## BAPTIST PEOPLE HAVE JOYOUS DAY

28 PERSONS WERE BAPTIZED.

Pastor Rock Instructs New Members  
On Church Ordinances.

During the progress of the recent revival meeting in the Baptist church twenty-one persons were received as candidates for baptism. At the services Sunday seven more were added to this number, bringing the total awaiting baptism up to twenty-eight. Pastor C. M. Rock's sermon Sunday morning was an instruction to the new members on the ordinances of the church, his subject being "Baptism and Communion." He said he never tried to build up himself by tearing down others, and had nothing to say against other denominations, but he clearly explained the belief and practice of Baptists as founded upon the teachings and commands of God's word. No one who heard him, even though they may have held different views could have felt the slightest affront at anything this earnest pastor said in his interesting and instructive sermon.

Sunday night the church was filled to its capacity by those anxious to witness the administration of the ordinance of baptism. It was a beautiful and impressive scene, twenty-eight young people—nineteen females and nine males—consecrating their lives to Christ and following Him in baptism. Pastor Rock baptised the twenty-eight in twenty minutes, and this time could have been shortened several minutes consumed in waiting for the candidates. He said afterward that he could baptise at the rate of two each minute when the candidates are ready to follow each other closely.

### THIS SHOULD BE HEADED.

A Request to Parents From The Graded School.

The management of the graded school wishes to request parents to place the names on all umbrellas, overcoats, overshoes and wraps sent to the school on rainy days. If you will put a card on each article having on it the pupil's name for whom it is intended, also the grade, it will be a big help to us. It will also insure the correct delivery of the articles without danger of loss or delay.

Last Friday scores of persons, mostly servants, came with hundreds of wraps, overshoes, umbrellas, etc. Usually they say, "Please give to Mr. A's children." There is not a person connected with the school who knows all the children. You can see at once the predicament we are in. It is an impossibility to deliver all the articles sent on days like last Friday unless the articles have on them the name of the owner and his grade. If some of them are misplaced or lost we are in no way to blame unless this request is complied with.

H. B. SMITH,  
Superintendent of Schools.

### RESOLUTIONS OF SYMPATHY.

Adopted by Baraca Class of Baptist Sunday School.

Whereas, one of our members, Brother C. C. Pierce, has recently been bereaved by the loss of a brother, therefore, be it resolved,

First, That we extend to him our heart-felt sympathy in this, his hour of deep sorrow.

Second, That a copy of this resolution be sent to Brother Pierce and a copy be sent to The Daily Reflector for publication.

## PRAYER LEAGUE RESUMES MEETINGS

GOOD ONE SUNDAY AFTERNOON.

Several Interesting Talks on Attaining Fitness Through Service.

After missing meetings on two Sundays on account of revival services in progress at the time, the Men's Prayer League met in the Presbyterian church, Sunday afternoon, with a good attendance. As no subject and leaders had been previously announced for this meeting, it was informal, but proved very interesting and helpful. President C. W. Wilson read for a Scripture lesson Matt. 20:20-27, where a mother and her two sons went to Jesus asking that the two sons might occupy the chief places on His right and left in His kingdom, and spoke on this incident, bringing out especially the points that "Whosoever will be great among you, let him be your minister; and whosoever will be chief among you let him be your servant." After President Wilson spoke, short talks were made by Messrs. G. E. Harris, A. B. Ellington, D. J. Whichard, H. A. Timberlake and J. S. Norman, the theme being that fitness for the highest positions and chief places in Christ's kingdom comes through service to others.

The meeting next Sunday afternoon will be held in the Christian church. Subject, "How to Find the Lord." Text, Jer. 29:11-13. Leaders, Messrs. H. A. Timberlake, H. B. Harris and J. F. Brinkley.

These meetings are very beneficial in developing the Christian character of men and boys, and they have a cordial invitation to attend.

## No More 50 Percent Increase on Votes-- Decrease is in Effect

### Saturday Greatest Voting Day in Whole Contest--Nearly Every Contestant Well Represented

### NEXT MONDAY, Dec. 2, WILL SEE ANOTHER IMPORTANT DROP IN VOTING SCHEDULE

### With only 13 days to the close of the Contest and a decrease in Voting Schedule Con- testants should do their very best up to the end of the Contest

Decrease in Voting Starts Today, But A Further Decrease Will be in Force Next Monday, December 2nd. Keep Up The Good Work.

As predicted in our Saturday issue, Saturday, the 25th, was made the record day of the contest. Contestants and their friends began to arrive early at the office of the Contest Manager and kept the Contest Manager busy right up to closing time, 9 p. m. That no greater changes are recorded in the list today, is simply due to the fact that most of the contestants did mighty well and so succeeded in maintaining their positions almost unchanged. Many hundreds of subscriptions were received and altogether the total of votes issued to all contestants put together amounts to more than three million votes. Of course as most of the candidates received their share of this total, positions remain in most cases unchanged.

### Winner of the Diamond Ring.

Miss Emily Langley, of district number 1, was awarded the diamond ring today, she having turned in more subscriptions than any of the other contestants between the 15th and 25th in 13 days from today, the final count will be made and some deserving of this month. Her winning margin was not, however, very large, but it is to be remarked that at least three other contestants came very

near annexing this prize. Out of town contestants did their usual good work and many young ladies who up to last week had not distinguished themselves came up with a rush and established a good reserve force which will help them at the finish.

### Two More Weeks.

The time is drawing near when the Gordon and Son piano and the rest of the prizes will be awarded to the successful contestants. In fact young ladies will be able to congratulate themselves for their efforts. In the meantime it is well to remember that the voting schedule for this week will be as follows:

### Daily.

3 months	3,000
6 months	7,000
1 year	20,000
2 years	50,000
5 years	150,000

### Weekly.

6 months	2,000
1 year	5,000
2 years	12,000
5 years	35,000
10 years	100,000

Next week will see still a further reduction in this schedule, so that every contestant will have to keep up with her work in order not to lose votes. Votes which will be necessary to be returned successful on Saturday, December 9.

## KIDNAPS HIS WIFE ON THE STREET

TAKES HER BACK IN COUNTRY.

Officers Go After Offender and Bring Him To Trial.

Saturday night a kidnapping incident occurred on the streets of Greenville that awakened much interest, the principals in it being a man and his wife.

About two months ago Mrs. N. L. Tripp, who before marriage was Miss Dora Smith, for alleged mistreatment by her husband left him and came to the home of her mother, Mrs. F. M. Smith, who lives in South Greenville. Since then Mrs. Tripp began proceedings to secure a divorce from her husband on the grounds of mistreatment.

On Saturday night Mrs. Tripp and her sister, Mrs. Maggie Evans, attended the Galety Theatre, and about 10 o'clock started back to the home of their mother with whom they live. It seems that Mr. Tripp knew they were out and he waited in a buggy at a convenient place for them to pass. As the ladies came to the place where he was waiting Mr. Tripp grabbed his wife, dragged her in the buggy and drove off with her, taking her to the home of Mr. Will Clark, about three miles from town. On the way Mr. Tripp showed a pistol in a threatening manner when his wife protested against his treatment.

When Mrs. Evans, sister of Mrs. Tripp, reached home and told their mother what had occurred, Chief of Police J. T. Smith was telephoned for and the matter laid before him. Capt. Smith applied to Justice Rountree for a warrant for Mr. Tripp, and in company with Policeman G. A. Clark went out to the home of Mr. Clark, the officers going in separate buggies. Tripp was arrested and placed in charge of Officer Clark to bring to town, and Chief Smith brought Mrs. Tripp, who is his niece, back to her mother's.

The trial of Mr. Tripp for kidnapping his wife was set for a hearing before Justice Rountree this afternoon.

### ALMOST A FIRE.

Wood Box Burns in Kitchen of Wayne House.

About 2 o'clock this morning there came near being a fire at the Wayne boarding house in the Corey building on Dickinson avenue. In some way the wood box in the kitchen caught on fire and was burned. The smoke aroused some of the occupants of the house and the fire was discovered and put out just as it was about to catch the building. No damage of consequence was done.

### Miss Addie Johnson Dead.

Miss Addie Johnson, of Kinston, aged about 50 years, died at one o'clock Sunday afternoon, at the home of her brother, Dr. H. Johnson, in Vanceboro, after an illness of several days with pneumonia. She was a sister of Mrs. C. D. Rountree, of Greenville, the latter being at her bedside several days previous to and at her death. The remains were taken to Goldsboro for interment there today.

## QUICK TRIAL FOR ALLEGED SLAYERS

FIVE YOUNG ITALIANS FOR TRIAL

Alleged to Have Murdered Mrs. Mary Hall.

WHITE PLAINS, N. Y., Nov. 27.—If several other murder cases now on the docket can be disposed of the district attorney expects before the end of the week to begin the trial of the five young Italians who are alleged to have murdered Mrs. Mary Hall. The murder of Mrs. Hall, a bride but a few weeks, occurred on November 9th at the woman's home on the outskirts of Croton Lake.

The Italians are alleged to have gone to the house in the belief that Mrs. Hall was in possession of a considerable sum of money. After ransacking the lower floors and covering the servants with revolvers one or two of the murderous band ascended to the upper floor, where Mrs. Hall was slain in her bed.

Within eight hours after the crime had been committed a posse of sheriffs, farmers and laborers employed on the New York aqueduct had rounded up the five Italians suspected of the murder. It is expected that the trials will be concluded within a week or ten days, which will establish a new record for speedy justice in Winchester county.

If you do your part to push Greenville forward, it will be that much done.

For the next few days football will be talked as much as Thanksgiving, possibly more.

In about a week now congress will meet and take up plans for adjournment for the holidays.

Make the coming Thanksgiving day a real thankful one by liberally remembering the orphans.

Virginia's law against reporters attending electrocutions did not seem to cut off the story the newspapers got of the Beattie execution.

The young toughs out in Kansas who tarred the lady school teacher got a sentence of a year in jail. Served them right.

We see that the government has found the bath tub trust guilty. No doubt they are guilty of making it more expensive for the other fellow to get a bath.

If Greenville is to be the town it ought to be and can be, the business people themselves must take a hand in making it so. The man who does most for the advancement of his town is the most useful citizen.

A man fools himself by thinking he can live a sinful life and keep it hid. Nothing is more true than "be sure your sins will find you out," and sooner or later the mask will fall and the real character be revealed.

Every one who can should come to Greenville on the morning of December 6th, when the Atlantic Coast Line good roads train will be here to give demonstrations on good roads building, beginning at 9:30 a. m. and closing at noon.

If politicians would do less agitating so far ahead of elections, the people would have more time to attend to business and like it better. By the time one election is over, office-wanters start right in to work for the next one.

The pockets of two Wilmington newspaper men were picked while they were attending the recent railroad celebration in Southport. The boys should not be displaying such evidences of wealth as to make others jealous and want to relieve them of it.

## Do Good Roads Pay?

Do good roads pay? Before good roads were built in Mecklenburg county, land within eight miles of Charlotte could be bought for \$8 the acre. The same land is now worth from \$50 to \$100 the acre.

Jackson county Alabama, built 125 miles of good roads in two years at a cost of \$250,000. In 1890 the average value of the land reached by these roads was \$4.80 the acre. Now ready purchasers would be glad to take them at from \$15 to \$25 the acre.

In Hall county, Georgia, a farm containing 65 acres was sold for \$1,800. A macadam road was built through this farm and the owner was forthwith offered \$4,500 for it.

In Hamblin county, Tennessee, a farm near Morristown was sold for \$6,000 before good roads were built in that county. Since the good roads were built it has been sold for \$15,000.

In North Carolina, a farm at Apex was sold for \$700 before a gravel road was built. After this road was built, it was sold for \$4,500.

"A good roads enthusiast in Pennsylvania bought one thousand inches of advertising in a local paper to tell his neighbors why they should have good roads. As a result the township has become one of the most notable in the state in the matter of road improvement."

These very interesting notes are taken from H. B. Varner's monthly magazine Southern Good Roads, published at Lexington, North Carolina, which has done so much for the cause, and seem to answer in a most satisfactory way the question: Do good roads pay? We must say, however, that the example of the Pennsylvanian, of whom honorable mention has been made, appears to be one of the most effective means of impressing the people with the importance of better highways for the people. If some enterprising man in every neighborhood would take a thousand inches in the local paper to preach the gospel of good roads, it would not be long before the light would spread and the country would be criss-crossed with roads that would save the people who must use them million of dollars. It is so simple a proposition that the wonder it should require any preaching to impress the benefits of such improvement upon any reasonable mind. The convention in Richmond this week will light a torch which will be seen all over the land.—Charlotte Observer.

No wonder scores of Greenville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Greenville by Doan's Kidney Pills.

Mrs. L. Mangum, 116 Dickinson avenue, Greenville, N. C., says: "Doan's Kidney Pills are by no means a new remedy to me. I have used them on different occasions and have found that they are a preparation of great merit. Kidney complaint and backache made me miserable and it was not until I procured Doan's Kidney Pills from the John L. Wooten Drug Co., that I found relief. Recently I again got a supply of this remedy and it helped me as promptly and effectively as before."

## A SKETCH

### Of The Life of L. C. Hatch.

L. C. Hatch's father when 20 years of age, in the city of Hamman, of Syria State, was employed vaccinating. In a short time he married, and he and his happy bride left for Great Beywuth, thirty miles distant from Hamman. There was a large American college in the city of Beywuth, established by the great Prof. Cornelius Vandate. Dr. Hatch spent a couple of years in that college and got his diploma there. The population of Great Beywuth, Syria, was 175,000 at that time. The government then placed him in the centre of the country, called Safad, which had 48,000 inhabitants. Safad is fifteen miles distant from Jerusalem.

Dr. Hatch was one of the teachers of Syria, Palestine State. He spent a good many years in Safad and won fame and honor. Besides being wealthy he was a man of good character and moral habits. Soon after this he died and was buried in that city. A handsome monument was erected to his memory by his friends. Besides leaving a host of friends to grieve his loss, he left a widow and four children—Edward, Rosa, Haleba, and Louise.

The broken hearted mother gathered his property and with her children moved back to her old home in Barak. After her establishment in Barak she applied to Prof. Vandate for him to give her children the same education as their father had received. Prof. Vandate took Edward and Louis and gave them a good education, teaching them three different languages—English, French and Syrian. Eight years from then Prof. Vandate returned them to their mother and told her their education was sufficient, but owing to their age they would have to wait a few years before they could stand examination and get license to practice as physicians. The good professor cautioned Mrs. Hatch to take good care of the children until he called for them.

Edward and Louise in the meantime secured positions with their uncle in a printing office, earning good wages and taking care of their mother and sister for over a year. Prof. Vandate died and Edward, the eldest boy, was grief-stricken at his death. Soon afterwards he went to Athens, Greece, and also to France. From there he came to the United States and to Chicago at the time of the exposition.

Two years after Edward's absence their mother died, leaving the children motherless as well as fatherless. She was a noble looking woman, of good features, and was a Roman Catholic in religion. Although her charms brought her many offers of marrying again, she remained true to her husband's memory and taking care of her orphan children ten years, constantly mourning for her husband. At the end of that time she died and was buried in Barak, a beautiful marble statue being placed at her grave. She was only thirty-eight years of age.

One year after her death Louis Hatch came to the United States to be with his brother, Edward, in New York. He was 16 years of age when he came to this country. The first business he did after leaving New York for Boston, was to publish a Syrian paper which won him fame in Syria. He then went to San Francisco and worked in a book bindery. He went to St. Louis at the time of the world's fair there, being then 20 years of age, well built and weighing 160 pounds. He was a good athlete and after the world's fair went to Chicago and opened a gymnasium on State street in that city. He was a professor of physical culture and had 78 scholars who met from 8 to 10 p. m. each night. He taught them wrestling, heavy weight lifting, boxing, sword facing, swimming and punching bag.

Mr. Hatch does not believe in eating meat or using tobacco and never takes strong drink in any form.

After two years in Chicago he went to Memphis and then to Norfolk, where he engaged in business. He was then a quiet, settled young man of good habits. He continued in business in Norfolk some over a year when he moved to Elizabeth City, N. C., and from there came to Greenville. He has been in Greenville one year and has a nice business here, conveniently located for all. He has a great many friends. If there is any information you may want concerning the foreign country, you are welcome to come to see him and he will serve you with pleasure and be glad of any help he can render.

Yours truly,  
L. C. HATCH.

Instead I used Bucklen's Arnica Salve and my foot was soon completely cured." Heals burns, boils, sores, bruises, eczema, pimples, corns. Surest pile cure. 25 cents at all druggists.

## RESOLUTIONS OF RESPECT.

**On The Death of S. I. Fleming.**  
The committee of the Farmers Union, Statons, N. C., wishes to give expression to the sense of loss, in the death of one of its members, Brother S. I. Fleming. For a short time he had been a member of the union, and his life was an exemplary one, being always in his place and ready to do his duty at all times. The members of the committee not only feel that the lodge has lost one of its best and useful members, and one who was always interested in its welfare, but each member of the lodge has lost a personal friend, for he was a man who had the peculiar faculty of winning friends. He was a man of such vigorous manhood, possessing so much energy and vitality that it is hard for us to realize that he has gone from us. The Lord knows why our friends are taken from our midst. May His will be done. We may think we have a right to complain when one so near and dear is taken from us, but the Heavenly Father doeth all things well. Our loss may be his eternal gain.

We, the committee, wish to express to the members of his family, and to all who are bereaved, our sincerest sympathy and to assure them in this sorrow, we pray that "He who tempers the mind to the shorn lamb, may sustain them and lead them through the shadows." We wish a copy of these resolutions to be published in The Daily Reflector and a copy be spread on the minutes of our society, and a copy be sent to the bereaved family.

S. D. MARTIN,  
A. G. WHICHARD,  
J. W. MARTIN,  
Committee.

### Saved Many From Death.

W. L. Mock, of Mock, Ark., believes  
he has saved many lives in his 25  
years of experience in the drug busi-

he writes, "is to recommend Dr.  
King's New Discovery for weak, sore  
lungs, hard colds, hoarseness, ob-  
stinate coughs, la grippe, croup, asth-  
ma, or other bronchial affection, for  
I feel sure that a number of my neigh-  
bors are alive and well today because  
they took my advice to use it. I  
honestly believe its the best throat  
and lung medicine that's made." Easy

### MAY SAVE NEGRO

Case Will be Taken Up and Disposed  
of at Present Term.

OKLAHOMA CITY, Okla., Nov. 27.  
—The criminal court of appeals which  
convened today for its November term  
is expected to make some final dis-  
position of the case of "Kid" Kelley,  
which has bothered the Oklahoma au-  
thorities for several years. Kelley,  
a negro, was convicted of the murder  
of another negro near Tishomingo  
eight years ago and ever since he has  
been waiting to find out whether he  
should be hanged by the United States  
or the state. His case was pending  
in the Indian Territory courts when  
Oklahoma was admitted to state-  
hood. An effort was made to get the  
case into the United States circuit  
court of appeals, but that court re-  
fused to take jurisdiction. So did the  
criminal court of appeals of Okla-  
homa. Recently the attorney general  
decided the state had no jurisdiction  
and the negro was released from cus-  
tody. But as the case is still on the  
criminal court docket it will be taken  
up and disposed of at the present  
term.

Here  
Is Where  
The Draft  
Enters

The most perfect draft ever  
discovered is the patent Hot

Heater. The only draft that  
secures perfect combustion and  
prevents waste.

## Wilson HOT BLAST Heater

The air enters at the top, drives  
the combustible gases into the  
fire where they are burned—  
prevents the escape of heat up  
the chimney—doubles the heat-  
ing power of the fuel.

In other words, only half the  
amount of fuel used in ordinary  
heaters is necessary. The Wilson  
is air-tight, making perfect com-  
bustion possible and a fire can  
be held 24 hours.

We sell Wilson Hot Blast Heaters  
for either wood or coal.

### Auto Races at Savannah.

SAVANNAH, Ga., Nov. 27.—With  
public buildings and business houses  
gayly decorated with flags and colors,  
Savannah today welcomed the thou-  
sands of visitors gathered here for  
what promises to be the greatest au-  
tomobile race meet ever pulled off  
in America. On the grand prize  
course during the early morning  
hours drivers whose daring and skill  
have given them international repu-  
tation were running their cars at top  
speed in the final try-out for the  
great races of the week. Four big  
events are on the program, begin-  
ning this afternoon with the seventh  
annual renewal of the Vanderbilt cup  
contest and ending Thanksgiving day  
with the grand prize races.

### For Deneen and Cullom.

SPRINGFIELD, Ill., Nov. 27.—The  
Republican State Editorial associa-  
tion met for a two days' session here  
today with a large attendance of the  
men who work with pen and brain  
Southern States.

the year round to keep the Republi-  
can party in Illinois in a flourishing  
condition. The purpose of the meet-  
ing is to consider the political out-  
look. The association favor the re-  
election of Governor Deneen and  
Senator Cullom to their respective of-  
fices, but should Governor Deneen an-  
nounce his candidacy for the senate  
it is likely that a factional split among  
the editors will prevent the endorse-  
ment of either Deneen and Cullom.
