REFLECTOR INAUGURATES A SERIES OF THREE SNAPPY CONTESTS

Postal Authorities Make an Immediate Revision of the Mailing List Absolutely Necessary the Reason.

Three Contests of Two Weeks' Duration Each Begin Saturday Nov. 2nd., and Close Saturday, Dec. 14.

A MAGNIFICENT DIAMOND RING FOR THE CLOSING OF ALL THE CONTESTS

The postal authorities' law in regards to newspapers and the way their mailing lists of subscribers should appear under this new law is directly responsible for the inauguration next Saturday (tomorrow) of a series of three contests, each to last two weeks, with a first and second prize for each contest and a grand prize for the young lady who shows more activity in all three of them.

Some days ago the management of The Reflector received a letter-circular from the Third Assistant Post Master, which in part reads as follows:

"The right of publishers to extend credit on subscriptions is recognized and will not be abridged and although all subscribers are regarded as 'expiring with the period for which they were obtained, nevertheless, in order to give an opportunity to secure renewals, copies of their publications will be accepted for mailing as to subscribers at the usual second-class rate of postage for one year from the date of expiration; but copies sent to persons after one year from the date of the expiration of their subscriptions unless such subscriptions be expressly renewed for a definite time, together with an actual payment of subscription or a bona fide promise of payment, will not be accepted at the pound rate, but will be accepted at the transit rate of one cent for each four ounces or fraction thereof, prepaid by stamps affixed."

It will be clearly seen from excerpt above that it will be impossible for the Reflector to be mailed to any party owing for more than one year's subscription. For this reason and this reason alone, the management has decided to enlist the temporary help of some energetic young ladies in revising the mailing list and bringing it to a footing in compliance with this law. The daily and weekly list of The Reflector is very extensive and a great deal of time would be required for a special representative to cover the territory which a few young ladies could go over in but a few weeks.

The principle of these three contests which begin tomorrow, is entirely unlike that of all other contests conducted before in any town by any paper. First of all it differs in that what is really wanted is a renewal, and whilst new business is always welcome, what The Reflector wants is a complete overhauling of its present list. Again, unlike in other contests extended over a period of from eight to twelve and even fifteen weeks, each of the three contests starting tomorrow, last only two weeks, thus doing away with the suspense of a long wait. The prizes are in every way, as handsome, valuable and practical, as those offered in any contest and in the manner in which the contest will be conducted will be in every way, as fair and above board as that successfully brought to a close last year and by the same manager, when all contestants agreed at the close of the contest that they had been treated with all fairness and that no misrepresentation had been made in any phase of the contest.

There is but one way to win, and that is to make up your mind that you will be successful and then go ahead and don't stop until you have reached your goal. Each campaign will last but fourteen days each, at the expiration of which time successful young ladies will be presented with their prizes. There is

with their prizes. There will be no waiting of any kind, but right from the start and through to the finish the program will be gone through according to the announcement and rules as printed in the last sheet of this issue. Be sure to look over these rules with care. Learn what there is in store for you if you will only try to put your spare time to some use. Every facility will be put your way by the Contest Manager to enable you to reach subscribers of The Reflector. Lists of any township, rural routes, etc., will be promptly furnished upon application to the Manager.

Fill nomination blank to be found together with announcement on last page; mail or bring it in to the Contest Manager. You will get your receipt book and whatever subscription list or lists you want, and within a few days you will have earned a prize.

MADISON SQUARE GARDEN PACKED BY A CROWD THAT PAYS ITS WAY IN TO THE TUNE OF MANY THOUSAND DOLLARS.—SCALPERS DO BIG BUSINESS

EVEN Standing Room Valued is at \$2.00

NEW YORK, Oct. 31.—Ticket speculators reaped a rich harvest from the sale of tickets to Colonel Roosevelt's Madison Square Garden meeting last night, and as appeared today that no action against them is possible under the ticket speculation ordinance, which has proved effective in the case of the theatres and ball parks.

The night court magistrate, before whom a number of speculators were arraigned, decided that a political meeting is not a "performance or amusement" within the meaning of the city ordinance.

Seats for the Roosevelt meeting were on sale throughout the afternoon and early evening at uptown hotels and cafes, the prices generally ruling at from \$5 to \$8 apiece, while standing room checks were quoted at \$2 each.

At Progressive headquarters it was stated that 18,000 tickets were issued for the meeting. One-half of them were disposed of through the district leaders while the remainder were sold by the management for what they would bring. There was no fixed price, it was said. Boxes fetched from \$100 down and seats were sold from \$1 up.

Altogether about \$8,500 was received from the sale of tickets, with several districts still to be heard from. The committee said that it took every possible precaution against tickets falling into the hands of speculators.

FIRST OF FOUR ROSENTHAL SLAYERS TO BE TRIED NOVEMBER 7

NEW YORK, Oct. 31.—It was definitely decided today that "Whitey" Lewis will be the first of the four gunmen charged with the murder of Herman Rosenthal to be placed on trial. The trial will begin on November 7. District Attorney Whitman appeared before Justice Goff today and asked that a special panel of 200 talesmen be summoned to the case.

Hon. F. M. Simmons Here Today

Senator Simmons arrived in town in an automobile from Chocowinity early this afternoon to make his announced speech at the Court House. Owing to the time of day in which he will speak it will be impossible to print any account of it in today's paper, but tomorrow's issue will have a full review.

The Speaking at Stokes

A telephone message to The Reflector says there was a large crowd, a big barbecue and a good time generally at Stokes Thursday. Mr. E. B. Whichard was master of ceremonies and introduced the speakers. Several of the county candidates made short announcements and gave way to Secretary of State J. Bryan Grimes who made the speech of the day. Mr. Grimes was in fine shape and he gave the people of Carolina township such Democratic doctrine as did their hearts good. The people were enthusiastic over his speech.

COMMITTEE TO ELECT SUCCESSOR

Republicans Called to Chose Taft's Mate

MANY PROMINENT MEN ARE NAMED

Vice-President Sherman's Rather Sudden Death Calls For A Hurred Action Of The Committees

- Suggested Vice-Presidential Possibilities
- Gov. Hadley, Missouri.
- Gov. Deneen, Illinois.
- John Wanamaker, Pennsylvania.
- Senator Borah, Idaho.
- Senator Cummins, Iowa.
- Senator Lodge, Massachusetts.
- Former Vice-President Fairbanks, Indiana.
- Senator Root, New York.
- Senator Lodge, Massachusetts.

WASHINGTON, Oct. 31.—Beyond what has already been said in Washington dispatches, very little is known here concerning the conferences that will be held by the Republican party leaders to determine who shall be named in Mr. Sherman's place as the party vice presidential candidate.

Under the terms of a resolution adopted by the Republican National Convention at Chicago just before its adjournment, the National Committee was given authority to fill any vacancy that might occur on the national ticket.

Chairman Hilles, of the Republican National Committee, has announced that he has called a meeting for November 12, in Chicago, to select a successor to Mr. Sherman.

Should there be any deadlock over a selection the committee would, of course, defer the choice of a running mate acceptable to him.

It is the fixed belief on the part of the Republican leaders that it would be useless to endeavor to induce Justice Charles E. Hughes to retire from the life office that he holds as a member of the Supreme Court of the United States to re-enter the field as Republican candidate for vice president.

It became known in Washington last night that since Mr. Sherman's illness a critical phase consideration had been given by Republican leaders to the name of John Wanamaker, of Philadelphia, formerly Postmaster-General of the United States, in connection with filling the vacancy. Mr. Wanamaker is highly thought of by President Taft and other officers of the Federal Administration and it is said that he would be acceptable to them should it be determined to request him to become joint standard bearer with the president.

Mr. Wanamaker has done yeoman service for President Taft in the present campaign and was one of Mr. Taft's strongest supporters prior and during the Republican convention in Chicago in June. He was a delegate to that convention and hurried home from Europe in order to reach Chicago in time to make one of the nominating speeches in Mr. Taft's behalf.

The names that have been mentioned are Governor Hadley, of Missouri; former Postmaster-General Wanamaker, of Pennsylvania; Governor Deneen, of Illinois; Senator Borah, of Idaho; Senator Cummings of Iowa; former Vice-President Fairbanks, of Indiana; Senator LaFollette of Wisconsin; Senator Burton of Ohio; Senator Root of New York; Senator Lodge of Massachusetts, and others.

Funeral Service Saturday

Utica, N. Y., Oct. 31.—With the end in view of obtaining a larger auditorium the first decision to hold the funeral of Vice-President Sherman in the Reformed Dutch church has been abandoned and the First Presbyterian church will be used for that purpose.

Congressman John H. Small came in this morning from Washington and went out to Gardner's Cross Roads to speak with the candidates today.

BULGARS AGAIN DEFEAT TURKS

Three Days Battle Ends in Ottoman Rout

ALLIES ON TO CONSTANTINOPLE

In Case Balkans Are Successful In Reaching The Turkish Capital Powers Will Intervene

SOFIA, Bulgaria, Oct. 31.—The Bulgarian army has completely routed the main Turkish army under Nazim Pasha. The Turks fled in disorder, leaving many killed and wounded on the field. The battle, which is regarded as the most important engagement since the beginning of the war, lasted three entire days. It extended along the line from Lule Burgas eastward to Seria. The Turkish front was over thirty-one miles long. The Ottoman troops retreated to Tchornue, about twenty-one miles to the south of the positions from which they were driven by the Bulgarians.

Capture Turkish City

Rieka, Montenegro, Oct. 31.—News of the capture of the Turkish city of Ipek about fifteen miles from the Montenegrin frontier, by the Montenegrin army, commanded by General Ukotitch, was received here today.

Turks Shell Black Sea Coast

Constantinople, Oct. 31.—It is rumored here that the Bulgarian troops are being bombarded by the Turkish squadron on the Black Sea coast and that under cover of the firing a body of Turkish troops has been landed.

Intervention May Follow Big Battle

London, Oct. 31.—Whatever the result of the great battle now being fought between the Turkish and Bulgarian armies in the eastern part of the Balkan peninsula, its conclusion probably will give occasion for the intervention of the European powers.

In despatches from Vienna it is asserted that the foreign ministers of the European governments have reached a tentative agreement in this matter and in any event the entry of Bulgarian troops into Constantinople will not be tolerated by the powers. Even Russia is disinclined to permit such an occurrence.

It is also understood in diplomatic quarters in the Austrian capital that the Balkan nations already have made known in an unofficial manner that they are prepared to accept intervention by the powers at any moment now.

Special despatches from Constantinople say that the eastern wing of the Turkish army, which is now bearing the brunt of the battle with the Bulgarians, has been reinforced by four Syrian army corps.

The center of the Turkish army is composed of picked troops, chiefly regulars, as the reserves have been responsible, in the opinion of the Turkish war office, for most of the defeats suffered so far by the Turkish troops, owing to their liability to panic.

It is also reported in Constantinople that a Turkish force has crossed the river Maritza in the direction of Demotica, in order to cover the approach of further troops from the west town of Ada valley.

MAYOR GAYNOR ABOLVES WALDO FROM BLAME AND KEEPS HIM

NEW YORK, Oct. 31.—Mayor Gaynor in his first public utterance on the Becker case since the conviction of the former police lieutenant, last night declared he would retain Police Commissioner Waldo in office: "I would not be surprised if Waldo is deceived again," he said. "He has got old-timers around him and you can't get rid of them quite as easily as you think."

"Why when a lieutenant went wrong should it have been heralded all over this world to convince everybody that this is the most corrupt city on the face of the earth? I would not have been surprised if it had been an inspector. I knew they were grafting. It will be stopped before I cease to be mayor."

The mayor's speech was in a Baptist church meeting.

THE NATIONAL TICKET

Wilson Marshall

FRIDAY, NOVEMBER 1, 1912

It looked good to see Hon. John H. Small, the best congressman in the state, or in any other states so far as that goes, here shaking hands with his friends this morning. John Small is the man who does things and the people of the first district show their wisdom in keeping him in congress.

The fellows who thought Settle would do a plenty for Craig if they ever got together, are whistling a different tune since they had a joint debate at Rutherfordton in which Craig took the hair off of his opponent.

There is but little time left in which to push North Carolina's contribution to the Wilson campaign fund up to the \$25,000 mark. Have you subscribed your dollar?

The majority Locke Craig gets for governor Tuesday is going to be an eye opener in size. Get in the big class and put your vote in for him.

If your vote is not needed to elect the candidates Tuesday, it will be needed to help swell the majority. Go to the polls and vote.

There should be no Democratic stay-at-homes on election day, but every one should go to the polls and vote.

Charlotte aldermen wax so warm in arguments over municipal affairs that they emphasize the discussion with blows.

If you are satisfied your man cannot be elected, why waste a vote on him?

There are just two months more of 1912 and four months more of Taft.

Tomorrow will be Wilson day, and so will Tuesday.

Loans for the Farmer
If the wage earner had to borrow money from banks to build a home, he would have to pay 10 per cent or more interest. It is no part of the business of a regular commercial bank to make long loans for home building. But through the Building and Loan Association, they can get the money and the interest rate is 1x per cent or less. The farmer can do as well for himself by forming small farmer's loan societies or associations. These should be local, perhaps one in each township, so that credit might be extended on character and thrift, but also backed by a land mortgage or other tangible security.—Charlotte Observer.

Members of Carolina Club will assemble in the club rooms to hear the election returns Tuesday night.

The Safest place for your harvest money is in this bank

Look at these two men. They have been to market their cotton. One put his money in the bank and the other one didn't. They were held up on the way home. Mrs. J. B. James Entertains

Last Tuesday afternoon at 3 o'clock Mrs. J. B. James entertained in honor of Miss Effie Yeager, of Knoxville, Tenn. The hostess met the guests at the door and ushered them into the hall where in "Halloween Corner" hot tea was served them from a caldron under which tiny red lights peeping through logs of pine, made a typical Halloween picture. Halloween corner was decorated with witches, black cats, autumn leaves and pines lighted over by pumpkin lanterns.

In the three rooms the same decorative Halloween scheme was carried through the illumination being derived from burning tapers. Six tables were set for six handed euchre.

Miss Yeager, the guest of honor, was presented with a silver picture frame. Miss Lucille Cobb won the first prize, which consisted of a Halloween horn. Mrs. C. S. Forbes being successful in winning the second prize, an orange paper broom filled with chocolates. After the card games a salad course was served and favors passed, witches, brooms, candlesticks, black cats, peanuts and pumpkin cups, etc.

The numerous guests filled the rooms.

Miss Yeager wore a white lace

robe over orange satin and a green chiffon embroidered coat. Mrs. James wore a pale green museline with chiffon overdress trimmed in lace.

Miss Essie Whichard Gives Halloween Party

Thursday evening Miss Essie Whichard entertained a number of her young friends at a very unique Halloween party.

The decorations of the home were most appropriate to the season, the main color scheme being yellow, the flowers yellow chrysanthemums and ferns with ghosts, witches, pumpkin lanterns, black cats and red devils everywhere about the hall and rooms.

The guests were met at the front door by a real live ghost who gave them a welcome less shivering than it looked and pointed them to the parlor door where they were received by her two house guests, Misses Lucy Haskett and Louise Faulkner, of Kinston.

In the parlor Miss Jennie Ragsdale as a witch presided over a caldron from which she served cherry smash, at the same time reading the fortune of each guest that caused much merriment. Underneath the caldron were chunks of wood in which glowed a red light, and an imp crouched beside it. In the background as well as the corners of the room were branches of trees in autumn tints and the lighted grinning pumpkin faces and devil heads made it look like a veritable witch's den.

In the sitting room where the games were played Master Walter Linden Whichard as a black cat distributed pumpkin score cards, and the tables were numbered with witches. Rook and bridge were played, and at intervals peanuts, malaga grapes and punch were served. A prize for each table, china Halloween cream and sugar sets, was cut for by the players and won by Misses Ruth Cobb, Mary Lucy Dupree and Bettie Pearl Fleming. Each guest also received a black cat fan for a souvenir.

After the games Miss Arlene Joyner favored the guests with several beautiful solos and Miss Lucy Haskett with instrumental selections.

A salad course in keeping with the Halloween season was served.

Mrs. Woodward Entertains at Halloween

Thursday afternoon Mrs. George J. Woodward entertained quite a number of friends at a Halloween party.

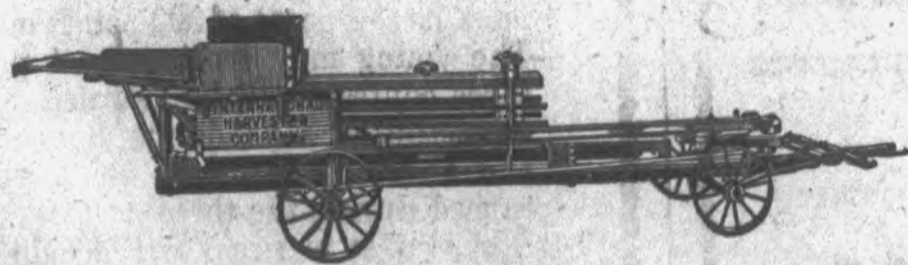

The home was most appropriately decorated in Halloween colors of yellow with witch and cat ornaments, with the windows darkened and the rooms efficiently lighted.

The guests were cordially greeted at the door and after all had arrived were seated around eight tables for games of Rook. The tables were numbered with figured cards around witch's necks and the score cards were pumpkin shapes.

After the games ices in Halloween shapes were served with mints and salted almonds. Each guest received a Halloween favor, these being black cats, witches and pumpkins.

The hostess was assisted in entertaining and serving by Mrs. R. J. Cobb and Misses Lucille and Ruth Cobb.
