CAROLINA CLUB ELECTS OFFICERS

Three Lawyers Go Out—Three
Lawyers Get In

LOCAL BAR WELL REPRESENTED

Greenville, N. C., could never be its geographical situation—a physical reason. Second reason, its high respect for the law and those that represent it locally—a moral reason. For, who being at the Carolina Club last night could overlook the fact of our deep respect for the interpreters of the law? In the words of the poet 'Lawyers to the right of 'em—Lawyers to the left of 'em—Lawyers going out—Lawyers coming in' and then a few to spare.

But stepping out of our monoplane: For over a year the sitting capacity of the Club was never so taxed as last night. Long before the meeting was called to order members began to appear and directly after the meeting was declared open and the minutes of previous meetings were read a motion was made and carried that members adjourn to the ball room, the crowding in the reading room demanding it. Over seventy-five strong the members lined the ball room and the greatest animation and interest was evidenced by all present as each subject was brought up before the club.

Such business as was transacted by the Board of Governors in its last two meetings was read to the Club and approved. Committees appointed at the last general meeting made their reports and the desks were cleared for action. Action meaning the election of new officers, such as president, vice president, secretary and treasurer and a new board of governors. The first question coming before the Club and meeting with some discussion being the reduction of the secretary's salary. The point was battled in all its pros and cons and finally put to a vote, a majority deciding that the salary remain as during last year. For the presidency two nominations were placed. One in favor of Mr. J. B. James and the other on behalf of Mr. S. J. Everett. Mr. Everett's nomination being however withdrawn upon his wish. Mr. J. B. James was duly appointed president by acclamation, to succeed Mr. Albion Dunn. Mr. Don Gilliam's name was offered for the vice presidency to succeed Mr. Frank Wooten and there being no other nominations for this office Mr. Gilliam was elected vice president by acclamation.

The office of secretary was contested by Messrs. N. W. Outlaw, and Dow Beaman. Ballots were cast and upon a count being made, it was found that Mr. Outlaw had been elected secretary to succeed Mr. D. M. Clark, by a vote of 45 to 26.

Mr. A. J. Moore, the treasurer was re-elected by acclamation. Upon a motion of Mr. H. A. White which carried the Board of Governors which so faithfully served during last year, was re-elected by acclamation. The board of governors is composed of Messrs. R. H. Wright, Dr. D. L. James, C. T. Munford, M. L. Turnage, B. W. Moseley and E. B. Higgs. Various members of the board vainly tried to be excused from a second term, but the members would not heed their reasons for wishing to withdraw.

Mr. Albion Dunn, the retiring president read a report to the members in which in a lucid manner he explained the present standing of the club; the efforts of its officers to make its life a success and adding a few striking suggestions as to the manner in which its policies could be carried on.

From the treasurer's report the members could not but gather how carefully and wisely the Club's funds have been used.

The club closes the year with a membership of 123—115 residents and 8 out of town.

ALLEN JUROR IS EXCUSED, DROPS DEAD

ORGANIC AFFLICTION CAUSES SUDDEN DEATH OF MAN TO TAKE PLACE IN ALLEN JURY

THE COURT IS GREATLY SHOCKED

WYTHEVILLE, Va., Dec. 2.—The trial of Sidna Allen for the murder of Prosecuting Attorney W. M. Foster in the Hillsville court house tragedy of March 14 last began at ten o'clock today in the Circuit Court of Wythe county.

The defendant has already been convicted of second degree murder for causing the death of Judge T. L. Massie and is under sentence to serve fifteen years in the penitentiary.

The entire day was devoted to the selection of jurors. The venire was summoned from several counties, about seventy-five being present. At noon sixteen of the panel had been examined and ten had been accepted.

W. C. Seibert, of Luray, Va. one of the veniremen summoned in the Allen trial, dropped dead in the depot just as he was about to take the train to return home. Apoplexy is said to have been the cause of his death. Mr. Seibert had been accepted as a juror and as he was about to retire to the room he informed the judge that he had been troubled with an organic affection which he had been relieved and which might interfere with his duties as a juror. Another juror was selected from the panel. It was a great shock when court convened this afternoon to hear of his death, which occurred a few moments before.

Four Defendants in the Dynamite Case Are Given Freedom

INDIANAPOLIS, Dec. 2.—Four of the 45 defendants in the "dynamite conspiracy" trial were discharged by the government today on the ground that the charges against them had not been sustained.

The dismissal of the cases leaving forty-one labor union officials still on trial, came when Charles W. Miller, United States district attorney, announced that the government's evidence was all presented and that the government rested its case.

Mr. Miller then moved the dismissal of the defendants as follows: William Benson, East Galloway, N. F., former president of the Detroit Federation of Labor.

Moulton H. Davis, West Chester, Pa., former member of the executive board of the International Association of Bridge and Structural Ironworkers.

John R. Carroll, Syracuse, N. Y., former official local ironworkers' Spurgeon Meadows, Indianapolis, Ind., business agent of the local council of the International Brotherhood of Carpenters and Joiners.

GAIETY THEATRE TONIGHT

The Carlyle Comedy Company opened at the Gaiety last evening for a three day engagement and played to a large and appreciative audience.

Some of the features of the act was the song of Miss Burnum who has a voice that was well appreciated and received well deserved applause. Mr. Armstrong as usual was another star on the bill, as he never disappoints his audience and as his character he was well enjoyed.

"Peggy" Jones the black face comedian opened the bill with a rich song, among one of his features was the excellent dancing and considered to be the best one legged dancer in the south.

Tonight the above mentioned artists offer an entire chance of program presenting "Colonel Bullets" one of the best comedy bills of the season and to those who are looking for a good laugh and something they can well appreciate will make no mistake paying the Gaiety a visit tonight, for which the admission prices will be 15 and 25 cents.

INTERESTING ANALYSIS OF ORIGIN AND BELIEF OF STUDENTS AT CHAPEL HILL

886 STUDENTS ARE ENROLLED

(G. H. COX)
CHAPEL HILL, N. C., December 2.

—Of extraordinary interest to North Carolinians each year is the annual report of the Registrar of the University of North Carolina setting forth a general statistical survey of the 800 or more students of the institution with reference to the counties that they largely represent, the percent of students from the state, occupations of the parents of the students, and the religious affiliations of the students, etc. The total enrollment in all departments for the session of 1912-13 is 816, only 52 of this number coming from other states and countries. The state of Florida contributes 13 to this list, and far-off Persia sends 2 students to this institution. The remaining 40 from foreign territory hail from scattering districts of the country, embracing a wide scope of territory from the state of New York to the Lone Star State. Relative to the representation from the various counties in this state sending ten or more students to the University, are the following: Mecklenburg heads the list with the figures 38; Orange is a close second with 35; Guilford and Wayne counties tie for honors with 33 each; Johnson is next in rank with 27; Forsyth 23; Rowen 22; Wake 26; Robeson and Rockingham tie with 16 each; Durham 15; Alamance and Buncombe tie with 20 each; Beaufort and Davidson tie with 13 each; Iredell, New Hanover and Granville have 14 each; Union 15; Cleveland 11; Wilson 15; Edgecombe 12 and Cumberland 12. There are ten counties in the state unrepresented by any students this year. According to church affiliations the division of the student body is as follows: Methodist 257; Baptist 216; Presbyterian 143; Episcopal 124; Christian 15; Hebrew 12; Lutheran 11; Moravian 8; Quakers 5; German Reformed 5; Disciple 3; Roman Catholic 3; Christian Science 2; Armenian 1; Saints Holiness 1; no church affiliations 9.

The destruction according to the occupation or profession of the fathers of the students at the University is as follows: Farming 261 merchandising 166; law 56; medicine and surgery 55; manufacturing 38; ministry 32; teaching 23; public service 19; railroad and shipping 18; banking 14; contracting 15; lumber dealing 14; mechanics 13; real estate 13; traveling 13; tobacco 10; bookkeeping 7; brokerage 6; engineering 6; insurance 6; livery 6; printing 5; fishing 4; dentistry 3; architecture 2; chemistry 1; mining 1; photography 1; and tanning 1.

Another juror was selected from the panel. It was a great shock when court convened this afternoon to hear of his death, which occurred a few moments before.

Crop Difficulty Aired in Court Leads to A Fight

Ex-Sheriff W. H. Harrington had indicted W. W. Caldwell, Sr. and Jr., charging them with disposing of the 1911 crop without effecting payment of rent.

The case was aired in court in the early afternoon and the hearing over, the principals were still in the hall of the court house when a fight ensued in which Mr. Harrington's head was split open with a hickory stick handled by the elder Caldwell.

Get After That Clock

That is what everybody who comes even in looking distance of the court house are saying. The clock in the tower has stood as stubborn as a mule at 7.29 since Thanksgiving morning and has not since moved a finger, much less a hand. And its failure to "talk back" when the people appeal to it for information has got them guessing. The town folks have been eating and sleeping by that clock and the country folks have been going home by it, hence as there is nothing doing now up in the tower the disarrangement of things in general that depend on the time of day can be better imagined than told.

GERMANY WILL DEFEND ALLIES

Kaiserland is Not Afraid to Speak

RUSSIAN-AUSTRIAN TANGLE ON

BERLIN, Dec. 2.—Imperial Chancellor Bethmann-Holloweg today uttered a plain warning to Russia that in case hostilities should arise out of the Austro-Servian difficulties Germany would draw her sword to assist her allies.

LONDON, Dec. 2.—The work of charting a new map of what hitherto has been European Turkey will begin immediately after the signature of an armistice by the plenipotentiaries of Turkey and the Alban allies at the village of Baghtche tomorrow.

If the allies are able to agree among themselves as to the portions of the spoils they are to receive, there seems no probability of a resumption of hostilities.

The comparatively favorable terms which from all accounts have been offered by the allies to Turkey are so different from the original proposals that they seem to suggest the idea that the governments of the Balkan League realize that with winter gripping the country Turkey has gained an ally which will prove more fatal to the armies fronting Adrianople, Scutari and Tchatalja than have been the Ottoman cannon.

Servia May Get Port
No adjustment of the Austro-Servian dispute is yet visible. Vienna continues to show pessimism, and the newspapers there maintain their threatening attitude, but in spite of this official relation between St. Petersburg and Vienna seems to have become somewhat more cordial, and it is thought in diplomatic circles that eventually Servia will secure a mercantile port on the Adriatic Sea connected with Servia by railroad.

In the meantime, however, Servia has trodden on the toes of Italy by quartering a regiment of the troops who recently occupied the port of Durazzo in the Italian school buildings there.

BERLIN, Dec. 2.—The Bulgarians alone have lost 10,000 killed and 60,000 wounded since the beginning of the war, according to a dispatch from Budapest to the Tageblatt.

The correspondent is on his way back from the front, and while passing through Sofia he declares he saw the official reports of the Bulgarian war office.

American Warships in Near East.

WASHINGTON, Dec. 2.—American and American interests in Asia-Minor coast of the Turkish empire, where it was feared an uprising against Christmas might develop, now are assured the protection by American warships. The armored cruiser Tennessee has arrived at Smyrna and her sister ship, the Montana will arrive today at Beirut having sailed from Port Said yesterday.

Mikado Seats Now On Sale

Seats are now on sale for the Mikado at the store of the John L. Wooten Drug Company. There is already evidence that the demand for seats will be brisk.

In order to accommodate many who would not be able to attend the regular performance of the Mikado on Monday evening, December 9, the committee in charge has decided to admit the public to the final full dress rehearsal Saturday at 8 o'clock p. m. Tickets for this rehearsal can only be obtained at the door and the prices will be the same as for the regular performance.

The committee assures the public that this rehearsal will be the equal in every respect of the opera to be given Monday.

Pythian Banquet

Thursday night next the Pythians are to meet in their annual banquet the Carolina Club rooms having been requested and obtained for the occasion. Already everything points out to another success. The people in charge of the arrangements are exerting themselves and nothing is being overlooked by them to have a "sure enough banquet".

This Man is the Original "Jona" When it Comes to Love

CHICAGO, Dec. 2.—"An contract by which a married man agrees to support a married woman other than his wife is against public policy and absolutely void," declared Municipal Judge Sabath today in dismissing the suit of Mrs. May Williams Charter against Chauncey C. Foster, former commission merchant.

Mrs. Charter, now divorced from her husband, sought to enforce an alleged contract under which Foster was to pay her \$2,400 in monthly installments of \$100.

Reviewing the testimony the court said:

"In this case both parties were married when the contract was said to have been entered into, December 8, 1911. The court feels justified in saying that a fair and reasonable inference to be drawn from the making of the agreement, if there was any, is that the parties might maintain the illegal and illicit relations between them after the decree of divorce that they seem to have had before the plea was entered. The consideration for such a contract is so tainted with immorality that the courts will not support it."

Foster denied making the alleged contract and characterized himself as a "love goat" who was being made to bear the burden of another's fault.

When Mrs. Charter was divorced, alimony amounting to \$2,400, the exact sum specified in the alleged contract, was awarded her.

Carnegie's Offer of Pensions Stirs Up With Results

WASHINGTON, Dec. 2.—The first public bill introduced in the House when the third session of the 62nd Congress opened at noon today, was a measure providing for the pensioning of ex-presidents of the United States and their widows.

THE EXACT FIGURE ARRIVED AT BY STATISTICIANS IS \$823,455,14 NOT COUNTING THE APPROPRIATIONS TO CONDUCT THE POSTAL SERVICE PENSION SYSTEM PLAYS STRONG PART IN THIS ESTIMATE

SUM ASKED FOR PENSIONS WILL BE \$185,220,000

WASHINGTON, Dec. 2.—It will cost \$823,415,455.14 to conduct the affairs of the government for the fiscal year ending June 30, 1914, according to the estimates of the various heads, submitted today to the Speaker of the House by the Secretary of the Treasury.

This amount which does not include any provision for the postal service, which is expected to be self-supporting, is an increase of \$72,078,248 over the appropriation made for the present year, by the last session of Congress.

Of this increase \$28,312,220 appears in the estimates of the Secretary of the Navy and \$20,597,297 represents the increase asked by the Navy Department in the appropriations for building and equipping new vessels. The estimates would provide for three new battleships to be laid down during the year. This would make up for the lapse of one ship from the two battleships a year program of the department, caused by the action of the Democratic House in providing for but a single ship at the last session of Congress.

Another \$20,000,000 or more of the total increase is shown in the estimates for the payment of pensions. The amount asked for is \$185,220,000.

Last year but \$165,146,470 was expended for pensions. An increase of about the same amount appears in the estimates for public works for the year. The construction of public buildings planned for the year shows an increase of \$1,012,530 over the appropriations for the present year, \$8,722,200 being asked for that purpose. The work to be done during the year on the Panama Canal will cost \$30,174,432, which is \$1,130,567 less than the appropriations for the current year. Of this sum \$6,769,522 is asked for the purpose of building fortifications and military barracks in the Canal Zone. This year but \$2,325,000 was appropriated for fortifications at Panama.

The estimates forecast another billion dollar session of Congress, for in the total estimated for the Postmaster-addition to the \$823,415,508 which is General estimates that \$281,791,508 will be necessary to conduct his department for the year. This amount will be supplied out of the postal revenues, and will bring the total estimated appropriations for the year up to \$1,105,206,963.

Just how these estimates will fare at the hands of the Democratic majority in the House is the subject of considerable conjecture. Some difficulty in passing appropriation bills may follow disagreement between the House and Senate as in the last session. But the supply measures to be passed on the basis of the estimates submitted today will go into effect after the Democrats have taken full control of the government and it is expected that the attitude of the House majority on the question involved in the estimates will forecast the attitude of the coming administration.

South Carolina Baptists Meet

ABBYVILLE, S. C., Dec. 3.—The ninety-second annual meeting of the South Carolina Baptists State Convention assembled here today and will continue in session until Friday. Several hundred delegates and visitors are in attendance. In addition to reviewing all of the activities of the church, religious, educational and missionary, the convention will consider and act upon the proposal to establish a State sanitarium, the question of removing the headquarters of the State mission board from Greenville to Columbia, and several other matters of much interest and importance to the denomination.
