

AMERICAN TROOPS AGAIN RUSHED TO MEXICAN BORDER

For the Second Time Within A
Year Uncle Sam Maneuvres

COAST ARTILLERY WAS DISPATCHED

Unrest Felt in Army Circles Over
Probable Up-Rising in Neighboring
Republic. One of Mexico's Leaders,
General Orozco, Suspected of
Being Unfaithful to President Madero.
For Second Time Within
Twelve Months American Troops
Go To Frontier.

WASHINGTON, Feb. 7.—A few
hours developments in Mexico have
put the mobile force of the United
States army on marching orders and
field equipment.

With renewed disturbances across
the border and the possibility that the
state department might call upon the
war department to protect lives and
property of Americans along the line,
the plans of the general staff prepared
for a minutes action in such an
event, were spread out at head-
quarters today and renewed instructions
to await marching orders were
flushed to army commanders at points
from which troops could be quickly
mobilized.

It was made plain that the govern-
ment does not intend to send more
troops to the border unless the situa-
tion absolutely demands it.

Meanwhile several thousand sol-
diers rest on their arms.

The entire state of Chihuahua is
now reported to be in revolt against
the Madero government.

The state assembly is scheduled
to meet today.

It is expected that declaration of
independence will be issued.

COUNTY AUDITOR J. L. ABBOTT RESIGNS

Guilford Commissioners Asked For It
and Received It

GREATEST SECRECY IS KEPT

Resignation of County Auditor Was
Very Sudden and Appears to Have
Been of The Lightning-Change
Variety. Chairman of Board De-
clines to Explain Situation and
Greatest Secrecy is Kept.

GREENSBORO, Feb. 7.—It was
learned late tonight that at a meet-
ing of the Board of County Commis-
sioners this afternoon the resigna-
tion of the county auditor, J. Leslie
Abbott, was tendered and immedi-
ately accepted, the action of Mr. Ab-
bott being at the request of the board.
Former Chairman of the Board of
Commissioners, J. A. Davidson was
chosen as successor through a con-
solidation of the offices of road super-
intendent and auditor, Mr. David-
son having held the position of road
superintendent formerly.

From an undeniable source it is
learned that criticism has been di-
rected toward Mr. Abbott because of
frequent absences from his office here
on special work and that the board
demanded that he devote all of his
time to the local office. In reply Mr.
Abbott is said to have demanded the
privilege of continuing special au-
diting work on a substantial increase
in salary. The demand for resigna-
tion and its tender was the outcome.
Under Mr. Abbott's direction Guil-
ford's system of accounting and au-
diting has been pointed to as a model
and committees from other counties
have come here to make inspections.
His service has been in demand and
revenue from special work has ex-
ceeded his salary of \$1,500 received
from Guilford county. He is said to
have been asked to quit this special
work and in reply demanded
\$2,500 a year from Guilford.

The Weather.
Fair tonight and Thursday; warm-
er in west portion tonight; light vari-
able winds.

No Tiger Display at Salisbury Meet-
ing.

SALISBURY.—John W. Wooley,
former candidate for President of the
United States on the prohibition
ticket, spoke in Salisbury Saturday
night to a representative audience.
His address was a strong plea for
law enforcement. He urged that
every citizen do his best to elevate
his country, improve conditions, ad-
vising against the spirit of fault-
finding and raising trouble. He was
accompanied to Salisbury by Rev. R.
L. Davis, superintendent of the North
Carolina Anti-Saloon League, who
left here for Charlotte. Mr. Wooley
possesses all of his old time vigor
and enthusiasm and his visit to this
section caused renewed interest in
the temperance cause.

FEDERATION OF WOMENS' CLUBS RECEIVED IN COURT HOUSE

Addresses Of Welcome By Mayor F. M. Wooten, Mrs. R. O. Jeffries and
Mrs. S. T. Beckwith

RECORDING SECRETARY N. C. FEDERATION, MRS. G. W. WHITSETT RESPONDS, MRS. R. R. COTTEN MAKES ANNOUNCEMENTS

A little after nine o'clock Tuesday
night the ladies of the Council of
North Carolina Federation of Wom-
en's Clubs were welcomed to Green-
ville in the court house with ad-
dresses by Mayor F. M. Wooten for
the town of Greenville, Mrs. R. O.
Jeffries for the End of the Century
Club and Mrs. S. T. Beckwith for the
Round Table Club. Mrs. R. R. Cotten
made the announcements and some
of the young ladies of the East
Carolina Teachers Training school
entertained the visitors and public
with delightful music.

In opening the evening's program
the chorus of the Training school, led
by Miss May R. B. Muffy, sang the
Federation chorus and a song en-
titled "Still as the Night." In this,
as in other occasions, this singing by
the Training school chorus was
greatly appreciated.

Mayor F. M. Wooten, in addressing
the visiting ladies, expressed himself
as being greatly pleased at the privi-
lege of conveying to them the greet-
ings and words of welcome to the
town of Greenville, but equally re-
gretted that he was not better fitted
to do full honor to their presence. He
spoke of the great influence that wo-
men had in the state and to what ex-
tent such a meeting as began last
night in Greenville would have
influence in the community. He
was glad that we could
offer the ladies the quietness
of our town for their deliberations
in exchange for the hurry and scurry
of the larger cities. He assured them
that during their stay with us every
visiting lady had the heartiest wishes
from the people of Greenville and that
every one felt the great honor done
the town with their presence. In
closing his address Mayor Wooten
told a little story that greatly amused
his audience.

Mrs. R. R. Cotten then introduced
Mrs. R. O. Jeffries, who in the name
of the End of the Century Club, spoke
to the visiting ladies of the pleasure

they all felt in having them with us;
of the importance of having them
come to help our clubs and lend with
their presence prestige to the cause
they advocated. She said that what-
ever place woman had heretofore oc-
cupied, such gatherings as the one
just started in Greenville had a power-
ful influence in the uplifting of the
cause for which they stood—the up-
lift of humanity. At the close of
her address Mrs. Jeffries was loudly
and repeatedly applauded.

Mrs. S. T. Beckwith was then in-
troduced and read a most interesting
address to the visiting ladies. Among
many important things she mentioned
that women had engaged in a cam-
paign to recover what was lost to her
four thousand years ago. This refer-
ence to the Garden of Eden made
the audience laugh a good deal. Wo-
man was winning for herself, through
the work of her clubs, a place which
she was always intended to have and
that she did not hold up to now sim-
ply because the work of organizing
into such bodies as the visiting ladies
represented had required a lengthy
period of time. Many were the refer-
ences Mrs. Beckwith made to the
progress woman had made lately and
how far reaching all her movements
had been since the organization of
clubs, and the calling together of
conventions, etc. Mrs. Beckwith was
interrupted many times with the ap-
plause of her audience.

Mrs. Cotten then introduced Mrs.
G. W. Whitsett, the recording sec-
retary of the North Carolina Federa-
tion, who in a pretty and well-
chosen response thanked the End of
the Century Club and the Round
Table Club for the hearty welcome
extended the clubs they represented.

Mrs. Cotten said that she would
like to say something about the aims
of the clubs represented, but that
time not being available another
public meeting had been arranged for
Thursday night at the East Carolina
(Continued on Third Page).

CIVIC LEAGUE HOLDS MEETING

Important Measures Adopted by Mem-
bers of League

SANITATION KEY-NOTE DISCUSSION

The Civic League held an enthusi-
astic meeting in the court house Mon-
day afternoon, having an unusually
large attendance. Among the ques-
tions under discussion was the high-
ly important one in regard to the
adoption of the sanitary pail, which
the league urges its members to pro-
cure for themselves, not only as an
object lesson, but as an evidence of
their belief in the necessity for
same.

It was decided that there should
be sent to the mayor a request to
have the streets swept early in the
morning before the crowds assem-
bled to catch and inhale the thou-
sands of germs set in motion by the
street-sweepers.

A suggestion that met with much
approval was that we should begin
in a simple fashion to beautify the
unsightly spots about the town by
planting hardy flowers, a bit of hedge
or some "ivy green" here and there.
Much regret is expressed that so
little had been done towards clean-
ing up the back lots, and it was
planned to have a general cleaning
day soon.

The league is still feeling the up-
lift given at the mass meeting, and
wishes to say to its friends and the
public generally that although it is
now but two years old, it expects to
live to be a hundred, under the beau-
tiful and sanitary conditions which

Forestry Meeting at Ottawa.

OTTAWA, Feb. 7.—Of more than
usual interest, because of its repre-

the committee room of the Parliament
building this morning under the pat-
ronage of his royal highness the gov-
ernor-general. The sessions will last
two days. Numerous papers and ad-
dresses will be presented with a view
of establishing a broader understand-
ing of the forest and its relation to
the great industries depending on it,
to advancing the conservative use of
the forest resources for both the
present and future need of these in-
dustries, and to stimulating and unit-
ing all efforts to perpetuate the forest
as a permanent resource of Can-
ada. The representation at the con-
gress includes cabinet officers and
members of parliament, forestry ex-
perts and practical lumbermen. Gif-
ford Pinchot, former chief forester of

SMALL WILLING TO ACT AS WILSON FUND CUSTODIAN

Mr. Small Will Present Monies In
Person At Trenton

PENFIELD CONTRIBUTION DISCUSSED

Story of North Carolina Daily At-
tracts Wide Attention in New York
And Causes World to Ask Col. Wat-
terson's Views on Penfield's Con-
tribution to Wilson Campaign.
Congressman Small Willing to Act
as Custodian of N. C. Fund For
Wilson.

WASHINGTON, Feb. 7.—The New
York World today devoted two col-
umns to a story published by the
Greensboro News Sunday relating to
the contribution of Frederic C. Pen-
field to the Wilson campaign fund.
The World says it has heard in Wash-
ington that this gift amounted to
\$50,000, but from other sources \$10-
000 is mentioned, and it has called
upon Colonel Watterson for his ver-
sion of this transaction. If the New
York paper is able to draw the col-
onel out it will find that the Penfield
donation did not exceed \$10,000, as
stated by the News Sunday, and that
this amount bears no taint. Josiah
Quincy, former mayor of Boston, was
the "gentleman of distinction" refer-
red to by Colonel Watterson as hav-
ing, in behalf of Governor Wilson,
sought his aid in raising a Wilson
campaign fund.

The writer today received a letter
from Congressman Small, which al-
luded in terms of comparison to the
editorial published in the News Sun-
day relative to Governor Wilson, and
saying he would be very glad to serve
in the capacity of custodian of any
campaign fund which North Carolina
friends of Governor Wilson might see
fit to raise.

UNDERWOOD NO DOUBT FOR HARMON

Mr. Varner, Who Has Assumed the
Leadership for Underwood, Had
Declared His Preference for Har-
mon, Two Days Previously.

WASHINGTON, Feb. 7.—That H.
B. Varner, of Lexington, N. C., who
yesterday gave out a "readymade" in-
terview to Washington correspond-
ents in which he endorsed Oscar Un-
derwood for the presidential nomina-
tion and declared that the slogan,
"The South for a Southerner," would
bring victory to the Alabama candi-
date, had only two days before ad-
mitted that he was a loyal supporter
of the governor of Ohio, was the re-
port that came from authoritative
source today.

Varner is to assume the leadership
of the Underwood campaign in North
Carolina, according to a report which
he has not denied, and his "lightning
switch" within two days from loyalty
to Harmon to carrying around in his
pocket typewritten "interviews" for
the Underwood boom is accepted in
Washington as strong corroboration
of the opinion of Mr. Clarence H. Poe,
editor of The Progressive Farmer, of
Raleigh, expressed to The News and
Observer correspondent Friday, that
the Underwood boom is merely a
mask for the activities of the Harmon
men in states where the governor of
Ohio has failed to develop any
strength.

Social and Personal

The River of Life.

The more we live more brief appear
Our life's succeeding stages,
A day to childhood seems a year
And years like passing ages.

The gladsome current of our youth
Ere passion yet disorders
Steals lingering like a river smooth
Along its grassy borders.

But as the careworn cheek grows
wan

And sorrow's shafts fly thicker,
Ye stars that measure life to man,
Why seem your courses quicker?

When joys have lost their bloom
and breath
And life itself is vapid
Why as we reach the falls of death
Feel we its tide more rapid?

It may be strange, yet who would
change
Time's course to slower speeding
When one by one our friends have
gone
And left our bosoms bleeding?

Heaven gives our years of fading
strength
Indemnifying fleetness
And those of youth a seeming length
Proportioned to their sweetness.

explain what their organizations
were doing and to what effect.

Miss Arlene Joyner, attending the
Training school, rendered a song
which won so much applause for her
that an encore followed. To say that
Miss Joyner did justice to the songs,
would not be exactly right. She more
than did justice to them, and the
audience fully appreciated her singing.
To close the program the chorus
of the Training school sang beautifully
the Slumber Song, by Alstrom and
again was greatly applauded.

Misses Ward Moore, Susie Warren,
Mattie Moye-King, Hennie Whichard,

DOING THEIR DUTY.

Scores of Greenville Readers Are Learning
the Duty of Kidneys. To filter the blood
is the kidney's duty.

When they fail to do this the kidneys
are sick. Backache and many kidney
ills follow;

Help the kidneys do their work. Doan's
Kidney Pills have cured thousands of
severe cases.

Proof in the following: W. A. Respass,
221 E. Fourth street, Washington, N. C.,
says, "I have used Doan's Kidney Pills
and I know that they can be relied upon
to cure a lame and aching back and
correct trouble with the kidney secretions.
For some time my kidneys did not do
their work as they should. I was
subject to backaches and had pains
when passing the kidney secretions. I
used a box of Doan's Kidney Pills as
directed and they gave me relief. That
was nearly a year ago and I have had
no need of a kidney medicine since."

For sale by all dealers. Price 50 cents.

Shocking Sounds.

In the earth are sometimes heard before a terrible earthquake, that warn of the coming peril. Nature's warnings are kind. That dull pain or ache in the back warns you the kidneys need attention if you would escape those dangerous maladies, dropsy, diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "My son received great benefit from their use," writes Peter Bondy South Rockwood, Mich., "It is certainly a great kidney medicine." Try it. 50 cents at all druggists.

BASEBALL NOTES

Bob Ewing says he doesn't care whether he plays ball or not. He is raising fancy swine and getting big money for the porkers. Grover Alexander, Geo. Paskart and Fred Luderus have signed contracts for the season 1912-13-14 with the Philadelphia Nationals. Jack Lelivelt is to be given a try-out at first base by Manager Genzel of the Rochester team. Lelivelt played left field for Washington last season. Pittsburg fans have nothing more to worry them, Marty O'Toole, the "\$22,500 twirler beauty," has sent his signed contract to President Barney Dreyfus. Hugh McBreen denies that his Jersey City Club is to be a farm for the Boston Red Sox. "Nothing like that in the 'Skeeter' family, says Hugh. Harry Bay, whose work used to delight the Cleveland fans, is signing up a bunch of likely looking players for his Bloomington team in the Three-I league. The new Ohio and Pennsylvania league has been organized with six clubs--McKeesport, New Castle, Butler, Sharon, East Liverpool and Steubenville--in the circuit. Gene Demontreville, the former Boston-Pittsburg star, will once more don the spangles and lead the new Cotton States league team that is to be placed in New Orleans. A new Iowa league is being talked of to comprise the cities of Waterloo, Cedar Rapids, Oskaloosa and Mason City. Waterloo and Cedar Rapids were formerly in the Three-I league. Jack Grim, the old Brooklyn player, will manage the Newark Ohio State league team next season. Jack has had quite a lot of experience in the minor league since leaving the big show. Pitcher Sam Leever will not be able to report to the Minneapolis club at the start of the season. The "Schoolmaster" was thrown from a horse recently and his knee was badly hurt. Arthur Bues, the third base recruit from Seattle, is expected to deliver the fancy article for the Giants the coming season. Bues led the Northwestern league in batting last season with an average of .353, and made 27 home runs. When Harry Wolverton leads his New York Yankees on the field for the opening battle of the season, he will be presented with a loving cup, the gift of Oakland, Cal., fans. Harry managed the Oakland team last season and made good.

What Kind of Roads Have You?

After all, there are just two kinds of roads--the kind that help a community and the kind that tax a community. It has been shown that to carry a ton one mile by sea costs one-tenth of a cent; by railroad, one cent. To haul a ton over good roads costs seven cents a mile; over ordinary roads, 25 cents a mile. The mud tax, the excess cost you pay your bad road, therefore, amounts to 18 cents a mile per ton. This matter is especially timely now, for the winter is here, when all hauling must be done under maximum difficulties. Which kind of road have you in your neighborhood--the kind that taxes a community, or the kind that helps? And if you have only the kind that taxes, whose fault is it?--The Progressive Farmer. Some women seem to think a painted face should go with a picture hat.
