## THANKSGIVING

### Proclamation by Governor Kitchin of North Carolina.

Governor Kitchin Wednesday issued a Thanksgiving proclamation to the people of North Carolina, following closely upon that written by the president of the United States. It reads:

"I, William W. Kitchin, governor of the State of North Carolina, do hereby appoint Thursday, the 25th day of November, 1909, a day of thanksgiving to Almighty God for the good we have received and the evil we have escaped.

"A great and prosperous people to be happy must be grateful and charitable. Therefore, let the people throughout the State assemble on that day in their accustomed places of worship and render thanks unto the Lord for his manifold blessings; and let them contribute to the relief of the poor and needy, the afflicted and the distressed, the widow and the orphan.

"In witness whereof, I have hereunto set my hand and caused the Great Seal of the State to be affixed.

"Done in the city of Raleigh this, the 17th day of November, in the year of our Lord one thousand nine hundred and nine, and of American independence the one hundred and thirty-fourth. W. W. KITCHIN.

"By the Governor:

"Alex. J. Field,  
"Private Secretary."

### Pres. Wright's Inaugural.

The editor regrets much that the press of duties prevented his attendance upon the inaugural exercises of Mr. Robert H. Wright, as president of the East Carolina Training School at Greenville last Friday. Greenville threw wide open its doors to the throng attending. The exercises were held in the auditorium of the school. Many notable addresses were delivered by leading educators of the State. President Wright's address was a splendid effort and demonstrated the wisdom of the trustees in selecting this young North Carolina educator as the head of this school which is destined to exert a powerful influence upon the educational development of Eastern Carolina. The school now has over a hundred young women who are being trained as teachers. Practically all the eastern counties are represented in its student body. The school has a strong faculty. — Snow Hill Standard Laconic.

### Sunday School Rally Day.

Next Sunday the entire services of the day at Memorial Baptist church will be devoted to the Sunday school. The regular Sunday school exercises, beginning at 9:45 o'clock, a. m., will be followed with an address by Rev. B. W. Spilman, of Kinston, at 11 o'clock. Mr. Spilman is one of the most prominent Sunday school workers in the South, a member of the International Sunday School Board, and his address will be of unusual interest. The evening service will be devoted to a special program by the Sunday school. It is intended to make Sunday a great day in the Sunday school work, and the attendance should be large at every service.

### Episcopal Bazaar.

The ladies of the Episcopal church are making great preparations for their bazaar in December. You will find everything for Christmas there.

## RESOLUTIONS OF ESTEEM.

### Hall of Sheldermine Lodge No. 298 I. O. O. F.

November, 15th, 1909.  
Noble Grand and Brothers:

Your committee appointed to draft resolution expressive of our sympathy for Brother Ernest Williams, report:

That the angel of death having again entered the family of Brother Ernest Williams and removed therefrom his brother, Mr. Jesse Williams, again reminds us that in the midst of life there is death. Therefore be it resolved,

1st. That in the death of Mr. Williams, the county loses a useful citizen.

2nd. To the home of sorrow we assure them our sincere sympathy and we commend them to God for His comfort and protection.

3rd. That these resolutions be spread upon the minutes of the lodge, a copy sent to the family and copy sent to The Reflector with request to publish.

Geo. H. Cole,  
R. B. Jennings, } Com.  
J. T. Cox.

### "The Style."

Why does a man when he becomes possessed of a \$4.50 raw-boned plug and a \$10 cart have to rein the poor crowbar up like a turtle treading water until it can't see the ground before it and goes along as if trying to read the answer to the stars? Why does a girl whom nature has given a clear and healthy complexion have to paint it until she can't wink for fear of cracking the enamel? Why does she bang her hair like a Spitz poodle and make her head look like a window mop? [And why does she wear a hat that makes her look like an overloaded pack mule?] Why, bless you, all these things are the style, and that is all that can or ought to be said about them.—Waxhaw Enterprise.

### Mrs. Sarah Dudley Passes Away.

One of Washington's oldest landmarks passed this morning in the person of Mrs. Sarah Dudley, relic of the late W. L. Dudley, at her home No. 520 West Third street.

Mrs. Dudley was stricken with paralysis last Saturday and never survived. At the time of her death she was 73 years of age. She was a woman of broad intellect and noted for circumspectness of walk. The deceased leaves four children to mourn their loss: Mrs. J. A. Dudley, Mrs. R. J. Manning, Miss Lula Dudley and Mrs. Maud Slocum, of Rochester, Pa., besides a large number of grandchildren.—Washington News, 16th.

### A Song by Victor Herbert.

A musical treat is in store for every one who is fortunate enough to secure a copy of the Victor Herbert song to be given with next Sunday's New York World. It is one of Mr. Herbert's best songs from his wonderfully successful opera, "The Rose of Algeria." The words are by Glen MacDonough, a famous writer of songs and operas. Music by arrangement with the well known music house of Charles K. Harris & Co. Words and music complete with Sunday's World.

Suffolk, Va. Nov. 17.—Miss Mattie Taylor, 22 years old, who was struck by a Norfolk and Southern train at Corapeake, N. C., died in Lakview hospital yesterday morning. Miss Taylor had been buying her wedding trousseau in Suffolk and on getting off the train in Corapeake drove across the track and was struck by a moving freight. Her body and face were terribly mangled, both arms being crushed. The young woman is a daughter of Cator Taylor, of Gates county, N. C., and was popular and pretty.

On Thanksgiving day the ladies of the Methodist church at Farmville will conduct a bazaar, serving meals both night and day.

M. D. Horton has opened a new grocery store on Main street.

There will be prayer meeting at the Baptist church Thursday night each week. All are cordially invited to attend.

Work has been resumed on the Disciples church.

A Thanksgiving service will be held at the Baptist church at 7 p. m., Nov. 25th. The collection will be for the orphanage.

It is reported that there will be a Thanksgiving dance in Farmville. Which will have the largest number to give thanks, the devil, by those who attend the dance, or God, by those who attend Divine services and make an offering to God for the Orphanage?—Which?

### Resolutions of Sympathy.

Whereas, the Great Spirit has again entered the family circle of a worthy brother, S. T. White, G. S., of our tribe, and taken therefrom his sister's devoted husband, therefore be it resolved,

1st That we, as members of Withlacoochee Tribe No. 35, extend to our brother and his family the sincere sympathy of our tribe.

2nd That we would commend the bereaved ones to the loving care and keeping of the Great Spirit that He will keep them through this their sad hour.

3rd That a copy of these resolutions be spread upon our minutes, a copy be sent to our brother and a copy published in The Daily Reflector.

## A Rare Opportunity.

Why the participating, non-assessable, treasury, preferred 7 per cent, stock of the United Wireless Telegraph Co., is the best and safest investment ever offered since the days of the Bell Telephone is because its system is in actual and profitable use on every coast steamship line of any prominence in the United States, operating with great profit in the Atlantic and Pacific oceans, Great Lakes, and Gulf of Mexico and is rapidly extending to foreign lines also. Its land stations completely encircle the United States from San Francisco to Kay West, including Spokane, Cleveland, Toledo, Chicago, Seattle, Detroit, Buffalo, Erie, Boston, Albany, New York City, Atlantic City, Philadelphia, Baltimore, Washington, Norfolk, Elizabeth City, Hatteras, Charleston, Savannah, Mobile, Jacksonville, New Orleans, Galveston, etc. and new stations and steamers are being equipped daily; principal North Carolina towns to have stations. It is the only wireless line transacting commercial business in the United States, Cuba, and South America; it maintains daily commercial communication between New York and Chicago, nearly 2,000 miles overland; Seattle Washington, communicates with ships at Japan, 3,623 miles away at will; tested on leading moving trains with great success; total earnings this year will reach a million dollars; English government has taken over Marconi system; coast stations in that country and opened same to steamers using this system; president of company now in London making contracts to equip large foreign lines and arranging plans for wireless communication across the Atlantic to America. There are over 10,000 islands and hundreds of cities and towns and floating craft eager for equipment. U. S. Government to compel passenger steamers equip with wireless and travelling public demand it. Three large factories behind in filling orders for necessary equipment. Over \$3,000 of this stock sold to representative business men of New Bern, and in great demand throughout the South. Stock now selling at \$35 per share (250 per cent. above par) and price advances November 25th, to \$40 per share; predicted this security will shortly enhance to a higher figure. Remember that each share of Bell Telephone stock that sold for 25 cents a share, 29 years ago has earned \$30,000 in dividends and made millionsaires out of small stockholders. Buy it for your wives, children and self and put away for future enhancement or you may lose the opportunity of a life time. Communicate at once with W. G. Boyd, Agent for Eastern N. C. ### Our Orphanages at Thanksgiving.

The orphanages of North Carolina are performing a valuable service. They deserve our interest and support. Many of our people generously contribute to the maintenance and extension of the work of institutions so worthy.

Thanksgiving Day is special "Orphans' Day" in our State.

At this season a people greatly blessed and grateful to God for His mercies express their thanks in a fitting, practical way by offerings to aid the work for needy, homeless little ones, a work for the kingdom of God.

The giver of all good is surely pleased with a spirit of gratitude in the hearts of men. And does not this method of expressing thanks meet with the approval of the wise and loving Father of the fatherless?

It is our sacred duty to help care for these children and, more than that, it is our blessed privilege.

At the Thanksgiving season, which is approaching, may even a larger number of our people unite to do greater things for this cause than ever before.

The demands upon our orphanages have increased. The cost of living has advanced. These institutions are endeavoring constantly to do a more efficient work. Their needs are greater. Our people will, we trust, join together most heartily and liberally to assist in meeting these needs.

The Greensboro News seconds The News and Observer's suggestion to call the State Normal and Industrial College at Greensboro the "McIver College," and the State Teachers' Training School at Greenville the "Jarvis College," and also suggests that the College of Agriculture and Mechanic Arts be changed to "Pullen College." Why not? The names are short and appropriate and commemorate men who gave of themselves and

### A BARNUM TRICK.

Getting His Posters into Canada Without Paying Duty.

One of P. T. Barnum's most successful feats of bamboozlement was played upon the Canadian customs authorities. The veteran showman's tours were always planned far in advance, and one winter he made up his mind to take his great circus and menagerie through Canada during the summer after the next. This gave him about two years in which to mature his plans.

One important item of a showman's expenses consists of his advertising placards, and Mr. Barnum was always lavish with these gaudy prints. He was aware that the Canadian government imposed a high duty on this class of imports, and yet he wanted to paint Canada red, yellow, blue and green with a lavishness that no showman had ever displayed in that country before.

Now, there was no printing house anywhere in Canada that could begin to turn out the kind of work that Mr. Barnum required either in size, color or finish. Nevertheless his immense posters came under the same classification as much smaller lithographs and printed colored matter did, and he knew that the Dominion custom authorities would not abate one jot of the full toll, but would rather rejoice at the opportunity to mulct the foreigner who would convey so much money out of a country.

So Barnum studied the question awhile and finally sent on at once a great lot of circus posters of the most gorgeous designs whereon yellow lions and clawed striped tigers and brown bears fought with blue hippopotamuses till gore flowed into beautiful crimson backgrounds. No agent appeared when the posters were detained by the Canadian customs officers to pay the duty. They were accordingly held for twelve months, then duly advertised for sale for three months more and finally put up at auction with a lot of other unclaimed parcels and were designated in the catalogue merely as "colored prints."

Nobody took any interest in them when the auctioneer called for a bid, and finally the whole batch was knocked down for a song to a secret agent of the circus who had been sent up by Mr. Barnum for that express purpose.

### Rewarded.

"Janet," said an eminent scientist to his cook, "you have now been twenty years in my service, and as a reward for your fidelity I have determined to give your name to the people I recently discovered."

## Better Not Get Dyspepsia

If you can help it, Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have suffered with indigestion, have been sorry for it--when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling--you need Kodol. And then the quicker you take Kodol--the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only

a partial digester--and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach--but in order to be cured, the stomach must rest. That is what Kodol does--rests the stomach, while the stomach gets well. Just as simple as A, B, C.
