MEXICAN BORDER MUCH QUIETER

Peaceful Presence of Troops Has Effect

REBELS EVAQUATE AGUA PRIETA

American Soldiers Are Ordered To Prevent Firing Across the Border—Talk of Intervention Off.

WASHINGTON, Sept. 13.—There was a distinct air of relief in the War Department today when General Schuyler reported from Douglas, Ariz., the withdrawal southward of the Mexican rebel bands which had been threatening Agua Prieta, across the border from Douglas. The retreat is believed to have been largely due to the uncompromising attitude of the American patrol. Orders to prevent fighting at Agua Prieta, if fire were directed toward Douglas, would have been carried out to the letter, according to the general staff, even if that involved the sending of American troops across the international boundary.

While the situation on the border has improved, reports continue to arrive of revolutionary outbreaks in other sections of Mexico. Zapatistas are said to be threatening the town of Antigua, on the coast north of Vera Cruz. Uprisings are momentarily expected in the states of Coahuila and Nuevo Leon, according to advices to the state department.

The Mexican government is said to be hurrying reinforcements to El Tigre, Sonora, where is situated one of the richest mines in Mexico, operated by American capital. An attack by the rebels there is said to be imminent.

Moye's Pharmacy Opens Again After Temporary Closing

The well-known drug store at Five Points formerly owned by Dr. Burt Moye, and which was purchased by Dr. Basnight, opened its doors again today after a temporary close of a few days to take inventory.

The many patrons of this pharmacy will be glad of the fact as this corner has always been popular. Mr. Norman of Richmond, is at present keeping things going. Several alterations and improvements will be made in the store as soon as possible, it being Dr. Basnight's plan to move his consulting and operating rooms to the rear of the store.

Republicans Hold Convention in Court House

PART COUNTY AND STATE TICKETS NOMINATED BY REPRESENTATIVE CROWD

In accordance with their announcement the Republicans met this afternoon in the Court House for the purpose of nominating a county and state tickets.

A little after 12 o'clock the convention was called to order by the Chairman of the Republican Committee, Mr. D. N. Nobles and Mr. T. Whitehurst was appointed temporary chairman of the convention. Mr. Whitehurst took the chair amid applause and proceeded to read from the announcements as have appeared in the papers, what the purpose of the convention was.

But one dissenting voice was heard against the contents of this announcement and immediately the convention went on to nominate the tickets.

For the senate a motion was put forward and readily seconded that the appointment be held in abeyance.

For the House the names of Messrs. D. N. Nobles and C. E. Smith were offered and although both these gentlemen refused the nomination giving as their reason their having business to attend to, they were nominated. Col. Skinner saying he was sure both would make that sacrifice for their party.

Several names were suggested for

FIRST CLANSMAN FOUND NOT GUILTY

JURY IN CASE OF VICTOR ALLEN STAYS OUT THIRTY MINUTES AND RETURNS VERDICT

ALL OTHERS TO THE ELECTRIC CHAIR

WYTHEVILLE, Va., Sept. 13.—"Not guilty," was the verdict rendered by the jury in the case of Victor Allen, charged with participation in the Hillsville court house murders on the 14th of last March. The announcement brought quite a demonstration from the spectators, a large portion of whom were women.

The argument in the case was completed this afternoon at 4:30 o'clock and given at once to the jury, who were out 30 minutes considering their verdict. When it was announced, Mr. Poague, of counsel for the commonwealth, addressed the court, stating that he and his associates had no desire to do more than their duty and that with permission of the court the other indictments against the defendant would be dismissed, which was done.

The prisoner, surrounded by his four small children, received the congratulations of many in the courtroom and as he shook hands with the jury tears coursed down his cheeks.

This is the last of the trials growing out of the shooting up of Carroll county court last March, when the presiding judge, the sheriff, the commonwealth's attorney, a juror and a witness met death at the hands of the Allen clan. For the murders, two men have been sentenced to the electric chair, Floyd Allen and Claud Allen, father and brother of the man who was acquitted today. Two other members of the clan, Friel Allen and Sidna Edwards, were given long terms in the penitentiary. Sidna Allen and Wesley Edwards who escaped, are still at large with apparently little hope of their capture.

Stokes, N. C. is Soon to Have its Own Banking House

The lately organized banking institution in Stokes, will know this afternoon, who its officials are. The first meeting for the election of officers will be held this afternoon at Stokes, when president, vice president, directors, etc., will be appointed. The bank has a capital stock of \$5,000 and according to the opinion of a person well acquainted with conditions in the immediate vicinity of Stokes, will have all the necessary support.

N. Y. COMMISSIONER HAS "BEEN INSULTED"

WALDO MAKES BITTER REMARKS FROM THE WITNESS CHAIR AT ALDERMANIC INVESTIGATION

LOSES HIS TEMPER SEVERAL TIMES

NEW YORK, Sept. 13.—Rhineland Wald, commissioner of police, took the witness stand at the City Hall this afternoon to testify before the aldermanic committee which is investigating the police situation made acute by the disclosures following the murder of the gambler, Herman Rosenthal.

The examination was conducted by Emory R. Buckner, counsel for the committee, who questioned Mayor Gaynor on Tuesday.

"Do you," asked Mr. Buckner, "waive immunity, Mr. Wald, in case your testimony —," he did not finish.

"I don't want any immunity and I don't waive it," snapped the commissioner. "Furthermore, I do not understand that this committee has any right to grant anybody immunity. I consider the mention of such a matter a gratuitous insult."

"Do you want immunity?" insisted Mr. Buckner.

"I consider this an insult," repeated the witness.

"Then I understand that you would refuse immunity," broke in the examiner.

Mr. Wald's voice was shaking with anger now. He leaned forward and again declared that he considered discussion of such a matter unnecessary and irrelevant.

"Well then," said Mr. Buckner, pleasantly, "we'll drop it."

No Fears in Unlucky 13 for Next United States President

SEAGIRT, N. J., Sept. 13.—On this Friday, the 13th day of the month, Governor Wilson sat in seat No. 13 in a parlor car returning to Seagirt today from a New York state trip. The presidential candidate liked the coincidence.

"Thirteen is my lucky number," he said. "I usually get seat 13 or room 13 wherever I go. The number thirteen has ran through my life constantly. When I was in my thirteenth year as a professor at Princeton, I was elected the thirteenth president of the university. There are just 13 letters in my name. I am not afraid of No. 13."

The governor has in the past 13 days delivered 13 speeches. He had a number of appointments for today and tomorrow and will leave here Sunday night for Sioux City, Iowa, and his western engagements.

Odd Fellow's Gathering.

WINNIPEG, Man., Sept. 14.—Members of the Independent Order of Odd Fellows from all parts of the continent, together with many representatives of the women's auxiliary, the Rebekahs, gathered in Winnipeg today for the annual communication of the sovereign grand lodge, which will be opened on Monday.

It is estimated that by Monday 50,000 members of the fraternity will be in the city. Today the Odd Fellows and the visiting ladies were given an excursion on the Red river. Tomorrow special services for the visitors will be held in Grace church. The official welcome will take place Monday morning in the central Congregational church. Greetings will be extended by Sir Redmond Roblin, premier of Manitoba; Mayor Waugh, of Winnipeg and others. Grand Sire Cockrum, of Indianapolis, will respond for the visitors. After the exchange of greetings the delegates will adjourn to Convention Hall for the first of the business sessions of the sovereign grand lodge.

The drill contests of the Patriarchs Militant will take place daily on University grounds. The parade on Wednesday afternoon and the military ball on Wednesday evening are the principal features of the week's programme.

NO AGREEMENT ABOUT GOV. DIX

Dem. Nominee Does Not Promise Anything

SITUATION IN N. Y. IS GRAVE

Tammany Waging Fierce Fight to Have Governor Re-elected—The Progressives are Hopeful.

SEA GIRT, N. J., Sept. 13.—Gov. Wilson tonight declared that when he sat Gov. Dix at the New York State Fair at Syracuse yesterday he gave him no assurance of support.

The declaration was called forth by a published report that such assurances were given by Gov. Wilson to the New York state executive. The presidential nominee had nothing else to say on the New York state situation.

The candidate announced tonight that he would leave early Sunday afternoon on his western trip. The engagement set for two speeches at Pittsburgh Saturday, Sept. 21, have been temporarily deferred. The governor will arrive in Chicago Monday, and will leave at six o'clock for Sioux City, Ia., where he will speak on Tuesday at he state fair.

On Wednesday he will cover Saint Paul and Minneapolis and Thursday Detroit. After his speech on Friday at Columbus, Ohio, he will go direct to Sea Girt, arriving Saturday afternoon. He will make a speech that evening somewhere in the state in connection with the senatorial contest.

The following Monday, Sept. 23, he will open the Pennsylvania state campaign with an address at Scranton when members of the State ticket are notified of the nominations. On Tuesday, 24th, Gov. Wilson will vote at Princeton, N. J., at the primaries. The remainder of the week will be devoted to a trip into the New England states. The dates for this trip are now being arranged by the national committee in New York city.

Notable Battle Anniversary.

WASHINGTON, D. C., Sept. 14.—Fifty years ago today the national capital was anxiously waiting news of the outcome of the great battle that was being fought by the Union and Confederate armies at South Mountain, less than 50 miles from Washington.

This battle was really the decisive one of the Maryland campaign and led to the great fight at Antietam three days later.

South Mountain is a spur of the Blue Ridge range, extending north of the Potomac from Harper's Ferry. There are two passes through the mountains, one known as Turner's gap and the other as Crampton's gap. The first named affords a passage from Frederick to Williamsport, and the other, a few miles to the south, gives a similar opening to Harper's Ferry.

Gen. Lee, after the victory at Bull Run on Aug. 30, had crossed the Potomac and invaded Maryland. A few days later he divided his forces, sending Stonewall Jackson to capture Harper's Ferry. To relieve Harper's Ferry General McClelland ordered General Franklin through the Crampton gap. The remainder of the Federal army was to pass through Turner's gap and fall upon Lee's main column.

Gen. Hill of the Confederates, succeeded in reaching Turner's gap before the Federals. The Confederate General McLaws likewise succeeded in getting into position in Crampton's gap. The battles of the 14th were fought to wrest these positions from the Confederates.

British Bishop Comes to Canada

LONDON, Sept. 14.—The bishop of Edinburgh, accompanied by a number of church of England clergy, were among the passengers sailed today for Quebec. The churchmen are bound on a special mission in aid of church development in the Western provinces of Canada.

Dr. Caldwell Will Preach

Dr. J. C. Caldwell, of Wilson, will preach in the Christian church Sunday morning. The public is invited to hear him.

Hazing at Chapel Hill Claims Life of Young Rand

FOUR YOUNG MEN CONNECTED WITH TRAGEDY ARE UNDER CUSTODY AWAITING CORONER'S HEARING. VICTIM DANCING ON BARREL WHEN IT WAS KICKED FROM UNDER HIM.

In Falling Young Man Was Severely Cut by Broken Bottle

WOMEN DO MEN'S WORK

Tar and Feather Grl For Alleged Flirting

NORWALK, Ohio, September 13.—A young girl of Clarksfield, Ohio, it became known today, was the victim of eight married women, dressed as men, who on Sunday night induced the girl to take a walk and then tarred and feathered her.

The girl heeded their warning and disappeared.

She was charged with flirting.

The girl, alleged to have been flirtatious with several men of the town, was induced to go walking shortly after dusk by three members of the tarring party.

A short way up the road five other women, in male attire, joined the convoy. The party then proceeded to a lonely spot along the pike and stripping the girl, administered the tar.

Afterwards she was warned to leave town, or worse would follow.

LADY KILLED IN HENDERSONVILLE

Victim of Runaway. Son Was With Her at the Time

ASHEVILLE, Sept. 13.—Mrs. C. E. Armstrong, a wealthy widow of Vicksburg, Mass., who had been spending the summer at Hendersonville, was instantly killed and her son, Reuben, 22, painfully injured in a runaway in that city yesterday.

Mrs. Armstrong and her son were driving near the Southern Railroad station when their horses were frightened by an incoming train. The young man jumped from the buggy and seized the bridle, but the frightened horses carried him with them and finally threw him against a telegraph pole. Continuing their flight the horses ran for a quarter of a mile when Mrs. Armstrong was thrown from the buggy. Death was instantaneous.

JAPANESE HERO SUICIDES

TOKIO, Sept. 13.—General Count Maresuke Nogi, supreme military councillor, and his wife, the Countess Nogi, committed suicide tonight, following the religious ceremonies in connection with the death of the late Emperor Mutsuhito.

Becomes Bishop of Antigonish.

ANTIGONISH, N. S., Sept. 14.—Roman Catholic Prelates and Priests from many dioceses today attended the consecration of Rev. Dr. Jas. D. Morrison, formerly vicar general of the diocese of Charlottetown, as bishop of Antigonish, in succession to Bisop Cameron, who died about two years ago. The consecrating prelates was Monsignor Stagni, the apostolic delegate to Canada, who was assisted by archbishops McCarthy of Halifax and Casey of St. John.

The new bishop is a native of Tracadie, N. S., and was educated at Charlottetown and at the College of the Propaganda in Rome. After his ordination to the priesthood he became rector of St. Dunstan's College, Charlottetown, and afterwards rector of St. Dunstan's cathedral.

Retirement of Col. Tripp.

WASHINGTON, Sept. 14.—Lieut. Col. Percy E. Tripp, recently on duty at the mounted service school at Fort Riley, Kansas, was placed on the retired list of the army on his own application today after more than 36 years of actual service. Col. Tripp is from Georgia and was graduated from West Point in 1880. His entire service has been with the cavalry.

Mr. J. J. Macon, of Warrenton, has taken a position with the Greenville Banking and Trust Company here.

DURHAM, N. C., Sept. 13.—William Rand, of Smithfield, N. C., a freshman at the University of North Carolina, at Chapel Hill, was accidentally killed by sophomore hazers early this morning.

The upper classmen had the freshman dancing on top of a barrel near the university campus. Reports vary as to just how Rand came to his death.

One version is that Rand, who had been blindfolded by the hazers, was dancing a jig on the barrel top when it collapsed, hurling the youth with great force to the ground. When the other students started to pick him up and resume their hazing stunts, it is said they then found Rand's neck had been broken.

Another report has it that the barrel was kicked from under the freshman and that when he fell his head crashed against a broken demijohn the force of the fall almost severing his head from his body.

This tragic ending of what the sophomores had planned to be a jubilee night, threw some of the hazers into such a state of fright that many of them fled. A few of them, however, remained and carried the lifeless body to one of the nearest dormitories.

The accident has thrown the whole university into gloom. There is practically a suspension of all work and it has cast a blight upon the prosperous opening of the institution last Monday with the largest attendance in its history.

Four of the hazers have been placed under guard and the authorities are making a thorough probe of the affair. Meanwhile, they are searching for other members of the band of hazers.

Governor Kitchin Sends Message

RALEIGH, Sept. 13.—Governor Kitchin this afternoon forwarded the following telegram to Dr. Francis P. Venable, president of the University.

"Am shocked and distressed to hear of the death of young Rand. Have same rigidly and thoroughly investigated and all facts and circumstances connected therewith made public. Make full report to executive committee of the trustees at a meeting to be called for the purpose."

PROMINENT BAPTIST MINISTER OUT FOR JUDGE CLARK

CREEDMORE, Sept. 9.—Saturday night Judge Walter Clark spoke at Creedmore, Granville county, in advocacy of his nomination for the United States senate.

At the conclusion of his speech, Rev. Dr. J. D. Hufham, the best loved Baptist minister in North Carolina, often called the "Baptist Bishop," arose and told the audience that until then he had not decided as to his choice for the United States senatorship. That he had loved Aycock, that he had taught Kitchin in his Sunday school, that he was one of the first men twelve years ago to nominate Simmons, but after hearing Judge Clark's speech, he could give his vote and support in this senatorial contest to his comrade and friend, Walter Clark.

Judge Clark's friends feel confident of carrying a large vote in this county.

Illinois Town to Celebrate.

EDWARDSVILLE, Ill., Sept. 14.—The elaborate preparations for Madison county's centennial celebration were completed today. Special services in all the local churches will usher in the celebration tomorrow. The exercises and festivities will cover an entire week. The big features of the programme will be an historical pageant depicting events in the early history of this section, and the unveiling of a monument to commemorate the 100th anniversary of the establishment of the first county court in Edwardsville, which event also marked the inauguration of representative governor of Illinois.

THE NATIONAL TICKET

Wilson Marshall

Jack Johnson, the negro pugilist, had a wife. A few days ago she committed suicide, remarking before the rash act that everybody shunned her because she married a negro and that she was unhappy. It is a pitiable case, but she ought to have known that the moment she married a negro she would forfeit the respect of others. Miscegenation has the ban of disapproval in this country.

Whether the John Hopkins biologists succeeded in making a monkey act like a man is not yet proven, but it is no unusual thing to see a man act like a monkey.

When colleges are rid of the rowdy students who participate in hazings, it will be better for the colleges.

They may not have intended it, but those University students who wilfully engaged in hazing are guilty of the death of a fellow student.

With lemons soaring so high in price, it is fortunate that the lemonade and ice tea season will soon be over.

The farmers can save hay now much cheaper than they can buy it later on.

Time to shoot the straw hat, provided you have one of another kind.

The new moon is a wet one, whether we get much rain or not.

Aviating might be more attractive if it did not kill so many people.

Greenville is a town in which you do not see any vacant houses.

This is My Birthday

Bishop Israel.

Bishop Roger Israel, head of the Protestant Episcopal diocese, was born in Baltimore, Sept 14, 1854. His education was received at Dickinson College, where he graduated in 1881. He was ordained a deacon in the Protestant Episcopal church in 1885 and a priest the following year. In the succeeding years he filled pulpits in Meadville, Scranton and several other Pennsylvania cities. When the Protestant Episcopal diocese of Erie was created Dr. Israel was selected as its first bishop and was consecrated in February of last year.

This Date in History

September 14th.
1777—Burgoyne crossed the Hudson and encamped on Saratoga Heights.
1829—Treaty of Adrianople, ending the war between Russia and Turkey.
1847—American army, under General Scott, entered the city of Mexico.
1852—Duke of Wellington, the victor of Waterloo, died. Born in 1769.
1901—Vice President Roosevelt took the oath of office as President of the United States.
1908—Bert H. Fernald elected governor of Maine.
1911—The Russian Premier Stolypin assassinated by an anarchist.

Congratulations to:

Charles Dana Gibson, the artist, 45 years old today.
Charles B. Smith, representative in Congress from the 36th district of New York, 42 years old today.

In view of the German custom of early marriages some surprises have been expressed both at home and abroad that the Princess should attain the age of 20 and still be heart whole and fancy free. Reports of her betrothal to this or that scion of European royalty have been circulated from time to time ever since the princess made her debut some three or four years ago, but each report has turned out to be nothing more than idle rumor. The most brilliant match which has been mentioned for her is Prince Karl, heir presumptive to the throne of Austria. The handsome ex-King Manuel of Portugal was also mentioned as a suitor, but the loss of his throne put him out of the running. Prince Leopold of Battenburg, brother of the Queen of Spain, was also mentioned, but the one whom court circles in Berlin believe to have the best chance of becoming the Kaiser's son-in-law is the young Grand Duke Adolph Frederick of Mecklenburg-Strelitz.

Notice to Exhibitors.

The fair will be held in the buildings and yards of the New Gum Ware-

house and Liberty Warehouse, in the town of Greenville. The association will assist in placing the exhibits and will render all assistance possible to exhibitors.

Entries will be received until nine o'clock a. m., Thursday, November 14, at the New Gum Warehouse. Stalls will be provided for all live stock at the New Gum Warehouse. No exhibit not worthy will be given a premium.

The association nor any of its officers will be responsible for any loss or damage to exhibits. No charge will be made for entries nor for admission to the Fair. Exhibitors are requested to bring poultry in coops, according to rules which will be furnished upon application.

The judging of all exhibits will be under the regulations of the North Carolina Board of Agriculture. The association reserves the right to substitute articles of merchandise for any cash premium of not less value than premium offered.

Copy of General Rules will be sent to interested exhibitors on application to the Secretary.

Many Driven From Home

Every year in many parts of the country thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping cough and sore lungs, make it positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Michigan State Fair.

DETROIT, Mich., Sept. 14—On the eve of the opening of the Michigan State Fair, which will begin a two week's business here Monday, all indications are that it will be far better than any of its predecessors. During the last week, and particularly the last three days, exhibits of many kinds have been arriving and the Fair Grounds present a lively appearance. The live stock, agricultural, machinery, manufacturing and other departments will be well filled. New features will include a motor show, a demonstration of good roads construction and an exhibit illustrating the progress of agricultural education. The grand circuit horse races five days into the week have an entry list longer than was ever had before.

What We Never Forget

according to science are things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, skin eruptions, cuts, sprains or bruises. Forty years of cures proves its merit. Unrivaled for piles, corns or cold sores. Only 25 cents at all druggists.

Mecklenburg Waters

We take great pleasure in announcing that we have made arrangements by which the people of Greenville and adjacent section can now get the famous Mecklenburg Waters, and Extra Dry Ginger Ale, not only conveniently, but most reasonably.

When we say that Mecklenburg Waters are the best we only repeat what the most eminent Physicians and Chemists say. These waters received the highest awards at the World's Fair, Chicago, St. Louis and Jamestown Expositions. We have the Medals. The Boards making the awards were composed of not only the most eminent Physicians and Chemists of this country, but from foreign countries—numbering about 75 to 100, the most learned scientists of this enlightened age. Thus, you see we have the right to say that the Mecklenburg Waters are the best and have no superiors.

Mecklenburg Waters are practically the only waters the National Pure Food Board passed on favorably, permitting the analysis to stand as shown on each bottle. We would ask you to compare the analysis of the Mecklenburg Waters with those of other waters, but so few, if any of the other waters have the analysis on the bottles any more. Look and see for yourselves and you will find that it is just as we say that the analysis have been left off the labels. The Mecklenburg Labels with the analysis have been approved by the National Pure Food Board, why? because this Board as well as everybody else knows that the Mecklenburg Waters are the best. These waters cure permanently while other waters only benefit temporarily.

If you are suffering from Rheumatism, Gout, Indigestion, Liver Trouble, Bright's Disease, Kidney and Uric Acid Troubles nothing is so effective as the Mecklenburg Mineral Water. For Eczema, Scrofulous troubles and other blood and skin diseases, boils and carbuncles, catarrh of the stomach, albuminuria of pregnancy or sore eyes, Mecklenburg Chloride of Calcium Water is nature's own and best remedy. To prove our assertion we will give you a few testimonials including those from some of our most eminent physicians whom we all know either personally or from reputation:

It is needless to speak of the applicability of these waters. Their analysis will make their uses plain to every physician. They are already widely known to doctors throughout the country, and their virtues will be recognized.

Many wonderful cures have been wrought by them—a fact well known to me personally and through other physicians.

Yours very sincerely,
(Signed) GEO. BEN JOHNSON.

Dr. J. G. Trevilan, Richmond, Va.

I have used the Chloride Calcium Water from your springs in my practice with very great satisfaction, especially in skin diseases and chronic venereal (Syphills) troubles.

Many cases have come under my care, which soon readily yielded to the beneficial effects of the water that were not affected at all by other treatment.

Dr. Hugh M. Taylor, Professor Surgery University Medical College, Richmond, Va., writes:

This water is most valuable in Virginia. For gastro-enteric troubles it is especially valuable. Wishing you success, I remain,

Cordially,
HUGH M. TAYLOR, M. D.

Blood and Skin Disorders — Uric Acid Diathesis.

Dr. J. Allison Hodges, President of the University College of Medicine, Richmond, Va., under date of February 6, 1903, writes:

My experience with the Chloride of Calcium Water in several cases of Skin diseases has been especially gratifying.

I believe it to be a water of superior and unusual properties, and a specific in many blood and skin disorders.

The Mecklenburg Mineral Water is well known and of recognized virtue as an acid solvent in cases of Uric Acid Diathesis.

I am glad of this opportunity to commend to the profession these waters.

Norfolk, Va., May 20, 1909.

I have used the Mecklenburg Mineral Springs Waters quite extensively for past five years, with general good results. Especially have I been pleased with the "Chlorinated" water in albuminuria of pregnant women; in the treatment of such cases it stands first with me.

(Signed) LIVIUS LANKFORD, M. D. President Norfolk Medical Society.

Testimonial from the Auditor, State of North Carolina.

Raleigh, N. C., October 7, 1904.

It affords me a great deal of pleasure to testify to the excellent medicinal properties of the Chloride Calcium Waters of Chase City, Va. I was a guest at the Mecklenburg Hotel ten days last July, at which time I was suffering very greatly with Venereal Eczema of the hands, and I was greatly benefited by the water, and if I could have remained a few days longer I am sure a perfect cure would have been effected.

Very respectfully,
(Signed) B. F. DIXON, Auditor.

Fayetteville, N. C., May 7, 1909. Mecklenburg Mineral Springs Co., Chase City, Va.,

Gentlemen: I cheerfully give my

testimony as to the great virtues of remedy than your Calcium Chloride the Mecklenburg Waters of Chase City, Va. For diabetic trouble I do not know their equals. They made a new man of me.

Yours very sincerely,
(Signed) J. J. HALL, M. D.

Eczema.

M. S. Davis, President of Louisville Female College, Louisville, N. C., April 10, 1905. Mecklenburg Mineral Springs Co., Chase City, Va.

Gentlemen: I feel it is due to the cause of suffering humanity to make the following statement of facts with a hope that others similarly afflicted may profit by my experience: About two years ago I was taken with eczema, in a most aggravated form. The disease first appeared on my face, neck and arms, and gradually extended to other parts of my body. The skin on my face and neck became thick and rough, attended by an itching sensation that was at times almost insufferable. I sought the best medical aid to be found but only found temporary relief. My suffering became so intense that I was forced to give up all business. At length I resolved to try the efficacy of the Chloride Calcium Water of Chase City. I arrived at the Mecklenburg Hotel March 10, 1905, and remained four weeks. During that time I drank a hot glass of Calcium water every morning before breakfast and took six or eight more (cold) during the day. Before the end of the four weeks, every vestige of the eczema had disappeared, my skin was perfectly smooth and natural and my general health was never better. I take in commending the Mecklenburg Chloride Calcium Water to all who may be afflicted with skin diseases.

Yours very truly,
(Signed) M. S. DAVIS.

Testimonial from Mrs. Josephus Daniels, wife of the editor of the News and Observer, Raleigh, N. C.: March 24, 1905. Mecklenburg Mineral Springs Co., Chase City, Va.,

It gives me pleasure to tell you, and I am sure will interest you to know of the permanent benefit the use of the Mecklenburg Mineral Waters have been to my children. My little two-year-old son, who has been troubled for months with torpid liver, has been practically well since we returned from Chase City. I consider the cure of the eruption on the face of my older son by the use of the water for only one week as remarkable. My children and I remember with much pleasure our visit to the Mecklenburg.

Yours very truly,
MRS. JOSEPHUS DANIELS.

Testimonial from General B. S. Royster, Adjutant for the State of North Carolina for eight years: Oxford, N. C., February 25, 1905.

It gives me pleasure to testify to the splendid results which I received from the use of the Mecklenburg Calcium Chloride Water.

For more than a year I suffered with terrible carbuncles and received little or no benefit from medicines, but after using one case of the water I was greatly improved, and three cases of it completely relieved me. As a specific for trouble like the one above referred to I know of no better

Yours very truly,
B. S. ROYSTER.

Sufferer from Kidney Trouble Feels Like a New Man.

Youngsville, N. C., May 9, 1905. Col. W. T. Hughes, President, Mecklenburg Mineral Springs Co., Chase City, Va.

My dear sir: I take great pleasure in adding my testimonial with thousands of others to the wonderful curative powers of your fine mineral waters.

I spent four weeks at the Mecklenburg last spring, having gone there as a sufferer from Kidney Trouble. In less than a month I gained 22 pounds and felt like a new man. Too much cannot be said in behalf of these wonderful waters.

F. A. CHEATHAM.

Albuminuria and Gastric Troubles.

Dr. Paulus A. Irving, President of the State Board of Health, Secretary and Treasurer of the University College of Medicine, and Professor of diseases in Children, under date of Oct. 10, 1903, writes:

Through your courtesy in supplying me with a case of your Calcium Chloride Water I have tested its efficiency in Albuminuria of Pregnancy. The urine was tested prior to the use of the water and showed about 25 percent of albumin; after the use of the water for ten days there was no trace of albumen present. I cheerfully recommend this water, not only for gastric troubles, but also for this condition so common in the pregnant woman.

Yours very truly,
PAULUS A. IRVING.

NOTES FROM THE LABOR WORLD

In a very short time there will be a complete alliance of a working character between the musicians, actors and stage employes.

The Wisconsin State Federation of Labor is now represented by about one hundred and fifty local unions and had a balance in the treasury on July 1st, of \$2,727.

The boot and shoe workers chartered five new unions during the past month of June, one of them at Amperes, Nova Scotia, and another at St. Johns, New Foundland.

The organizations of labor are steadily increasing their membership in Spain and increases in wages in all departments of industry are steadily being obtained as a result.

In the lace and lingerie industry of Florence, Italy, the work-day for women, established by law, is ten hours. Hand embroideries receive 40 cents to 50 cents and lace makers 45 to 55 cents a day.

A free labor bureau for the purpose of bringing the unemployed in to direct touch with possible employment or for those desiring to better their employment is the latest innovation introduced by the B. & O. Railroad.

For the quarter ending June 30, 1912 the Almagamated Association of Iron, Steel and Tin workers paid \$2,300 as sick and accident claims, the average benefit being \$24.69. For the same period the association paid

NOTICE

Greenville, Sept. 4, 1912. Notice is hereby given to the public that our lands lying along Tar River have been posted according to law and it is our intention to prosecute any one trespassing on any of our lands with or without gun or dog, for any purpose whatever, without permission.

If you should take a saw and cut any pair of shoes in this store right down through the middle, you would find nothing but goodness and quality throughout.

The unseen parts have received as much care and attention in the making, as the uppers and soles. The linings, the counters, the inner soles are all worthy and made to give the best of service.

We sell only the highest quality shoes made --for men, women and children; placing our orders with makers who have for years provided only the most worthy footwear, and in addition to quality.

WE OFFER YOU THE BROADEST SELECTION OF STYLES IN THIS COMMUNITY, AT PRICES AS LOW AS YOU ARE GENERALLY ASKED TO PAY FOR ORDINARY MAKES

Gornto Shoe Company

\$1,300 as death claims. The strike of stevedores and freight handlers that recently stopped all traffic at the port of Malaga, Spain, has been won by the workmen. The employers yielded to the union demands regarding a higher scale of wages and more pay for overtime. Compensation for industrial accidents is gradually becoming an established fact in the United States, as it has been for years in some of the European countries. Thirteen states in the country now have compensation laws, all of them enacted within the last three years.

Arrangements have been made by which fresh Mecklenburg Goods will be shipped these firms weekly so as to always have the water fresh. Send for Booklet.

Mecklenburg Mineral Springs Co. CHASE CITY, VA.

Bethel Items

BETHEL, Sept. 12.—We are having some ideal autumn weather now, quite different from last week. School begins Monday. The principal, Prof. Craven, of Lexington, came last night and took as a surprise his young wife. We will give her a warm welcome and hope their presence will prove beneficial to the town and community. Mrs. Callie Thomas leaves today for Greenville on a visit. Marvin and Leyton Blount left for Randolph, Macon College, the first of the week. Davis Bullock has accepted a position with the Griffin Drug Co., of

Rocky Mount.

Van Taylor, Paul, Don and Marshall Whitehurst, all left for Oak Ridge last Monday. The board of aldermen are to be congratulated on the recent law passed forbidding stock to run on the streets. Your attention is called to the Bethel Banking and Trust Company's statement in this issue of the Reflector. The Wisconsin State Federation of Labor is now represented by about one hundred and fifty local unions and had a balance in the treasury on July 1st, of \$2,727.

REASONS FOR INSURING YOUR LIFE NOW!

Because Procrastination is a thief, and you can't afford to keep such company, especially when there are so many poor excuses for delay, and so many good reasons for immediate action.

LABOR AND THE RULE OF RIGHT.

The working people of America—if they must be distinguished from the minority that constitutes the rest of it—are, of course, the backbone of the nation. No law that safeguards their life, that improves the physical and moral conditions under which they live, that makes their hours of labor rational and tolerable, that gives them freedom to act in their own interest and that protects them where they cannot protect themselves can properly be regarded as class legislation or as anything but as a measure taken in the interest of the whole people, whose partnership in right action we are trying to establish and make real and practical. It is in this spirit that we shall act if we are genuine spokesmen of the whole country.—From Woodrow Wilson's Speech Accepting the Democratic Nomination.
