PRETTY MUSICIAN WEDS.

Miss Velma Tyson Rawls Bride of Edgeworth Smith.

A pretty wedding took place yesterday afternoon at Grace Protestant Episcopal Church, when Miss Velma Tyson Rawls, daughter of Mr. and Mrs. William Stowe Rawls was married to Mr. Edgeworth Smith, of New York. The ceremony was performed by Rev. Dr. Arthur Chilton Powell. The bride entered the church with her brother, Mr. William L. Rawls, by whom she was given in marriage and was met by the groom, attended by his best man, Rev. Andrew Reid Bird, of Laurel. She wore a gown of white ivory satin trimmed with duchess and point lace and embroidered in pearls, and her tulle veil was held in place by a coronet of orange blossoms, and she carried a shower bouquet of white orchids and lilies-of-the-valley. She was attended by Miss Margaret Tyson Lee, of Raleigh. N. C., as maid of honor, who wore a gown of white crepe de chine embroidered in pearls and a large white picture hat, with white willow plumes and carried a bouquet of pink roses. Her only bridesmaid, Miss Sallie Bird, cousin of the groom, wore a white lace rose dress and a large white hat with a wreath of pink roses, and carried Killarney roses. The ushers were: Mr. Arthur Mann and Mr. Schuyler B. Eddy, of New York; Mr. Gresham Macken, of Princeton, N. J.; Mr. John Booker, of Chapel Hill, N. C., and Mr. Charles Marshall, of Baltimore. There was no reception, owing to illness in the bride's family, and Mr. and Mrs. Smith left for a trip, and on their return will make their home in New York.

Mrs. Smith is a musician of considerable note and is well known in musical and social circles. She has the distinction of being one of the youngest pupils to graduate from the Peabody, and third to receive a certificate for the piano. She is quite pretty and possesses an unaffected, gracious manner that makes her popular. Mr. Smith is well-known in this city, where he is prominently connected.—Baltimore American.

Big Circus.

Barnum and Bailey's Greatest Show on Earth exhibited in Rocky Mount Thursday, and it was all that its name implies. It does not seem possible that it could be made any greater than it is. Excursions were run from all towns in reach and Rocky Mount never held so many people before. The circus tent is said to seat 15,000 people, and it was full.

Jones-Whitehurst.

At 4 o'clock Thursday after noon, at Hotel Macon, Mr. R. M. Jones, aged 66 and Mrs. Henrietta Whitehurst, aged 61, both of Bethel township, were married by Justice C. D. Rountree. The couple came to Greenville on the 1.12 train and after the ceremony remained here at the hotel until today.

Services Conclude Tonight.

The services which have been held this week in the Presbyterian church by Rev. G. W. Belk, Synodical evangelist, will conclude tonight. The services have been very interesting and our people have enjoyed Mr. Belk's splendid sermons.

FEDERAL COURT AT NEWBERN

Pitt County is Well Represented There.

New Bern, N. C., Oct. 21.—Pitt county has a large representation at the term of Federal court being held here this week, Pitt people being among the attorneys, jurors, witnesses and defendants. R. L. Davis and J. B. Tucker are on the grand jury, and J. D. Cox, W. F. Hart and a Mr. Tucker on the petit jury.

Only one case from Pitt (the counterfeiters) has been tried so far, and in this Norwood Adams, Jesse Adams, John Adams and Robert Sugg were all found guilty. Sentence had not been passed on them at this writing. In point of attendance it is the biggest Federal court on record at this place, and the term will continue next week.

James City, the negro settlement across Trent river from New Bern, had a big fire today. More than twenty buildings were destroyed.

Dr. Charles Laughinghouse, F. M. Wooten and J. L. Wooten went to Washington Thursday night to attend the waterways meeting.

Suppressing the Jingo.

T. P. O'Connor proposed at the international press conference that every editor who wrote a bellicose article should be put in the first fighting rank in the event of war. Bismarck was also of opinion that those stirring up strife between nations should be punished. "I have a lovely idea in connection with the conclusion of peace," he remarked on Oct. 14, 1870, according to his faithful chronicler, Busch. "It is to appoint an international court for the trial of all those who have instigated the war—newspaper writers, deputies, senators and ministers. Each of the great powers should appoint an equal number of judges—America, England, Russia and so forth, and we should be prosecutors."—London Chronicle.

Water Ways Convention.

Representatives from Beaufort, Morehead, New Bern, Greenville, Edenton and Elizabeth City met with a number of Washington citizens in Washington on the 21st inst. and discussed with Congressmen Small and Thomas plans to have a large number of delegates from Eastern North Carolina attend the Atlantic Deep Waterways convention to be held in Norfolk on Nov. 17th to 20th. Plans were made to have the delegates of this section meet in Elizabeth City on Nov. 16th and from there go through the canal by boat to Norfolk. Both Congressmen Small and Thomas are of the opinion that such plan will be effective in emphasizing the importance of this inland waterway to all the people and especially to Eastern North Carolina.

A Lady Washington Stamp.

It is expected that the picture of Martha Washington will appear on one of the new postage stamps, a number of prominent members of the Daughters of the American Revolution having asked the postoffice department to take such action as will make this possible. The point taken is, that it would be an appropriate recognition of the women of the United States and would enhance the esthetic value of the stamps.

AYDEN ITEMS.

Newsy Notes From a Hustling Town Briefly Told.

Ayden, N. C., Oct. 21, 1909.

Mrs. M. M. Sauls and little daughter returned Thursday night from a trip to Richmond. We are all glad to see Mrs. Sauls return.

Misses Olivia Berry and Eva May Ferebee left Wednesday for Camden.

Mrs. C. L. Cannon left Wednesday for Hertford, where she will join her husband.

Miss Florence Blount left this morning for Grifton.

Ed. Tripp spent a part of Thursday evening in Greenville.

Quite a number of our Ayden people are attending the State fair this week.

Mrs. E. A. Mallison, of Washington, has been with her parents, Mr. and Mrs. J. A. Davis.

A. A. Forbes, of Greenville, was in town today.

D. D. Haskett, agent for the Progressive Farmer for Pitt county will be in Ayden on Saturday, the 23rd, soliciting subscriptions and renewals.

Mrs. J. R. Smith returned tonight from a trip to her father's, Fred McLaWhorn.

A Prophet of Good Time.

It is a good thing for the people at large that the farmers are getting their share of the general increase in wealth. The \$8,000,000,000 that they get each year amounts to only \$700 apiece when it is distributed among all the farmers and farm laborers in the country. But the per capita amount is growing and is bound to grow still more.

During the next 20 years we are going to see a great revolution in farming. Agriculture is to be more intelligent and more intense, new plants are to be introduced, a better use is to be made of the land, and an acre will produce twice as much as it now produces. The benefit of this new production should not be monopolized by the railroads, elevator companies and harvester trusts. It should go to the farmers and to the people, and it should show itself in better food, clothing and housing and in more widespread education for the great mass of us.—Success.

Y. M. C. A. Notice.

A pressing invitation is hereby given to the people of Greenville, of all professions, ministers, teachers, Sunday school workers, pupils and all interested in the betterment of the moral, social and religious conditions of the young men of the town to meet at the Christian church Sunday next, at 3 p. m. to take part and assist in the organization of a Greenville Y. M. C. A.

This meeting is simply for the purpose of organization and the arrangement of time and place for future meetings. Short addresses will be made by the ministers, teachers and others, and a great good meeting is expected.

Do not miss this great meeting. Come, take part and help to start a new era in the life of our young people.

By order of the Christian Church Baracca.

Henry T. King.

Carolina Club will have a meeting tonight at 8:30 o'clock to consider an important matter, and every member of the club should be present.

STATE NEWS.

Happenings of Interest in North Carolina.

Mr. J. W., familiarly known as "Dub" Aldridge, met a tragic death Wednesday afternoon while engaged at work near his home in Neuse township. Mr. Aldridge was hauling rails when his mule ran away with a loaded cart and dragged him under the wheels. The heavily loaded cart passing over his body crushed him so badly that he died a few hours later.—Kinston Free Press.

Torrens Land Title.

The Torrens Land Title Commission met in Raleigh yesterday in the Supreme court building and elected Mr. R. R. Cotten, of Bruce, as chairman.

There were present at the meeting Messrs. R. R. Cotten, of Bruce; George W. Connor, of Wilson; T. M. Pittman, of Anderson, and W. R. Land, of Greensboro, the only absentee.

Mr. R. A. Crowell, of Albemarle.

The meeting was a preliminary one, and at it there was a general discussion of the land title system, and it was arranged to hold the next meeting in December, the date to be set by the chairman. In the meantime the members will investigate the Torrens Land Title system.—Raleigh News & Observer.

Should Be Called Criminal.

"An operation for appendicitis should be called a criminal operation and as such should be prohibited by law," declares Dr. Charles E. Page, one of the best known Boston physicians.

"I have been following the records of appendicitis operations ever since the craze of this form of surgery started," says Dr. Page, "and I confidently believe the day is coming when the people will realize that the cutting of the appendix is a criminal operation."

"As for the widely proclaimed benefits and saving of life by operations to cut the appendix, it seems hardly necessary to cite the long list of deaths following the operation."

Bring in Your Votes.

Saturday's paper will contain the standing of the votes in The Reflector piano contest. The candidates who want their votes published should bring or send them to the office by noon. It is not too late to enter the contest, as no one is so far ahead that their lead cannot be caught up with by good work. The beautiful piano to be given away is a prize worth striving for.

Elder Sylvester Hassell will preach in the court house Sunday night. All are cordially invited to hear him.

At The Pastime Theatre.

C. A. Payne has got everything in readiness in store formerly occupied by the post office for the opening of his new motion picture theatre tonight. The building has a very pretty appearance on the outside and on the inside the large, commodious room is very tastily furnished for the purpose for which it is to be used. Mr. Payne says he has a good program for tonight and wants everybody to come and see it. He is to have the same film service and machine used in the opera house the past few months, which insures a high standard show.

Oh, You Science.

'It belongs to the family of newly discovered maladies. In order to explain more fully we will tell of a conversation we heard once. A school boy was asked to spell stove-pipe. He began, 'S-t-o-v-e, Stove, P-i-p-e, Pipe, Stove Pipe, Stewidity, Stewidity.' Being asked what the 'stewidity stewidity' meant, he replied, 'that's the elbow.'

'Squintum' is a disease that the fellow who travels in the airship has in place of the hook worm he would have had if he had gone barefooted on the ground.—Burlington News.

Velvet Beans.

Mr. R. J. Cobb brought in some velvet beans that were grown on his farm a few miles from town. The beans are quite a novelty and odd looking. They are not good for food, but are valuable as a shade and cover crop, greatly improving the land where planted and turned in. The vine is a thrifty grower and produces bountifully.

MODERN HOTELS HELP.

When Governor Jarvis was speaking before the Chamber of Commerce at the meeting last Tuesday night, in mentioning some of Greenville's needs he said that the town was now in need of nothing more than a modern hotel, one in keeping with the growth of the town and large enough to accommodate the people who come here. In this particular we cannot help but feel a little envious of Rocky Mount, though at the same time we congratulate that town upon what it has done in the hotel line. The Ricks Hotel there, which was completed a few months ago, is the best and handsomest hotel in Eastern North Carolina, and would do credit to a city of considerable size. It is a modernly constructed brick building of three stories and basement, and has seventy-five bed rooms with convenient baths. It is equipped with elevators, ice plant and cold storage, heating plant, and everything for comfort and convenience. Mr. T. L. Bland, a Pitt county boy, is proprietor, and is conducting the hotel with great success. He tells us that since he opened the Ricks Hotel the hotel patronage of Rocky Mount has increased fifty percent. This shows what good hotels will do for a town, and The Reflector wishes that Greenville had one like it. We hope the time is not far distant when some of our property owners will move in that direction.

The faculty of East Carolina Teachers Training School have adopted Monday instead of Saturday for a weekly holiday, and the students will have their regular program of work on Saturdays. The Reflector believes this change a good one.

If men elected to office would always fill out their terms, the appointing power would have less trouble.

Hearst seems possessed of the idea that the way to reform New York City is to make him mayor.

The State fair and circuses this week have taxed the carrying capacity of the railroads.

The Red Book Magazine for October, by token of its most attractive cover and the original color decorations accompanying the text, is unique among the month's new publications. Moreover the fiction offered in the issue is no less excellent than the artistic effect of the number. The first story "Svenson" by Michael Williams and Kenneth MacNichol is a splendid study of Navajo character

and points a significant moral in the problem of educating the Indian. Another story that is deeply human in its appeal is "The Dog" by John Fleming Wilson—a tale of a castaway in Hawaii. A stirring story of the secret service—"An Act of Providence"—is contributed by Mark A. Daly, and every parent will read with smiles and tears Leslie Adams' story of a little girl, "Suretogo." A story of unusual power and insight is "Rueber" by William B. MacHarg and in humorous contrast Rupert Hughes offers a philosophical love story entitled "The Most Interesting Thing in the World." Among other well known writers whose newest work appears in the issue are Maude Radford Warren, Kenneth Brown, Helene George Norton, Izola Forrester, May K. Warwick, Donald Kennicott, B. J. Daskam and Edward Boltwood. The issue opens with an especially beautiful series of art portraits and closes with a timely account of the newest metropolitan plays by Louis V. De Poe.

A HARD STRUGGLE.

Many a Greenville Citizen Finds the Struggle Hard.

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. One hundred thousand people endorse this claim.

Here is one case:
 Mrs. Joseph Fly, Jr. Rose Street Rocky Mount, N. C., says: "I am pleased to testify in favor of Doan's Kidney Pills, as the results I obtained from their use proved them to be a remedy of great merit. I suffered considerably from dull, nagging back-aches and sharp pains across my loins. If I stooped, lifted or made a quick movement, the twinges were more noticeable and often it was hard for me to perform my household duties. I always felt tired and languid and was devoid of energy or ambition. Believing that the trouble arose from my kidneys, I started using Doan's Kidney Pills. They helped me at once and further use disposed of the pains in my back, regulated the passages of the kidney secretions and gave me renewed strength. I cannot say too much in favor of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

GREENVILLE, N. CAROLINA

AN EVENING SPENT

With the most versatile pianists, could not possibly bring you more enjoyment than you, yourself could derive from either

The Lindeman
Player Piano,
The Milton,
The Bjure Bros.
Or Lester
Player Pianos,

In fact, with either of these Player Pianos as a companion, you have the advantage of playing the music yourself--the music you best like, and playing it in that rich, full manner, bringing out the delicate beauties of the melody which even many skilled pianists fail to develop, and this, possible with the veriest novice, without your knowing one note from another.

We will take your deaf and dumb piano in exchange.

SUMMER IS GONE

And now is a good time to have your summer suit nicely cleaned and pressed, so it can be put away and kept for months. It is time to bring your overcoat and have it cleaned and overhauled for winter, perhaps it needs a new collar or re lining. A little work on it may save buying a new one. I am ready to do this work for you as it ought to be done.

The Roots of Altruism.

The three eternal roots of altruistic energy are these: First, the principle of justice—that there is a moral law before which all men are equal, so that I ought to help my neighbor to his rights; second, the principle of charity—that I owe infinite tenderness to any shape or kind of man, however unworthy or useless to the same; third, the principle of free will—that I can really decide to help my neighbor and am truly disgraced if I do not do so. To this may be added the idea of a definite judgment—that is, that the action will at some time terribly matter to the helper and the helped.—G. K. Chesterton

What Did She Mean?

Harold—What did she say when you turned out the gas and kissed her?
Rupert—Said she felt as if she never wanted to see my face again.—Philadelphia Record.

New Tailored Suits

For months we have been keeping an eye on the production of the greatest garment manufacturers and style originators, both in this country and abroad, watching for the distinctive, out of the ordinary thoughts which spring up as it were, the multitude of handsome stamped out designs, which mark the display of ready-to-wear garments. We have been studying the style effects for fall at close range, too--drinking in some fashion messages of what is to be needed in woman's wearables and watching our selection of suits with first hand knowledge of your needs.

A MOST GORGEOUS DISPLAY OF FALL SHOWING

MUNFORD'S ENCHANTINGLY PRETTY WEAVES RADIANT WITH AUTUMNAL COLORS.

BEAUTIFUL AS THE MOUNTAIN SIDE when the autumn sun shines on the trees and grasses of dull Brown, Green, Blue and Gold, are the new goods for the coming season. Rich effects, every weave, which fashion has declared worth while is here at tempting prices. Many a beautiful sheen conceals a coating of lead to give weight, which causes the fabric to cut with very little wear. When you buy our goods, you buy absolutely the best our money can buy. That is why among people of this vicinity our goods have such a recognized standard. Choose the goods for the new class from our enticing values.

STYLISH CLOTHES FOR MEN.

In developing this special line we have anticipated every whim--every need of the young men who care for their dress. They are better suits than you'll find most anywhere else this season. Cut-on vigorous lines and finished with due details--those details that young men are so keen about--shown in a wide range of styles, fine, fancy Worsted and Navy Blue Serge.

BOYS' SCHOOL SUITS--TIMELY VALUES.

Our complete fall line of school clothes has arrived and when we say school clothes, we mean something more than substantial knock-about clothes. These new suits enlist the same pains-taking care of the designers as do the suits for young men, and that is saying a great deal. Why shouldn't our boys have clothes full of class and style as well as we grown up folks?

BOYS, YOUR SUITS ARE HERE!

SELLS IT CHEAPER

STYLISH MILLINERY.

For more than a decade this store's Millinery has been the premier event of the season. Each season they've grown nearer to perfection. In the great numbers, the vanity, the exclusiveness, and artistic elegance of the Hats assembled for this fall's exhibit, all our previous similar displays have been far out classed. Our Millinery Department with its magnificent settings of new fall Millinery will present a marvelously interesting and beautiful picture.

OUR OWN DESIGNERS

have had in view for the last several months the requirements of this event, and their contributions are equally praise-worthy. The prestige of this store as a style source will be immeasurably increased by the many beautiful creations and adoptions in the present exhibit. So elaborate presentation of fascinating modes has never before been attempted.
