BUSINESS HAS NOTHING TO FEAR

President-Elect Wilson Gives a Statement

INTELLIGENT CO-OPERATION

Woodrow Wilson Is Anxious To Be The Spokesman Of The Great Mass Of American People

PRINCETON, N. J., Nov. 6.—President-elect Woodrow Wilson sent replies today to the congratulatory telegrams of President Taft and Colonel Roosevelt and issued a statement in which he declared that "there is absolutely nothing for the honest and enlightened business men of the country to fear" from the Democratic administration.

To President Taft, at Washington, Mr. Wilson sent the following telegram:

"I warmly appreciate your kind message and wish to express by sincere personal regards."

To Colonel Roosevelt, at Oyster Bay, Mr. Wilson sent the following telegram:

"My sincerest thanks for your kind message. Pray accept my cordial good wishes."

Mr. Wilson made the following statement this afternoon:

"The result fills me with the hope that the thoughtful progressive forces of the nation may now at last unite to give the country freedom of enterprise and a government released from all corporate and private influences, devoted to justice and progress.

There is absolutely nothing for the honest and enlightened business men of the country to fear. No man whose business is conducted without violation of the rights of free competition and without such private understanding and secret alliances as violate the principle of our law and the policy of all wholesome commerce and enterprise need fear either interference or embarrassment from the administration.

"Our hope and purpose is now to bring all the free forces of the nation into active and intelligent co-operation and to give to our prosperity a freshness and spirit and a confidence such as it has not had in our time."

Swift Creek Township Requested to Respond to Appeal

Grifton, N. C., Nov. 5, 1912.

Dear Sir: Please allow me to say to the good people of Swift Creek township that our assessment of \$25.00 has not yet been subscribed and to all who are willing to aid in pushing along the Pitt county fair I appeal for a small subscription to make up this sum.

In doing this I hope no one will think they are giving away their money when helping to raise this fund, as it will surely result in greater things for our county in the future, if we will push our fair and help to make it the success it deserves to be.

All money sent to me will be forwarded to the treasurer at once, and the list will be published. I understand, so you will know whether it reaches the proper channel or not.

But, remember also, we want exhibits as well as money and look around and see if you cannot find something that will be out of the ordinary, and if nothing but a large potato carry it. The fair is yours and we should all speak of it as our fair.

Yours for its success,
G. A. JOHNSON.

Carolina Gave Kitchin 29

In publishing the township vote for senator in yesterday's paper Kitchin was credited with 74 votes in Carolina township, when it should have been only 29. The canvassing board are today tabulating the returns for the entire county and we will republish the vote tomorrow.

TOM PENCE TO BE HONORED

It Is Rumored That Daniels Will Have A Place In Wilson's Cabinet Next March

WASHINGTON, November 6.—During a perfunctory session of Congress here this winter President-elect Wilson, probably at his home in New Jersey will do the big work of forming the cabinet of his administration. All large questions of policy will await the new regime. Yesterday's record smashing vote leaves the Taft administration without confidence or ambition to do more than carry on the routine of government business in a machine like manner.

The final announcement of the new cabinet is not expected until February. In Democratic circles however, the probabilities are now being quietly discussed. The President-elect will surround himself with men whose sane progressiveness has been proven by works and deeds. Of course the leaders who worked hardest to bring about Mr. Wilson's nomination and election are expected to fare the best in the distribution of honors and offices. Possibly in the cabinet and with almost certainty in both branches of Congress, the government will raise North Carolinians to positions of the first prominence.

There is every reason to believe that Josephus Daniels, of Raleigh, will be offered a position in Mr. Wilson's cabinet, possibly secretary of the interior or secretary of war. Thomas J. Pence is sure to be given a good berth. Mr. Pence has been touted as secretary to the President, a position which every newspaperman in Washington hopes he will get. But Pence seems to have his eyes across the pond and may be appointed consul-general or ambassador to some foreign country. The popular North Carolinian sails tomorrow for Europe. In the house of representatives Robert N. Page, Yates Webb and Ed. W. Pou, are sure to be heard from during Wilson's administration. Webb is now ranking member of the judiciary committee and may succeed to the chairmanship before the session adjourns in March. Page is or the appropriations committee and has already made a record. Pou is chairman of the house committee on claims, a ranking member on rules, an all important position and may be made chairman of this committee when the house meets in December. It being understood that Mr. Henry, the present chairman, may resign within a short time.

Over in the senate, which now seems certain to be Democratic, Senator F. M. Simmons will be chairman of the finance committee unless all signs fail. A careful survey of the senators who will take part in the selection of the chairman of this most powerful committee evolves the information that Mr. Simmons has occupied the position of Democratic leader during the session of Congress just ended and he seems to have filled the place with credit to himself and the state.

The Boy Scouts will meet in the court house Friday night promptly at 7 o'clock, so as to be through in time for the debate at the graded school at 8 o'clock.

Judge Bragaw Presiding at Present Term of Court

The November criminal term of Pitt superior court convened Wednesday morning with Judge Stephen C. Bragaw presiding and Solicitor C. L. Abernethy prosecuting for the state. The grand jury is composed of the following: C. T. Munford, foreman, Jesse Baker, Isaac Weatherington, G. L. Moore, R. R. Newton, W. L. Brewer, C. H. Rasberry, J. A. Hardy, Sylvester Boyd, J. R. Pippin, Ben Stocks, B. T. Heath, W. H. Elks, I. R. Andrews, H. B. Smith, J. R. Turnage, W. C. Moore, D. B. Carrington. The court beginning two days late on account of the election Judge Bragaw made only a short charge to the grand jury and while it was in a general nature, it was very clear as to their duties on matters coming before them. This is Judge Bragaw's first court in Pitt, but he is well known to many of our people who have a high regard for him. The following cases have been disposed of: Floyd Tugwell, carrying concealed weapon, pleads guilty, judgment suspended on payment of costs. Snowy McGowan, carrying concealed weapon, pleads guilty, fined \$5 and costs. Cap Swinson, larceny, pleads guilty, judgment suspended on payment of costs. Reddick Williams, pleads guilty. Red Dupree, carrying concealed weapon, pleads guilty, fined \$5 and costs. Jim Snead, Wiley Lucas, Wilson Wright, Andrew Glover and Sam Johnson, gambling, plead guilty, fined \$10 each and costs. Wiley Lucas and Jacob West, attorney, plead guilty. Luther Braxton, Jacob West and Wiley Lucas, gambling, plead guilty. Luther Braxton, carrying concealed weapon, pleads guilty. Rufus Vines, forcible trespass, pleads guilty, fined \$25 and costs. A. B. Barber, assault with deadly weapon, pleads guilty, judgment suspended on payment of costs. Same defendant pleads guilty of carrying concealed weapon, with same judgment. Jack Smith, assault with deadly weapon, pleads guilty, judgment suspended on payment of costs and bond to keep the peace. Elias Washington, assault with deadly weapon, pleads guilty, sentenced four months on roads. John L. Matthews, assault with deadly weapon, pleads guilty.

THURSDAY, NOVEMBER 7, 1912

President Woodrow Wilson sounds all right.

Stop gaying the other fellow about it, his face is already long enough.

The California suffragettes must have voted differently from the forecast.

The papers published since the election are carrying mighty good news.

One Colonel T. R. has perhaps pulled his hat out of the ring ere this.

As yet some of them have not recovered from the shock, but they are coming around.

Oh, the wickedness of the Charlotte Observer. It says "Carry the news to Collier's".

Of course some had to be disappointed, but there is no use in having a grouch about it.

Heal up the campaign sores now, and let everybody get together for business and progress.

Judge Clark can continue to be judge, but Governor Kitchin cannot continue to be governor.

It is time to forget the election now and renew activity for Greenville, Pitt county and good roads.

Settle has found out that his whiskey barrel was not a good drawing card with the people of North Carolina.

The ninth Virginia district could not slump Slemp and he is the one Republican congressman in that state who holds on to his job.

It took them several days after the convention to notify Wilson of his nomination, but he don't have to be told that he is elected.

The colonel has almost the unanimous consent of the country to take himself off to Africa for another hunting trip, if he wants to go.

It is very evident that one man can not read another out of the party when there are so many thousands of people who think the other way.

North Carolina gave Senator F. M. Simmons a complete vindication of his Democracy and endorsement of his record.

The election is over, Democracy won a glorious victory and the farmers go right along selling cotton and tobacco, the merchants selling dry goods and the factories doing business as before.

Pitt county sends greeting to her honored son, Secretary of State J. Bryan Grimes upon his election for the third term to the responsible position he holds. The office has never been filled by a more capable man.

It is a splendid endorsement of Congressman John H. Small that this district has elected him for the ninth successive term. And the end is not yet, for the district has a congressman it could not afford to part with. The people know that he looks after their interests and represents them faithfully.

 Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C. once prevented a wreck with Electric Bitters. The Safest place

for your harvest money is in this bank

Look at these two men. They have been to market their cotton. One put his money in the bank and the other one didn't. They were held up on the way home. The silly fellow who wanted to take his money home had to "deliver" to the robbers. The other was able to "give them the laugh." —His money was in the bank.

Take a lesson from this—put your harvest money in this bank like all other successful farmers. It is the safest place—withdraw it whenever you please.

SHOES MADE TO MAKE GOOD

WHEN YOU BUY SHOES HERE, YOU have the satisfaction of knowing you are getting the very best quality you can possibly procure anywhere for the money.

Many a cheap, shoddy shoe hides behind a nice appearing, pleasing-to-the eye style, but a few days' wear will prove the inferiority of the quality of the materials used and the carelessness exercised in their making.

We look to quality first of all—see to it that the leather is right, the linings substantial and the general construction the best procurable anywhere. We depend upon you for our business, and you depend upon us for square dealing, we are in duty bound to give it to you—and will.

Our new season's styles for ladies and gentlemen, and boys and girls are ready for your choosing.

"Economy in the LITTLE things is what Counts."
