THE UPLIFT OF MISSIONS.

Them of Strong Address by Rev. W. F. Cox.

"The Moral and Spiritual Uplift of Missions During the Last Century," was the subject of a most interesting and uplifting address by Rev. W. E. Cox, rector of St. John's Episcopal church, at St. James' church last night, the occasion being the fourth or the series of meetings arranged by the Episcopal congregations of the city for the study of missions during the Lenten season. The congregation was large and the remarks of the speaker were listened to with intense interest.

The purpose of Mr. Cox's discourse was to show the real fruits of the missionary enterprise, past and present, which justify the contributions to missions and upon which the missionary appeal is based. In the development of his thought Mr. Cox went back to the early part of the last century and gave a sketch of the missionary work done in countries like Madagascar, the Fiji Islands, New Zealand and others. In each and every one of these countries, said the speaker, the natives were found in a savage state, cannibalism often, immoral, cruel, superstitious and benighted in every case. The effect of the missionary work among them was to uplift them in every way and remedy or overcome the evils which beset their former lives. This does not mean said Mr. Cox, that their idolatry was entirely done away at once nor that their immorality was totally and completely blotted out. "We, ourselves," he said, "after 2,000 years of Christianity are not all professing Christians, nor are we ideally moral. The standard of life is the Christian life and it was made so for those people with its corresponding influence on their lives." Nearing the present time he told of the work of Livingstone in various parts of Africa. Livingstone's death and the journey of the African converts who bore his body to the coast on their shoulders for 1,500 miles from the interior shows a devotion that is a sublime missionary triumph. Mission interest in the present day centers in Asia and the eastern countries. There idolatry prevails and the evils of paganism along with it, and the result of Christianity in its uplift of those people is just as effective as it was in the early part of the century among the peoples of Madagascar and the Fiji Islands, but the result cannot be so easily summarized. China alone contains more people than North America, South America, Africa, Germany, and Australia combined, while India has almost as many more, not to mention Japan and other countries. The evangelization of such a mass of people is a monumental undertaking and has scarcely been begun, but wherever the missionaries have gone and Christianity has gained strength it has displaced the immorality and general evils of paganism and raised the people to the high level of Christian virtue.—Wilmington Star.

Correction.

In a local of H. A. White, appearing yesterday, about Maryland Casualty Disability policies, by the dropping of a figure from the form it was made to read that sick benefits are paid from 1 day to 5 weeks, when it should have been to 52 weeks.

NEW TOBACCO PLANT.

Rumored That J. P. Taylor Company Will Build Here.

It is rumored that Messrs. J. P. Taylor Company, the home office of which is Henderson, N. C. will have a branch factory at Greenville, N. C. fully equipped with all the latest appliances for handling leaf tobacco.

We understand that they will likely purchase a spacious piece of land in the tobacco section of our town on which there will be erected a large brick building suitable to their requirements, which will be ready for occupancy in time for the handling of the coming crop, about August 1st of the present year.

The above is indeed good news and we trust nothing will happen to prevent the carrying out of their plans. The town of Greenville and the tobacco interest assure Messrs Taylor Company a warm welcome.

MRS. WILLIAM MOYE.

Mrs. Alice C. Moye quietly fell asleep in Jesus about 3 o'clock, Thursday afternoon, Feb. 24th, 1910.

She had been in poor health for several years, but through it all had been patient, cheerful and hopeful, her faith growing stronger to the end.

She was a daughter of the late Thomas and Eliza Hill, of Lenoir county, and was about 52 years of age.

About twelve years ago she was united in marriage to Mr. William Moye, of Pitt county, the late Dr. H. D. Harper officiating.

In early life she confessed Christ as her Savior and became a member of the Christian church in Kinston. Soon after her marriage she removed her membership to Red Oak church where she was a faithful and devoted member at the time of her death—rarely ever being absent if health permitted to attend. She was loyal to the cause of Christ and ever ready to help in every good work. The old "Jerusalem gospel" of the Son of God clearly and faithfully preached was to her a source of inspiration of life and joy and the power of God unto salvation. In Christian faith and hope she lived, and in the triumphs of faith she died and has now gone to enjoy the rest of the blissful shore.

Death has deprived her home of a faithful, patient and loving wife, a gentle and affectionate step-mother.

She was laid to rest in the family burying ground in the presence of many friends and relatives who had gathered to pay the last tribute of respect.

She has left to mourn her departure, a devoted husband, one step-son and a step-daughter, three nephews and two nieces.

The sympathy of a host of friends goes out to those she loved so well in their bereavement. A Friend.

Masons Notice!

There will be a special communication of Greenville Lodge No. 284 A. F. & A. M. Monday March 7th, 1910, at 2 p. m., at the Red Men's hall. All members requested to attend. Ways and means for rebuilding the temple will be considered.

WOMAN'S CIVIC LEAGUE

Moving to Make Greenville Look Better.

The Woman's Civic League held a very enthusiastic meeting Thursday afternoon at the home of Mrs. Will Ricks. Many subjects conducive to local improvements were thrashed out. Chiefly among them was a vigorous denunciation of the present evil of spitting on the sidewalks, and other public places.

These good women say this evil must cease. Friends and fellow citizens, take heed. When a body of women say a thing must stop, we might as well accustom ourselves to a change. And surely a change here is greatly to be desired, for sometimes it is positively nauseating to have to pass certain places in town; furthermore, medical science has long since proven that it is a danger to health.

Clean streets was another topic of the afternoon, rather, (shame that I have to say it) dirty streets was the subject next discussed, and our own dirty streets at that.

It is a fact, a deplorable fact, that the first impression a stranger gets is: what dirty streets. A new comer recently said to the writer: "My, what dirty streets you have! I simply can not reconcile these streets with all this loose trash, paper and cabbage leaves, with the beautiful homes and stylish women."

A cleaning up day is being planned, which will be announced later, and we do beg every citizen to help us carry this out.

Last, but by no means least, these ladies have planned to interest the school girls and boys of Greenville in civic improvements, and hereby give notice that they will give \$5 as a prize to the boy or girl in school in Greenville—either the graded or training school, who will write the most practical essay on "Civic Beauty." The essay must contain as many as five hundred words, and not over seven hundred and fifty, and must be in the hands of Mayor Whedbee on or before May 4th, 1910; who with Rev. B. F. Huske, Rev. J. H. Shore, Mr. E. G. Flanagan and Mr. D. J. Whichard will decide who the winner is. The winning essay will be published at once, and the second and third best will follow. The prize of \$5 will be delivered during commencement, at which time honorary mention will be made of other contestants. Now, girls and boys, get on your thinking caps of "Civic Beauty" and let us have the result. Reporter.

To Tax Payer.

With caps and fuse attached one fourth of a stick would fill Bucks' chicken house with wind shakes. Without the caps and fuse little baby-hippe chickens, etc, would be perfectly safe even in a fire.

But under the present high tariff, freight rates, etc., if one should be foolish enough to combine all the material necessary to get Dinah cross ways, there wouldn't be enough kimona cloth left in Pitt county to stop up a small size martin hole.

Another Tax Payer.

Query No. 2.

If it takes a pile driver 70 feet in height to drive and Old Virginia Cheroot through a cake of Octagon soap, how long would it take for seven of our local detective's blood hounds to catch a "coon" with seven false teeth, if the "Coon" caught cold.

WITH THE ALDERMEN.

Matters Pertaining to Town Government.

The Board of Aldermen met in regular monthly session, Thursday night, with only five of the members present, just a quorum. In the absence of Mayor Whedbee, Alderman E. A. Moye, mayor pro tem, presided.

The street committee reported that the streets were in bad condition on account of the recent excessive rains.

The market committee reported that the improvements to the market house will soon be completed.

The committee to make recommendations as to the needs of the fire department was given further time in which to report.

Aldermen Carr, White and W. S. Moye were appointed a committee to look into the matter of securing ground for another cemetery.

Purnell Tripp and W. M. Lilly were each granted license to run one dray upon payment of license tax of \$5 for balance of fiscal year.

The salary of the chief of police was increased \$10 per month, and of the night police \$5 per month, effective from Feb. 1st until another assistant police is elected.

The street committee was instructed to establish property lines in the recently burned district before any new buildings are erected.

The officers filed their reports for the past month. A communication from citizens of West Greenville asking for fire protection was referred to the water and light committee.

Notice was ordered published in The Reflector for parties owing for paving and curbing, who have any complaints, to appear at a special meeting of the board on the night of the 11th inst.

Alderman W. S. Moye was appointed a committee to confer with the Home Telephone & Telegraph Co., in respect to fire alarms.

Died From Shot Wound.

Mr. J. P. Haskett received word this morning that the death of his sister, Mrs. A. P. Simpson, which occurred Monday night was due to being accidentally shot Monday morning. Mrs. Simpson, who had been in feeble health for some time, for the first time in months walked to the front door of her home Monday. While standing at the door a man shot at a mad dog that was passing, missed and the ball struck Mrs. Simpson below the knee of her right leg, from the shock of which, and because of her wretched physical condition, she died some hours later.—Kinston Free Press.

FARMVILLE ITEMS.

Farmville, N. C., March 4.—We are glad to see Bert Smith able to be out again. He has suffered much for the past two weeks.

There is right much sickness in the town but no one serious so far as we know.

The heavy rains have caused much trouble with the wells, and overflowed the gardens in many parts of the town.

The Board of Aldermen meet Tuesday night to transact the business of the month. So far as we know there has been very little lawlessness for several days.

W. M. Lang has moved out a small house that was near Mrs. Fannie Joyner's brick store in order to build a new brick store.

Will Askew is to move his old store soon and erect a brick building in its place, so we hear.

There was a runaway here Wednesday that caused some excitement and did some damage. A horse belonging to one of the Davis brothers, ran away, jumped into a buggy wheel and broke most of the spokes. He then turned down Main street, jumped on the sidewalk and ran into some of Holmes & Overby's farm implements and did some damage. The horse ran on down the sidewalk, raised Beaman's furniture store, turning east to a shop where he caused another runaway. The horse was not seriously damaged.

Preaching at the Baptist church Sunday morning and evening. All are invited to attend. Services also at the Methodist church at the usual hour.

New County Commissioner.

Superior Court Clerk D. C. Moore has appointed W. E. Proctor, of Grimesland, a member of the Board of County Commissioners to fill the vacancy caused by the recent death of Commissioner N. T. Cox. Mr. Proctor was in Greenville this morning and qualified for the duties of the office. He is a man who has made marked success in his own business—farming, merchandising and milling—and has the ability to serve the county well in the capacity of commissioner. Clerk Moore has made a good selection in making the appointment, and his choice meets the approval of the people of the county.

The last execution by hanging that can legally take place in North Carolina, occurred in Bladen county today, when Henry Spivey, a colored man, was hanged for murder. This man was convicted more than a year ago and sentenced to be hanged, this being before the legislature passed a law changing the mode of execution to electrocution.

In one respect The Reflector is going to turn over a new leaf. Hereafter any communication appearing in these columns that is at all personal, or that can be construed to be personal, or of such a nature as to cause anyone to take exception or feel that a lick had been made under cover, must appear over the real name of the author and not over a nom de plume. The fact is much to be deplored that with most boys and girls the boy who spends the greatest amount of money on the latter, in furnishing them entertainment, is the boy who is admired and cajoled. But, oh, what becomes of him when his money plays out? He plays out too. Consequently, to keep his footing, he stifles his conscience and robs his employer, commits some other theft or gambles, in order to keep in the swim. This same state of affairs is applicable to men and women in society. Many dark deeds are committed through a desire to supply the demands of worldly-minded wives and daughters. And again an honorable man, rather than sell his principles of integrity or meet the taunts and upbraiding at home, when he fails to supply their demands, prefers to send his soul to eternal death and thereby rid his physical self of life's burdens—Durham Sun.

DO IT NOW

Greenville People Should Not Wait Until it is Too Late.

The appalling death rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them.

Here is one of many cases in this vicinity.
Romulus S. Butler, 219 Harvey St., Washington, N. C. says: "I am well pleased with the results that followed the use of Doan's Kidney Pills in my case and can highly recommend them to other kidney sufferers. I was subject to dull pains in my back, accompanied by sharp twinges through my loins for some time. Doan's Kidney Pills removed my trouble and benefited me in every way."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

A DEAD STOMACH

Of What Use Is It?

Thousands? yes, hundreds of thousands of people throughout America are taking the slow death treatment daily. They are murdering their own stomach, the best friend they have, and in their sublime ignorance they think they are putting aside the laws of nature.

This is no sensational statement; it is a startling fact, the truth of which any honorable physician will not deny. These thousands of people are swallowing daily huge quantities of pepsin and other strong digesters, made especially to digest the food in the stomach without any aid at all from the digestive membrane of the stomach.

Mi-o-na stomach tablets relieve distressed stomach in five minutes; they do more. Taken regularly for a few weeks they build up the run down stomach and make it strong enough to digest its own food. Then indigestion, belching, sour stomach and headache will go.

Mi-o-na stomach tablets are sold by druggists everywhere and by Coward & Wooten who guarantee them. 50 cents a box.
