Newsy Notes From a Hustling Town Briefly Told

Ayder, N. C., May 21.
The ten months old baby of Mr. and Mrs. B. T. Heath died Tuesday.

The commencements at Winterville and Greenville were well attended by our people.

A blind man with a singing and magic lantern show exhibited at the graded school building Monday night.

W. S. May and sister, Miss Ella, spent Sunday with their sister, Mrs. Walter Gardner.

A delegation from the K. of P. lodge of Ayden assisted Kinston lodge in organizing a Pythian lodge at Hookerton Tuesday night.

Ayder Baptist church is without a pastor, but there is some hope of securing the services of Rev. G. T. Adams, of Ahoskie. Mrs. Bettie Whitley, of Washington, has been visiting friends in our town for the past several days.

J. R. Turnage went to Norfolk Wednesday and returned today.

J. C. Noble left for Rocky Mount today.

Mrs. W. B. Quinerly and son, Jack, went to Richmond today to visit relatives. They will be away several days.

Mrs. W. S. Blount, of New Bern, is here to spend several weeks with her husband, our clever hotelist.

We regret to have to chronicle the death of our neighbor J. E. Cannon's baby which died with pneumonia yesterday and we extend our sympathy to the bereaved parents.

Mrs. Jarvis Extensively Entertains.

One of Asheville's most distinguished visitors at present is Mrs. Jarvis, who, with her husband, ex-Governor Jarvis, is a guest at the Battery Park hotel. Mrs. Jarvis has been entertained extensively during her stay in the city. Among the hostesses who have asked congenial friends to meet her are Mrs. D. C. Waddell, Mrs. Charles Jordan, Mr. C. A. Moore, who gave a small dinner in her honor, and Mrs. Theodore F. Davidson, who entertained with a luncheon for her Sunday. This afternoon Mrs. Zebulon Vance has asked her friends to meet Mrs. Jarvis at Mrs. Vance's home on Liberty street. The invitations were informal the day being Mrs. Vance's and Mrs. Harry Martin's regular day at home.—Asheville Gazette News.

Mrs. Zebulon Vance and Mrs. J. H. Martin held their last "at home" of the season, yesterday afternoon, and a number of invitations were issued, to meet Mrs. Thomas J. Jarvis. Mrs. Jarvis is the wife of ex-Governor Jarvis of this State, who was a personal friend of Senator Vance. Gov. Jarvis was at one time foreign minister, and has been United States senator and has held also various high offices. Governor and Mrs. Jarvis are attending the conference and return shortly to their home in Greenville, N. C.—Asheville Citizen.

The Honorable Way.

It is mighty mean to patronize a merchant who trusts you until you get so far in debt to him that you are ashamed to see him, and then go and spend your cash somewhere else where you could not get credit; but there are people who do it. The honorable way would be to spend your cash with the merchant who trusted you, even if you never expect to square up the old account.—Waxhaw Enterprise.

STATE NEWS.

Newsy Items of Interest Condensed for Busy Readers.

Salisbury, May 19.—The annual meeting of the North Carolina Merchants' association will be held in Salisbury June 21 to 23 inclusive. Extensive preparations are in making and a large attendance is promised, as the state has the largest association of any in the whole south, the local organizations numbering 80, with over 1,000 members.

The Post learns from a local Socialist that the Socialists of this district and county will nominate a full ticket and expect to show up a big gain for the party. The Socialists of the State will also have a convention and put up a full ticket. The time and place have not yet been agreed upon, but it will probably be in the early part of June, and Greensboro may be the place selected.—Salisbury Post.

Winston-Salem, May 19.—The historic Home Moravian church building here, erected in 1798, will be remodeled at once and a Sunday school room added which will cost something like \$50,000. A new \$5,000 pipe organ will be installed in the building as soon as the work is completed.

Hickory, May 19.—After desperate efforts to take her own life with a razor and an axe, Mrs. J. H. Deal, 27 years old, of Maiden, this afternoon, saturated her clothing with kerosene oil, and, laying down upon the floor of her bedroom, set fire to herself. Her husband arrived in time to see the flames playing about her charred corpse. She leaves two young children.

The state department of agriculture estimates corn acreage in this state at 3,200,000 as compared with 2,894,000 for last year. The estimate of the fruit crop condition is 110 per cent.; vegetable condition 80 per cent.

Take an Interest in Your Work.

Nothing truer than this from an exchange:

You may be very sure that, if you do not find yourself growing in your work and your life broadening and deepening, if your task is not a perpetual tonic, you have not found your place. If your work is drudgery to you, if you are always longing for the lunch hour or the closing hour to release you from the work that bores, you may be sure that you have not found your niche. Unless you go to your task with greater delight than you leave it, of course then it belongs to some other person.

Comet Gone Down.

The comet gone, and with it many a useful human life—many a noble intention and good resolution. Superstition has caused many to lose sleep on account of this wonderful phenomena,—but the sun, moon and stars still remain in their respective orbits, and opportunity still offered to mankind to lay up something for old age, and protect their loved-ones against cold, poverty and want. The Old Mutual Life of New York is a beacon-light that will not go down. Talk with H. Bentley Harris about it.

Proposed Improvement of Mail Service.

A practical means of improving the mail service in which the public in general can easily participate is suggested by H. H. Windsor in the June number of Popular Mechanics Magazine. He says:

"In the last analysis, all expenses incurred by the government for this purpose, whether necessary or unnecessary, must be borne by the taxpayers. With a reasonable co-operation on the part of the people who enjoy the benefits of the postal service, the department can save much unnecessary expense and apply the saving more effectively in raising the standard of efficiency. There are various ways in which the people may assist to this end:—if convenient mail receptacles were provided at the entrance of all dwellings and offices where delivery is made by city carriers, thus avoiding constant waiting for the answering of doorbells, the carriers could traverse their routes much more quickly. This would mean not only a prompter delivery of mail to the people concerned, but also saving to the government that would probably aggregate several millions of dollars a year. In view of the heavy cost of city delivery as at present conducted, it is felt that the people for whose benefit the service is maintained, should be required to co-operate with the department in the manner proposed, by providing at their doorways suitable receptacles for mail."

Farmville Paper.

The Enterprise, a paper started in the progressive town of Farmville, made its initial appearance on Friday. The paper is four pages of six columns, and the first number makes a good appearance and shows substantial patronage by Farmville's business people. G. B. Ford is editor.

'DON'T BET ON ME'—SUGGS.

Says He Feels if He Loses it Will Cost Him a Lot of Friendly Feeling.

"I never want a bet made on me when I am to pitch a game," says George Suggs, the crack young twirler who has won five straight victories for the Cincinnati team.

"The reason I don't want people to bet on me when I pitch is that in nine cases out of ten when a man bets on you and you happen to lose, that man loses a lot of his friendly feeling toward you. I will never advise any man to bet on me when I am pitching. Not that I ever lose confidence or ever go into a game with the slightest idea of losing it, for I don't. But just the same I never like to feel that any one, especially a friend of mine, has a bet on me.

"Several people have begged me to tip it off to them when I am going to pitch and just how I feel, as they say they want to bet on the game. I never tell them, if I can avoid it, when I am to pitch or how I feel. If I did and should happen to lose a game they would hold it up against me."

WINTERVILLE COMMENCEMENT.

One of the Best in the History of the School.

The commencement exercises of the Winterville High school came to an end Friday night, having extended over three days. The commencement was one of the best in the history of the school and there was a record breaking attendance at all of the exercises. A report of the commencement will be given in Monday's paper.

The enrollment of the school the past year reached 230, and it was a very satisfactory session. Prof. F. C. Nye and his assistants are doing excellent work and giving Winterville one of the best schools in Eastern Carolina. Twenty counties and four States were represented in the student body the past year.

Convention to be Held at Edenton.

Elizabeth City, May 20.—The congressional executive committee of the first district met Wednesday in the office of the chairman, Dr. A. L. Pendleton, in this city, and selected Edenton as the place for holding the next Democratic convention, and July 6th at 8 p. m. the time.

At the convention the nomination will be made for congressman from the first district. There have been no announcements made of any candidates to oppose the present incumbent, Hon. John H. Small, and there is no doubt but that this able and patriotic representative will be renominated unanimously.

Dogs Kill Calves.

Early this morning a bunch of dogs, seemingly some twenty odd, went to the pasture of Mr. L. C. Arthur and killed two small calves. Mr. Arthur's son, Louis, seeing the dogs after the calves, got a gun and killed three of the dogs, also wounding several more of the worthless curs before the pack run out of reach. It was bad for the calves to be killed, but not so with the dogs, for if every one of them found running at large was shot it would be a blessing.

SATURDAY, MAY 21, 1910.

You just watch out and see if they do not keep hammering at that proposition to change the time for holding the presidential inauguration until it succeeds.

The Long Island preacher who resigned his charge in order to take the lecture platform against prohibition did right in one instance.

That Monroe preacher was certainly a good "spieler for" the near-beer saloon. He got out in front of it and preached a near-sneer while the saloon sold more "depraved delusion" than ever before in the same length of time.

To hear people throughout the stock law territory extending from Tar river to the southeastern section of the county express themselves, it is evident that there is no little dissatisfaction over the zig-zag way in which the stock law fence runs.

The Commission Plan.

In arguing of the commission plan of government, The Greensboro Record cites in illustration of the difference in method, that Columbia, a city that has always worked under the old plan, even to the management of its water works, last year lost \$20,000 from the operation of its water plant alone.

Sharp Negro.

AUCTION SALE

OF

Valuable Business Lots GREENVILLE, N. CAR.

Mr. B. E. Parham has placed in my hands for sale his splendid

Warehouse Property

All of this property except the warehouse site will be divided into lots and sold at public auction on the premises on

TUESDAY, MAY 24, 1910

Beginning at 11 O'clock, A. M.

This property is situated between the Atlantic Coast Line and Norfolk Southern depots, and is in the business centre of that part of Greenville known as Tobacco Town. It consists of 6 lots fronting on Dickinson avenue which has concrete sidewalks and paved street; 3 lots on Ninth street which is a sand clay street and the main thoroughfare of Tobacco Town; 6 lots fronting on Tenth street which is the broadest street in Greenville and leads direct to the Atlantic Coast Line depot. A railroad siding can be extended across Tenth street into this property which makes it very valuable for heavy traffic.

To give an idea of the demand for places of business in this locality, Higgs Brothers have recently built a brick block containing five handsome stores just in front of this property and they were occupied as soon as finished, and there is now a demand for more.

This is a rare opportunity to buy a business site, for this property is absolutely a safe and paying investment.

Remember the date of sale, Tuesday, May 24, 1910.

Henry Clay's Eloquence. It was the remark of a distinguished senator that Henry Clay's eloquence was absolutely intangible to delineation, that the most labored description could not embrace it and that to be understood it must be seen and felt. He was an orator by nature. His eagle eye burned with patriotic ardor or flashed indignation and defiance upon his foes or was suffused with tears of commiseration or of pity, and it was because he felt that he made others feel. A gentleman after hearing one of his magnificent efforts in the senate thus described him: "Every muscle of the orator's face was at work. His whole body seemed agitated, as if each part was instinct with a separate life, and his small, white hand, with its blue veins apparently distended almost to bursting, moved gracefully, but with all the energy of rapid and vehement gesture. The appearance of the speaker seemed that of a pure intellect wrought up to its mightiest energies and brightly shining through the thin and transparent veil of flesh that invested it."—St. Louis Republic.
