

NO TRUTH IN HAZING STORY

Young Ferrall, of Wake Forest, Not Hurt

PUBLISHED ACCOUNT DENIED

Admitted That Innocent Hazing Did Take Place But No Violence Was Effected.

(By A. J. Langston)

WAKE FOREST, Sept. 20.—A day or two ago some one in Raleigh sounded a note of absolute falsehood and the writer wishes to correct this error before it goes further. It is very true that we have had quite a little hazing here this season, such as dancing the freshmen, chasing them over the campus and having them to sing and speak. Up to this time the above forms of hazing are all that have been indulged in.

Now, regarding young Ferrall, "a freshman at Wake Forest, is recovering in the infirmary there from the effects of hazing" is not true. The writer has been with young Ferrall out on the track nearly every day this week and most of the days of last week and he shows no sign of injury of any kind. However, on the other hand, he is showing up well as a new man on the track and the writer has all evidence to believe he will make a splendid runner, by the time he has been whipped into condition. Therefore, this report which has been mentioned by a large number of the papers of the state has not a grain of truth in it and young Ferrall is perfectly well and has never been hurt in any way since entering college.

Catholic Charities Conference

WASHINGTON, D. C., Sept. 21.—Protection for the young girls who go to large cities is to be one of the important subjects of discussion at the biennial meeting of the National Conference of Catholic Charities to be held in this city next week. Many noted prelates, priests and laymen of the Catholic church arrived today to take part in the conference. The opening solemn high mass will be celebrated at the Catholic University tomorrow morning. The sermon will be preached by Bishop Canevin of Pittsburgh. The regular sessions will begin Monday and continue three days.

Wilson's Campaign Fund From Pitt Creeping up to the Century Mark

COUNTRY PEOPLE LITTLE SLOW IN TAKING ADVANTAGE OF THE CHANCE TO HELP GREATEST DEMOCRAT.

Because of the fact that Pitt County's Collector for the Wilson Campaign Fund was attending to his natural calling (law) all day yesterday, the list of contributors has not been boosted so very much in the last 24 hours. Still another name has been added and a great many more people have signified their willingness to have their names on the list before the contribution from Pitt is incorporated to the State Fund.

People from the country are especially requested to come in. The Democratic water was never finer! Anybody in the county who can reach Mr. Pierce or the Reflector with a contribution should not miss the opportunity of adding his help to this fund.

ANOTHER FAST TRAIN IS ROBBED

BANDITS MAKE GOOD THEIR GET-AWAY WITH A WAD OF OVER \$70,000—MAIL CAR IS RIFLED.

R. R. OFFICIALS ADMIT THE THEFT

PENSACOLA, Fla., Sept. 19.—Following closely a series of robberies by highwaymen on railroads in the south, the westbound-Louisville and Nashville train was robbed Wednesday between Pensacola and Flomation, Fla. News of the robbery did not become known until today. It is reported that \$70,000 was stolen from express packages sent from Pensacola banks to Flomation for the payment of employees of the Louisville and Nashville railroad in that district.

Officials Admit Robbery

New Orleans, Sept. 20.—Special agents of the Southern Express Company and detectives left New Orleans yesterday for Pensacola, it was admitted today, to investigate the robbery of express shipments of money between Pensacola and Flomation. Officials here refuse to divulge the amount stolen.

According to the report current here today, the passenger train which left Pensacola at 7 o'clock Wednesday morning carried in the express car \$70,000 in currency from a local bank for Louisville and Nashville officials at Flomation.

The sealed packages containing this sum are said to have been properly receipted for by express agents and messengers, but when delivery was made to the railroad authorities at Flomation it is said that only \$5,000 of the shipment remained in the packages. The \$70,000 is said to have been carefully extracted and slips of paper cut from magazines substituted.

The shipment is said to have consisted principally of bills of small denomination, being for payroll purposes of the railroad.

Toronto's Fall Meeting Opens

TORONTO, Ont., Sept. 21.—The fall meeting of the Ontario Jockey Club, which will bring the racing season in Canada to a close, opened at Woodbine Park this afternoon under conditions that give promise of a very successful meeting. The feature events on the card for the opening day were the Toronto Autumn Cup, handicap at one mile and a quarter; the Dominion Handicap, at one mile, and a steeplechase for novice timber toppers at two miles.

UTAH STRIKERS EVAQUATE MINES

AFTER LIVELY STRUGGLE TO HOLD ENTRENCHED POSITION MEN SUDDENLY GIVE UP.

SITUATION NOT SETTLED AS YET

BINGHAM, Utah, Sept. 20.—Sixty-two hundred men now compose the army of mine workers made idle by the strike in the mines here Wednesday and present indications are that this number will be increased unless a settlement of difficulties is brought about within the next few days.

The situation today opened practically the same as when the strike was called and there appears to be little prospect of an agreement between miners and operators soon.

Forty-five hundred of the idle men are strikers. The remaining seven hundred were forced to leave their work when the concentrating mills at Garfield were compelled to close down last night for lack of ore.

The Greeks and Cretons, who until yesterday were fortified in trenches overlooking the mines, have remained true to their promise to Governor Spry to give up the stronghold, but have not relaxed their vigilance on the mines.

Pickets patrolled the roads leading to the mines last night and early today several shots were exchanged with deputy sheriffs who attempted to cross the highways leading into the hills.

Many of the American miners and mechanics who were in most part opposed to the strike, have left the camp and are taking no part in the disturbances.

Charles H. Moyer, president of the Western Federation of Miners, announced today that the Federation may call out the union men employed at the Nevada Con properties at Ely, Nevada, the Ray Consolidated, at Kelson, Ariz., and the Chino, at Santa Rita, N. M., which are controlled by the Utah Copper interests.

"D. C. Jackling, manager of the Utah Copper Company's properties, refuses to recognize the union in Utah and we see no reason why union men in other states should work for him," said President Moyer. "The men in other states should work foring to work where they are not wanted. In fact, the miners at the Nevada Consolidated at Ely, Nev., are ready to go out at a moment's notice."

The Nevada Consolidated mine employs about 3,500 men. At the Chino, Santa Rita, New Mexico, 500 men are employed and the Ray Consolidated has several hundred. The Nevada Consolidated and Chino, like the Utah Copper Mine of Bingham, are worked with steam shovels at the surface and most of the labor is unskilled.

Rebel Soldiers Kill and Capture Entire Command of Federals

DOUGLAS, Ariz., Sept. 20.—It is reported that the entire command of Federals under Colonel Obregon was wiped out by rebels in a battle at San Joaquin reach today. Those not killed were reported captured by the rebels.

The rebels are said to have been led by Salazar and Rojas, who were routed yesterday by the Federals. They are reported to have attacked the Federals while the latter were gathering up the rebel wounded and trying to ascertain the rebel losses in yesterday's battle. The rebel force was much superior to the Federals.

Baptist Church Notice

I invite all who will to come and worship with us Sunday morning at 11 o'clock and Sunday evening at 7:45. Especially do I ask every member of my church and congregation to be present at both services. Let nothing stop you. I have two messengers to deliver, that I wish the entire congregation to hear. Subject morning, "A Charge to Christian Soldiers. Evening, "The Charge Pressed Upon Us". C. M. ROCK.

WILSON CLUB FORMED BY REPUBLICANS

At Fault With Roosevelt Moosers Split

TEDDY BETRAYS NEW PARTY

Rudolph Spreckles at Head of the New Wilson Club Has Opened Ther Headquarters.

COLUMBUS, O., Sept. 29.—Coincident with the opening of the Democratic campaign in Ohio today, Governor Woodrow Wilson gave his hearty approval today to the formation in New York of the Wilson National Progressive Republican League.

The governor and Rudolph Spreckles, now in New York, in charge of the movement, exchanged the following telegrams made public today by the nominee:

"New York, Sept. 19, 1912. "Governor Woodrow Wilson, "Columbus, O.

"Eastern headquarters of the Wilson National Progressive Republican League were today opened in the Metropolitan Building, New York. Our league was founded by progressive Republicans who hope to save the progressive movement that was started some years ago in the Republican party, but which is now being betrayed by the organization of Colonel Roosevelt's third-term party. Under these conditions you alone deserve the support of true progressives who place principles above partisanship. Our membership is wholly Republican, but we feel justified in voting and working for your election since the candidate of the Republican party does not represent the progressive majority in that party, and Roosevelt's candidacy is hopeless and only serves to divide our progressive forces.

(Signed) "RUDOLPH SPRECKLES." To which Governor Wilson replied: "Your telegram telling me of the formation of the Wilson National Progressive Republican League gave me deepest gratification and encouragement. The action you and your associates are taking seems to me truly patriotic. The progressive forces of the nation ought not to be divided. No mere attachment to a party name should now separate men whose purposes and convictions are united for a common object. The formation of the league seems to me one of the most reassuring indications of the temper of thoughtful men. May I now convey to you my congratulations on your own part in the movement. (Signed) "WOODROW WILSON."

Jem Driscoll Coming

LONDON, Sept. 21.—Jem Driscoll, the British featherweight champion, sailed for New York today to begin another fistic campaign in America. He hopes to secure a match with Champion Johnny Kilbane, but is somewhat doubtful whether the Cleveland boy will reduce in weight to 126 pounds. In the meantime Driscoll will take on "Knockout" Brown, Young Jack O'Brien and several others with whom agreements have already been signed.

G. O. P. Campaign Opens in Ohio.

COLUMBUS, O., Sept. 21.—The Republican campaign in Ohio was formally opened here today under auspicious conditions. Good sized delegations were on hand from cities throughout the state and much enthusiasm was manifested on every hand. The chief orators of the day were Senator Henry Cabot Lodge of Massachusetts and former Vice President Charles W. Fairbanks of Indiana.

GORMAN & GENTRY'S BULLETIN.

We finished selling all but one house again Friday. Our sale of 45,444 pounds made an average of 18.33 for the whole sale, scrap and damaged tobacco included. We never had such snappy bidding on the Greenville market before, the buyers all bidding strong, showing this crop is appreciated for its quality and color and is wanted by the manufacturers. See that the order (condition) is not too soft and avoid glutting the market and this crop will net you more per pound than any you ever sold.

EAST CAROLINA TEACHERS TRAINING SCHOOL TO OPEN DOORS SEPT. 24TH

State-Wide Famous Institution Embarks Upon its Fourth Year of Splendid Work of Training Next Tuesday

EVERY AVAILABLE ROOM ENGAGED AWAY AHEAD OF TIME

More Dormitories An Absolute Necessity To Further Growth of School

Knowing the interest left not only here and throughout eastern North Carolina, but also in the state, in the East Carolina Teachers Training School and that the opening for the fourth year of this institution was next Tuesday, Sept. 24th, we desire to note a few things in respect to this school gotten by a personal visit. Upon arrival we were struck with the busy hum of things as we found every once actively getting ready for the student body on the opening day. Things have already begun to look like business. The success of the school has been phenomenal. This is the beginning of the fourth year and we find that the school has reached its utmost capacity in receiving pupils. It was seen that the demand for entrance on the part of the girls would be such this session that the management could make no arrangement for young men and, therefore, they had to be excluded from the dormitories. This left all the available rooms of the entire institution open for girls.

In less than five weeks from the close of last term every single room in every building had been taken by girls and there are twenty or more applications now on file and rooms for these applicants can not be furnished. These applications continue to come in with the prospect of being received.

When the present buildings were erected it was thought they would be sufficient probably for ten years and yet are not sufficient for the fourth year. The school is full grown now and cannot become larger until there are more dormitories, more recitation rooms, enlarged laundry facilities and more adequate dining room accommodations. This demand so early in the history of the institution shows to us several things as undoubtedly true.

First, there was a demand and a need for such an institution. Second, that it is wise that the school has been rigidly held to its one purpose in its establishment, that is the preparation of teachers for the schools of the state. There ought to be such a school and the work done in such an institution ought to be held to this one purpose. This is what is done here. Third, the management of the school has been unusually wise. President Wright has shown remarkable executive ability and he has had the loyal support of both trustees and faculty in giving this phenomenal success to the school.

But for this wise management and the character of the work done in class rooms this school could never have reached its present size and efficiency in so short a time.

We learn that for the coming season on the same faculty of the former years will be had with the following exceptions: Miss Barrett will be in charge of Primary Methods in place of Miss Dabney, resigned; Miss Hill will have instrumental music in place of Miss Bishop, resigned, and Miss Rankin will be Matron instead of Miss Cassidy who could not return. Miss MacFayden has been added to the faculty as Critic Teacher.

The enrollment last year reached five hundred and ninety-five and would have been larger had there been room. Of this number we learn that at least five hundred and eighty five were already teaching or preparing themselves for teaching. Think what this means to the children of North Carolina! There is an ever increasing demand for prepared and trained teachers throughout the state. It is proper that this demand should increase. This, however, presents the question to the state of the inadequate arrangement now made to keep the supply of trained teachers up to the increased demand. We believe there will be an awakening to the opportunity which the state has and its responsibility to meet this opportunity.

Judging what the future of this school will be when the state makes sufficient appropriation to enable it to receive those who apply for admission, is pleasant to contemplate. Those who are preparing themselves for teachers and those who are now teaching have realized the opportunity there is in this school to get the training they need and when all can be received who apply, the supply of the well equipped teacher will be largely increased in the state and this means much to the educational progress of the people. North Carolina did a wise thing when it established this school for the purpose of training teachers for the schools of the state. It will be a wiser thing when the legislature sees to it that every girl and boy who wants this training shall have the opportunity to get it and not be turned away for the want of room.

When this time comes "Watch this Institution Grow".

Roosevelt Talks About Taft in Picturesque Words

HASTINGS, Neb., Sept. 20.—Criticizing Republican leaders in general and Victor Rosewater, of Omaha, former Republican national committeeman, in particular, Colonel Roosevelt opened his campaign in Nebraska today.

He said in part: "Penrose, Barnes and your own Victor Rosewater were engaged at the Chicago convention in scuttling the Republican ship. They cared nothing for the principles of the party. All they wanted was to keep the power for their own purposes and if they could not keep it without ruining the party they were glad to ruin the party. "The bosses know that Mr. Taft is a dead cock in the pit and they are turning to Mr. Wilson. I will admit that the bosses don't like me. What's more, will make them not like me some more."

Typographical Error Cheerfully Corrected

In yesterday's issue of this paper we published a news item concerning the splendid average made at the Star Warehouse for the day's sale. It was an unfortunate circumstance, that whilst we gave the average correctly the number of pounds suffered an attack of shrinking in the hot, stuffy linotype room, that instead of appearing as 60,224 pounds (sixty thousand, two hundred and twenty four) it read 6,224 pounds. Even for this small amount of tobacco the average of \$18.08 would have been very handsome, and so when we multiply the number of pounds as appeared in yesterday's issue by almost ten, and still leave the average at \$18.08, this wonderful average will stand as a success of the intelligent selling ability of the Star force, headed by Manager Foxhall. To resume, the Star sold yesterday 60,224 pounds of tobacco and made an average on the entire sale of \$18.08.

Discussion of Sunbeam Work—Mrs. James Fox, Rocky Mount.

Report of Temporary Committees.

Closing Moments—Adjournment.

Experienced Milliner in Town

Mrs. M. R. Grace, an experienced millinery from Baltimore, arrived in Greenville last Thursday. Mrs. Grace will be with the Mrs. I. F. Lee and Co., milliners, the coming fall season in addition to the regular milliners engaged by this company. The announcement of the Mrs. I. F. Lee and Company's fall millinery, will appear in this paper at an early issue next week.

Winterville High School Items.

The enrollment of Winterville High School is right around the 200 mark. The personnel of the student body is fine, the work is very satisfactory, and the general department is excellent.

Rev. C. V. Brooks of Enfield, one of the trustees came down Thursday evening accompanied by Misses Mary and Elsie Vick of Halifax county, who entered Winterville High School. Mr. Brooks delivered an excellent address to the school Wednesday morning. He returned home Wednesday afternoon. The faculty is arranging to have several distinguished speakers to address the school during the fall term.

The senior class is the largest in the history of the school. Out of a class of nine that finished last year, seven of them are in college.

Churches, To-Morrow

Many Driven From Home

Every year in many parts of the country thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping cough and sore lungs, make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

MRS. D. D. HASKETT

Florist

Charles J. Faulkner

Charles J. Faulkner, former United States senator from West Virginia, was born in Martinsburg, W. V., Sept. 21, 1847. His early education was received in France and Switzerland. In 1862 he entered the Virginia Military Institute and fought with the cadets of that institution at the battle of New Market and afterwards served as aide to Gens. Breckenridge and Wise of the Confederate States Army. After the war he entered the University of Virginia. He graduated in 1868 and the same year was admitted to the bar. After seven years as a circuit court judge Mr.

Faulkner was elected to the United States senate in 1887 and served until 1899.

Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

MECKLENBURG MINERAL WATER

Fayetteville, N. C., May 7, 1909.

Mecklenburg Mineral Springs Co., Chase City, Va.,

Gentlemen:—I cheerfully give my testimony as to the great virtues of the Mecklenburg Waters of Chase City, Va. For diabetic trouble I do not know their equals. They made a new man of me.

Yours very sincerely, (Signed) J. J. Hall, M. D.

Dr. Hall is a very prominent Baptist minister, having occupied one of the best pulpits in Norfolk, Va., for a number of years and is now pastor of one of the largest churches in Fayetteville, N. C., and in perfect health, notwithstanding before he began drinking Mecklenburg Waters he had almost given up on account of having a bad case of diabetes.

These waters are for sale by John L. Wooten Drug Co., and Moyer's
