report which was read and adopted.

R. A. McFarland made the report on associational missions which was discussed by himself, Jesse McCarter, J. D. Hufham and L. Johnson. The report showed the great mission work that had been in the bounds of the association the past year and the need of enlarged effort. Treasurer N. Biggs stated that \$3,000 was needed to carry on the work planned for the coming year. The roll of churches was called for pledges and the first call showed \$2,633.50. It was announced that the remainder would be pledged before the association closed.

T. B. Hill, representative of the Southern Baptist Theological Seminary, spoke with much interest on the work of the seminary and the need of a larger endowment.

R. A. McFarland offered a resolution endorsing the movement to raise the endowment for the seminary which was unanimously adopted.

The following new ministers in the association were recognized, each responding briefly: J. M. Dunnaway, Wilson; J. G. Blalock, Weldon; Jesse McCarter, Farmville; J. B. Cook, Greenville; D. F. Putman, Spring Hope.

After benediction by W. G. Hall recess was taken to 2 o'clock p. m.

WEDNESDAY AFTERNOON.

The association reassembled at 2 o'clock with devotional exercises by J. G. Blalock.

The moderator was elected a delegate to the Southern Baptist Convention, and J. W. Anderson, C. F. Ellen and T. E. Powell delegates to the Baptist State Convention.

T. M. Arrington was elected a member of the State Mission Board.

The committee on new churches reported favorably on the churches at Fountain and Stantonsburg, and on motion they were admitted to the association.

C. G. Lane made the report on State missions which was discussed by himself and Drs. Johnson and Hufham.

The following resolution was adopted: "That every missionary and pastor in the association be asked to take a collec-

tion for State missions before the first of December and forward the amount to the State treasurer.

M. L. Kisler, general manager of the Thomasville Orphanage, made an interesting address on the orphanage. A collection was taken for the orphanage amounting to \$23.59.

G. E. Lineberry, educational secretary, made an address on education and told of the work being done in behalf of the different schools of the denomination.

After benediction by Dr. Dunnaway recess was taken to 7:30 p. m. Devotional exercises were conducted by J. R. Rogers.

The report on ministerial education was read by G. J. Dowell, and after discussion by himself, R. A. McFarland, Jesse McCarter, Dr. Dunnaway and J. M. Bennett, was adopted.

The report on foreign missions was presented by Dr. I. M. Mercer, of Rocky Mount. He spoke at length with much earnestness on this important work of the denomination, and was followed by J. C. Blalock, of Weldon.

The committee on new churches made a further report, recommending that the church at Pinetown be received into the association, which was adopted. Delegates from this and the two churches received at the afternoon session were asked to come forward and the moderator extended them the hand of fellowship.

Noah Biggs made a statement in regard to the church building at Farmville and asked for help in paying off the indebtedness incurred. Jesse McCarter, the Farmville pastor, and Governor Jarvis both spoke of the importance of the Farmville work, the latter making the strong point that the Baptists had never done for Pitt county what they have for some other counties, while there was no more inviting field for them than this county offered. The roll of churches was called and \$1,000 was pledged for the Farmville church.

With benediction by T. H. King a recess was taken to 9 o'clock Thursday morning.

THURSDAY MORNING.

Devotional exercises were conducted by E. C. Edwards.

J. A. Sullivan, treasurer, submitted his report which was adopted.

W. G. Hall made the report on aged ministers which was discussed by himself and Dr. Hufham, both making earnest pleas for more to be done for those who had worn themselves out in the ministry and laid the foundation for the work of their successors. Dr. Hufham brought tears to many eyes as he spoke of his own work in the past fifty years.

J. G. Blalock read the report on Sunday schools, and E. L. Middleton, secretary of the State Sunday School Board, was introduced and addressed the association on Sunday schools. He emphasized this work as the most important the church is doing, as impressions made upon the mind of the child are the ones that stick through life. He pleaded for trained men and women to carry on the Sunday school movement.

A motion was adopted to ap-

Dr. Vann's address was able and convincing. He said that Baptists stand for four things—evangelization, preservation, propagation and education. Evangelization in converting souls to God; preservation of the truths once delivered to the saints; propagation of these truths among others; educating our children to know these truths. He declared that the church and the school stand side by side in the promulgation of faith and principles.

Took Chain Gang to See Circus.

Mr. Joe McLawhorn, the kindly and humane superintendent of the chain gang, took the entire camp, which is stationed over in East Greenville, out to see the circus Wednesday afternoon, thereby giving the gang a half holiday from their strenuous labor. The writer does not believe that such an act promotes crime, just as he does not believe that brutality to convicts lessens crime; but it will serve to get more and better work from the unfortunates.

Greenville Heights.

Mr. and Mrs. E. H. Lipscomb, of Richmond, who have had much experience in selling lots there and in other cities, have come to Greenville for the purpose of pushing the sale of lots in "Greenville Heights." This is a beautiful piece of property and offers good sites to home builders. Several nice residences have already gone up there and granolithic sidewalks have been laid along the streets.

Everybody says Greenville is a growing town and is destined to be the leading town of Eastern Carolina. The coming of the Training School demonstrates this fact and shows the spirit of progressiveness of the people and many own Greenville Heights lots.

HOWE'S LONDON SHOWS.

One of the Best That Has Been to Greenville.

The large crowds that packed the tent of Howe's London Show at both the afternoon and evening performances here Wednesday, gave unstinted praise of its excellence and declared it the best that has visited Greenville. The clowns were the funniest of fun makers and filled the audience with side splitting laughter whenever they did stunts. Among the performers are some of the finest artists to be seen in any circus on the road.

The main performance began at 2 o'clock, commencing with the great entry, including the horseback riders, the animals, and the clown section. The first part of the performance consisted of spring jumps and double somersaults in air over elephants by Joe Bell, Lou Roberts, Hugh Dougherty, Franz Reed and the Nichols brothers.

This was followed by aerial work by Miss Kate Dooley, Miss Mildred Kellogg and Miss Maude Earle on swinging ladders, and the flying perch. After the aerial work the Wakhama troupe of Japanese boys have a performance of tumbling, the little Japanese boys proving very popular with young and old.

Clever trapeze stunts were then performed by Miss Emma LaTowe and Miss Mildred Kellogg, Miss LaTowe also doing difficult feats of the slack wire.

The TyBell sisters, three in number, divided honors with the Wakhama troupe, doing many startling contortions, spiral and serpentine dances while suspended by their teeth alone from a steel triangle which was revolving at a rapid rate.

The little Japanese boys made a rapid second appearance, giving an exhibition of back bending and contortion, one of the boys standing on a small block of wood and bending backward until he supported himself with his hands on the same block.

Miss LaTowe and M. Tessier gave a good exhibition of balancing while on trapeze, Mr. Tessier standing on his head on the bar while the trapeze would itself.

Franz Reed and John Smith, with Miss Earle were the equestrians, the latter couple giving exhibitions of cakewalking, dancing and other stunts with their horses. Mr. Reed rode bareback on one and then on four horses, doing a number of feats which pleased.

The TyBell family appeared later in the concert, following the main show in an exhibition of knife and hatchet throwing. Several songs, buck and wing dancing, clog dancing and monologues for main part of the concert program. Several of the Southern negroes, who accompany the show, appeared in plantation songs and jigs.

Howe's is a one ring show that gives the spectator an opportunity of seeing all that is going on, without the annoyance of trying to watch two or three rings at

the same time and only see a part of what is being done. If any one there Wednesday did not get more than the worth of his money, he is not built right to enjoy a good show.

The Reflector feels indebted to Mr. W. A. Rhodes, the clever press representative of the show. He not only came personally to the office to invite all the force and their families to the show, but showed them every courtesy possible after they got there.

Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have trifled with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only

a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

OUR PIANO WAREROOM Now Open.

WITH the exception of two makes which have not reached us yet, the most of the makes which we intend to handle are now on our floor, next to Carr & Atkins Hardware Co. The grandest display ever shown. In this magnificent group of pianos can be seen, the artistic Lester. This strictly high grade piano is used in the leading Conservatories of the U. S., among them in the New England Conservatory, Boston, largest musical institution in the U. S. The East Carolina Teachers' Training School, Greenville, N. C., has also equipped its music departments with these famous instruments. The renowned Henry and S. G. Lindeman Pianos, this concern is one of the most noted of the pioneers in the piano industry in this country. Of this piano we quote from the music trades:

"Mr. Henry Lindeman is considered to be one of the few really scientific and expert piano makers we have living today. He is also recognized as an expert scale drawer and his reputation for developing the same is second to none in the trade. He stands pre-eminent as a maker of scales of

MUSICAL

pianos." Six other makes are all standard and legitimate. Among those "the Boudoir pianos" known as the smallest high grade, upright, ever manufactured "Nothing ever like it" A truly artistic little piano and is the artists' favorite of the little pianos. We thus quote the celebrated Madam Emma Calve: "Relative to the Boudoir Piano, which I purchased for my private use last February and used by me in my Trans-Continental Tour, I desire to say that this piano has certainly proved itself to be a little jewel. To state the whole truth, I am enthusiastic over this little piano. It possesses a quality of tone that is sweet and sympathetic, being practically well adapted to accompanying my voice, and a volume that is the equal of, if not surpassing, pianos of usual size. It is truly a wonderful little piano, and I would not dispose of mine for any consideration."

We invite the public to visit our wareroom. Are you considering the purchase of pianos, or have you one in your home on trial? Come and look at ours, and your home will be made happier and your pocket book will remain decidedly in a healthier condition. Terms to suit your convenience. Come and listen to the Lindeman, Lester, Milton and Bjure Bros. Player-pianos Daily recitals.

BETHEL ITEMS

Bethel, N. C., Oct. 13, 1909.

The death angel visited our town last Friday night and took from us Mr. George Whitfield, one of our best Christian men. He was fifty years old and had been a faithful member of the Methodist church most of his life. Several years ago he had a severe case of typhoid fever which left him totally blind, but he has borne this affliction without a murmur. He is survived by a wife, four children a number of grand children, and a host of friends and relatives.

Rev. J. W. Autry has taken up the study of the life of The Apostle Paul in his weekly prayer meetings. It promises to be interesting as instructive and all will do well to attend.

Rev. C. A. Jones, of Scotland Neck, was a pleasant visitor in our town last week. He spent several days here last spring helping in a meeting, and every one welcomed him here again.

W. J. Roberson and Miss Arnold, and J. D. Bryan and Miss Wright went to Tarboro Monday night to see "The Lion and The Mouse."
