Attempt to Grab Rich Oil Lands

Attorney General Wickersham Proffers Serious Charges Against Southern Pacific

OFFICIALS CHARGED WITH CONSPIRACY TO GRAB

WASHINGTON, May 29.—In a public statement, Attorney General Wickersham today declared that the government's suit against the Southern Pacific company, for the recovery of valuable oil lands in Southern California has developed "sensational and startling discoveries". Testimony by witnesses subpoenaed by the government, he says, "presents a remarkable picture of criminal conspiracy among high officials of the Southern Pacific company to acquire from the United States, under an agricultural grant, oil lands valued at \$15,000,000."

The statement was issued after a conference between attorney general and Willis N. Mills, his special assistant in charge of the case, concerning recent important developments in the suit.

The proceedings were instituted by direction of Mr. Wickersham in December, 1910, to set aside patents and revert in the government title to 6,000 acres of valuable oil bearing lands in the Elk Hills country of the McKittrick oil district, Kern county, California.

For Pocket Billiards Title.

TRENTON, N. J., May 29.—Alfred De Oro, former pool champion, who was defeated for the pocket billiards championship in the Philadelphia tournament some weeks ago, is to meet Edward Ralph of Highstown, N. J., his victor, for \$1000 a side in a return match here tomorrow night. The play will continue three nights and will consist of 200 points each night. Alexander Brooks of Philadelphia will referee the contest.

Boys Are Killed by Lightning

KINSTON, May 28.—The remains of Simon Parrot, son of Mr. and Mrs. H. C. Parrott, of Lenoir county, were brought here from New Rochelle, N. Y., where the body was buried over a year ago and reinterred in Maplewood cemetery. The young man was killed by a train on the Long Island railroad, near New Rochelle, in 1911, but it was only recently that his parents got the proof of his whereabouts and Thursday H. C. Parrott left for New York to bring the body back.

Saturday afternoon, according to belated reports received here, Ernest and Tobe Luggins, two negro boys aged 16 and seven years, were struck and instantly killed by lightning near Littlefield, Pitt county. The boys, who had been working in a field, fled from the approaching storm and were about to enter their home when they were stricken, both by the same bolt, in their tracks.

Cy Young says that the Boston Red Sox outfield, Speaker, Hooper and Lewis, flashes the most spectacular work he has ever witnessed on a ball field.

News of Our Native State Briefly Told

Delegates to State Convention Go Uninstructed.

WILLIAMSTON.—The Democratic convention here Saturday endorsed the record of Congressman John H. Small and instructed the delegates to the congressional convention for him. Col. Wilson G. Lamb was endorsed for delegate to the Baltimore convention from the first district. The convention also instructed for Harry W. Stubbs for senator from the second senatorial district. No instructions were made for state officers or president.

Maxton Bank Erects Large Clock.

MAXTON.—The clock tower on the Bank of Robeson building is receiving its finishing touches this week and the clock has been placed in position, nothing now lacking but adjusting some parts of the mechanism when our people are to have "the time of day" without the asking. The clock cost about \$500 and from the top whose citizens doubtless can hear the striking of the clock, although seven of the tower can be seen Laurinburg miles distant.

Lays Out Negro Who Had Attacked White Man

WILMINGTON.—Struck in the head with a hammer by the engineer of the steam rolled used on the streets after he had hit the foreman of the force, T. E. Koonce, with a shovel and was lashing him with a whip, R. Crosby, colored, lies in the hospital tonight in a precarious condition. H. E. Beane, the engineer, who hit him, is held at the police station tonight but is not locked up. The trouble occurred late this afternoon.

Los Angeles has Labor Troubles Again

TWO ALLEGED LEADERS ARE DEPORTED

LOS ANGELES, Cal., May 29.—Deportation of two alleged members of the Industrial Workers of the World; the departure for San Diego of about 200 men, all said to be industrial workers and the arrival here of Joseph Meyers, of the San Diego police force, bringing several bombs said to have been prepared as part of a plan to destroy the lives of officials of San Diego, are the latest developments in the Industrial Workers of the World situation in Los Angeles.

Albert J. Dumont and Albert Wilson were found by the local immigration officials to be in the United States in violation of the anti-alien act and have been ordered deported.

Nash About Even.

ROCKY MOUNT.—At the Nash Democratic convention the instructions were asked for on any state or national office and the delegation to the state convention seems to be about evenly divided between Underwood and Wilson. The delegation is solid for Daughtridge for Lieutenant Governor.

Eighty People Burned in a Picture Show

Castellon de La Palma, Spain, May 28.—The cinematographic explosion which last evening caused the death of 80 persons in a moving picture theatre in the little city of Villa Rael, was even more terrible than at first reported. The theatre was completely burned out and very few of the audience escaped without injury from fire or from crushing in the panic. A large number of the injured are dying. Virtually every family in the vicinity is affected by the 80 deaths.

RETURNS SO FAR GIVE ROOSEVELT NEW JERSEY

Governor Wilson Running a Strong Race in His Own State With Indications that He Will Carry It

NEWARK, N. J., May 28.—Returns from the New Jersey primary election at 11 o'clock tonight, two hours after the polls closed, were too meagre to give definite indications as to which way the state had swung in the struggle for delegates to the national conventions. The first returns came from Newark and Cape May county, at almost opposite extremes of the state and the few voting districts which had finished their count at that hour gave Theodore Roosevelt a slight lead on the Republican side while the Democratic struggle, which was a fight for and against Governor Wilson seemed evenly balanced.

Early returns from Cape May, one of the sparsely settled four counties comprising the Second congressional district, indicated a majority in the county of 500 for Roosevelt over Taft. At the same time E. W. Ray, secretary of the Taft Business Men's League, claimed the city of Newark for Taft.

basing it on the first 18 Newark districts to report which gave on the presidential preference vote 812 for Taft and 466 for Roosevelt.

First returns from the southern part of the state gave the Wilson delegates a vote of nearly 10 to 1 over the uninstructed delegates running against them. Essex county, the stronghold of the Wilson opposition, the first 30 districts to report gave the uninstructed delegates a vote of 1,144 to 762 for Wilson.

Bulletin.

Newark, N. J., May 28.—Republican primary returns from six out of 1,799 election districts in the state on presidential preference and delegates at large give: Taft 78, Roosevelt 246; LaFollette 13.

Newark, N. J., May 28.—Democratic primary returns from 18 out of 1,799 election districts, all in Essex county, on delegates at large, give: Wilson 287; uninstructed (anti-Wilson) 587.

Indication That Taft Rockefeller Refuses to tell Business Secrets

PLANS ARE BEING MADE TO THAT EFFECT MILLIONAIRE PROVES A STUBBORN WITNESS

FORT WORTH, Tex., May 27.—With indications tonight pointing to the control of the Republican State convention here tomorrow by the Lyon-Roosevelt forces and prospects of a bolt by members of the McGregor-Taft faction, the preliminaries of the convention were mapped out today by the opposing sides.

While many of the Taft delegates concede the power to the Roosevelt men, the followers of McGregor give promise of a fight. This was indicated early today in a demand for recognition of the contesting delegations which Chairman Cecil A. Lyon, one of the State Executive Committee, had declared "irregular contests," because of lack of affidavits and failures to file within a given time.

Late in the day several of these contests were heard.

The claims of 17 contesting delegations, classed as "regular," were heard this afternoon, giving on the whole an additional advantage to the followers of Lyon and Roosevelt. Chairman Lyon, who is the avowed leader of the Roosevelt forces, claimed 127 votes in the convention tomorrow before the contests were settled this afternoon.

H. E. McGregor, Taft campaign manager in Texas, claims 84 instructed delegates for the President.

"OLD WYOMING DAYS"

Wonderful Films to be Shown at Gaiety Tonight.

Owing to an unforeseen happening the Gaiety last night did not hold the announced benefit for the King's Daughters. The management realizing the value of a good service has made arrangements to have the latest pictures reach here every day. They come to us from Wilson. For some reason or another last night's films were not shipped. Therefore, the darkness. Persons having bought tickets for last night's benefit will get their money's worth next Friday when excellent pictures and music will make up a most interesting program.

Tonight "Old Wyoming Days" comes to the Gaiety. This is a series of three reels. It tells in a thrilling manner of Indian life as it "really is" in the reservations. Of the Indians' skill on a horse. Of his prowess as a hunter. In fact it shows the Indian at home. In all six reels will be shown and the prices for tonight only are 10 and 20 cents.

Rockefeller Refuses to tell Business Secrets

MILLIONAIRE PROVES A STUBBORN WITNESS

NEW YORK, May 28.—Jno. D. Rockefeller, retired head of the dissolved Standard Oil company, was placed on the witness stand today to tell whether he believed the company had been dissolved under the decree of the U. S. Supreme court.

The aged oil millionaire could not be induced at all times to give direct answers to questions, but made indignant denials of all suggestions that there had been any effort to evade the decree of the court.

The aged oil magnate, "the richest man in the world," was subjected to a grilling by Samuel Untermyer, counsel for the Waters-Pierce interests, that caused the witness to pound his fist on the table to emphasize indignant denials of pointed questions as to whether the decree of the court had in fact been carried out.

"Did you ever have a discussion with John D. Archbold as to how the subsidiaries should be cut loose and still held tight?" queried the Waters-Pierce attorney.

"There was never any thought of cutting loose and holding tight," Mr. Rockefeller almost shouted. "I happen to know about that."

Are Soon to Begin on Hotel

The architects are expected in the next few days to submit final plans for the new Proctor hotel and as soon as these are passed upon by the building committee specifications will be submitted to contractors for bids on construction. Present occupants of the quarters to be occupied by the hotel have been notified to vacate by the 15th of June and work on the new hotel may be expected to begin soon thereafter.

Governor's Son to Wed.

CLAREMONT, Cal., May 29.—Several score of out of town guests arrived here today for the wedding of Miss Amy Bowles, daughter of Mr. and Mrs. Philip Bowles and Hiram Johnson, Jr., son of the Governor of California. The wedding takes place this evening at "The Pines," the home of the bride's parents.

Montana May Avoid Indorsement.

BUTTE, Mont., May 29.—Democrats of Montana assembled in state convention today in this city to name eight delegates and an equal number of alternates to the national convention. Owing to a marked division of sentiment in regards to the choice for the presidential nomination it is thought likely an uninstructed delegation will be sent to Baltimore.

Davidson Celebrates 75th Year.

DAVIDSON, N. C., May 29.—This was a red letter day for Davidson College, the occasion being an all-day celebration in honor of the completion of the seventy-fifth year of the institution. Former Governor R. B. Glenn presided over the exercises which were opened with an historical address by Rev. A. R. Shaw, of Charlotte.

Kentucky Knights Templar.

PARIS, Ky., May 20.—Paris is in gala attire in honor of the Kentucky Knights Templar, whose sixty-fifth annual conclave opened here today with the prospect of being one of the most notable gatherings ever held by the fraternity in the Blue Grass state. Commanders are here from Louisville, Lexington, Paducah, Henderson and numerous other cities. The conclave will continue over tomorrow.

Party Leaders Believe the Nebraskan Will be Named.

RALEIGH.—It is conceded here that the county conventions throughout the state, held by the North Carolina Democracy clearly demonstrated the fact that there will be no strangle tied to the North Carolina delegates to the national convention at Baltimore.

Tornado Leaves Seven Dead in its Wake

TULSA, OKLA., SHAKEN BY BIG WIND STORM

TULSA, Okla., May 29.—Seven persons were killed, three probably fatally injured and a score or more less seriously hurt when a tornado swept through the village of Skiatook, 18 miles northwest of Tulsa and the neighboring farm lands and oil fields last night. The property loss is estimated at \$75,000. Wire communication was severed and the extent of the storm was not known until messengers arrived here late today. The dead: Mrs. Dalton. Oleson and wife and three children.

12 year old son of George Mayhew. The storm, which approached from the northeast, swept down the valley for five miles before it struck the town of Skiatook. A number of farm buildings were wrecked and 20 houses in Skiatook were demolished. The twister passed from Skiatook into the oil fields, razing derricks, tanks and pumping stations. Three storm cellars in Skiatook sheltered 75 persons. Relief parties went from Tulsa in automobiles.

Charlotte Hard on the Whiskey Blinds

CHARLOTTE, N. C., May 28.—At a prolonged hearing before the city recorded this morning W. L. Hand, one of the proprietors of W. L. Hand and Co., drug store, Jesse Hart, prescription clerk in the store, T. A. Hoover, manager of Reader's Club and J. M. Cross, manager of the Eagles Club, were found guilty as charged with retailing liquor. A fine of five hundred dollars each being imposed. The evidence was conclusive and the defendants in the case have not yet noted an appeal to the higher court.

Taftites and Rooseveltites in Texas

Followers of President Refuse to Enter Convention Ruled By Roosevelt' Friends.

HELD CONVENTION OF THEIR OWN AND ELECT DELEGATES

FORT WORTH, Tex., May 28.—The Roosevelt-Taft fight in Texas resulted today in the holding of two conventions here, the Taft followers refusing to participate in the state convention where the Roosevelt forces dominated. Each convention elected eight delegates at large with alternates and electors and each indorsed its favorite state and national leader, the Taft supporters including H. F. MacGregor in its indorsement for National committeeman and the Roosevelt convention offering its support Cecil A. Lyon.

Lyon, who is now national committeeman from Texas, is leader of the Roosevelt forces in Texas and MacGregor is the president's campaign manager in the state.

The Roosevelt convention which held forth at the place chosen by the executive committee for the state convention, claimed 169 counties of the 249, were represented with a vote of 17 1-2 in the first poll taken. The Taft supporters claimed to have 203 counties represented with a vote, based on a representation of one vote for every 100 votes cast for Taft in 1908 of 1,614. One of the purposes of the convention held by the Taft men was to establish this basis of representation. The leaders contend that the apportionment made by the executive committee, which allows one vote for each of the 249 counties in the state with the exception of three which have given two votes each, is unfair. By this calculation, they contend, a county which has less than 100 votes has the same representation as a county with 2,000 votes. This feature will figure largely, they say, in their fight to be made for recognition by the national convention.

Wilson Forces Control Lone Star State

HOUSTON, Tex., May 29.—The night before the Democratic convention tomorrow showed the Wilson majority in sufficient number to instruct all 40 of the Texas delegates to Baltimore for him for the presidential nomination. The Harmon leaders said frankly they would abide by the result of the recent county presidential conventions in Texas, which gave Wilson a majority in tomorrow's state convention, which will elect 32 district delegates and eight delegates at large.

The only prospect for a contest tonight lies in the making of a platform to express Texas' ideas on national Democratic issues this year. Some of the Wilson delegates said they favored a strong and progressive platform regardless of its effects on state issues. The Wilson men caucused tonight decided on their organization tomorrow and the possibilities of a concerted platform sentiment. Harmon adherents also caucused today.

GRATITUDE AS UNDERSTOOD BY SOME.

Gratitude is one of the rarest qualities mankind can exercise. Rare not only in that meaning of the word which terms it as fine, beautiful, commanding or whatever else good you may wish to call it, but unfortunately rare because of its scarcity.

Being a fine quality, gratitude is to be found in those whose breeding speaks for itself. And speaks well and loud. Some may call it faithfulness and in some cases it may be truly so. Even animals can and do feel grateful.

Now and again a something happens which brings home to us the want in gratitude in others. When the matter is purely personal we let it go with a feeling of bitterness which, however, we do not allow to mix with the sunshine. For after all people who engage in personalities are conceited individuals who would have the outside world become interested in their own affairs, whether they may wish to or not. In other words they are willing to get "right in the limelight" cost what may.

Ever since the establishment in the county of a weekly "excuse" called the Pitt County Independent, we have been repeatedly invited to join in a controversy of a personal character, but remembering that mud-slinging is barred by the rule of good manners, we have declined the offer and have gone on our way—which by the way, is not so terribly bad. The alluded publication has criticized us time and again, but, we repeat it, their invitation has not been to our taste, for the simple reason that we realize that whilst we do run a paper, we can't forget that it belongs to our readers and therefore we can't believe they would be interested in a controversy packed with personalities. This rule of overlooking everything of a personal nature we intend to stick to even if the other fellow or fellows, continue to roll their mud balls and sprinkle them with assinine spice. So much for ourselves.

At the county convention last Saturday afternoon we were sorry to hear something which owing to its disrespectful nature we were bound to harr from our columns. We expected that a sense of pride would have buried this something right where it was born. But we had underestimated our immediate neighbor. Not only did the Independent mention the happening but it added a paragraph that reads as follows:

"Mr. Forbes was roundly applauded and his remarks seemed to have struck sympathetic chords in the minds of a majority of his hearers." We were very near the speaker and whilst the volume of the noise made following his words was big, the originators of the sound were luckily for Pitt county's good name, few. One we remember in particular, made enough noise for twenty. No doubt the strenuous efforts made by this particular individual served to confuse the Independent's informer.

The stand taken by this paper on the matter is easily in keeping with its policy of hatry for everybody and GRATITUDE TWO A. everything amounting to anything at all. The word for this combination of hatry, contempt and impudence is called anarchism.

It would be a sad day for North Carolina when any such progressive and patriotic county as that of Pitt should repudiate one of the most venerable men that ever wore the name of Governor of the Old North State. Gov. T. J. Jarvis will no doubt some day (we hope it is still far) be vried to his grave, but his name has already found a glorious place in a book which such men as conduct the Independent will never even learn to read. There is glory enough in the name of Tlcs. J. Jarvis to live beyond generations to come and all this he has earned while working for North Carolina. Overlooking our town there is a temple of learning of which the entire state is proud of, and we don't need to whisper it: East Carolina Teachers Training School stands as a magnificent effort of Gov. Jarvis.

Pitt county is not in the sad position of the young man who went to college and was polished so much so that in the process of brushing up he even lost his respect for his old dad. Mighty sad happening. This will never be with Pitt countians. Their heart is in the right place with them and they will never forget what was done for them and their county.

FEARS AND GERMS.

The person that fears dangerous germs in everything is as much of an ignoramus as he that denies the existence of germs. It is as unreasonable to suppose that all dust is laden with disease producing germs and that deadly bacteria are lurking in all dirt as it is to suppose that poisonous snakes are hiding in all long grass and that ravenous beasts are prowling in every dense forest. Tuberculosis germs never get into dust except from the sputum of a person suffering from consumption. Nowhere is a little learning so dangerous as in that science which treats of the causes and cure of disease.

Mr. R. O. Everett, of Durham, has been selected to respond to the address of welcome to the delegates when the state convention assembles in Raleigh June 6th. Mr. Everett is a speaker of ability and reputation and a good speech may be expected at this occasion.

Though ward committeemen have not as yet made any announcements, The Reflector takes it for granted that primaries in the several wards will be held as usual on Friday night preceding the election, for the purpose of nominating candidates for aldermen.

The recorder of Charlotte made a levy on drug stores and club blind tigers in that city and fined four of them \$500 each. The addition of a little road sentence might have been wholesome.

Renewed Trouble in Cuba has caused "Uncle Sam" to hurry several of his ships and a large number to Key West so as to be in reach to protect American interests on the island if needed.

If Taft does get the Republican nomination for president, there will be much for Roosevelt to swallow. But it will not be the first time he has had to "take it back".

Some of these days Lorimer may see his finish and gaze at the seat he once held occupied by another. That is how it should be.

The Crisis

If the Republican party wishes to nominate Theodore Roosevelt for president, well and good. In behalf of a united democracy, The world welcomes his candidacy.

We had hoped for Mr. Taft's nomination because if he did not wish to see the mind of the country diverted from its great economic problems of Rooseveltism as is was diverted in 1896 by free silver.

We had hoped for Mr. Taft's nomination because we believe the public welfare required an unmistakable popular verdict on the question of tariff privileges and trust privileges, and the right of private individuals to rob the American people under forms of law.

We had hoped for Mr. Taft's nomination because we believe the issue of Rooseveltism would bequeath to the country a legacy of evil no less burdensome than the evils that it inherited from the free silver campaign. But apparently a shattered and demoralized Republican party is powerless to check Mr. Roosevelt's insatiable ambition and we must accept the situation as it is.

If the Republican party wishes to go on record in favor of Roosevelt and a third term, the Democratic party can meet the issue.

If the Republican party wishes to go on record against republican institutions, the Democratic party can meet the issue.

During the last eight years it has been rehabilitated and reunited by Rooseveltism. It swept the country in 1910 against Rooseveltism. It beat Roosevelt in every debatable state in which he campaigned. It owes the present majority in congress quite as much to Roosevelt's ambition as to Taft's weakness and tariff record. We believe it can carry the country in 1912 against Rooseveltism and a third term.

We still have faith in the intelligence in common sense of the American people. We still have faith that they have not turned the Spanish-American republics for a model of government. We still have faith that they are not ready

to substitute a dictatorship for the liberty that they inherited from the fathers.

So far as The World is concerned, it would welcome the opportunity to submit the case of Theodore Roosevelt to the court of last report.—New York World.

What a Big, New Hotel Means.

Here are a few facts and figures profitable for reflection for any Asheville. The New Langren hotel, equipped, will represent an expenditure of well above \$300,000. There has been a weekly payroll of nearly \$1,500 for 55 weeks, and this will continue for something like four weeks longer. On the average 130 men have been employed in the construction and the total expenditure on account of wages is now about \$82,000.

These workmen Saturday evenings pay money over to some four or five firms each; all told there must be 400 or more bills to be paid every Saturday night out of this payroll.

Thanks for an order from the proprietors of the Langren, the new furniture factory started off with enough business to keep its men employed nearly sixty days. There are 40 men on this payroll.

Will the payroll stop when the hotel is finished? Yes, just as a new one is made out. It will take an army of help to run house; seven clocks waiters, bellboys, porters, chambermaids, clerks, housekeepers, workmen. That is a payroll that will be continuous if we people of Asheville realize what the new hotel means to us and lend our sympathy and co-operation; take a ride in it and boast of it as one of the town's great assets; mention it with conscious civic pride and satisfaction in the letter we write to our friends

A number of us are anxious for Asheville to have more manufacturing because that means more permanent payroll. Well, as far as that goes a big hotel like this is a factory.—Asheville Gazette-News.

Girl Could Not Sleep.
Miss Van Steenburg, a Brooklyn girl, lately found herself unable to sleep. Of course she was worried cause there is nothink that will more quickly and certainly wreck health than to be unable to rest at night.

Now sleeplessness is just a symptom of falling health and is caused by unequal circulation of the blood. Somebody evidently gave her some good advice, for she says in a recent letter, "I had been all run down and tired out for some time and got so I could not sleep at nights. I had heard so much about Vinol that I tried it and found it highly satisfactory.

"It has restored my strength, made me able to sleep and eat well and I am now suite well again."
This delicious cod liver and iron preparation without oil (Vinol) does wonders n building up weak, nervous, sickly people of all ages. It makes the blood rich and pure, corrects the faulty circulation and restores appetite. We promise to give back the money in case Vinol does not please you. Moye's Pharmacy, Greenville, N. C.

Helps a Judge in Bal Fix.
Justice Eli Cherry, of Gillis Mills, Tenn., was plainly worried. A bad sore on his leg had baffled several doctors and long resisted all remedies. "I thought it was a cancer," he wrote. "At last I used Bucklen's Arnica Salve and was completely cured." Cures burns, boils, ulcers, cuts, bruises and piles. 25 cents at all druggists.

Tobacco Flues

135,000 POUNDS MATERIAL

Three and one-half solid cars Tobacco Flue Iron for this season's trade. I will make my flues this season in the Center Brick Warehouse, where I will be glad to fill orders from my old and new friends, the fourth consecutive season.

The demand will be heavy this season and to avoid delay and confusion, I advise all those who are reasonably sure of needing flues to place their orders early, and get their flues before the beginning of curing season.
