Crazed Socialist Levels Gun at Colonel Roosevelt and Wounds Him

Injury, Though Slight, Causes Loss of Blood. Roosevelt Refused to Take Physician's Advice and Delivered His Speech

Crowd Attempts to Lynch Assaulter But the Colonel Intercedes in His Behalf

"Anybody Running For Third Term Should be Shot" Said Would be Assassin

MILWAUKEE, Wis., Oct. 14.—Colonel Roosevelt completed his speech at 9:45 o'clock and was taken to the Emergency hospital. Six physicians examined Colonel Roosevelt's wound. They found it impossible to determine the depth to which the bullet had penetrated, and it was decided to take an x-ray photograph. The prisoner told the police after an hour's examination that he was John Schrank, of 370 East Tenth street, New York.

MILWAUKEE, Wis., Oct. 14.—Theodore Roosevelt was shot in the breast here tonight by an unidentified man. The extent of the injury is unknown. With a bullet in his body, Colonel Roosevelt went to the auditorium to make his speech. He refused to permit physicians to examine the wound until he had finished his speech. At 9:10 o'clock he was still speaking although weak from loss of blood. Colonel Roosevelt's physician refused to express an opinion whether the colonel's injury was serious until he had examined the wound.

It is believed Roosevelt's injury is not serious. The colonel felt no pain at the time the shot was fired and was not aware he was shot until he was on the way to the auditorium. His attention was called to the bullet hole in his overcoat and he found his shirt was soaked in blood. He insisted he was not badly hurt. A superficial examination was made when he reached the auditorium and three physicians agreed he was in no immediate danger.

Colonel Roosevelt saw his assailant arrested and taken to the police station. Henry F. Cochems seized the man and held him until policemen came up. A mob surged around the prisoner, who apparently is mentally upset on the subject of Roosevelt's running for another term as president.

The man, who is small of stature, admitted firing the shot and said that "any man looking for a third term ought to be shot."

In notes found in the man's pockets at the police station was a statement that the assailant had been visited in a dream by the spirit of William McKinley, who had said, indicating Colonel Roosevelt, "This is my murderer; avenge my death."

he was not badly hurt. Then he began his address. Several times he seemed to be growing weak and members of his party rose to help him. He motioned them to sit down.

"Let me alone; I'm all right," he said.

Would be Assassin's Statement.
A written proclamation found in the clothing of the man who did the shooting reads:

"September 15, 1912.
"September 15, 1901, 1:30 a. m., in a dream I saw President McKinley sit up in a monk's attire, in whom I recognized Theodore Roosevelt. The President said, 'This is my murderer. Avenge my death.'

"I could plainly see Mr. McKinley's features.
Before the Almighty God I swear this above writing is nothing but the truth."
Another note found in the man's pocket read:

"So long as Japan could rise to the greatest power of the world despite her surviving tradition more than 2,000 years old as General Nogi so nobly demonstrated, it is the duty of the United States of America to uphold the third term tradition. Let every third term be regarded as a traitor to the American cause. Let it be the right and duty of every citizen to forcibly remove a third-term. Never let a third term party emblem appear on the official ballot.

"I am willing to die for my country. God has called me to be his instrument, so help me God.
(Signed) "INNOCENT GUILTY."
(Written in German) "a strong tower is our God."

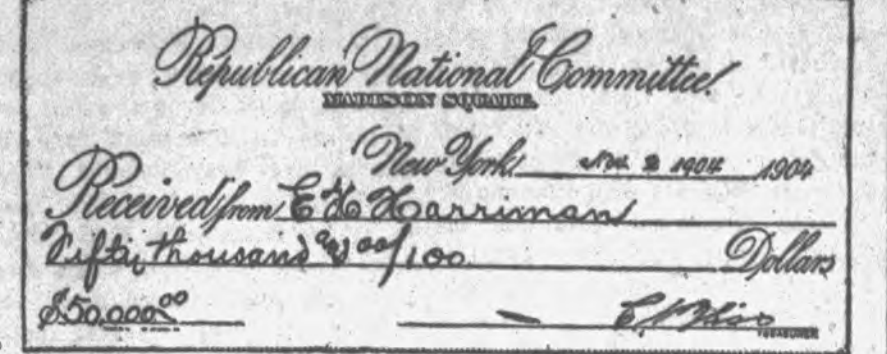

Chapel Hill Hazers' Trial is Postponed Till March

HILLSBORO, Oct. 14.—By agreement of counsel the trial of the four University of North Carolina students held on a manslaughter charge in connection with the death of freshman Isaac W. Rand by hazing on the night of September 13, was today continued until the March term of Orange county superior court. The quick agreement to a continuance is attributable largely to Providence. Judge Harry W. Whedbee, of Pitt, who was to have presided over the term and the trial, was unable to come to Hillsboro to hold court because of illness and in a wire to the court authorities stated that it would be impossible for him to come before Thursday. With the other cases on the docket it would have been impossible to reach the hazing cases after four day's delay so after a short conference Solicitor Gattis agreed to continue the case and allow the lawyers and defense witnesses to return to their homes. Witnesses for the state were required to report back Friday that they might appear before the grand jury.

Club Women at Cheyenne
CHEYENNE, Wyo., Oct. 15.—Wyoming's capital city is today teeming with women from all over the state, who have come here to participate in the annual convention of the Wyoming Federation of Women's Clubs. An attractive program has been prepared for the three day's session. One of the novel features will be the daily cooking demonstrations for the benefit of the club women.

Harriman's \$50,000 For T. R.'s Fund

Time and again Colonel Theodore Roosevelt, the third term party's candidate for president of the United States, has stated that the famous \$240,000 raised by the late E. H. Harriman in the fall of 1904 was for use in the New York state campaign. He also declared most positively a few weeks ago that he had ordered Chairman Cortelyou of the Republican national committee, not to accept any money from the Standard Oil company in that campaign and to return it if any had been accepted.

On Monday, Sept. 30, C. C. Tegethoff, secretary to the late E. H. Harriman, produced the above receipt of the Republican national committee, signed by Treasurer Cornelius N. Bliss, for Mr. Harriman's individual contribution of \$50,000 to this fund, proving conclusively that it was used in behalf of Mr. Roosevelt's candidacy. The day following John D. Archbold, president of the Standard Oil company, produced the documentary proof that his company did give \$10,000 to Roosevelt's campaign fund and that it never was returned.

"Rube" Marquard Pitches Giants Into Second Victory Giving Them Chance to Cope Title From Red Sox

POLO GROUNDS, New York, Oct. 14.—The New York Giants overcame the Red Sox today by a score of 5 to 2 before a crowd of 25,000 people.

New York's victory was a check to the hopes of the Red Sox team, which had expected to win today and capture the world's series.

The struggle for the world's championship of 1912 now stands: Boston, 3 games won; New York, 2 games won; and 1 game a tie.

The two teams will play tomorrow in Boston. O'Brien, the Red Sox's moist pitcher, was knocked out of the box in the first inning, when New York made 5 runs.

Collins went in for O'Brien in the second inning, and there was no further scoring. Marquard pitched a superb game for the Giants, and outside of the second inning the Red Sox were helpless before his mystifying curves.

After the game the managers of the clubs tossed a coin to determine in which city the deciding game should be played in the event that New York won tomorrow in Boston. Manager Stahl called tails and it fell tails and the deciding game will be played in that city.

The Carnival Opens

Notwithstanding it was raining some, there was a fair sized crowd at the opening of the Johnny Jones carnival on the Williams lot Monday night. All of the attractions did not open because of the bad weather, but there were enough to make it interesting until a harder rain came up and sent the people home. As the weather is now right everything will be running in full blast tonight.

The Johnny Jones carnival has one of the best trained wild animal shows on the road. In addition to this there are several other attractions. The Old Plantation, without which no carnival is complete; Congress of Living Wonders with freaks from all nations; Joy Land, the funny house where you laugh; Mysterious Hattie and a large collection of reptiles; Memo, a human freak who walks on his hands; Lula, the smallest horse in the world; Diving Girls with Miss Staunton; Ferris Wheel; \$20,000 carousal or merry-go-round, the high diver and numerous free attractions. All the shows are clean.

STAR WAREHOUSE BREAKS OWN RECORD

Incredible as it may at first seem figures prove that for a total amount of 19210 pounds of tobacco auctioned to day on the floor of the Star warehouse, the small fortune of \$4,863.66 were paid, yielding a general average of 25.32 for every pound sold. Mgr. Foxhall and his crew are surely going some along the record breaking line. And it could hardly be anything else. How's this for a single sale made for Mr. H. Chandler, of Craven county:
14 pounds at 36, 36 pounds at 33, 72 pounds at 34, 16 pounds at 63, 44 pounds at 64, 74 pounds at 64, 90 pounds at 50, 130 pounds at 50, 32 pounds at 63, 50 pounds at 65, or total of 558 pounds sold at an average of \$50.58.
This record is liable to stand for many a season.
Mgr. Foxhall wishes to advise his friends to sell as fast as they can grade, as prices will likely never be better.

PORTE REFUSES INTERFERENCE

Want to Fight it Out With Their Enemies

TURKISH TROOPS INVADE SERBIA

All Attempts of the European Powers to Stop the New War are Frustrated by Turkey

CONSTANTINOPLE, Oct. 14.—The Turkish government declines to allow the powers to intervene in the question of Macedonian reforms. Its reply to the representatives of the powers was handed to the Austro-Hungarian ambassador here this morning. While thanking the European powers for their friendly interest in the Balkan situation, they have exercised in behalf of peace, the reply says Turkey is determined to carry out the promised reforms, but cannot tolerate a foreign interference.

Turks Cross Servian Frontier

Belgrade, Serbia, October 14.—A body of Turkish troops crossed the Servian frontier near Vrnja, at 5 o'clock this morning and attacked the Servian garrison there according to an official dispatch from the Servian general in command.

Fighting was still in progress when the message was dispatched.

To Demand Release of Greek Vessels.

Athens, Greece, Oct. 14.—The release within twenty-four hours of the Greek vessels confiscated by Turkey is to be demanded today by the Greek Minister at Constantinople under instructions from his government. In the note which he is to hand to the Turkish government the payment of an indemnity to the owners of the vessels is demanded.

London, Oct. 14.—The Greek note to Turkey demanding the release of the confiscated Greek vessels is in the nature of an ultimatum which official circles here think it is certain Turkey will promptly refuse to comply with. It therefore means immediate war.

There is no doubt that Turkey knew the seizure of ships before the breaking out of hostilities was an act of war, and according to the most reliable information from Constantinople, the Ottoman government intends this action to be provocative.

County Commissioners Hold Their Monthly Meeting

At the meeting of the board of county commissioners held on the first Monday, orders for paupers and current expenses were issued and the several officers' reports for the preceding month were approved.

An agreement was placed on record between road supervisors of Bethel and Corralina townships in regard to assigning hands to certain public roads in those townships.

The expenses of the county having recently been large because of repairs and rebuilding bridges, the chairman of the board was authorized to borrow \$1,500 for thirty days in order that payment of these expenses may not be deferred until sufficient taxes are collected.

The board authorized an appropriation of \$50 for the Pitt county fair. Dr. J. E. Nobles having been appointed by the town of Greenville as special physician to look after any smallpox cases, in order to cooperate with this movement the board also appointed Dr. Nobles to look after any similar cases in the county.

The following were drawn as jurors to serve at the criminal term of superior court beginning Nov. 4th: L. T. Elks, R. J. Tugwell, W. H. Elks, J. C. Brewer, J. R. Whitehurst, W. L. Brewer, A. J. WEBER AND VALLON UPHOLD HIS STORY

Becker's Trial Going All Against Him

JUDGE GOFF IS THREATENED

Webber Tells Jury That Becker Told Him That He Would Have Croaked Rosenthal Himself

NEW YORK, Oct. 14.—"Bald Jack" Rose's story of how former Police Lieutenant Becker plotted the murder of Herman Rosenthal was corroborated on the witness stand today by "Bridgie" Webber and Harry Vallon, self-confessed accomplices in the crime. Webber went further. He swore Becker told him that on the night of the murder he would have killed Rosenthal himself if he had seen him. The former lieutenant, declared "Bridgie" said he had slowed down his automobile while passing the hotel Cadillac, on Broadway, in case Rosenthal might be loafing there. "If I had seen him, I would have backed him against the wall and shot him," Becker said, according to Webber.

Rose's testimony that Becker had demanded that Rosenthal be "croaked," that he had given the gunmen assurances of protection and said he would have liked to "cut Rosenthal's tongue out, and hang it up as a warning to future squealers," was corroborated by Webber and Vallon, supported him like an echo. The similarity of their stories to that of Bald Jack's prompted John W. Hart, attorney for the defense to ask Vallon how many times he had rehearsed his story.

"Never," said Vallon. Both witnesses told their stories coolly and could not be shaken on cross examination. Both said they had been granted immunity, but not "if they testify against Becker."

"I was promised protection if I would tell the truth," each insisted, Webber adding, "and if I did not fire one of the shots that killed Rosenthal."

That the attention of Mayor Gaynor had been called as early as last March to Becker's alleged partnership in Rosenthal's gambling house was one of the features of the day's testimony. Memoranda were produced by a clerk of the police department that Mayor Gaynor had turned over to the police commissioner a letter charging Becker "was getting richer than Devery (former Police Commissioner Devery) out of gambling graft. The mayor, it appeared from the correspondence, had ordered a search made for the writer, which had proved unsuccessful and Becker had been ordered to explain the charges. Becker entered a general denial and characterized Jack Rose as a tool who was "giving him useful information." Prompted by threats against his own life, Justice Goff took drastic steps today to exclude gangsters and gunmen from the courtroom. The justice admitted tonight he had received threats, both by letter and telephone and added that he had noted attempts in the court room to intimidate witnesses.

Month, Not Week

The Reflector had a squib Monday reading "Just a week to the county fair". Whether we wrote it that way inadvertently, or whether the linotype slipped in the wrong word, is too late to look into now. At any rate what we intended to say, as Monday was the 14th day of the month, that it was just one month to the county fair. November 14th and 15th are the dates set for the fair and everybody should keep those dates in mind.

The Y. C. A. Student Secretary at the Teachers Training School

Miss Mary Porter, Student Secretary of the Young Woman's Christian Association is spending a few days at the Teachers Training School for the purpose of advancing this work by meeting with the various departments of work for advice and encouragement by helping the association to realize that it is a part of a big world wide movement and by impressing the importance of the organization upon the whole school.

At the services on Sunday evening she made an earnest and appealing talk on the relative value of things, the perspective of Christ. She emphasized the importance of loyalty to an ideal rather than to an idea, the ideal placed on a personal basis, which is Christ Himself. She said no one was ever called to a life he could not live, but that hardness was necessary to any full development.

She made her talk peculiarly personal it was marked by a deep spiritual tone, yet its logic was convincing.

Misses B. Lancaster, Branch, Evans and Clark sang a beautiful quartette.

Literary Societies at E. C. T. T. S.

The Edgar Allen Poe and Sidney Lanier Literary Societies of the Teachers Training School met and reorganized on Saturday evening. The list of new members was presented to each society. It was decided to have the initiation of new members on next Saturday evening, to be followed by a social meeting during the month of October. The majority of new students applied for membership.

Teachers Again Meet

The teachers of Pitt county met in Greenville last Saturday, Oct. 12, 1912, and reorganized the county teachers association for the present school year. An especially good attendance was had for the number of schools that are in session at the present time.

The following officers were elected: President, J. R. Carroll, Winterville, N. C.; vice president, N. H. Wright, Ayden; secretary, Miss Perkins, Farmville; reporter, W. B. Edwards, Grifton.

Believing as it the case of the government, that these meetings are for the teachers by the teachers and of the teachers, we decided to change the method of procedure.

Enthusiastic talks were made by Supt. Ragsdale, Prof. McLean and Prof. Nye, to create a greater desire for professional improvement and efficiency. As a result, the association voted to change the number of meetings from six to three and the number of sessions per day from one to two. Let us all avail ourselves of this opportunity and be present at these three all day meetings to be held in November, December and March.

The county was divided into three sections as follows: all the county west of the Kinston and Weldon division of the A. C. L. railroad constitutes section No. 1; all the county east of the same railroad and north of a line extending from the south side of Winterville eastward to the county line constitutes section No. 2; all the county east of the same railroad and south of the said line constitutes section No. 3.

An executive program committee was appointed, consisting of J. R. Carroll, chairman, Miss Annie Perkins, H. H. McLean, H. B. Smith and Natt Wright.

Local committees were also appointed to look after the sectional programs:

Section 1: H. H. McLean, chairman, Miss Della Smith, Miss Lilly Tucker, Miss Edna Robinson, H. O. Craver, Miss Louise Fleming and Miss Maude Barnhill.

Section 2: H. B. Smith, chairman, Miss Annie Lawrence, F. C. Nye, Miss Edna Campbell, Miss Addie Johnson, Miss Corday Olive and Miss Mary Brown.

Section 3: Natt Wright, chairman, Miss Cora Carroll, principal of Centerville school, Miss Addie Williams, Miss Lena Dawson, Miss Walters, and W. B. Edwards.

Section 1 has charge of and is responsible for the program "Practical Phases of School Work," discussed from any stand point, determined by the program committee of section 1, at the November meeting. Section 2 has charge of and is responsible for the program "Problem of Rural Schools," discussed from any stand point determined by the program committee of section 2, at the December meeting. Section 3 discusses at the March meeting "The Reading Circle," from any point of view determined by sectional program committee 3.

YOUR BANK IS YOUR MOST CONFIDENTIAL FRIEND

—The relation of a Bank to its depositors is most confidential and based upon implicit confidence. When you are thinking of a banking connection consider the prominent character and clientele of this Bank, with its history of six and one half years of practically the same management.
—Then think a little further and consider the standing directorate and its assets of \$450,000, and the fact that this is the only National Bank in Pitt County.
—Then think of its various kinds of Savings Accounts—its Trust Department—its Safe Deposit Department—and you are bound to realize that its equipment to serve is complete in every detail.
—Then the Conclusion: It is the Bank for you, the institution in which you are justified in placing your funds with the satisfaction that every confidence sacredly safeguarded.
—We have not mentioned our service. You will have to be personally acquainted with this to appreciate it.

The NATIONAL BANK OF GREENVILLE.

Resouces, \$450,000 Capital and Reserve, \$62,000.
