## Greeks Have Not Entered in Armistice, Fleet Approaches Turks

NOT KNOWN WHETHER THEIR OBJECTIVE POINT IS THE DARDANELLES, BUT PROXIMITY OF OTTOMAN FLEET TO BLACK SEA OUTLET, MAKES IT APPARENT THAT THE NARROW CHANNEL IS THEIR GOAL

### PEACE ENVOYS TO MEET NEXT FRIDAY, THE 13TH

SEDIL-BAHR, Dardanelles, Dec. 7.—A Greek squadron composed of six warships was sighted off the entrance to the Straits at half past three this afternoon.

A number of vessels of the Turkish fleet are concentrated in the Dardanelles ready for action.

The intentions of the Greeks are unknown.

The Straits are believed to be thickly strewn with mines.

A report was current a few days ago that forty Greek transports were on the way to the Gulf of Caros with Bulgarian and Greek troops on board, the escort to these transports or is acting independently has not been ascertained.

It is believed that the Turks have concentrated two entire divisions of troops with a considerable force of artillery from Asia Minor on the Gallipoli peninsula and it is expected that these will resist any attempt to land.

### Peace Parley in Historic Palace

LONDON, Dec. 7.—The British government has placed the historic St. James Palace at the disposal of the peace plenipotentiaries representing the Ottoman Empire and the allied Balkan nations for the purpose of holding their conferences.

The meeting of the diplomats, which is arranged for next Friday, December 13, is looked forward to with great interest here and the general hope prevails that the outcome of the negotiations will be a settlement of the Balkan question, which has troubled Europe for many years.

The delegates named by the different countries to act on their behalf at the conference are:

For Turkey: Tewfik Pasha, Turkish Ambassador in London; Nazim Pasha, Turkish Ambassador in Berlin; Rehad Pasha, Turkish Minister of Commerce.

For Serbia: G. Novakovich, of the Serbian Treasury Department; A. Nikitch, Speaker of the Serbian Parliament; General Boyvitch.

For Montenegro: Ex-Premier Miyuskovitch; M. Popovitch, formerly Montenegrin Minister at Constantinople; Count Veyovitch, chief of the Montenegrin Cabinet.

For Bulgaria: Dr. Guechoff, Prime Minister; Dr. S. Daneff, Speaker of the Bulgarian Chamber of Deputies and General Savoff or General Fitcheff.

It has not been definitely decided whether Greece will send plenipotentiaries to participate with the representatives of her allies in the peace negotiations to be held here.

In fact, a report published this morning says she will enter into separate peace negotiations with Turkey in one of the European capitals, probably Vienna.

For the moment, however, she is in different position from that occupied by Bulgaria, Serbia and Montenegro, as she has not officially agreed to the terms of the armistice signed a few days ago.

### Western Maryland Road Has Wreck, Four Dead Two Injured

BALTIMORE, Dec. 7.—Four men were killed and two injured in a collision between a train of empty passenger cars and a freight train on the Western Maryland Railroad near Pen-Mar Park, Md., last night.

The dead:

F. M. Letter, baggagemaster.

J. L. Helbig, engineer.

W. Eichelberger, conductor, all of Hagerstown, and

James McCaffrey, a train rider.

Harry Clayton, fireman, was seriously injured, and C. Cook, engineer, slightly hurt.

Considerable damage was done to the locomotives and equipment of the trains.

The cause of the wreck is not yet known here.

### Movement to Place "Aycock County On N. C. Map

HIGH POINT, Dec. 7.—Last evening the executive committee for the formation of a new county from portions of Guilford, Forsythe, Randolph and Davidson, met in the Manufacturers' Club rooms to formulate plans for the preliminary work before the state legislature meets. Some minor changes were made in regard to the boundaries of the new county of which High Point is to be the seat, and it is unanimously agreed upon to change the name from "Piedmont" to that of "Aycock" county in honor of the late Governor Charles B. Aycock, who was among the first advocates of the new county and practically gave his services to the movement. He made his first fight for it before the legislature and would doubtless have made the second had he lived, as he was not a man who accustomed himself to failure. The meeting last evening was most enthusiastic and an active campaign will begin at once for the purpose of putting Aycock county on the North Carolina map.

The Sans Souci Club will meet with Mrs. Haywood Dall Friday, 13th.

## N. C. GRAIN CROPS SUFFER SET-BACK

A TWENTY PER CENT DECREASE IN CORN CROP IS ESTIMATED BY COMMISSIONER OF AGRICULTURE

### IMPORT OF FARM SUPPLIES DOWN

RALEIGH, N. C., Dec. 7.—The State Board of Agriculture devoted an entire day's session to hearing the annual report of Commissioner of Agriculture W. A. Graham, which showed receipts aggregating \$213,326.75 of which \$139,141 was from fertilizer tags, \$27,198 from C. S. M. tags, \$23,722 from feed stamps, \$6,198 for serum, \$12,803 from test farms, and amounts of \$1,000 and less each from other sources. The treasurer's balance is \$3,700. The report carries no statement as to the oil inspection receipts.

However, the report, in reviewing work of divisions, states that the Legislature probably will consider the matter of reducing the tax.

The commissioner estimates the cotton crop at about the same as the 1910 crop, and the corn crop 20 per cent less; wheat about the same, but not as good quality; oats and potatoes fine, and hay much above the average.

He says imported farm supplies fell off, happily, from \$60,000,000 in 1909 to less than \$40,000,000 in 1911. The tobacco crop was good, the prices the best in several years; there was a gain of \$3,392 in the number of hogs; cattle fell of 2,000 and sheep 9,000, according to tax returns.

The commissioner recommends the employment of an additional veterinarian. It was found necessary to raise the salary of State Horticulturist W. M. Hutt to \$2,750, without the authority of the board, in order to prevent his accepting an offer from Canada.

Over 600 farmers institutes were held, every county except Dare having been favored with them. Each of the divisions of the department came in for survey—analysis of fertilizers, soil, survey, animal industry, etymology, horticulture, inspection of foods and feeds, farmers institutes and demonstrations, botany, agronomy, the museum, and the test farms.

There are now more than twenty districts and county fairs in the state, and Commissioner Graham commended highly the results obtained by the department in giving aid to these institutions and to the State fair at Raleigh.

### Better Class South Carolinians Condemn Gov. Blease

COLUMBIA, S. C., Dec. 7.—Public opinion of the better class throughout South Carolina generally deprecates and condemns such utterances as those of Governor Cole L. Blease at the Governors' Conference in Richmond, where he endorsed lynching and promised his acquiescence of mob violence.

His action, however, was not a surprise. He has always conducted his campaigns on this basis, one of his most notorious declarations being "I stand by my friends."

Statistics are quoted to show that since he has taken office there has been a great increase in the number of lynchings.

In the last Democratic primary Governor Blease was renominated by a majority of about 2,000 in a total of 140,000 votes cast. He was charged that there had been ballot box stuffing, but the State Executive Committee declared itself unable to find proof of frauds sufficient to throw out the nomination.

Governor Blease's declaration that he will enter the senate in 1915 undoubtedly means that he intends to run for the Democratic nomination for the senate in opposition to C. E. Smith, whose term expires in 1915. It is probable that Senator Smith will run.

### New Warehouse Plans to Be Discussed by Tar Heel Farmer

RALEIGH, N. C., Dec. 7.—The program for the annual convention of the North Carolina Farmer's Union to be held in the Raleigh auditorium four days, beginning Monday, December 9 and continuing through Thursday, December 12 has been announced. It includes three public sessions, the first on Tuesday afternoon, December 10, when the convention will be welcomed to Raleigh by the governor and others, the second Wednesday afternoon and the third on Thursday night when Mr. Kelley and Insurance Commissioner Young will address the convention.

The time between the different sessions will be up in by committees and there will be no idle moments spent by the delegates. Dr. H. Q. Alexander, president of the State Union, will preside and Mr. A. C. Davis, of Ragus, Ark., secretary-treasurer of the National Union, will be present.

Many of the movements that the farmers have set in motion in the last several years will receive a momentum here that is expected to carry them over the hill of difficulty. The state warehouse scheme and other matters of vital interest to farmers will come in for consideration and further plans will be worked out. Several hundred delegates will be in attendance.

**Christmas Bazaar Tomorrow**  
The ladies of the Episcopal church will open their Christmas bazaar tomorrow afternoon in the basement of the court house.

## 20,000 MORE MEN ON CIVIL SERVICE

SKILLED WORKMEN OF THE NAVY YARDS MADE CIVIL SERVICE MEN BY ACT OF PRES. TAFT.

### ATTORNEY GENERAL GAVE ADVICE

WASHINGTON, Dec. 7.—More than 20,000 skilled workers in the navy yards throughout the U. S. were today placed under the protection of civil service by executive order of President Taft.

The President's order was issued with the approval of the civil service commission and in accordance with an opinion by Attorney-General Wickersham.

**The Employees Affected.**  
No navy yard employees below the grade of skilled mechanics will be affected by the President's order. A recent conference of navy yard commandants recommended that the men be placed in the classified service and that was approved by Secretary Meyer.

Toll makers, electricians, stone-cutters, machinists, masons, moulders, ordinance men, plumbers and others will be affected by the order.

Rules for covering the 20,000 men into the classified service have been approved by the Secretary of the Navy and President Taft, and will be made known to the navy yard commandants shortly.

It is said that the order will not displace any employees.

The Mikado made its initial bow to the public Saturday night. Although we always expect to find good things whenever we visit the Training School, the audience was amazed at the beauty and excellence of the production and came away feeling that the Training School has more than maintained its reputation for doing whatever it undertakes well.

The public as yet hardly realize the treat in store for them this evening and has no conception of the bigness of the undertaking and the magnificent way in which every detail is carried out. Miss Muffy and the girls who have been under her training have every reason to be proud of their efforts. Every girl in the caste and there are fifty-six of them, enters perfectly into the spirit of the occasion and interprets her part in the various situations almost perfectly.

The audience should be in their place promptly at eight o'clock, so as not to lose the first chorus and the beginning of the fun. The opera closes at ten forty-five.

### COTTENS HAVE NARROW ESCAPE IN COLLISION

North Carolina Couple's Car Smashed By a Speeder—Both Shaken up and Slightly Bruised

BALTIMORE, Md., Dec. 7.—Mr. and Mrs. Bruce Cotten, the former of Cottendale, N. C., had a narrow escape yesterday afternoon when his automobile collided at Eutaw Place, and LaFayette avenue with that of Marlon E. Dannenberg. Both cars were damaged and repairs necessary on Mr. Cotten's amounting to about \$250. Mr. Dannenberg was arrested and fined \$10 and costs on the charge of exceeding the speed limit.

Testimony of Mr. Cotten showed that Mr. Dannenberg was driving his machine north on Eutaw Place at a rate of twenty miles an hour or more, and Mr. Cotten's chauffeur had applied the brakes when he saw that an accident was imminent. Mr. Cotten said the other car swerved to the left, the back part striking the left front wheel of his machine crushing the fender, a lamp and the bumper.

Mr. and Mrs. Cotten, though badly shaken up and slightly bruised, were taken to their home in another machine.

### Supreme Court Hands Down Important Decision in Drainage Bonds

RALEIGH, Dec. 7.—An opinion of widespread interest in the list of delivered by the supreme court is that in the Drainage Commissioners vs Webb, from Duplin county. In this the court holds that an act exempting the bonds of a drainage company from taxation is invalid.

The opinion states that the constitution requires all property to be taxed of the state, counties and municipalities ad valorem, except the proper-alties and a drainage company is not a municipality; besides, the bonds are not the property of the party that issues them.

It is pointed out by the court that estate bonds are exempt from taxation as a matter of convenience, because the rate of interest is reduced by exactly the amount of the taxes which would have to be collected back from them. Also that the county and city bonds are not exempt from taxation, because if held by parties outside of the county and city the amount of the exemption would have to be made good by the citizens of such other county or city where the holders reside, while the county or town issuing the title of the state board to 144,160 the lower rate of interest.

End of the Century Club will meet with Mrs. B. W. Moseley Tuesday afternoon at 3 o'clock.

## Farmers Coming to Their Own as Big Factors in Country's Progress

### "Mikado" at Training School Goes Through Without Hitch Saturday Night

LAST ANNUAL REPORT TO THE PRESIDENT FROM THE SECRETARY OF AGRICULTURE SHOWS TREMENDOUS GAINS MADE BY THE TILLERS OF THE AMERICAN SOIL. FARMERS ARE NOW SHARING NATION'S WEALTH.

WASHINGTON, December 7.—After sixteen years, a record of service in the Cabinet, Secretary of Agriculture Wilson has submitted President Taft the last annual report he will make as head of the United States Department of Agriculture.

The report is more than a review of the past year's work; it contains summary of the agricultural advance of the country during the venerable Secretary's term of public service.

"The record of sixteen years has been written," he says. "It begins with a yearly farm production of \$4,000,000,000 and ends with \$9,532,000,000. Sixteen years ago the farmer was a joke of the caricaturist; now he is like a stone that was rejected by the builder and has become the headstone of the corner". The tillers of the soil were burdened with debts, he adds, "but property followed and grew with unexampled speed. Beginnings have been made in a production per acre, increasing faster than the natural increase of population. There has been an uplift of agriculture and of country life."

"During the past sixteen years the farmer has steadily increased the wealth production year by year, with the exception of 1911. During the sixteen years the farmers' wealth production increased 141 per cent.

"Most productive of all agricultural years in the country has been 1912. The earth has produced its greatest annual dividend. The sun and the rain and the fertility of the soil heeded not the human controversies, but kept on working in co-operation with the farmers' efforts to utilize them. The prices at the farm are generally profitable and will continue the prosperity that farmers have enjoyed in recent years. The total production of farm wealth is the highest yet reached by half a billion dollars. The grand total for 1912 is estimated to be \$9,532,000,000. This is more than twice the value of the farm wealth in 1899."

More than \$105,000,000,000 is the grand total of farm wealth production, the report says, during the past sixteen years, an amount equal to about three quarters of the present national wealth.

The most effective move toward reduced cost of living is the production of greater crops, says the Secretary, and this move, he declares, is due to the work of the Department of Agriculture colleges and experiment stations and to the help of the press in publishing every movement to help the farmers. The nation, he adds, forgot its farmers in the general scheme of education of past years and few philanthropists thought of them when giving for education, but they are waking up and thinking for themselves and Congress has been good to them.

### YEAR 1912 HAS BEEN MOST PRODUCTIVE OF ALL

WASHINGTON, December 7.—After sixteen years, a record of service in the Cabinet, Secretary of Agriculture Wilson has submitted President Taft the last annual report he will make as head of the United States Department of Agriculture.

The report is more than a review of the past year's work; it contains summary of the agricultural advance of the country during the venerable Secretary's term of public service.

"The record of sixteen years has been written," he says. "It begins with a yearly farm production of \$4,000,000,000 and ends with \$9,532,000,000. Sixteen years ago the farmer was a joke of the caricaturist; now he is like a stone that was rejected by the builder and has become the headstone of the corner". The tillers of the soil were burdened with debts, he adds, "but property followed and grew with unexampled speed. Beginnings have been made in a production per acre, increasing faster than the natural increase of population. There has been an uplift of agriculture and of country life."

"During the past sixteen years the farmer has steadily increased the wealth production year by year, with the exception of 1911. During the sixteen years the farmers' wealth production increased 141 per cent.

"Most productive of all agricultural years in the country has been 1912. The earth has produced its greatest annual dividend. The sun and the rain and the fertility of the soil heeded not the human controversies, but kept on working in co-operation with the farmers' efforts to utilize them. The prices at the farm are generally profitable and will continue the prosperity that farmers have enjoyed in recent years. The total production of farm wealth is the highest yet reached by half a billion dollars. The grand total for 1912 is estimated to be \$9,532,000,000. This is more than twice the value of the farm wealth in 1899."

More than \$105,000,000,000 is the grand total of farm wealth production, the report says, during the past sixteen years, an amount equal to about three quarters of the present national wealth.

The most effective move toward reduced cost of living is the production of greater crops, says the Secretary, and this move, he declares, is due to the work of the Department of Agriculture colleges and experiment stations and to the help of the press in publishing every movement to help the farmers. The nation, he adds, forgot its farmers in the general scheme of education of past years and few philanthropists thought of them when giving for education, but they are waking up and thinking for themselves and Congress has been good to them.

### Hunters Come Across Eagle Near Staton's Mill

Last Friday Heber Whichard, Tom Keel and Rufus Dapenport were out logging near Staton's Mill, about seven miles from town. While in the creek low grounds they saw a large fowl fly down to the ground. They went to investigate and their dog bayed a large eagle. Instead of flying away the eagle showed fight, first attacking the dog and then making a charge on the men as they drew near. Whichard was in the lead and with a large stick which he carried killed the eagle by a well directed blow on the head. The eagle measured 7 feet from tip to tip. One of the eagle's feet was brought to Greenville and it measured 3 inches across. The talons were 2 3/4 inches long and very sharp. It was a monster eagle.

There was some hominy snow early this morning.

# FIRE arms

We invite your inspection of our stock of Breech-Loading Guns, Rifles and Pistols.

We have a collection from which you can select one to please you, consisting of Ithaca and Tryon Guns; Marlin, Savage, Remington, Winchester, Stevens, and Hamilton Rifles; Smith & Wesson, Colts, Mauser, Harrison and Richards Pistols. Be sure to call on us for fire-arms and ammunition.

## Debate Given by the Vance Literary Society Friday Evening

At 7:30 Friday evening a most spirited debate was given by the Vance Literary Society of Winterville High School. The auditorium was comfortably filled and all present enjoyed it very much indeed. The query was: Resolved, That Catholic Organizations have reached a point that they are a menace to our free institutions and should be subject to special legislation by Congress. The affirmative was ably defended by Messrs. G. T. Tyson, Jr., Greenville, N. C., Robert McArthur, Greenville, and P. D. Croom, Kinston; the negative by Messrs. Earl Dawson, Stantonburg, N. C., Street Brewer, Roseboro, S. O., Robertson, Belcross, Rev. M. A. Adams, Messrs. R. T. Coy and R. H. Hunsucker acted as judges of the debate and rendered their decision in favor of the negative. The society has done good work during the fall term. This is one feature that bears special stress in Winterville High School.

There was a hard rain just before day this morning.

## LOST—BETWEEN W. A. BOWEN'S STORE AND J. B. CHERRY'S RESIDENCE

Four your rivall, reversible and fore carriage disc harrows see Harrington, Barber and Company.

The Music Department of Winterville High School will give a recital of "Old Time Melodies" Friday night, December 13th, 1912, at 7:45 o'clock. Every one is invited to come and hear their favorite old melody.

Spier and Jackson, a new firm, new store, new line of general merchandise, invites the public to call and inspect them. A square deal guaranteed to all.

The Philathea class of Winterville Baptist church will have charge of the services Sunday night, Dec. 15th, 1912. Everybody is invited to attend.

The Vance Literary Society of W. H. S. delivered its regular debate Friday night.

When you need some good groceries and barbecue see R. W. Dall. Thidr door from bank.

The Tar Heel Wagon manufactured by the A. G. Cox Mfg. Co., are going some. Let them know if you want a wagon and they will build you the strongest and the most durable wagon on the market.

## Water Works For Farmville

The town of Farmville will hold an election soon on the question of issuing bonds to provide a system of water works for fire protection. Farmville is progressive and this is a step in the right direction.

## Certificate of Dissolution.

State of North Carolina, Department of State. To all to Whom These Presents May Come—Greeting:

Whereas, it appears to my satisfaction, by duly authenticated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all the stockholders, deposited in my office, that the E. Turnage & Sons Company, a corporation of this State, whose principal office is situated in the town of Ayden, county of Pitt, State of North Carolina (J. R. Turnage being the agent therein and in charge thereof, upon whom process may be served,) has complied with the requirements of chapter 21, revised of 1905, entitled "corporations," preliminary to the issuing of this Certificate of Dissolution:

Now, Therefore, I, J. Bryan Grimes, Secretary of State of North Carolina, do hereby certify that the said corporation did, on the 2nd day of December, 1912, file in my office a duly executed and attested consent in writing to the dissolution of said corporation, executed by all the stockholders thereof, which said consent and the record of the proceedings aforesaid are now on file in my said office as provided by law.

In Testimony Whereof, I have here to set my hand and affixed my official seal, at Raleigh, this 2nd day of December, A. D. 1912.

J. BRYAN GRIMES, Secretary of State.

## Could Shout For Joy.

"I want to thank you from the bottom of my heart," wrote C. B. Rader of Lewisburg, W. Va., "for the wonderful benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system. Electric Bitters have no superior. Try them. Every bottle is guaranteed to satisfy. Only 50 cents at all druggists.

## CARDUI WORKED LIKE A CHARM

After Operation Failed to Help, Cardui Worked Like a Charm.

Jonesville, S. C.—"I suffered with womanly trouble," writes Mrs. J. S. Kendrick, in a letter from this place, "and at times, I could not bear to stand on my feet. The doctor said I would never be any better, and that I would have to have an operation, or I would have a cancer.

I went to the hospital, and they operated on me, but I got no better. They said medicines would do me no good, and I thought I would have to die.

At last I tried Cardui, and began to improve, so I continued using it. Now, I am well, and can do my own work. I don't feel any pains.

Cardui worked like a charm." There must be merit in this purely vegetable, tonic remedy, for women—Cardui—for it has been in successful use for more than 50 years, for the treatment of womanly weakness and disease.

Please try it, for your troubles. N. B.—Write for Ladies' Advisory Dept. Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

WHEN YOU BUY SHOES HERE, YOU have the satisfaction of knowing you are getting the very best quality you can possibly procure anywhere for the money.

Many a cheap, shoddy shoe hides behind a nice appearing, pleasing-to-the-eye style, but a few days' wear will prove the inferiority of the quality of the materials used and the carelessness exercised in their making.

We look to quality first of all—see to it that the leather is right, the linings substantial and the general construction the best procurable anywhere. We depend upon you for our business, and you depend upon us for square dealing, we are in duty bound to give it to you—and will.

Our new season's styles for ladies and gentlemen, and boys and girls are ready for your choosing.

### PARROTT-KING WEDDING

Beautiful St. Stephens Episcopal Church A Brilliant Scene Of Happy Interest Last Night

GOLDSBORO, Dec. 5.—Thronged to the doors last night was St. Stephens Episcopal church interested friends and relatives--both out of town and home people--to witness the solemnization of the marriage vows of two of Goldsboro's popular young people, Miss Blanche Ried King and Mr. Robert David Parrott, nor has a more truly beautiful or more impressive wedding ceremony ever been celebrated in our midst.

While the assembling congregation was being seated by the ushers Messrs. Floyd Banks, Frank Creech and Joseph Poole, Hamilton Underwood and Harrison Yelverton, a delightful musical program was rendered by Miss Evelyn Privett, under whose skillful touch all the varied effects of the sweet toned pipe organ were produced in an altogether enjoyable manner. Miss Privett's selections included "The Pilgrim's Chorus," Traumerel," Schubert's "Serenade" and "Melody in F".

As the familiar notes from "Lohengrin" were sounded, the attendants slowly entered and advancing, formed an attractive line on either side of the awaiting minister.

The wedding party came in the following order: Misses Hulda Slaughter and Bessie Fountain, of Raleigh; Dr. L. W. Kornegay, of Mount Olive and Mr. E. Harrison Yelverton; Misses Mattie Moyo King and Elizabeth Higgs, of Greenville; Messrs. Floyd Banks and Dan Perry, of Kinston; Misses Lillian Fountain, of Raleigh, and Kate Jeffreys; Messrs. Joseph Poole and Dr. Lunsford Abbott, of Kinston.

Entering next was the first maid of honor, Miss Charlotte Parrott, of Kinston, succeeded by the last of the groomsmen, Messrs. Frank Creech and Hamilton Underwood. Miss Mabel King, sister of the bride, followed.

All the bridesmaids were exquisitely gowned in white lace over pink charmeuse and wore victorian veils of white, the couples alternating in carrying white and pink carnations. The maids of honor wore handsome pink gowns.

Miss King's flowers were a large bouquet of Killarney roses--superbly beautiful and rivaled only by the Greenville spots .... 12 1-8 to 12 3-8

superlative beauty of the young lady who wore them.

The stately bride, beautifully gowned in white duchess satin and holding a prayer-book entered with her father, Mr. B. R. King and as they neared the chancel, the groom with his best man, Dr. Dan Parrott, of Kinston, came from the vestry room.

At the chancel rail, where stood the rector, Rev. J. H. Dickinson, who impressively read the wedding service, the betrothal vows were exchanged. Proceeding, then, within the chancel, the twain pledged their troth and received the blessing of the officiating minister, the while, in the organ's softest tones, "Angels' Serenade" was played in accompaniment to the rector's resonant utterances Mendelssohn's Wedding March was the recessional.

The attractive bride is the older daughter of Mr. and Mrs. B. R. King and through her rare personal beauty, charming congenially, gifted accomplishments in music and conversation and her always cheerful readiness to give pleasure to others, she holds the warmest regards of all our people by whom she is universally esteemed.

Mr. Parrott, an enterprising young business man of the city, (associated with the Goldsbor Buggy Company, a member of one of Lenoir county's most prominent families, who since his stay amongst us has established a splendid reputation as a young gentleman of sterling worth.

The happy couple left last night on a wedding trip to northern cities and upon returning will make their home on Ashe street, with Miss Estelle Courtney.

1833--American Anti-Slavery Society organized in Philadelphia.
