FARMERS IN AYDEN SECTION ORGANIZE TO REDUCE CROPS

Pledge One-Third Reduction in Tobacco Acreage at Enthusiastic Meeting Last Night. VOLUNTEER COMMITTEE TO BEGIN MEMBERSHIP CAMPAIGN EARLY TODAY Meeting at Grifton Deferred Until Saturday Afternoon on Account of Small Attendance.

Yesterday proved another full day in organizing the tobacco growers of Pitt county for co-operating in effort of the State Tobacco Growers association to bring about a reduction in acreage for next year as means of establishing better prices. The campaign was carried into Grifton and Ayden townships, being concluded last night with an enthusiastic meeting in Ayden where probably one of the largest gatherings of the entire campaign assembled to hear of plans for the great fight to be waged in their interest. The attendance at Grifton in the afternoon was considerably smaller than anticipated necessitating postponement until Saturday afternoon when it is expected farmers of the district will turn out in large numbers.

Ayden meeting featured largely in interesting talks by men well acquainted with conditions existing in the tobacco industry, and these proved a source of much help to those not so well acquainted with radical changes which have taken place on virtually every market of the five tobacco producing states of the country. W. B. Pace, county demonstration agent, who has been rendering valuable assistance in perfecting the county organizations, explained in an interesting way the part which county organizations are to play in creating more favorable price conditions in the future. He outlined activity in the State organization regulations governing the fight and the position to be taken by individual planters if they are to realize results from the campaign.

In election of officers to direct the township campaign G. A. Johnson was chosen president; G. W. Prescott, vice-president; W. A. Quinley, secretary-treasurer. The executive committee is composed of R. F. Hart, C. D. Little, Blaine Summrell, W. O. Jolley, W. B. Quinley. Little trouble was experienced in securing members of the canvassing committee, as volunteers responded readily. They are: Frank Hart, E. D. Little, R. F. Hart, T. F. Hart, Hal Heath, W. A. Quinley, Ira Hart, W. Dennis and W. O. Cox.

Mr. Pace stated this morning that the campaign would be carried into Black Jack and Winterville communities. In each place large attendances are expected, particularly in Winterville where people are enlightened as to organization plans and the fight to be waged in their behalf. He expressed himself greatly pleased with interest manifested by citizens of communities which have been visited so far and believes that the meetings to be conducted at the court house in this city Saturday morning, at 10:30 o'clock will be attended by a large delegation from each township organization. In this event a complete report and total membership of the county will be available and the organization fully prepared to become a powerful factor in helping the State institution in its work.

SEVERE EARTHQUAKE RECORDED TODAY BY GEORGETOWN COLLEGE

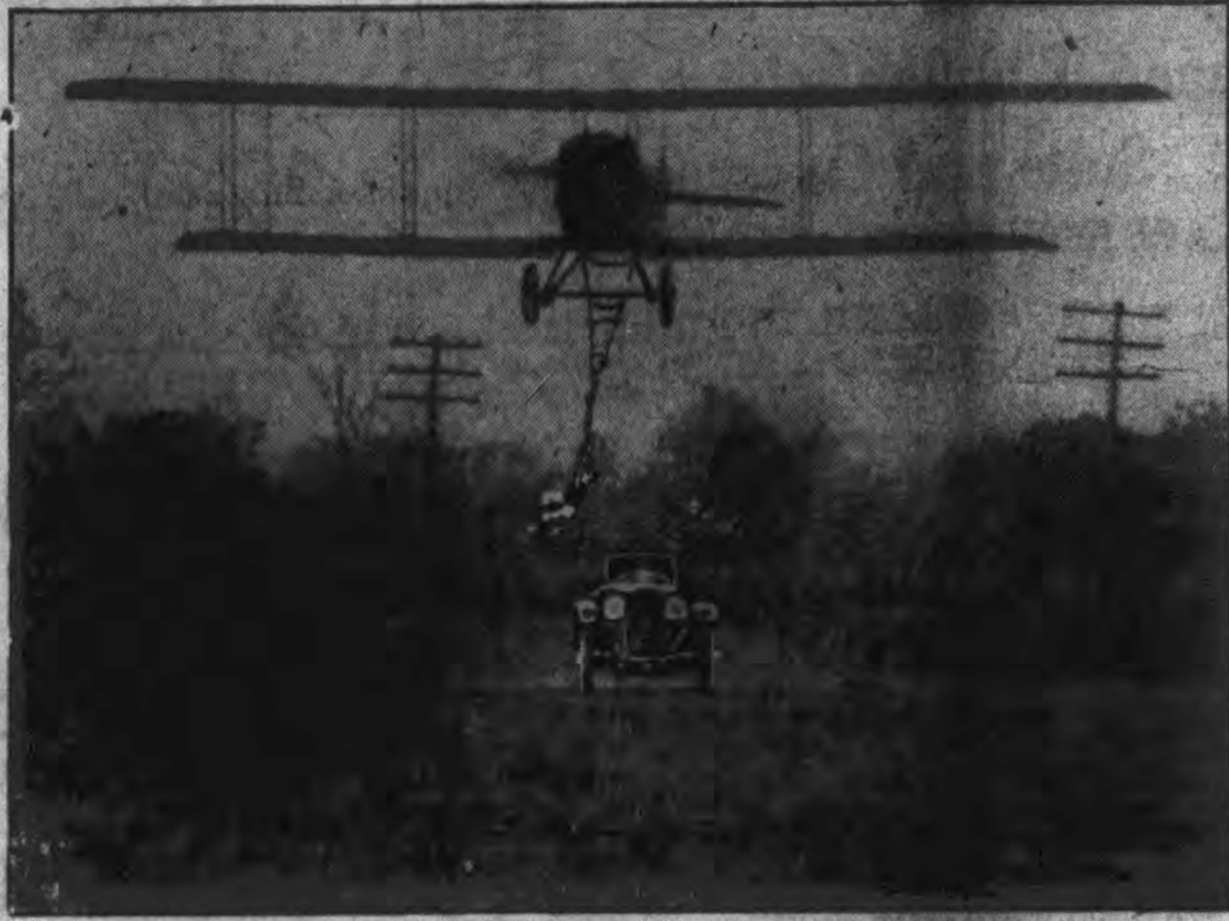

Washington, Dec. 16.—A severe earthquake said to be the worst in two years has been recorded at Georgetown University. It is estimated that it is 2800 miles from Washington.

Subscriptions taken to all newspapers and magazines. There is no more suitable Christmas present.

Bill Strothers Changing from Auto to Aeroplane Going at 75 Miles Hour

The above picture was taken of the "Human Spider" on the one-mile track at the Richmond-State Fair just as he was in the act of changing from an automobile to his airship running at the rate of 75 miles an hour. The feat was the most daring ever undertaken by any aerial acrobat, and the only time ever successfully accomplished, Bill Strothers, who is a former resident of Greenville, will give an exhibition flight in Greenville tomorrow at 2:30, in which he will circle our city several times, performing many of his interpid feats. He will climb the court house building at 2:30 Saturday, both features being conducted in the interest of "Pay-Up and Trade Weeks," which open in Greenville today.

MODEL SCHOOL TO PRESENT SPLENDID OPERETTA TONIGHT

"Under the Sugar Plum Tree" to be Presented by Children at High School Building.

This evening at eight o'clock at the auditorium of the Training School there will be presented the operetta entitled "Under the Sugar Plum Tree." This little playlet will be given by the children of the Model School of the city. The story breathes of the spirit of childhood in its happiest moods, in make-believe land and appeals to its audience from the start to curtain. Rumor has it that there is one embryonic vaudeville star, or circus clown in the personnel of the troupe. Of course the chorus work is good, and there are some stars of more or less brightness in the solo parts. Three old gentlemen try to do the Highland Fling, Pigeon Wing and other terpsichorean stunts with a great show of pep, resulting naturally in aching joints, and stiffness of the hinges. Recent dispatches from the towns in which this troupe has recently appeared report the presence also of a Wandering Minstrel who does more or less wandering himself as he tries to lead his followers in their musical innovations and resuscitations.

The people of the town are invited to be present. The small children will be permitted to come provided they are accompanied by some one who will take care of them and keep them still.

ALABAMA AND GEORGIA RAILWAY SYSTEM GOES INTO HANDS RECEIVERS

Chattanooga, Dec. 16.—Tennessee, Alabama and Georgia railways have been thrown into hands of receivers. Application claimed the road had been a losing proposition since its organization. The system is owned by the Russell Sage estate.

ARMENIA DENIED MEMBERSHIP BY LEAGUE OF NATIONS

Geneva, Dec. 16.—The assembly of the league of nations voted against admission of Armenia at present but passed resolutions hoping that President Wilson's effort would save Armenia and establish a stable government permitting her to enter league.

FOUR NEW NATIONS ADMITTED MEMBERS OF LEAGUE OF NATIONS

Geneva, Dec. 16.—The four new nations which have been admitted to the league of nations by the assembly are Bulgaria, Costa Rica, Finland and Luxemburg.

ROGERS OUTLINES CENSUS ACTIVITIES IN ANNUAL REPORT

Annual Report of Commissioner General Shows Heavy Increase from Canada and Mexico.

90,000 ALIENS FROM CANADA ADMITTED IN PERIOD OF ONE YEAR

Admission of Aliens from Mexico Totalled 52,361, Against 6,1606 From United States.

Washington, Dec. 16.—Immigration from Canada during the last fiscal year broke all records, and there was a tremendous increase in immigration from Mexico as well as from the European countries, Anthony Caminetti, Commissioner General of Immigration, says in his annual report made public today.

Aliens from Canada admitted to the country, the report says, numbered 90,025 while aliens departing numbered 7,006 leaving an excess of 82,357. In addition 19,336 aliens in Canada who applied for admission were debarred while 5,328 were refused examination, the report says, because of inability or unwillingness to meet the head tax requirement.

Admission of aliens from Mexico totalled 52,361 while the number of aliens going to Mexico from the United States numbered 6,006, leaving an excess of 45,755. During the previous fiscal year the admissions of immigrant aliens from Mexico numbered 29,818.

Europe sent a total of 246,295 immigrant aliens to the United States in the past fiscal year while 256,433 emigrant aliens left the United States for Europe, causing a decrease in alien population of 10,138. Immigrant aliens admitted from Asia numbered 17,505 and emigrant aliens departing for Asia numbered 9,441, leaving an excess of 8,844.

Resumption of immigration on a large scale and efforts to deport alien anarchists made the last fiscal year the busiest of any since the inauguration of the immigration service, the report says, "with indications that previous immigration figures would be outdistanced unless affected by laws of this or other countries."

"Chinese immigration," the report continues, "shows an increase over the preceding year, the number of admissions having risen from 3,340 coming for permanent residence in 1919 to 4,600 in 1920, these figures not including aliens of the Chinese race granted transient privilege. Of the citizen class of Chinese persons there were admitted in all, 1881, of whom 897 were of native birth, 843 were born abroad of native born parents and 141 were foreign

SEVERAL CHILDREN ON HONOR ROLL AT CITY HIGH SCHOOL

Principal Finds That Several More Would Have Been Included If Grades Had Improved.

Honor Roll for the third month of school is as follows:

Martha Cherry, Ella Fleming, Ruth McGowan, Daisy Newton, Maris Lee Oakley, Willie Skinner, Corine Tucker, William Evans, Elizabeth Higgs, Mary Little, Lillian Sugg, Pearl Wright, Elizabeth Gaskins, Jane Jackson, Robert Wright, Mary Moya Carper, Dorothy Curran, Maud Fulford, Marie Hardee, Emily Mason, Ramona Ray, Julia Satterthwaite, Henry Fleming, Herman Hardee, Edna Davenport, Jane Hadley, Helen Critcher, Margaret Moore, Novella Moya.

To be on the Honor Roll the student must make a grade of 90 or more on each subject and conduct.

The principal finds that several pupils would have been on the Honor Roll if their conduct grade had not been so low. So to those people let's improve that grade so that it will not keep us off. The faculty is glad to see this list so much larger than the second month, though there is a feeling that it should be much larger. So with the help of parents and students and faculty let's strive for a larger per cent. of the enrollment to be on the Honor Roll.

A few suggestions as to how to increase the number on the Honor Roll: Home study is essential to success. Parents should insist on regular hours and a quiet place for study free from all interruptions. Boys and girls must be trained to make a business of school.

Social distractions are detrimental to school work. Pupils should never be permitted to keep late hours; certainly not on school days.

Unless absolutely necessary, pupils should not be allowed to take employment during the school session. Experience shows that few pupils are successful in their school work who give afternoon or evening to ushering in theatres, selling at soda fountains, and similar distracting employments.

PLEASE NOTIFY OFFICE

All subscribers of the Reflector who have not been receiving their paper promptly of late are requested to notify the business office immediately in order that the irregularity in delivery may be remedied. We are anxious that every subscriber receive his paper immediately after it leaves the press and unless the office is notified when the carriers fail to make their deliveries the circulation department is unable to improve the service.

EUROPEAN NATIONS DESIRE INCREASED TELEGRAPH RATES

Delegates at Postal Conference in Madrid Favored Immediate Increase in Revenue

UNITED STATES AND LATIN AMERICA ONLY WANTED GOOD SERVICE

Hard Stricken Europeans Determined To Back Up Voting Power to Receive Results.

Madrid, Oct. 15.—The slogan of the European delegates to the Postal Congress held here appeared to be "we want revenue," while that of the delegates both from the United States and Latin America was clearly "we seek to exchange public service."

The discussions all through the long committee stages of the congress were tinged with opposite ideas and led to the formation of two solid blocks among the delegates—the Western Hemisphere against the Eastern. Friendly feeling was not lost at any time but the determination of the hard-stricken Europeans was backed by their voting power and the new Convention of Madrid contains the authorization to raise the postal rates.

Like the old Convention at Rome, the freshly-drafted agreement leaves it open to members of the Union to make separate agreements between themselves. Out of the opening has arisen the Pan-American Postal Union, comprising every republic in northern, central and south America, as well as Spain, by which they agree to interchange mutually at domestic rates all matter, just as through all the countries signing formed a single territory.

The delegates of the European countries and their colonies in search of revenue seemed to consider it their duty to secure as much for each of their countries as it was possible to extract from the congress.

PRESIDENT ORDERS EARLY REUNION OF CHINA TERRITORIES

Chief Executive of Nation Issues Proclamation Demanding Union of North and South.

Peking, Nov. 16.—A proclamation of the reunion of North and South China has just been issued by President Shing-chang. The mandate orders the various provincial authorities to exert themselves to the end that the democratic government may be promoted and announces that the republic "will henceforth be united."

The proclamation is practically coincident with a declaration from Canton by Tsen-Chan-hsuan and others of the "Executive Committee of the Southern Military government" announcing the dissolution of that government and cancellation of the "independence" of the southwest provinces.

The reunion mandate loses much of its force due to the fact that another independent faction is in control of the territory which the "military government" relinquishes, and that the signers of the Canton declaration immediately boarded a British steamer to escape the incoming troops of the opposition faction. Also leaders of the Cantonese faction deny the right of Tsen-hsuan, General Lu-Yung-ting and Mu-Yung-hsien, of the Kwangsi party, to dissolve the military government.

The Peking government, however, appears to have hopes that these other factions can be conciliated. Coupled with the reunion mandate the President issued an instruction to the Ministry of the Interior to bring about the election of a new Parliament.

FERTILIZER PLANT TO BE COMPLETED BY FIRST OF YEAR

Plant of Carolina Fertilizer Company Begin Manufacturing Product January 15th.

MACHINERY NOW BEING GOTTEN IN READINESS IN THE MAIN BUILDING

Enterprise Backed by Farmers of Pitt County Who Own Majority of Stock.

Greenville will soon have another plant in operation. The plant of the Carolina Fertilizer and Phosphate Co. will be ready to begin manufacturing fertilizers early in January and supply its customers to the year 1921. It is a large modern up-to-date plant in everything. The storage warehouse is completed and the main building of the plant will be finished before the first of the year. It now lacks only putting down of some of the floors and putting in the windows. The main building is 120 feet by 327 feet. The plant is larger than that at Goldsboro.

Much machinery is now stored in the main building ready to be installed as soon as building is finished it will take only a few days to put in this machinery and the plant should be ready for making fertilizer by the 15th of January or earlier. All machinery is of the newest and best type, far superior to that of only a few years ago and this gives a capacity much greater than factories built only a year or two ago.

Much materials for manufacturing fertilizers have been received. Several car loads are stored in the warehouse on the grounds. Lack of room for storage has kept back other shipments but now it will begin to rush in as completion of the building gives ample storage room. The sulphuric acid house is finished except for putting in the doors.

This is a new enterprise backed by the farmers of Pitt county who own the majority of the stock and they make the customers who will use the output. This makes a ready market for its products and insures its success. It will only take about ten days to get the machinery ready to running and the farmers may soon see their plant in operation, making fertilizers for their use and made to their orders. This is one of a chain of plants being built by farmers. The plant at Fairmount, Robeson county, is about finished if not finished. The force from here may go to Rocky Mount to work on the plant to be built there. Another plant will be built at Raleigh. Mr. W. P. Rose, of Rocky Mount, is the builder and the work here has been under the supervision of Mr. W. W. Jones.

CITY PAY-UP AND TRADE WEEKS CAMPAIGN OPENS WITH ACTIVE PURCHASING "Pay Up and Trade Weeks" campaign started off in an interesting way in this city this morning, and trade with merchants giving coupons entitling the public to an opportunity of winning a Ford automobile or one of the cash prizes was quite pleasing both morning and afternoon. Settlement of accounts with many business houses have been reported, the creditor in each case being furnished with a coupon for every dollar paid on account or cash purchase. It is expected the public will become more intensely interested from day to day and that the campaign will be as great a success as any conducted in this section of the State. The aeroplane flight tomorrow afternoon at 2:30 by Bill Strothers, "Human Spider," will draw thousands of people to the city, as well as the climbing feat to take place at the court house Saturday at 2:30. Both attractions will be staged in the interest of "Pay-Up and Trade Weeks" and active trade is expected both days.

WE ISSUE COUPONS

For the Ford and \$175 in Gold

One coupon will be given for every cash purchase of one dollar or more, and also a coupon for every dollar paid on account during Pay-Up and Trade Weeks, Dec. 16 to 31st..

THE TOBACCO FARMER

Every individual, as well as every business industry, in the Bright Tobacco Belt should actively support the movement of the tobacco farmers to organize to control production and secure a living price for tobacco.

With this object in view we contemplate the publication of a weekly paper, "THE TOBACCO FARMER," beginning about Jan. 1st, 1921. The object of this paper will be to publish letters from farmers and other interested business men, and information from whatever source that will help farmers form correct conclusions as to what to do, when to do it and how to do it to protect their interest.

We have assurance from Mr. O. L. Joyner, one of the best informed men in the state on this question, that he will help in the editorial work of this paper.

Every one who is interested in this vital question, affecting the happiness and prosperity of all the people of this great bright tobacco country, should fill out and mail at once the attached coupon.

D. J. WHICHARD.

(Cut this out and mail it.)

Walter Camp Announces Names of All-American Team in Current Issue of Colliers.

New York, Dec. 15.—In a resume of the football season by Walter Camp, published in the current issue of Collier's Weekly in connection with his All-American football selections for 1920, the dean of intercollegiate football states,

"Outside of the development of the open play and forward pass, the most striking feature of the season was the great interest shown by coaches and enthusiasts in the East as to what the West and South were doing, and in the South and West as to what the East was teaching. This had been brought about by the great growth in favor of the inter-sectional game led by Harvard's trip to the coast last New Year's Day, and by the signing up of agreements between Princeton and Chicago for games in 1921 and 1922. Perhaps the greatest factor of all, however, was the very definite increase, already referred to, in the knowledge of the game by the football public. The spectator in the stands now is an educated spectator.

"On the present schedules the ranking of teams is impossible. But there is one quality that goes for a great deal, and that is the ability to rise to the occasion when necessary, and when Princeton, Harvard, Notre Dame, Pittsburgh, Penn State, California, Virginia Military Institute, Boston and Ohio State, they all came through, and

would be the ones selected to carry a game anywhere. Their methods differed largely. Princeton had the greatest variety and made the largest use

of generalship. Ohio State took the greatest advantage of the modern rules. California ran up the largest scores. Harvard and Pittsburgh were most cautious and calculating. Boston, Notre Dame, and Virginia Military Institute were most aggressive."

Senator Simmons is defending the farmer in present issues, so we are told. But the farmer needs more money than defense, if we see right.

President-elect Harding expresses himself as greatly pleased as result of conferences with "leading minds of the country." That being the case the rest of the country is too.

Persons who do their Christmas shopping early will be able to take advantage of hundred of bargains offered by local merchants before they are picked over.

First steps of disarmament must be cautious and deliberate, the league of nations has decided. That's about right too, considering the way Japan feels about it and conditions prevailing in Ireland and other parts of Europe.

The advice of leading business men to stop talking hard times and get down to work fits in appropriately just now, and if it is heeded things won't be half so bad as people appear to think.

Senator McCormick fears the league of nations will be smothered by eloquence of its members. But since the gentleman is one of America's irreconcilables such a statement is not surprising in the least.

If you haven't anything to buy, why not pay up back accounts and receive the opportunity of winning an automobile or one of the cash prizes to be given away by city merchants during "Pay-Up and Trade Weeks?"

The Reflector reaches more people than any other publication in Pitt county. And when it reaches the people it always has plenty of live local, state and national reading matter. That's why the merchant finds it the best advertising medium.

Red Cross Christmas Seals this year should appeal to the Christmas shopper more than ever as funds derived from sales will be spent in relieving thousands of tubercular patients of the country. Be sure your letter or package bears a seal. It will have a significant meaning to the recipient.

Guilford county has voted two million dollars for improvement of roads. It looks like mighty bad times for bond issues, but Guilford people are progressive and thrifty, and are capable of carrying the issue through. Good roads are essential to every community, and if other counties were to follow Guilford's example the country would be much better off.

Republican politicians who prated about everything being so nice if only a Republican was placed at the head of the government have something before them if they intend to make good their promises. They can't do that, and there is where the rub comes in. The public again learns a lesson that it won't soon forget.

In criticism directed against the coal industry the senate committee on reconstruction touches upon a subject of universal interest, for high prices and a consequent paucity of coal is tolerable now that prices for every commodity have taken a tumble. The situation has deserved attention for sometime, and it is hoped something will be done to bring about more favorable conditions.

EXPORTS CONTINUE INCREASE

Manufacturers continue to increase the proportion which they form in our export trade. They actually formed over 51 per cent. of our total domestic exports in the ten months ending with October, 1920, against 45 per cent. in the calendar year 1919, 47 per cent. in the fiscal year preceding the war, 45 per cent. in 1910, and 35 per cent. in 1900. In fact, says a statement by the National City Bank of New York, manufactures exported in the ten months ending October, 1920, were 18 per cent. greater in value than in the same period of 1919, while the remainder of the domestic merchandise exported shows an actual decrease in the same October, manufactures exported showed an increase of \$750,000,000 over the same period of last year, while all other domestic merchandise exported showed an actual decline of \$175,000,000.

This continued growth in the exports of finished manufactures right down to the latest date possible—the end of October, 1920,—is, adds the bank's statement, especially interesting in view of the expressed belief that a large part of the growth in our exports of finished manufactures was due to the absence of European manufactures in the non-manufacturing world and would therefore prove but temporary when our European rivals begin re-exploiting the non-manufacturing field the world over. In this return to exportation of manufactures and the renewed exploitation of the foreign field, the manufacturing countries of Europe have been busy since the return of peace and especially in the calendar year 1920, and while it is a fact that the exports of Great Britain, France, Belgium, and Italy, now the chief manufacturers of Europe, do show big increases in 1920 as compared with 1919, it is also a fact that manufactures continue to form down to the very latest date possible an increasing share of the domestic exports from the United States, totaling in the ten months ending with October \$3,658,000 against \$2,000,000,000 in the same months of last year, making it perfectly clear that the grand total of manufactures exported in the calendar year 1920 will exceed \$4,000,000,000 against \$3,485,000,000 in the calendar year 1919, and \$1,100,000,000 in the year immediately preceding the war, the fiscal year 1914, \$767,000,000 in 1910, and \$485,000,000 in 1900.

This fact that the exportation of manufactures continues to grow down to the latest possible date seems to justify the hope which had been felt that the manufacturers of the United States would come to the rescue of its foreign trade and fill the gap which might otherwise come through a fall off in the quantity of food and raw material which we shall be able to spare for the foreign field.

The cause of low prices for tobacco as set forth yesterday by the Federal Trade Commission ought to be a source of help to both business men and planters in this section of the State as it shows conclusively that the present campaign to decrease acreage next year will be an important feature in restoring normal prices for the future. The report stated that lessening in foreign demand due to unfavorable exchange rates formed probably the principal reason for the unexpected slump in price. It also pointed out that increase in quantity of low grades and purchasing methods of buyers were matters of much consideration, but that on one feature exerted more influence than the other. This may be considered as expert opinion and shows in an interesting and forceful way that credit restrictions, as some claim, have not been accountable for decline in prices. The farmer may find much room for thought in the evils pointed out so plainly in the report. One of them he can improve himself by confining his effort to producing a better grade of tobacco. There are hundreds who merely produce their crops, but who fail to realize that the market does not demand common grades of bright leaf. The government can improve faulty buying by investigating methods employed by large buyers and correcting them as far as possible. Foreign exchange will improve considerably when the treaty of peace is signed, but will not until then be noticeable. The past lesson has been a severe one for the planter, but if they organize, cut acreage one-third as proposed, the situation certainly will improve much sooner than the pessimist would have one believe.

Shrinkage in values of the country's farm products has placed the total this year at \$5,000,000,000. The decrease would not affect the planter so seriously if it had come last year, but now that he has to receive such low prices, and labor and goods purchased at high prices, it places many in very difficult positions. Merchants should do everything possible to make it as easy as possible for the planter under such conditions, and in a reasonably short time conditions will improve so obligations may be met.

Secretary Daniels persists that the United States cannot afford to cut its naval program as suggested by Japan and Great Britain, declaring that it would be one of the greatest blunders imaginable. The statement is significant indeed, for it shows conclusively that the nation cannot feel safe as long as it remains outside of the league of nations. This fact means much to the country and it is safe to say there will be no suspension in military preparation until the matter has been definitely settled.

Don't forget that three million five hundred thousand children are starving in Central Europe and that America has been asked for funds to carry them through until the next harvest season. The situation is extremely serious and unless aid is given within a short time thousands will die from privation. Committees have been appointed in every town and city to collect funds, and if you have not already donated, do it now in the name of civilization.

Pay up your subscription to the Reflector and receive a coupon entitling you to an opportunity of winning an automobile or one of the nine cash prizes to be given away by the Merchants Association during "Pay-Up and Trade Weeks." Subscriptions received as much as two years in advance, and a coupon given with every dollar paid.

LAND SALE

By virtue of the power of sale contained in a deed of trust from Henry Speight and J. A. Speight to J. K. Brown, Trustee, executed November 10, 1919, and recorded in Book I-13, page 343, the undersigned trustee will sell at public auction, for cash, before the courthouse in Greenville at noon, on Saturday, January 15, 1921,

the following tract of land: Situate in Greenville township on the road leading from Greenville to Grimesland, and being a part of the W. M. B. Brown tract of land, known as tract No. 4; for accurate description reference is hereby made to Map Book No. 2, page 62, in the office of the Register of Deeds of Pitt County. Said tract of land contains 36.49 acres. This land is sold to satisfy the lien due for the purchase money. This December 15, 1920. J. K. BROWN, Trustee. F. G. JAMES & SON, Attorneys. 16-1t awk-4wks.

Social And Personal

THE UNKNOWN SOLDIER

What holy stillness filled the morning air
When London paused to bow the head
and pray
In reverent piety for those who lay
Beloved at home, in death unknown
outthere,
The silence ended in the bugle's flare.
The women sobbed and men brushed
tears away,
And memories chilled the troops who
lined the way,
Where one lone soldier passed, through
hearts laid bare.

Four noble queens were there to
honor him,
And great men watched and felt their
eyes grow dim,
Then through the hall where mourn-
ing women wept,
A flood of hopeful glory spread and
leapt,
And dulled the grief in one great
thought divine,
Each soul cried out, "Dear God! He
may be mine!"

(Miss Elizabeth Baskerville, 611 W.
110th street, New York City.)

Mr. H. G. Ford, of Wilmington, is
numbered among the business visitors
in this city today.

Mr. K. B. Burton, of Henderson, is

day.

**PENSION CHECKS FOR
OLD SOLDIERS RECEIVED**
Clerk of Superior Court J. F. Har-
rington stated this morning that pen-
sion checks for old soldiers and widows
had been received. The checks this
time amount to \$35 which is semi-an-
nual payment of the pension funds.

MEETS FRIDAY AFTERNOON
The Woman's Missionary Society of
Immanuel Baptist Church will meet
Friday afternoon at three o'clock with
Mrs. W. R. Smith on Ninth street. All
members are earnestly requested to be
present.

**MR. AND MRS. L. C. ARTHUR
ENTERTAIN**
At their home in South Greenville at
noon Wednesday, Mr. and Mrs. L. C.
Arthur entertained at a buffet lun-
cheon the Brown-Howison bridal party
and out-of-town guests here for the
marriage. It was a most enjoyable oc-
casion, bringing together the Arthur
and Ficklen families and their imme-
diate relatives.

**MR. AND MRS. E. B. FICKLEN
ENTERTAIN AT BUFFET DINNER**
Following the marriage of Mr. C. F.
Brown and Miss Alice Howison in the
Episcopal church yesterday evening,
Mr. and Mrs. E. B. Ficklen entertain-
ed the bridal party, relatives and vis-
itors, at a buffet dinner at their charm-
ing home on Fifth street. The home
was artistically decorated with potted
plants and smilax.

The guests were welcomed upon ar-
rival at the home by Mr. and Mrs. B.
W. Moseley.

In the receiving line were Mr. and
Mrs. E. B. Ficklen, Mr. and Mrs. H.
R. Brown, Mr. J. F. Howison, the
bride and groom, Mr. C. M. Brown,
Miss Nancye Howison, Mr. James Fick-
len, Miss Telca Howison, Mr. J. R.
Brown, Miss Cary Jeter, Mr. Marion
Howison, Mrs. Hunter Marshall, Mr.
Hunter Marshall, Jr., Miss Davette
Ficklen, Capt. L. C. Arthur, Jr., Mr.
and Mrs. Sam Ficklen, Mrs. Terrell
Moore, Mr. Robert Howison. Receiving
in the hall and library were Mr. and
Mrs. L. C. Arthur, Mrs. Nannie Jeter,
Col. and Mrs. Harry Skinner, Mr. and
Mrs. James Ficklen.

The dining room was decorated in
rainbow colors, the center-piece a large
silver basket of glaze fruit. The guests
were served by Mr. and Mrs. A. M.
Moseley, Mr. and Mrs. E. B. Ferguson,
Dr. and Mrs. L. C. Skinner, Mr. and
Mrs. J. L. Hassell, Mr. and Mrs. C. L.
Foster and Mrs. C. S. Carr.

In the library were displayed the
numerous and beautiful wedding gifts
received by the popular couple.

BROWN HOWISON

Beautiful Wedding Solemnized in St.
Paul's Episcopal Church.

A week of most brilliant receptions
in which friends vied with each friend
in honor of a popular young couple,
came to a culmination in St. Paul's
Episcopal church at 6 o'clock Wednes-
day evening at the rainbow wedding
when Miss Alice Marshall Howison be-
came the bride of Mr. Charles Francis-
co Brown, of Greenville, Tenn. No
marriage has been looked forward to
with greater interest, and no couple
has begun their wedded life with more
brilliant surroundings.

Skilled hands had elaborately de-
corated the church for the happy event,
and it was a scene of rare beauty in
green and white, of lilies, smilax, na-
tive pine and holly, with cathedral
candles shedding a mellow glow.

With Mrs. R. A. Tyson, Jr., presid-
ing at the organ the music was most
fitting for such an occasion. Preceding
the entrance of the bridal party, Mr.
J. R. Brown, of Dallas, Texas, who
possesses a rich voice, sang "Because."

Then to the strains of Lohengrin's
wedding march the ushers came up the
aisle to their positions on either side
of the altar. These were Messrs. T. J.
Moore, Charles James, Ficklen Arthur
and Fielding Jeter, the latter of Nor-
folk, Va. Then came the bridesmaids,
Miss Nancye Howison, of Ashland, Va.,
and Miss Carey Jeter, of New York.

Miss Howison was gowned in apricot
pussy-willow taffeta and Miss Jeter
wore a beautiful gown of blue pussy-
willow taffeta. They both carried pink
roses. They were followed by the
groomsmen, Messrs. C. M. Brown, of
Baltimore, and James Ficklen.

Next to enter were the matrons of
honor, Mrs. T. J. Moore, wearing a lace
gown over satin, and Mrs. J. B. James,
attired in a pink and orchid pussy-wil-
low taffeta. They both carried sweet-
heart roses. Following these were
Messrs. Marion Howison, of Lynch-
burg, and J. B. James. Then entered
Mrs. E. B. Ficklen, as matron of honor.

She wore a beautiful gown of lace over
satin and carried orchids. The maid
of honor, Miss Telca Howison, of
Lynchburg, sister of the bride, was the
next to enter. She was attired in a
beautiful gown of green pussy-willow
taffeta, and carried a shower bouquet

of sunset roses. Following her was
the flower girl, little Miss Lucy James,
niece of the groom. She wore a dainty
frook of white lace and organdie over
pink and carried rose petals in a small
basket. She gracefully scattered these
in the path of the bride.

All eyes were then turned to the
bride who entered with her father, Mr.
James Ficklen Howison, of Ashland,
Va. She wore her mother's bridal
gown of Duchess satin and old lace,
with court train. Her veil was
cap shape and held in place with a
wreath of orange blossoms and or-
chids. They were met at the altar by
the groom with his best man and broth-
er, Mr. J. R. Brown, who entered from
the vestry room.

The beautiful and impressive ring
ceremony was performed by the rector,
Rev. C. H. Bascom, assisted by Rev.
James Ficklen, of Cornington, Ga.

The bride is a native of Virginia and
for several years has been making her
home with her cousin, Mr. E. B. Fick-
len, and during her residence in Green-
ville has acquired a host of friends.
Mr. Brown is a son of Mr. and Mrs.
Henry B. Brown, of Greenville, Tenn.,
and a brother of Mr. J. B. James, of
this city. He is one of the most prom-
inent men in Tennessee, both in social
and business circles.

After a buffet dinner at the home of
Mr. and Mrs. E. B. Ficklen the couple
left by automobile for Rocky Mount
where they took the train for a bridal
tour of northern cities. The bride's go-
ing away suit was of brown duvetine,
trimmed with fur, with accessories to
match.

They were the recipients of many
handsome and useful bridal presents.

**APPLICATION FOR PARDON
OF WILLIE SMITH**

Application will be made to the Gov-
ernor of North Carolina for the pardon
of Willie Smith, convicted at the April,
1912 term of the Superior Court of
Pitt County for the crime of murder
and sentenced to the State's prison for
a term of twenty-one years.

All persons who oppose the granting
of said pardon are invited to forward
their protests to the Governor without
delay.

This the 9th day of December, 1920.

MRS. PAUL FITZGERALD HOSTESS

On Tuesday afternoon the ladies of
the Round Table held a very enjoyable
meeting at the home of Mrs. Fitzger-
ald. After committee reports and read-
ing a government communication, the
literary program was taken up. Mrs.
James Turner read a paper on "Rugs
and Rug Making." A noteworthy fea-
ture of this paper was the fact that
the noble and beautiful art of rug
making of the Oriental medieval
times is rapidly dropping into a com-
mercial industry; and American ar-
tists have met with wonderful success
in restoring some of these beautiful
tapestries. Mrs. Jesse Moye then gave
a reading, the "Tapestry Weavers."

Following this, Mrs. J. E. Winslow told
us of Beautiful Historic Homes of
America (Northern), and Mrs. J. W.
Higgs told us of some Beautiful His-
toric Homes of the South.

All these numbers were greatly en-
joyed and each member present felt
a keener appreciation for things beau-
tiful and the marvelous skill and pa-
tience required to produce them. The
club was delighted to have as honor
guests Mrs. Frank Ferguson, Mrs. S.
B. Curdin, Miss Winslow, Miss McFad-
den and Mrs. J. E. Nobles.

The hostess served a delicious salad
course.

LAND SALE

By virtue of the power of sale con-
tained in a deed of trust, executed by
Alec Speight and Henry Speight to J.
Key Brown, Trustee, on the 2nd day of
March, 1920, and recorded in Book Q-
13, page 236, the undersigned will sell,
for cash, at public auction before the
courthouse in Greenville, on

Saturday, January 15, 1921,
the following tract of land:

That tract of land situate in Green-
ville township on the road leading from
Greenville to Grimesland and known
as a part of the W. M. B. Brown tract
and known as tract No. 3 in the di-
vision of said lands. For accurate de-
scription reference is hereby made to
Map Book No. 2, page 62, in the office
of the Register of Deeds of Pitt Coun-
ty. Said tract contains 34.76 acres.

Said land is sold to satisfy a lien
due for the purchase money.
This December 15th, 1920.

J. KEY BROWN, Trustee.
F. G. JAMES & SON, Attorneys.

15 and 25 cents.

SELECT FOOTBALL SQUADS FOR NEXT SEASON ACTIVITIES

Nine Members of Air Service Present
ed With Medals and Kissed On
Check by General.

Lemberg, Nov. 25.—Nine members
of the Kosciuszko air squadron, made
up chiefly of Americans, were deco-
rated recently with the highest mili-
tary honors of Poland and, simulta-
neously with the presentation of the
medals, each aviator was kissed on the
cheek as is the Polish custom by Gen-
eral Stanislaus Haller, commander of
the Sixth Polish army. The presenta-
tion took place at the squadron aero-
drome near Lemberg which city was
defended by the Americans during the
Bolshevik drive in August.

Those decorated were Captain Geo.
M. Crawford, Brooklyn, N. Y.; Lieut-
enant Elliott W. Chess, El Paso, Tex.;
Lieutenant Harmon C. Rorison, Wil-
mington, N. C.; Lieutenant Kenneth O.
Shrewsbury, Charleston, W. Va.; Lieut-
enant Carl Clark, Tulsa, Okla.; Lieut-
enant George Weber, Peking, China;
Lieutenant Wladyslaw Konopka and
Alexander Senkowski, the last two
named being liaison officers.

The list of those decorated included
the name of Captain Merla G. Cooper,
of Jacksonville, Fla., who at last ac-
counts was a prisoner in the hands of
the Bolsheviks; having been shot down
in his airplane last summer.

Lieutenant Colonel Cedric E. Faun-
teroy, of Chicago, and McGehee, Ark.,
commander of the air forces of the
southern front, and Lieutenant Edwin
Noble, of Boston, wounded early in
the spring, were decorated previously.

POINTS OUT ALIEN MENACE TO NATION IF NOT PREVENTED

Secretary of Labor Wilson Advocates Establishment of Machinery to Handle Situation.

WOULD CO-OPERATE WITH FOREIGN GOVERNMENTS IN SOLVING QUESTIONS

Annual Report Shows Continued Increase Over That of Recent Years.

Washington, Dec. 15.— Establishment of machinery overseas in co-operation with foreign governments thru which aliens before breaking up their homes may determine whether they will be admitted to the United States and legislative consideration of the proposals of the Second Industrial Conference are outstanding recommendations in the annual report of Secretary Wilson made public today.

The labor secretary devotes much of his report to discussion of immigration and the expulsion of alien revolutionaries. He asserts that he alone has authority to order the arrest and expulsion of aliens although the Bureau of Immigration has assumed to itself power not only to make recommendations, but also to make findings.

The report shows that 633,371 aliens arrived in this country during the last fiscal year as compared with 237,021 the year before. Of the total arrivals 11,795 were excluded at the portsthy sought to enter. Of those arriving 430,001 are classed as immigrant aliens and 195,575 as non-immigrant aliens. Departures of aliens totalled 428,062, including 288,315 emigrant aliens and 139,747 non-emigrant aliens, making the net increase in the immigrant population for the year 193,514.

Japanese admitted numbered 16,174, as compared with 14,904 the year before. The total number of Japanese departing is placed at 15,653, making, the report says, the indicated increase in Japanese population 521. Of those admitted 9,193 were males and 6,981 females.

ADMINISTRATOR'S NOTICE

Having qualified as administrator of the estate of Iredell Moore, deceased, late of Pitt county, North Carolina, this is to notify all persons having claims against the estate of said deceased, to exhibit them to the undersigned at Bath, North Carolina, or to my legal representatives Skinner & Whedbee, at their office on or before the 11th day of December, 1921, or this notice will be pleaded in bar of their recovery. Friday -- 1st Sale

No sales after Friday until January 11th. The market closes after to morrow, (Friday) until January 11, 1921. We are hoping for better prices after Christmas.

We wish to strongly endorse the movement to greatly reduce the acreage of tobacco for next season. A large crop next year will result in considerably lower prices than now prevail. There is little demand for the lower grades and next year there will be less. Plant only a few acres and make quality rather than quantity. We desire to thank one and all for the fine patronage given us. When the market reopens January 11th, you will find us on the job, striving harder than ever before to merit your good will and confidence. Wishing all a Merry Christmas and a Happy New Year, we are
Yours to serve,

Smith & Sugg

ALBION DUNN, Attorney. 12-13 4t

NOTICE OF SALE OF AUTOMOBILE UNDER MECHANIC'S LIEN.

The undersigned having repaired that Jeffreys automobile (seven passenger touring car) for Will Turnage, on account of which there is due for repairs and material the sum of \$421.06 and the said Will Turnage having failed and refused to pay said amount and said work having been completed on April 13, 1920, the undersigned will, on Monday, the 27th day of December, 1920, at twelve o'clock noon, at the court house door in the town of Greenville, at public auction, to the highest bidder for cash, sell the said Jeffreys Touring car for the purpose of satisfying the lien for repairs and work done upon said car, and this sale is had pursuant to section 2017 of the Revisal of 1905.

This December 10, 1920.

CHARLOTTE MAN OUTSPOKEN IN PRAISING "DRECO"

Often Had to Get Up Four or Five Times In a Night on Account of His Kidneys—Everything He Ate Caused Gas, Pains and Diarrhoea—Free Samples Given.

"You certainly have a fine medicine in Dreco," said that well known traveling man, Mr. L. A. Todd, of 705 East Ninth street, Charlotte, N. C. "It has done me worlds of good and I am glad of a chance to publicly endorse it," he continued.

"Everything I ate would sour on my stomach, form gas and bloat me up, cause awful griping in my stomach and diarrhoea. My kidneys were in bad shape and the doctor had ordered me to stop eating meat, and I couldn't eat vegetables on account of my stomach, so I was up against it strong."

"I frequently had to get up four or five times during the night on account

of my kidneys. My urine was highly colored, feverish and had bad odor and the pains in my back were almost unbearable. I've waked up many a night from these pains to roll and toss till it was about getting up time. Then I'd be all worn out and felt like sleeping, more tired than when I went to bed the night before.

"After taking two bottles of Dreco I am happy to say I am feeling better than in many a day. My stomach is as well as ever in my life, and I now eat corn, beans, potatoes, in fact anything I crave and it never gives me a pain or diarrhoea. My kidneys are all right and I go to bed and never wake up a single time. The pains in my back are all gone, urine normal again and I am gaining strength every day. I certainly recommend Dreco for it is a medicine possessing great merit."
