PREMIUM WINNERS PITT COUNTY FAIR

HONOR ROLL OF EXHIBITORS.

Names of Those Who Led in The Different Departments.

Below is given the names of the premium winners at the recent Pitt county fair, as reported to the officers by the judges in the different departments of the exhibits, and the amount of the premium in each case. The president and secretary have gone carefully over the reports of the judges, comparing it with the premium list and the book of entries. If the list below does not contain the name of any exhibitor who holds a premium card issued by the judges (either blue or red card) and they will report this fact promptly to the president or secretary of the fair together with their entry tag, such will also be placed on the premium list. But such omissions, if any, should be reported at once. The list of premium winners must be submitted to the State department of agriculture, as the department contributes half of the premiums, and as soon as Commissioner Graham approves and returns the list the treasurer will be ready to pay the premiums.

AN APPEAL FOR DUTY.

To the Merchants of the Town of Greenville.

As one deeply interested in the welfare of the town, very anxious for the town to grow and prosper, and for good business to be done by all, I wish for each of you a growing business. Now let me say that I have made a request from the pulpit, Sunday night, asking all the merchants to close their places of business at 7 o'clock during the meeting that is now in progress in the Baptist church in order that the men and women employed by you may have a chance to attend and hear the special Gospel singing and preaching.

Many of the merchants are professed followers of Christ and the men you employ are not all Christians. Many are unsaved and you are keeping them from church for a few dollars and also staying away yourself, thus losing the good you need. It seems to me that the least you could do is to close your business, one and all, at 7 o'clock during the meeting. I make this as a request and it is a very small one, and it is for the good of your own town and home.

Southeastern Fire Underwriters.
ATLANTA, Ga., Nov. 15.—Several scores of men prominent in fire insurance circles were on hand at the opening here today of the semi-annual convention of the Southeastern Underwriters' Association. President W. R. Prescott of Atlanta called the gathering to order at the Georgian Terrace hotel and delivered the opening address. The session was devoted to the discussion of a wide range of questions concerning fire insurance rates and risks.

MAKE THESE 10 DAYS GREATEST OF CONTEST

JUST THREE MORE WEEKS LEFT IN GREATEST
VOTING CONTEST IN HISTORY OF
PITT COUNTY.

GET EVERY SUBSCRIPTION POSSIBLE, IN BEFORE 9 O'CLOCK, SATURDAY NIGHT, NOVEMBER 25.

We told you yesterday just what we are going to give you between now and the close of the contest in the way of offers. Did you read it? If you didn't you had better hunt up that paper and read it thoroughly.

Until Saturday, November 25, at nine o'clock in the evening we are going to give you a fifty per cent increase in the regular schedule of vote issuing on every subscription you turn in up to then. How does that sound to you? Don't you think this will enable you to roll up a mighty good reserve force? It will, if you will just get out and hustle, and that is one of the most essential things in this contest of energy.

It will be greatly to your advantage to get together all of your friends and secure every subscription you can possibly get hold of before nine o'clock, Saturday, November 25, p. m. The vote schedule will decrease after that date and for that reason we urge you to do all you possibly can between now and the 25th. Your friends are all ready to help you if you only ask them. But don't stop with simply seeing your friends—see every person from whom you think you could get a subscription.

There are hundreds throughout this city and county who are waiting for you to come and ask them, so start out today and make a systematic canvass of your entire neighborhood.

Below we give the vote schedule which will be in force up to the close of the contest and every contestant should clip it out and keep it well before her. She will find this a great help to remind her that the sooner she sends in her subscriptions the more votes she will receive on them.

National Grange in Session.
COLUMBUS, O., Nov. 15.—The National Grange, the largest and most influential organization of farmers in America, met for its annual session in Columbus today with delegates present from every State. Additional interest is given the meeting this year by the probability that its attention will be called to the charges made that the organization is controlled by certain powerful factors whose activity in national politics has militated against the success of the National Grange and minimized its influence.

And Remember That,

All the time you are boosting your total towards that Piano or any of the valuable prizes you are getting within range of that lovely Diamond Ring that the Contest Department is offering as a special prize. This handsome Diamond Ring will be awarded on Monday, November the 27th, to the young lady who turns in the most subscriptions from the 15th to the 25th of November. In this way does the Contest Department want to show its appreciation of the good work done by the contestants. This special prize will be a most handsome and fitting Thanksgiving offering to the young lady who proves herself worthy of the ownership. Seldom does a publication place within range of its readers, a total of prizes of the value and usefulness offered by the Daily Reflector in the Big Piano and Prize Contest and therefore, when the contestants set to work with such will, it was decided that an extra prize would be awarded. On Monday, the 27th, some deserving young lady will possess an ornament of great value and beauty and the Contest Department will be pleased to know that it had done its duty by the contestants. In this the contestants are given an opportunity to make great strides towards the prize they set out to win and at the same time, winning a lovely and costly Diamond Ring.

Bankers Going to New Orleans.
NEW YORK, Nov. 15.—The first of four luxurious special trains chartered to carry the New York and New England members of the American Bankers' Association to the annual convention in New Orleans leaves this city tonight. The other trains will depart Friday and Saturday. On the way to the convention city the Eastern bankers will stop for a day in Vicksburg, where they will be entertained by the Vicksburg Clearing House Association.

VAUDEVILLE MONDAY.

The Gaiety Theatre Will Add This Feature To Their Program.

Starting Monday night and continuing every night thereafter, the Gaiety theatre will add to its regular program up-to-date vaudeville acts. The management has gone to a big expense in procuring these different acts, and it is up to the public at large to attend the shows and show their appreciation. Now the price of admission will be 10 and 20 cents, but we guarantee you will get your money's worth.

We haven't yet found out the name of the act that will show Monday night, but watch the regular program and you will find it there very shortly.

Tonight we offer for your approval one of the greatest pieces of motion picture art—"A Tragedy at Sea." We see a large vessel destroyed at sea by an explosion, and a daring rescue of all on board. This subject alone is worth the price of admission.

"The Express Envelope." This is a thrilling railroad story. The station agent, who is very old, becomes suddenly ill and has to leave his post of duty. His daughter is familiar with the duties and the telegraph instrument and takes his place. Two tramps appear on the scene and enter the station, just as the girl goes out to flag the in-coming express. They find on the desk a telegram which reads that on the express will arrive a large amount of money in an envelope. They withdraw while the girl is signing for the precious package. On returning to the office she discovers that she is watched and immediately telegraphs for help.

The nearest assistance is five miles. The operator at this station sends the engineer of a freight train to the girl's assistance. Here is shown the greatest five mile run on record. The freight engine gets in on time, however, and the money is saved.

"Cheyenne's Bride"—a beautiful Indian story.

Mr. Armstrong will sing a beautiful illustrated song entitled: "It Makes a Lot of Difference When You're With the Girl You Love." Also by special request he will render a very sentimental ballad entitled "I Am Longing for Tomorrow When I Think of Yesterday."

On Thursday night the Forbes Orchestra will play at the Gaiety from 7:30 until 9:30. This will be a rare musical treat. This is beyond a doubt one of the best musical organizations in the state.

Those wishing to visit the theatre after church services, will have the opportunity.

CHANCE FOR BOY MURDERER.

Stands Chance of Escaping the Gallows Altogether.

HALIFAX, N. S., Nov. 15.—Instead of being executed today in accordance with the sentence imposed upon him, Harry Wilson, the boy murderer in jail at Digby, has been granted a reprieve of one month, with good prospects that he will escape the gallows altogether. Today the full bench convened in this city to take up his case, which has attracted wide attention throughout eastern Canada. The crime of which Wilson was convicted was the murder of his brother George Wilson. The tragedy is alleged to have resulted from a quarrel when both the brothers were intoxicated.

Mission Congress in Montreal.

MONTREAL, Nov. 15.—The three-day Men's Missionary Congress for which Montreal has been preparing for many months, opened in the American Presbyterian church this afternoon with Rev. Robert Johnson, D. D., presiding. The chief features of the initial session were addresses by Rev. Robert Speer on "The World's Debt to Missions" and Rev. Cannon Gould on "The Central Place for Missions in the Life of Canada." Tomorrow the congress will have as the leading speaker Sir Andrew Fraser, late Governor of Bengal, who is regarded as one of the world's greatest authorities on missionary problems.

Salvation Army Congress.

WINNEPEG, Man., Nov. 15.—The annual congress of the Salvation Army for Western Canada opened in this city today. Officers of the organization are in attendance from Calgary, Medicine Hat, Edmonton, Moose Jaw, Saskatoon, Brandon and a number of other points.

NORTH CAROLINA CONFERENCE.

Will Meet in Kinston on Wednesday, November 22.

Methodist ministers in the North Carolina Conference are exerting themselves this week getting their affairs into shape preparatory to the 76th session, which will meet at Kinston, Wednesday, November 22, and continue through Monday, November 27. Bishop E. E. Hoss, formerly of Tennessee but now of Oklahoma, will preside and the sessions will be held in the handsome new Methodist church, which was recently dedicated. The conference met in Kinston in 1896.

Although the North Carolina Conference is not as strong numerically as the Western North Carolina Conference, it is equal to its neighbor in influence and power. This conference has 189 preachers and 18 on trial; a membership of 78,187, and churches worth \$1,789,786. Its church parsonages are worth \$324,212 and its other church property \$123,485.

This does not include, however, the value of the colleges and schools controlled in part or wholly by this conference. Trinity college, which is controlled jointly by the two conferences, is valued at \$920,000 and has an endowment of \$441,000; Greensboro Female College, controlled jointly, is valued at \$194,435, and has an endowment of \$100,000; Lenoir College, controlled by this conference is worth \$50,000, and Carolina College at Maxton has buildings and grounds valued at \$33,000.

The conference will be called on to elect a new secretary, since Rev. W. L. Cunningham, who held the position for 19 years, died early this year.—Raleigh Times.

IN ARKANSAS.

Straight Race Between Senator and Former Congressman.

LITTLE ROCK, Ark., Nov. 15.—United States Senator Jeff Davis went to White county to deliver the opening speech in his campaign for reelection. His successor will be chosen by the legislature to be elected next year and an interesting contest is in prospect. The situation has been somewhat simplified by the announcement of Governor Donaghey that he would be a candidate for renomination. For a long time doubt existed in the minds of the politicians as to whether the Governor would try for another term or become a candidate for senator. His decision in the matter has left the senatorial contest a straight race between Senator Jeff Davis and former Congressman Stephen Burndidge, Jr., who is expected to be his only opponent. Mr. Burndidge represented the Second district in Congress for ten years and has a strong following throughout the State.

If you will not boost Greenville yourself, stand out of the way of the fellow who wants to boost.

The Southern, Seaboard, and Norfolk Southern railroads have all been catching trouble with wrecks recently.

If the Chicago policemen succeed in stopping gambling in that city, as they are said to be trying to do, they may be called upon to learn some other sections of the country how it was done.

The list of premium winners at the recent county fair, published today, does its own talking for the people of the county. There is no mistaking the fact that Pitt county can do things when she starts out for that purpose.

The press agents of the different aspirants for the presidential nomination are trying to earn their money, but they are wasting lots of stamps, stationery, typewriting and printing in the stuff they are flooding the newspapers offices with.

Those business men who think they are economizing by not advertising, have a mistaken idea. The experience of the best business men shows the value of liberal advertising. Those who do advertise, do so because it pays them. It is the stimulant to business that every one needs.

Local merchants, as a class, are against the people patronizing city mail order houses and they have a right to be. At the same time they might look into their own affairs a little to see if they themselves are not patronizing mail order businesses, that is, giving orders to go out of town for things that can be procured at home. Those business men who do this may argue that they save a little by sending the orders away, and that is the very same line of argument that the patron of the city mail order store uses whether the argument holds good or not. The people of a town are dependent largely upon each other and the way to have a good town is to patronize home stores and home enterprises. Standing together is the way to succeed.

Sunday School Workers.
 MADISON, Wis., Nov. 15.—The Wisconsin State Sunday School Association assembled in annual convention in this city today with a programme that promised the most successful convention in the history of the organization. Large delegations from many of the principal cities and towns of the State are here to take part in the sessions, which will continue over tomorrow and Friday.

ATLANTA, Ga., Nov. 15.—Hoke Smith retired from the governorship of Georgia today, preparatory to taking up his duties as United States Senator, to which office he was elected by the last legislature. Three aspirants are in the race for governor to fill out the unexpired term. The selection will be determined by the Democratic primary early in December.

When goods are going at almost half price it means an opportunity for buyers that is worth taking advantage of. Everything is reduced in price, including millinery, ready-to-wear goods, and you can save money by going to Munford's.

Saved Many From Death.

W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, la grippe, croup, asthma, or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe its the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50c or \$1.00 bottle.

"THIS IS MY 16th BIRTHDAY." Grand Duchess Olga.

She is the eldest of the four daughters of the Emperor and Empress of Russia and a great-granddaughter on her mother's side of the late Queen Victoria of England. The three sisters of the Grand Duchess are Tatjana, who is fourteen years old; Marie, who is eleven, and Anastasia, who recently celebrated her tenth birthday anniversary. Her only brother is the little Grand Duke Alexis, seven years old, who will some day be called on to rule the great empire of Russia. Prince Boris, who is said to have been chosen for the future husband of the Grand Duchess Olga, is slightly older than his fiancee, as he will be seventeen next January. He has one brother, Prince Cyril, and two sisters the pretty Princesses Eudoxia and Nadeida.

GOOD NEWS.

Many Greenville Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Greenville are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Mrs. E. G. Worthington, Washington street, Greenville, N. C., says, "I have been so greatly benefited by Doan's Kidney Pills that I am glad to recommend them. My back ached nearly all the time and I could not rest well. The kidney secretions caused me annoyance and it was plain that I was suffering with kidney trouble. Doan's Kidney Pills which I got from the John L. Wooten Drug Co., relieved my aches and pains and improved my condition greatly. I cannot praise this remedy too strongly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

MEETING IN BAPTIST CHURCH

And The Earnest Workers for The Saving of Souls.

The revival meeting at the Memorial Baptist church continues with ever increasing interest and success.

The music under the direction of Prof. J. L. Blankenship, the gifted song leader, is thrilling and inspiring. With a large choir well trained and a congregation that is eager to sing the new songs as well as the great old hymns, he leads the people from peaks of praise into valleys of prayer. So hearty and co-operative is this part of the service that every feeling antagonistic to sincere spirituality is swept from the hearts of the people before the sermon begins.

Mrs. Blankenship, the premier lady baritone of the south, has indeed captivated the people of Greenville with her wonderful solos. With no attempt at vocal gymnastics, but with a voice that responds to her faintest desire, she sings with an enunciation, interpretation and style that is classic without effort. To her, the singing of a solo is not chance to entertain but an opportunity to impart a warm gospel truth to the hearts of her hearers. So keenly does she appreciate the tremendous responsibility of her calling, Mrs. Blankenship never attempts to sing without first having studied

prayerfully the message of her song to the extent that she can indeed make it her own heart's message. Of the many songs she has sung during the meeting, none have been more heartfelt and tender than "Somebody Knows" the one she sang to a large and most appreciative audience Tuesday night.

The visiting singers say that in all their travels from the lakes to the gulf and from the Atlantic to the Rockies, do they rarely ever find a pastor who is so completely master of the situation as is Pastor C. M. Rock, who preaches with the fire, zeal and fervor of the regular evangelist whose soul is constantly aflame with yearning for the salvation of the lost. Under the telling effect of the simple story of How Men May be Saved, as preached by this earnest man of God, souls are being saved every day.

The regular evangelist, Rev. H. R. Holcomb, who was called Sunday to the grave side of his baby girl, will reach Greenville early Thursday morning to again take charge of the meetings that were so full of promise when he was called away last week. Mr. Holcomb triumphs by faith. He is as optimistic as are the promises of God, coming to us again. His life repened by his recent sorrow, should move by the unstinted help and faithful prayers of the Christian people of Greenville, the winning of the lost of our city to the Lord.

The Daily Reflector Contest of Energy--

The Way It Was:

When we announced yesterday morning that we were going to add another valuable prize to the already imposing list in the Big Voting Contest, many comments of appreciation and astonishment were heard on all sides. Many people asked us how we could afford it. One man yelled: "Fake; it could not be so!" He was like the fellow who went to the circus to see a camel for the first time. After looking at the animal for some time he gravely shook his head and walked disgustingly away, and he was heard to say: "Pshaw, there ain't no such animal!"

It isn't a question of affording it. We are doing it. We believe in doing things and doing them right. These people that insist that it can't be done are continually being overtaken by people doing it. The fact is, the contest has more than met our expectations and by way of showing our appreciation to the contestants and their friends we decided to offer this extra Prize.

Any contestant can work for the beautiful diamond ring which will be awarded on Monday, November 27. This is a good opportunity to join the ranks of the people who do things. Votes can be reserved and will count on the regular awards just the same as before. This is your chance to win two Prizes. Remember that soon the vote schedule will take another tumble.

Would you exchange just a little energy for a Beautiful and costly Diamond Ring?

Here Is Where The Draft Enters

The most perfect draft ever discovered is the patent Hot Blast Down Draft of the Wilson Heater. The only draft that secures perfect combustion and prevents waste. This draft is found only in the

Wilson HOT BLAST Heater

The air enters at the top, drives the combustible gases into the fire where they are burned—prevents the escape of heat up the chimney—doubles the heating power of the fuel. In other words, only half the amount of fuel used in ordinary heaters is necessary. The Wilson is air-tight, making perfect combustion possible and a fire can be held 26 hours. We sell Wilson Hot Blast Heaters for either wood or coal.
