## ROANOKE BAPTIST ASSOCIATION.

### IN SESSION WITH GREENVILLE MEMORIAL CHURCH.

Resolution Endorsing Winterville High School—Next Meeting Goes to Spring Hope.

THURSDAY AFTERNOON.

Devotional exercises by G. J. Dowell.

The report of the treasurer of the executive committee was presented and adopted.

The orphanage report was presented and ordered embodied in the minutes without reading.

The committee on time, place and preacher for next meeting reported that the next session began Tuesday night after the second Sunday in October, 1910, at Spring Hope, Dr. I. M. Mercer to preach the introductory sermon, J. G. Blalock alternate.

T. H. King, messenger of the Neuse-Atlantic Association, was recognized and spoke in reference to the Roanoke Association co-operating with the Neuse-Atlantic Association in the joint ownership of Winterville High School.

Dr. I. M. Mercer offered the following resolution:

"This association has learned with great pleasure of the continued prosperity and usefulness of the Winterville High School, the associational school of our sister association, the Neuse-Atlantic. We heartily endorse this school as one of our very best denominational plants in the State, believing that its standards are high, its work thorough and efficient, and its moral and spiritual atmosphere most excellent.

"We lovingly and unreservedly recommend this school to our people as a place where their boys and girls can, at remarkably moderate expense, obtain excellent training, and that, under most acceptable moral and spiritual conditions.

"In response to the invitation of the Neuse-Atlantic Association to this association to become joint owners with them of the Winterville High School, we recommend that our association appoint a committee of three who shall visit the school, investigate the whole situation, receive in writing the proposition of the Neuse-Atlantic Association, and report to this body at its next session, embodying such recommendations as they may see fit.

"Resolved also, that we express our sincere appreciation of the kindly approaches of our sister association to us in this matter, and that a copy of these resolutions be conveyed to them by our clerk."

The resolution was discussed by Messrs. Middleton, Dowell, Hufham.

G. J. Dowell offered an amendment to the resolution that the committee appointed shall make the investigation and report to the union meeting in January, the pastors to bring the matter before their churches in the meantime.

Dr. Mercer was discussing the amendment when it was withdrawn, and the resolution was unanimously adopted.

## ROANOKE ASSOCIATION.

The Roanoke Association in session with Memorial Baptist church here from Tuesday evening to Thursday afternoon, was both a successful and delightful gathering of the representatives of the churches embraced in the association. Nearly every church was represented, the attendance of delegates and visitors being large, and Greenville took care of them with her accustomed hospitality. The sessions of the association were very interesting, and the reports and discussions of the various topics to be considered much enjoyed. We heard many delegates express themselves that it was the best association they ever attended. Mr. Arrington made a model moderator and handled the business well. There are a number of able ministers in the association and it was a pleasure to hear them speak. Greenville was glad to be host to such a body.

It gave The Reflector pleasure to see Mr. E. E. Hilliard, former editor of the Scotland Neck Commonwealth, among the delegates here at the recent association. He had to give up his paper some months ago because of failing health and impaired eye sight, and while we are glad that his health has been regained, it is to be regretted that the condition of his eyes is such that he cannot read, therefore is unable to again take up newspaper work in which he rendered his section and State valuable service. He is now engaged in farming.

Greenville made a good impression on the many visitors here this week, and did herself proud in entertaining them. It was indeed gratifying to hear the many expressions of praise for our paved streets, pretty homes, splendid churches, the training school, cordiality of the people, and other things that impressed the visitors. Greenville always does the right thing.

Storms along the gulf of Mexico the past week have done great damage. Along the southern coast of Florida it was especially severe, millions of dollars worth of property being destroyed, though it is fortunate that there was very little loss of life.

### And He Wasn't Tired a Bit.

Mr. John Redfearn, a citizen of Marshville who is 80 years old, picked 117 pounds last Thursday. After completing his day's work, he went to the staking ground to perform his

usual task of carrying the cow to the house. But some one else thinking Mr. Redfearn would be tired from his day's work, had been after the cow. The old man decided that she had gotten loose and proceeded to search the fields and woods for the animal and not finding her returned to the house feeling no more worried than many young people would have felt.—Our Home.

### Our Increasing Red Men.

How many Indians were in America when the white men came nobody will ever know. The question whether red men are fewer or more numerous now than then can never be settled. A fact just established by official figures is that in the United States today are more than 800,000 Indians, where twenty years ago were about 260,000. And Canada has reported recently a gain of 10,000 in ten years.—New York World.

The girls of Radcliffe who were recently advised by a gray-haired professor to flirt a little are now exhorted by the director of physical culture to improve their muscle, with a suggestion of compulsory gymnasium work to that end.—New York World.

### A HARD STRUGGLE.

Many a Greenville Citizen Finds the Struggle Hard.

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. One hundred thousand people endorse this claim.

Here is one case:  
Mrs. Joseph Fly, Jr. Rose Street Rocky Mount, N. C., says: "I am pleased to testify in favor of Doan's Kidney Pills, as the results I obtained from their use proved them to be a remedy of great merit. I suffered considerably from dull, nagging back-aches and sharp pains across my loins. If I stooped, lifted or made a quick movement, the twinges were more noticeable and often it was hard for me to perform my household duties. I always felt tired and languid and was devoid of energy or ambition. Believing that the trouble arose from my kidneys, I started using Doan's Kidney Pills. They helped me at once and further use disposed of the pains in my back, regulated the passages of the kidney secretions and gave me renewed strength. I cannot say too much in favor of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The Bjure Bros.  
Or Lester  
Player Pianos,

In fact, with either of these Player Pianos as a companion, you have the advantage of playing the music yourself--the music you best like, and playing it in that rich, full manner, bringing out the delicate beauties of the melody which even many skilled pianists fail to develop, and this, possible with the veriest novice, without your knowing one note from another.

We will take your deaf and dumb piano in exchange.
