General cloudy tonight and
Tuesday some warmer.

THE SECOND GREAT BASKETBALL GAME TOMORROW NIGHT

Local Tossers Will Meet Wilmington Tossers on Local Court.

SECOND GAME OF THE CHAMPIONSHIP SERIES Greenville Lads Have Their Punch and Are Well Prepared for Visitors.

The second great game of the season will be played tomorrow night at 8 o'clock at Forbes and Morton's warehouse. The Greenville High School team of basket throwers will meet the team of tossers for the basket from Wilmington. Last Saturday night Wilmington eliminated Rocky Mount and Greenville eliminated Elizabeth City. Result is that Greenville and Wilmington must now meet to decide "who can lick who." The local lads have worked this week as they have never worked before, getting in shape for the coming game. They realize very keenly the pride which the people of Greenville have in them, and if they should happen to lose on Friday night, it will not be because they have not tried. The Wilmington boys have the advantage in that they have a full time coach under the auspices of the Y. M. C. A., and also have a gymnasium which is open to them the year round. Greenville has no gymnasium, but the boys have made the most of their opportunity, and through the courtesy of the proprietors of Forbes and Morton warehouse, have been able to use this excellent building for the season. But on the other hand, Greenville has other advantages. She will be playing on her home court, on a floor they are used to, and will have hundreds of loyal supporters on the side lines. Wilmington will have to travel all day to get here, and then will have to play on court with overhead rafters, which they are not used to. The Greenville lads have the punch. They feel that nothing can stop them on Friday night.

The lineup of the Greenville team will be as follows. White will be at center, and can be depended upon to play his usual good game. Hadley and Mack Brown will hold down the forward positions. Both have their eye on the basket, and are going to give a good account of themselves. On Barber and West at guard will depend a whole lot. They will have against them two of the best forwards in Eastern North Carolina. But remembering what "C. B." and "Jimmie" have done in the past the folks know what to expect.

Game calls at 8 o'clock. Admission 25 cents to all.

FORMATION OF INTERNATIONAL FISHERIES COUNCIL ON FOOT

Vancouver, B. C., March 11.—Formation of an international fisheries council to direct the carrying of the great fishing beds, extending from the Arctic to the Bahamas and from Bering Sea to the fortieth parallel on the Pacific coast, is the aim of the convention here June 3, 4 and 5 of the Canadian Fishers Association.

Experts from the United States, England, New Foundland, and Canada have been invited to attend.

The international council, according to present plans, will chart the depth of the fishing beds and accumulate data on the breeding and migration of fish.

In addition the convention here will suggest changes in regulations governing the catching and marketing of fish with a view to enlargement of the Canadian export trade.

Captain F. W. Wallace, secretary of the association, said the United States secretary of Commerce and head of the fisheries bureau will be invited to be present.

HOUSE VOTES FOR INCREASE OF U. S. ARMY TO 299,000

Proposals for Army to Be Made Smaller Were Voted Down.

Washington, D. C., March 10.—Pleas of "little army" men to reduce the military expenses were rejected today by the House, which approved a peace time establishment of 299,000 enlisted men and 17,820 officers, after rejecting three proposals for a smaller force. The decision, though not final, was reached by a three to one vote, leading supporters of the army re-organization bill to believe that it virtually settled the peace time program.

In addition to authorizing a regular army 100,000 stronger than provided by the national defense act of 1916, the House also accepted a lesson of the world war by adopting the principle of permitting the tactical organization of the army to be prescribed by the President instead of by law. Likewise, it approved of making separate corps of the air service, the chemical warfare service and the finance department, but refused to divorce the transportation and the construction services from the quartermaster department.

Representative Dent, Alabama, ranking Democratic member of the military committee opened the attack for a smaller army. His amendment to fix the maximum strength at 226,000 men and 14,200 officers was defeated, 79 to 25, and soon after Representative Jones, Democrat, Texas, sought to fix the force at 205,000 men but failed, 55 to 22. Representative Harrell, Republican, Oklahoma, renewed the attack, proposing to cut the army to 150,000. He was beaten without a record vote.

After making a speedy get-away in outlining the future military policy, the House, engaged in long debate, over details, indicating that the bill would not be passed before the end of the week.

Knights of Pythias meet tonight.

The warmer weather with high water in the river ought to bring some shad up stream.

INTERESTING RACE THE OUTCOME OF AN ARGUMENT

The Result Was the Winning Horse Was Awarded Two Tons of Hay.

The best way to settle an argument as to which is the faster of two horses is to try it out. L. B. Biggs, colored, of this city, and Penn Perkins, colored, of the city of Vanceboro, had an argument over their horses. Each claimed that his was the faster. Biggs, knowing that he was in the right, finally decided that he couldn't sleep until he had carried his point, so he informed Perkins that he would go to Vanceboro and there prove his point in a race, and Perkins confident, that he was in the right, agreed to the proposition. No one could guess what they had for the prize, to the winner of the race, but in the decision the prize was to go to the lucky horse, and it was to be two tons of hay. As a result of the race Biggs is wearing a smile, that will last for quite awhile, and his horse is enjoying a holiday and feasting on the hay.

VILLA HAS A PURPOSE IN KIDNAPPING AMERICANS

Washington, March 11.—The war department of intelligence officers have received unofficial word that Villa's purpose for kidnapping Americans is to talk to them, to get news of the outside world, to give his views concerning Mexican affairs, says no ransom is wanted and that they would be released promptly when business is finished. He has kidnapped five, releasing all within two months time.

NO FURTHER LOANS WILL BE MADE BY U. S. TO THE ALLIES

Interest Payments on Amount Loaned May Be Postponed For Three Years.

TOTAL DUE THE U. S. YEARLY IS \$470,000,000

If Payments Are Deferred the Interest Will Only Amount to \$23,000,000.

Washington, D. C., March 10.—Announcement by Secretary Houston that no further loans would be made to the allies was believed tonight to indicate the adoption by the treasury of the policy favored by the debtor nations of deferring interest payments for the next three years or more.

Under authority granted by congress to extend \$10,000,000,000 credits to the allied nations, the treasury has made loans amounting to \$9,659,834,949. Secretary Houston said that the remainder of the credits authorized would not be granted, as it was thought sufficient advances had been made.

Discussing the question treasury officials said that in view of the exchange situation and the unsettled condition of the European nations during the reconstruction period, it would seem advisable to permit them to postpone interest payments for at least three years. Then, it is believed, they would be in a position to meet their obligations.

With the interest on the loans computed at five per cent, the total due the United States yearly is about \$470,000,000, an enormous sum for the war weakened countries to pay at present. If interest is funded into long term obligations, the interest on the payments thus deferred will amount to only \$23,000,000 yearly, which can be paid and the credit of the debtor nations maintained. Treasury officials are working on recommendations to submit to congress as to the course to be followed if deferred payments are permitted. It has been suggested that the interest on the interest be charged off, but the proposal has met with strong opposition in congress.

YOUNG'S NEW STORE OFFERS PRIZE TO HIGHEST SCORER

Will Give \$5 in Merchandise to Local Player Who Makes Top Score.

Young's new store which is the third link in their chain, and which has recently opened for business in this city, have offered \$5 in merchandise to the local basketball player who makes the highest score, in the second game of the championship series, on the local court tomorrow night, when our lads will meet the team from Wilmington high school. This promises to be one of the best games of the season. The Wilmington team has a splendid reputation as excellent players and the Greenville team also has a "rep." The local boys have much at stake, they must win, in order to stay in the championship series, and they must play in order to win the \$5, which Young's has offered. Young's new store believes in encouraging the boys, so far that reason they are making this offer. People are wondering who the lucky one will be.

TOBACCO COMPANY SHOWS LOWER YEARLY EARNINGS

New York, March 10.—Net earnings of the American Tobacco Company for 1919 amounted to \$15,922,887, a decrease of \$1,574,046 compared with the previous year. This left \$31.83 applicable to dividends on each share of the common stock against \$33.42 in 1918. Total sales amounted to \$146,023,730, an increase of \$1,553,062. The company's total income of \$18,722,128 shows a decrease of \$312,033.

ATLANTA WALKING AS RESULT OF THE TROLLEY CAR STRIKE

Trolley Men Ask for 50 Per Cent Increase and Are Determined to Have It.

RAILROADS ADDED SPECIAL TRAINS Trucks, Automobiles Are Pressed Into Service and Schools Are Closed.

Atlanta, Ga., March 10.—Atlanta was entirely without street car service today, both urban and interurban, while the Georgia Railway and Power Company and its union employes maintained that each was in the right regarding the strike over wages which began early today.

The company appealed to the national officers of the union to know whether they would back up the local strikers. No attempt was made to operate cars. Hardy Teat, a representative of the men, issued a statement asserting that the 15 per cent wage increase awarded by the arbitration board was not sufficient to give the men a living wage and indicating they would stay out until they got it. They had asked for 50 per cent increase. Railroads added special trains during the day to take care of commuters who usually depend on interurban cars, while in the city trucks, automobiles and every other vehicle was pressed into service, but at that thousands walked. School were closed today, but it was said they would be opened tomorrow.

PROCTOR GALLOWAY OF GRIMESLAND DIED LAST NIGHT

Was Attending School in Bedford, Va., When the End Came.

Mr. Proctor Galloway, aged 18 years, son of Mr. and Mrs. W. S. Galloway, of Grimesland, died in Bedford City, Va., last night after an illness of only a few days. He was in the Virginia city, attending school. A few days ago his parents were notified that he was ill, and they left at once to be at his bedside.

The news of his death reached this county early this morning, and as a result the entire community is grief-stricken. He has always lived in Grimesland and was one of Pitt county's promising young men. Always gentle, kind, with a good word for every one, and helping those in trouble, were the characteristics of this splendid young man. He is survived by his parents, several sisters and brothers.

The remains, accompanied by his mother and father, will reach Grimesland this afternoon. The plans for the interment haven't been made, but it is thought that it will take place tomorrow at White Chapel.

The sympathy of the entire county goes to the grief stricken parents and relatives.

KRESS STORE DESTROYED

IN WINSTON-SALEM

Winston-Salem, N. C., March 11.—One hundred and sixty thousand dollar damage by fire in the business section today. Kress store was destroyed. Others were damaged by smoke and water.

WILL LOCKETT PAYS DEATH

PENALTY IN CHAIR TODAY

Eddyville, Ky., March 11.—Pettie Kimbrough, alias Will Lockett, central figure of the Lexington riots, died in the electric chair this morning for slaying Geneva Hardman, a school girl, also confessed slayer of four other women. The execution was witnessed by the girl victim's two brothers and a delegation of Lexington citizens.

UNKNOWN MOTHER LEAVES BABY FOR DURHAM DOCTOR

Dr. and Mrs. E. H. Bowling Adopt Baby Girl Which Was Found on Porch

Durham, March 11.—Last night, about 10 o'clock, Mrs. Bowling, wife of Dr. E. H. Bowling, on Watts street, heard a noise at the front door of their residence, and she went to investigate. When she opened the door she found before her a basket containing a pretty girl baby, well developed and in splendid health. The baby was dressed in fine clothing, above the average, and was the pink of neatness. The Doctor and his wife have decided to adopt the little one, as they have no daughter in the family.

There is not the slightest intimation whatever, or a scintilla of a clue as to its parents. A short time after the baby was found and taken into the family, the telephone rang and Mrs. Bowling answered. A woman's voice inquired if it was Mrs. Bowling. "Ye," she replied. "I've left a present on your porch for you," were the next words. "I've already found it—and who is this speaking?" inquired Mrs. Bowling. The only answer she got to that question was the sound of the receiver at the other end of the line, as it jangled in the hook, and the incident was closed.

Wilmington and Greenville teams will play basket ball in Forbes and Morton's warehouse tomorrow night.

Only five more days for getting your income tax return.

COLORED MINISTER IS CONFIRMED BY BISHOP T. C. DARST

Will Probably be Appointed For Kinston, Greenville, Goldsboro Work.

Rev. Jas. E. Holder, well known in the state of North Carolina as a minister in the A. M. E. Zion church and for his public lectures on health and sanitation, has resigned his ministry and membership in that connection, and was, on Saturday night, confirmed by Bishop T. C. Darst in St. Peter's, the white Episcopal church of Washington, N. C., where he now resides. His 12 year old son was also confirmed with him; his wife being the confirmed daughter of a British Episcopal clergyman, did not need to be confirmed again. He was further admitted a Postulant as a first step to his admission to the Episcopal ministry. It is very probable that he will be appointed by the Bishop to the charge of the Kinston-Greenville-Goldsboro work, and reside in Kinston as formerly.

PRINCE ORDERED HELD IN PRISON ON CHARGE

March 10.—The Magistrate at the preliminary inquiry held today regarding the conduct of Prince Joachim Albrecht of Prussia in the dining room of the hotel Adlon Saturday night when bottles, plates and other missiles were hurled at members of the French mission refused the public prosecutor's application for the remand of the Prince in custody, saying he considered that a prima facie case had not been made out. The commander in chief for the Mark, however, ordered the prince detained at the Moabit prison, and it is expected that a charge will be preferred against him in a few days.

FIRE IN HIGH POINT DESTROYS A LARGE WAREHOUSE

High Point, March 11.—A hundred thousand dollar fire destroyed the warehouse of Williamson Veneer Company of Baltimore.

MACHINE STOLEN FROM FRANKLINTON MAN FOUND

Franklinton, March 11.—This afternoon Chief of Police Winston of this place received a telegram from the chief of police at Lynchburg, Va., stating that he had Mrs. S. C. Vann's Cadillac car which was stolen from his garage here early yesterday morning. The thieves were not captured.

GREENVILLE PITT LAND VO. K. W. COBB, Manager. Phone 113

CLARK DOES NOT WANT HIS NAME PLACED ON TICKET

Writes Secretary of the Georgia Committee Favors Delegates Being Unpledged

SAYS THE CONVENTION MUST DO TWO THINGS

Gives the Two Things in a Clear Cut and Practical Way.

Washington, March 10.—Champ Clark of Missouri, candidate for the Presidential nomination eight years ago, came out unequivocally today for election of uninstructed delegates to the Democratic national convention. Opposing use of his name as a candidate in the Georgia preferential primaries, Mr. Clark declared that while no man would "decline a Presidential nomination, tendered by a great party," the essential thing to do was to have a convention, unfettered by pledges, adopt a "thoroughly Democratic platform" and then nominate the best Democrat to be found.

Mr. Clark's views were expressed in a letter to Hiram L. Gardner, of Eatonton, secretary of the Georgia Democratic committee.

"I am profoundly grateful to my Georgia friends who have suggested that my name be placed on the ticket at the preferential Presidential primary," he writes.

"My own opinion is that it is best not to do that. In my judgment the San Francisco convention should be absolutely a consulting body to do two things:

"First—Adopt a thoroughly Democratic platform made of time-tried and fundamental Democratic principles, progressive and up-to-date.

"Second—On such Democratic platform nominate the ablest and most thorough going Democrat that can be found."

THE REV. H. N. WOO DIES IN SHANGHAI

Shanghai, March 11.—The Rev. H. N. Woo, whose death has just occurred here, voted for President Abraham Lincoln and fought with the Union forces in America's Civil War. He was 86 years old.

He had acquired a smattering of English when Perry came to the Far East in 1854 to negotiate the treaty between the United States and Japan and when Perry's fleet returned the Rev. Woo went with it aboard the sloop of war Plymouth as a cabin boy. He saw three years of service in the war and returned to China in 1863 when the Taiping Rebellion was at its height.

Soon thereafter he became associated with the American Church Mission at Shanghai and in 1866 he had a large part in establishing what was known as the tung Jen E. Chu, a free dispensary, from which has grown the St. Luke's hospital of today in Shanghai. He was ordained in 1880 and devoted the rest of his life to the work of christianity.

COAL FAMINE THREATENS SOUTH CAROLINA; REPORT

Columbia, S. C., March 11.—A general coal famine threatens South Carolina, according to reports. The Columbia supply is exhausted and one large industry has already closed.

FIRE IN HIGH POINT DESTROYS A LARGE WAREHOUSE

High Point, March 11.—A hundred thousand dollar fire destroyed the warehouse of Williamson Veneer Company of Baltimore.

MACHINE STOLEN FROM FRANKLINTON MAN FOUND

Franklinton, March 11.—This afternoon Chief of Police Winston of this place received a telegram from the chief of police at Lynchburg, Va., stating that he had Mrs. S. C. Vann's Cadillac car which was stolen from his garage here early yesterday morning. The thieves were not captured.

THURSDAY, MAR. 11, 1920.

The jumping up price of gasoline is anything but consoling to automobile users.

Watch the memorial hospital thermometer that has been placed on Five Points and see how the subscriptions rise.

If North Carolina can produce a million dollars worth of maple sugar, for goodness sake start the folks to work on it.

Germany is not going to come across as long as she sees that the senate of the United States is playing a hand giving her license to continue in her meanness.

A strike among Atlanta's street car employees has put the inhabitants of that city to "tapping the grit." And they find the weather good for walking.

Picking up securities worth a hundred and twenty million dollars on a New York street, delivering them to the bank whose name appeared on them and receiving a reward of two dollars, must have been a far to the feeling of the boy who found them and was honest enough to return them where they belonged. He ought to have handed the two dollars back and told the bank to "keep the change."

The way folks are going around these days looking for blanks on which to make income tax returns, shows that many have put off almost until the last hour to attend to an important matter. For two months past they have been warned almost daily through the papers that March 15th was the limit set for income tax returns and that the necessary blanks could be had from the office of the collector in Raleigh, or from the manager of any of the districts in which the state was divided for convenience.

THE MAN BEHIND AND THE MAN AHEAD.

In every paper we pick up we are sure to find some gush about the man behind the gun; the man behind the buzz saw, and the man behind his son, the man behind the times and the man behind his rents; the man behind his plow share and the man behind the fence; the man behind the whistle, the man behind the cars; the man behind the kodak, the man behind the bars; the man behind the whiskers, and the man behind the fists and everything behind has been entered on the lists. But they have skipped another fellow, of whom nothing has been said; the fellow who is even or a little way ahead who pays for what he gets, and whose bills are always signed—he's a darn-sight more important than the man who is behind. All the laborers, the merchants and the whole commercial clan, are indebted for existence to his honest fellowmen. He keeps up all the business, and his town is never dead; so we all take off our hats to the man who is ahead.—Found in San Francisco "Grindings."

The ladies got some pleasure looking at the new spring hats on exhibition in the stores today.

ADMISSION TO NON-MEMBERS WILL BE BY CARD ONLY

At a recent dance given in the Carolina Club rooms local men were on the floor dancing and elsewhere about the club rooms who are not members of the club. Even a few were dancing that have been club members but at the time of the re-organization refused to pay their assessment to make the continuance of the club possible. These men were enjoying privileges that they absolutely refused to help make possible. According to the laws and rules of the club these people, both ex-members and non-members, could have been asked to leave the club, but to save them embarrassment they were not asked to do so. Hereafter anyone placing himself in this position will undoubtedly suffer embarrassment because there is a limit to the indignities that the club has had heaped upon it by men who have no right to enjoy the club rooms.

Hereafter admission to the club by non-members will be by card only.

Read and approved at a called meeting of the Carolina Club, Saturday night, March 6th, 1920.

CAROLINA CLUB.

RED CROSS ANXIOUS TO LOCATE THOSE WHOM CHECKS BELONG

Government checks mailed to the parties named below have been returned to Washington City to be held for better addresses. Anyone knowing these persons will please notify Miss Eloise Ellington, secretary Pitt County Chapter, A. R. C.

Mary Tindall, Farmville, R. F. D. 4.
Ella Stubbs Moore, Grifton, N. C.

MRS. I. F. LEE'S SHOWING OF MILLINERY.

Today, the millinery store of Mrs. I. F. Lee & Co., presented a beautiful scene with its lovely decorations and beautiful display of hats. A prettier line has never been shown in this city. Every hat suggested the up-to-date styles, and spoke in a wonderful way of the splendid work which had been going on in this store, in order that the Greenville people might have the very latest styles. Those who were late certainly missed a treat, as the hats sold so fast, that they were soon picked over. Such a millinery establishment is a credit to any town.

THE NATIONAL BANK MAKES FINE SHOWING

For a spring season statement, the showing made by the National Bank of Greenville, on the close of business February 28th, of deposits well above a million and a half dollars, is something worth while. The figures speak for themselves, as you will see by reading the statement of this bank.

CIVIL SERVICE EXAMINATION.

A civil service examination will be held in the local postoffice on Saturday, April 3rd, to provide an eligible list from which to appoint clerks and carriers. Applicants can get the necessary blanks by applying to D. C. Dudley, secretary of the examining board, at the postoffice.

EXECUTORS' NOTICE.

Having qualified as executor of the estate of H. M. Phillips, deceased, late of Pitt county, North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them to the undersigned at his office, on or before the 10th day of March 1921, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

D. M. CLARK,
Itwk-4w Executor H. M. Phillips.

AERO CLUB ORGANIZED IN SHANGHAI.

Shanghai, March 10.—The Aero Club of Shanghai has just been organized here and is taking active steps to promote a Chinese national organization to promote flying. Chinese, American, British, Italian, French and other nationalities are represented in the new club.

The new club intends to purchase at least one plane and plans are being considered also to acquire the use of a landing place for fliers. One of its members is Major William R. McBain who served three years in France with the British flying corps and brought down 13 German planes.

The Peking government has purchased and has received from Britain a number of planes with which an air mail service is to be established this summer between Chinese cities.

On the occasion of the visit of Commodore L. D. Beaumont, Major Charles J. Giffden and Benjamin Hillman of the Beaumont Commission arranging the round-the-world contest the project to enter a Shanghai airplane in this contest was broached and may be carried out by the new club.

COLLEGE DAINTY HERD EXAMINED FOR TUBERCULOSIS

On March 4th and 5th, the State College dainty herd consisting of 67 pure cattle were tested for tuberculosis by Dr. W. C. Dendinger of the U. S. department of agriculture and found absolutely free from the disease. Dr. Dendinger expressed much gratification over the results of the test, as among both young and old stock tested there was not an animal of suspicious character.

This is the first time the college herd has been tested by U. S. government officials. Heretofore the work has been carried on by the department of animal husbandry under the direction of the college veterinarians. There tests have shown that the herd was in the best of health and Dr. Dendinger's work last week substantiating the unofficial tests of the college veterinarians shows the splendid work being done by the department of veterinary medicine.

It is now possible for any dairyman to have his herd inspected yearly, free of cost, by the U. S. department of agriculture. Dairymen of this state are realizing the value of government co-operation in this work, and the south is rapidly becoming known as a section where healthy cows are produced.

There is no food more nutritious and palatable than clean, fresh milk from healthy cows. This is the kind of milk the students drink at the college mess hall. It is handled by the most sanitary methods and above all is produced by healthy Jersey cows.

The Jersey cow, Eminent's Nina, No.

255404, continues her extremely high production of milk and butter fat, and present indications see into show that she will shatter all former records made in the State College herd. At the end of her 75th day on official test she had produced 4050.7 pounds of milk containing 177.6 pounds of butter fat. Her record for the month of February was 1590.1 pounds of milk containing 72.6 pounds of butter fat.

YOUNG SERBIANS HAVE BEEN ADOPTED BY A. & E. COLLEGE

West Raleigh, N. C., March 10.—Mr. Miodrag Mrevehich and Mr. Danilo Budisavljevich, graduates respectively of the University of Belgrade and the University of Zagreb, arrived at State College yesterday from Serbia. These young men have been adopted by the State College students who have pledged themselves to defray the expenses of the Serbians for a four year in agriculture. About one thousand young Serbians have been placed in American universities and colleges under the above plan and all have agreed to return to their native land when their courses have been completed to aid in its rebuilding.

Last night the Serbians at the college were busy getting acquainted with their new found friends and seemed highly pleased with the many evidences of cordiality and good fellowship. Special coaching classes in English will be arranged for them in order that they may make an early start on their agricultural training.

For Easter Say It With Flowers --- Proctor Cigar & News Stand

PERSONAL

Mrs. Lina Baker went to Wilson today.

Mrs. John Phillips left yesterday afternoon for her home in Richmond.

Mr. and Mrs. Harper Holliday, of Dunn, are visiting Mr. and Mrs. D. S. Spain, parents of Mrs. Holliday.

Mr. S. M. Jones, of Bethel, was a business visitor to our city today.

Mr. C. L. Hardy, of Maury, was a business visitor to our city today.

ST. PAUL'S CHURCH.
Evening prayer and sermon 7:30 P. M. Preacher, Archdeacon Noe.

MISSIONARY MEETING.
Woman's Missionary Society of Immanuel Baptist church will meet Friday afternoon at 3:30 o'clock in ladies parlor at the church. All members are urged to be present.

MRS. N. O. WARREN ENTERTAINS BRIDGE CLUB.
Yesterday afternoon Mrs. N. O. Warren delightfully entertained the Wednesday afternoon Bridge Club and several spirited games of bridge were enjoyed. Mrs. Earle Carter making the highest score was awarded a box of correspondence cards. The guests of the club were Mesdames L. H. Bowling, Lewis Gaylord, C. L. Porter, H. L. Hodges, Misses Jamie Bryan, Nell Pender, Ruelle Forbes and Iver Shelburn.

MRS. HASSELL ENTERTAINS.
Mrs. J. L. Hassell was hostess to the End of the Century Club on Tuesday afternoon. The business discussed was the completion of the endowment at East Carolina Teachers Training School. The Pitt County Federation is going to make a desperate effort to finish the endowment this year and this club is glad to do its part in making it possible to do so. The program was M. Maeterlinck. Mrs. Mark Quinerly read selections from his

"Wisdom and Destiny," giving an insight into his philosophy of life and Mrs. Hassell charmingly told the plot of his play Mona Vanna and read selections from same.
The visitors present were Mrs. Chester, Mrs. Richard Stokes, Mrs. Ben Higgs, Mrs. Barden and Mrs. Jarvis Harding.

ROYAL ARCH MASONS TO ELECT OFFICERS
Greenville Chapter No. 50, Royal Arch Masons, will meet Friday night, 12th, for the annual election of officers. Companions are urged to be present.

A few more pretty days will bring out the gardens.

MISSIONARY SOCIETY OF MEMORIAL BAPTIST CHURCH TO MEET
The Woman's Missionary Society of Memorial Baptist church will meet Friday afternoon, at 3:30 o'clock, with Mrs. C. J. Ellen.

Program:
Song—Wonderful Words of Life.
Scripture Reading—Mrs. Stroud.
Prayer—For adequate Ministerial Relief.

Talk—Veterans of the Cross, Mrs. Bridgers.
Talk—The Preachers and his earthly outlook, Mrs. Hall.
Talk—The Divine Call to the Ministry, Mrs. F. J. Forbes.
Prayer for the Veterans of the Cross.

Business.
Benediction.
The ladies aid society will meet immediately after adjournment.

"AMERICA FIRST" REHEARSALS HAVE ALREADY BEGUN

Rehearsals for the musical play "America First" to be given by Greenville talent have begun and the indications are for a splendid success. The piece will be given for the benefit of the Boy Scouts in aid of their camping fund, and most of the talent will be drawn from the high school, though it is expected to enlist some of the experienced singers of town.

The play will be given at the high school auditorium about March 20th and Mr. Baker the professional coach expressed himself as being delighted with the musical and dramatic talent.

Open-Air Exercise and Carter's Little Liver Pills are two splendid things For Constipation

If you can't get all the exercise you should have, its all the more important that you have the other tried-and-true remedy for a torpid liver and bowels which don't act freely and naturally.
Take one pill every night; more only when you're sure its necessary.

ROYAL HOUSE OF SPAIN
RETAINS OLD FORMALITIES

Madrid, March 11.—The Royal house of Spain, despite the democratic nature of the King and people, alone among the remaining courts of Europe, retains all the old world formalities, which up to the outbreak of the war were so rigorously observed in Vienna, St. Petersburg, Berlin and to a more or less extent in London, Rome and some of the smaller capitals of Europe.

This is due to a large extent to the influenza of the Queen mother, Maria Christina, who remains all powerful in court circles and is a stickler for the observance of those forms and ceremonies which marked all occasions at the court of Austria, where, as a Grand Duchess, she learned them.

King Alfonso, after receiving in the throne room at the palace in the morning, may rub shoulders with jockeys, bookmakers and the general run of race-goers at the track in the afternoon, but when he returns to the palace in the evening he resumes, as it were, the crown. It is generally reported that to his afternoon, free from conventionalities, is the happiest part of his day and that he has often expressed a desire when harassed by the political troubles of his country, which

seem never to settle down to leave it all and take his family off to some South American republic and engage in the breeding of horses, of which he is passionately fond.

THE HOOK WORM
IN PORTO RICO

San Juan, Porto Rico, March 11.—There is more hookworm in Porto Rico today than in any other country in the world, with the possible exceptions of India and Ceylon, according to Dr. Victor G. Heiser, of the Rockefeller Foundation. Dr. Heiser has offered the co-operation of the Rockefeller Foundation to the government of Porto Rico and the Commissioner of Health in combating hookworm in the island.

"Hookworm is probably the most serious economic problem which Porto Rico faces today," said Dr. Heiser. "I have asked cane planters why they did not pay more wages and they said because the laborers could not earn it, and probably they are right."

Dr. A. Ruiz Soler, Commissioner of Health, said that probably the government would accept the offer of assistance from the Rockefeller Foundation and that a campaign against anemia would be undertaken. Dr. James B. Grant, also of the Rockefeller Foundation, who has been here for some weeks making an investigation of health conditions in the island will remain for some time and will, with the co-operation of Dr. Soler, prepare a plan for attacking the hookworm problem.

Anemia, which during the Spanish rule was believed to be due mostly to malnutrition, now is attributed to a great extent to infection. It is believed that the disease was brought in with the early slaves and thus spread uncontrolled throughout the length and breadth of the island.

The government has spent altogether \$357,000 in bringing relief to the unfortunate sufferers. A survey recently made by Dr. Grant shows 90 percent

of the population in rural areas harbor hookworm infection. Even light infection with hookworm is said to cause mental retardation. Defective mentality thus produced renders the children incapable of assimilating instruction.

Santiago, Chile, March 11.—Chilean merchants complain of delays in delivery of goods ordered from the United States and that in some cases their orders are not filled by North American manufacturers, because the United States does not use the metric system of measures.

Some Chileans declare that, instead of consulting the wishes and peculiarities of the Chilean market, the American seems inclined to sell only what he has to offer and to impose conditions.

As evidence of this situation the Chileans cite the case of a firm of wholesale dealers who placed in the United States a large order for light summer wear textiles which were needed here in December. They paid 30 percent on account and after awaiting shipment were advised that it could not be made before the end of January. This cost that firm its summer trade. The Chileans say that no explanations can condone that.

The newspaper business is declared to have been completely taken away from the United States by Norwegian competitors because the Americans cannot guarantee deliveries nor prices.

One firm of iron founders placed a big order for material of various qualities and dimensions and two months later received advices that the material could not be shipped as the manufacturers could deliver goods only to approximate metric measurements.

"THE SAME FOR LESS."
404 EVANS STREET

A 'Cord Tire' Storage Battery
Guaranteed Two Years

Most automobile starting batteries are not guaranteed at all. The Philadelphia Diamond Grid Battery with the Philco Slotted Retainer is guaranteed for two years.

Like the cord tire, it not only lasts longer but all during its life can be depended upon for more reliable service. Two exclusive, patented features are: the Diamond Grid and the Philco Slotted Retainer.

1. The Diamond Grid, "built like a bridge," gives the strength to resist strain of sudden discharge and to withstand the rough jolting of hard service.
2. The Philco Retainer is a sheet of hard rubber closely perforated with long, narrow slots, placed against each positive plate, to prevent active material from falling off the plates; this adds at least 25 per cent to the life of the battery.

To you, as a motorist, these features mean not only longer life secured by a Two-Year Guarantee from the manufacturer, but more snappy starting, more reliable lighting and fewer repair bills. We repair and recharge all make batteries.
