SIGN-UP CAMPAIGN FOR MARKET DRIVE OPENS HERE TODAY

Seven Members of State Extension Department Begin Campaign With Meeting At Court House

EVERY LOCALITY TO BE VISITED DURING THE NEXT TWO WEEKS

The actual sign-up campaign for the co-operative marketing of cotton and tobacco began in Pitt county this morning with the arrival of seven members of the Agricultural Extension department who will sweep the county during the next two weeks in an effort to make the proposed marketing association an actuality in every township possible. The campaign really swung into being with a mass meeting conducted in the court house in this city today when criminal superior court adjourned for the noon hour, and numbers of business men and planters from virtually every part of the county heard speakers explain the marketing plan which is destined to be the salvation of American agricultural interests for the next several years.

Members from the State department are headed by A. W. Swain, field director and state secretary of the American Cotton association and R. W. Green editor of the publicity department of the Extension department who will direct the campaign promises to be one of the most extensive of the entire state. Other members of the party are B. G. Smith, J. B. Swain, H. H. Mask, A. O. Alford and W. B. Pace.

The program for the two weeks will carry the soliciting party into practically every voting precinct of the county. At night mass meetings will be conducted and in the day soliciting will be carried among all planters who failed to appear at the meeting the night before. The campaign has been delayed for many days, but it is expected now everything is in readiness that signing of planters will be conducted much more rapidly than any other part of the state. It is stated that little trouble has been incurred in signing up planters in many sections of the state which the committee has so far visited, and for that reason it is expected a new record will be established in Pitt county where facts connected with the association have been explained from time to time by men prominently identified with Agricultural industry.

The court house was packed almost completely when court adjourned at the noon hour here today, and those who heard the contract explained by Mr. J. B. Swain and W. B. Pace, were convinced beyond doubt that the new marketing medium will meet present demands of the farming industry much better than anything else which has been presented up to the present time. Practically every feature dealing with the contract was explained in a comprehensive manner by Mr. Swain, who declared it not only will bind the farmer to together in one of the strongest organizations in the country today but will open up a direct way whereby price conditions will become better in the future.

He outlined what is being done in other sections of the country, and said if other farmers found the plan benefited them there is no reason in the world why it should not prove the same to those in this section. He called attention to activities in progress in California and Florida, declaring fruit growers are realizing more out of their crops now than they ever did before. The old marketing plan which involves nothing more than dumping products on the market in a careless manner, would have proven disastrous with them today. But saw what was coming, organized and prepared to meet eventualities.

GIANT FROM FRANCE

Eugene Arceau, a French giant, who has just arrived in the United States. Arceau is just a bit short for the feat of shaking hands with the Statue of Liberty. He is eight feet, six inches tall, and weighs 308 pounds.

CRIMINAL COURT OPENS HERE TODAY FOR ACTIVE WORK

About 112 Cases on Docket to Be Disposed of During the Next Two Weeks, It Is Stated

The regular April session of Pitt county superior court for the trial of criminal cases convened in this city this morning for a two week term with Judge W. A. Devin, of Oxford, presiding and J. A. Davis of New Bern, prosecuting. There are numbers of important issues on docket for the entire two weeks, and indications point to one of the busiest sessions in many months.

The calendar contains approximately 112 cases, of which the majority are minor issues, but there are four or five charges of manslaughter which it is expected will consume much time. Julius Moore, Fred Stancill, Nathaniel Hardee and a colored woman of this city will be tried under separate charges of manslaughter, having been tried and convicted in preliminary hearing some time ago.

The criminal docket has not been congested quite so much as the civil, and there is every indication the docket will be practically cleared during the next two weeks, although this is merely problematical as it is certain considerable time will be consumed in the murder cases. Judge Devin speeded up activities at the recent civil term, and consequently it is certain he will make every effort in getting as many cases as possible off the criminal docket.

An unusually large crowd attended the opening sessions today and there is every indication the remainder of the week will witness similar crowds owing to the number of cases scheduled for hearing. There is not likely to be any great shortage of witnesses this time, and if this is so there is no reason to believe the session will not be the best in many months. At least the court started off that way this morning and it is believed the remainder of the term will see the same kind of activity.

The foundation of self-respect is thrift. Save a part of your earnings. Buy shares in our 31st series. Now on sale.

Home Bldg. & Loan Assn.

principles of the plan in an interesting way. This will help the soliciting drive considerably, it is believed, and there is no reason in the world why fifty percent of farmers should not be signed up inside of two weeks.

HUMANE SUNDAY WELL OBSERVED BY AMERICANS

Observance of Day Yesterday Made the Sixth Time Since Day Was Set Aside in Country

Pittsburg, Pa., April 18.—Yesterday marks the sixth year that Humane Sunday has been set for observance in the United States, according to Moral Welfare published here by the Board of Temperance and Moral Welfare of the Presbyterian Church.

General secretary of this board and Editor of its periodical is Dr. Charles Scanlon of this city, who last May succeeded in having the Presbyterian church in the United States adopt humane education as a regular part of its program. This is the first time in history that any large religious denomination has taken such action, says Dr. W. O. Stillman, president of the American Humane Association.

Like the society of the Prevention of Cruelty to Animals itself and the Band of Mercy, the Humane Sunday idea first started in England, the review reports.

Dean Stanley, in that year, preached on this subject in Westminster Abbey. He strayed directly at the heart of the whole business when, at the close of an eloquent sermon, he said: Be yet merciful to dumb animals, for we have a common nature with them. Be ye merciful, for ye are raised far above them to be their appointed guardians. Be ye merciful, for you are made in the image of Him who is all merciful and all compassionate. From that year, the number of sermons preached in Great Britain in behalf of God's lesser creatures has gradually increased, with each successive mercy Sunday.

NEW STATES ARE AGITATED AMONG IDAHO CITIZENS

Formation of New State From Counties of Northern Idaho and Washington Receive Consideration

Spokane, Wash., April 18.—Agitation for formation of a new state from counties of Northern Idaho and eastern Washington, to be carried on for the next two years in the territory affected by a commission of Idaho citizens under authority of the last Idaho Legislature has existed in one form or another for more than half a century.

As early as January, 1861, a memorial to congress asking for the creation of the territory of Walla Walla, from parts of the territory east of the Cascade mountains, was brought up in the Washington territorial legislature but was lost. Two years later the legislature, in compliance with petition signed by the people considered a bill to submit to the voters a constitution for the proposed new state of Idaho. After having inserted Washington for Idaho in the bill, however, the legislature killed the measure.

This was followed by the creation by congress of Idaho territory, giving Washington territory the present eastern boundary of the state. Agitation for separation of the northern counties of Idaho from the rest of the state was soon precipitated within the new territory, however, when the territorial legislature, in 1864, permanently located the capital, which had been at Lewiston, in the northern part, at Boise in the southern section, and this has been continued intermittently to the present time.

Meanwhile, in the Washington territorial legislature, the agitation flared up on occasion. In 1868, the legislature adopted a memorial to congress which asked that the panhandle of Idaho, created by the formation of the territory of Montana, be returned to Washington.

MARKET REPORTS TO BE MAILED TO DISTRICT FARMER

Agricultural Department Thinks Reports Will Help Planters in Solving Problems of Day

Washington, April 18.—Agricultural market reports are to be sent to farmers and other agricultural interests by wireless from Omaha, St. Louis, Bellefonte, Pa., and Washington, D. C., officials of the Bureau of Markets, United States Department of Agriculture, announced today. Wireless stations of the United States Post Office Department are to be used for this purpose. Each station has a radius of approximately 300 miles and farmers located in 12 Central and 10 Eastern States will be able to obtain either directly or through local wireless receiving agencies, information relative to prices and conditions at the leading agricultural market centers and shipping points the same day that business is transacted, and in some instances immediately after the close of the markets. The radio call signals will be Q S T, which means call to the stations, or every body listen.

This service is the outgrowth of the Bureau of Markets' experimental radio market reporting activities at Washington in the past three months. When these experiments were started the idea of sending market reports to farmers by wireless was regarded by some as ultra-visionary. But with the cooperation and advice of some of the radio experts connected with the Bureau of Standards the dispatching of market reports by wireless has been proved to be entirely practicable.

Every business day for three months radio marketgram 400 to 600 words in length has been sent from the Bureau of Standards' Washington wireless station to farmers and other agricultural interests located within a 200 mile radius of the Capital City. Newspapers, farmers' organizations, and individuals have manifested great interest in the service, and the success of the experiment was such that when the Post Office Department offered to send the market reports from its radio station at Washington, Bellefonte, Pa., St. Louis, and Omaha at certain hours each day the proposal was quickly accepted.

SCIENTISTS MAKE NO DISCOVERIES IN SHELL SHOCK CASES

Harvard Medical College With British and French Search for Conditions That Brought Death

Cambridge, Mass., April 18.—Discoveries made by Dr. Walter B. Cannon of the Harvard Medical School and other American, British and French medical officers toward the close of the world war have brought forth new evidence regarding the cause and nature of the strange condition and known as shock, a condition that led in innumerable deaths in war time and frequently has a similar result after accidents in time of peace.

Shock, or wound-shock as it is often called, has long baffled the medical profession. Dr. Cannon said today to The Associated Press, on being asked to describe the results of his important work in France.

This condition, which by the way should not be confused with shell shock, an entirely different phenomenon, usually develops some hours after a serious wound or accident. It frequently followed grave shell-wound in the war and often comes on after a person has been seriously hurt in an accident in times of peace, after, for example, he has had a limb crushed in a railroad accident.

Misses Mary Cowell, Eleanor Berry, and R. R. Rogers, of Washington spent Sunday afternoon in Greenville.

CITY MAYOR ISSUES PROCLAMATION FOR CLEAN-UP CAMPAIGN

Sets This Week Aside As a Week in Which City Is to Be Made Beautiful

Whereas, the public health of a town is in direct proportion to the general cleanliness of that town, and general cleanliness is dependent upon the elimination of filth and breeding places of pests and disease; and

Whereas, it is essential to fore prevention that all trash, paper, boxes and other inflammable waste accumulations should be removed from the town and destroyed; and

Whereas, no town can be a 'City Beautiful' unless the front yards, back lots and vacant lots of that town are cleared of rubbish debris, discarded materials and other unsightly objects:

Now Therefore, I, D. M. Clark Mayor of the town of Greenville, by virtue of the power vested in me as Mayor, do hereby proclaim and declare this week, beginning April 18th. to April 23rd. clean up week for Greenville's spring cleaning.

And it is hereby ordered and directed that all premises back lots and vacant lots, be cleared of all rubbish, trash, debris and other waste matter, and that same be accumulated by Thursday in cans, or during this week, in piles on the streets immediately in front of the premises. Extra carts will be available for its rapid removal to the town dump heap. Clean your premises and put your waste on the streets by Thursday and the town will do the rest. Let's get together and clean up Greenville for the summer. This must be done.

Respectfully
D. M. Clark,
Mayor

The Chamber of Commerce is co-operating with the town in this campaign and doing everything possible to make it a success.

BAPTIST REVIVAL BROUGHT TO CLOSE SUNDAY EVENING

Eleven Received Ordinance of Baptism at Closing Services at Immanuel Baptist Church

With a few words relative to the ordinance of baptism by the pastor last night the revival which has been in progress at the Immanuel Baptist church for the past two weeks came to a close. It was received into the fellowship of the church, 11 of this number came by baptism, one by statement and seven by letter. The pastor, expressed his appreciation and that of his church for the generous response on the part of the other churches of the town. Many of their members were present at every service. They greatly helped the pastor and Dr. Vines in their work.

EMMETT DEEVER SHOT BY JOHN HARRIS, BOTH OF FALKLAND DISTRICT

Emmett Deever, white man of the Falkland district, was shot and painfully injured by John Harris also of the same section last Saturday afternoon. Harris, it is alleged, used a shotgun loaded with number four shot, the load taking effect in the upper part of his victim's body. Information received in this city concerning the affair is very meager, but indicates Deever was waylaid and shot without being given the slightest chance of defense. It was not stated what caused the shooting. Both are well to do farmers, and it is expected the case will be of much interest when taken up by criminal court at its next sitting.

If the saying "April Showers bring May flowers" is true there will be roses in profusion next month.

OVER 500 READY TO PARTICIPATE IN COMING PRIMARY

Saturday Witnessed the Usual Lack of Women Registered

Registration for the city primary was marked by continued inactivity last Saturday and registration books this morning showed that the daily record of forty and fifty registration a day was not changed in the slightest. Registrar Bowling moved to Denton Drug Company this morning and will remain there through Wednesday when he will go to the Warren Drug Company. There are only ten more days in which to register after today, and it is very imperative that voters get busy immediately if they mean to participate in what promises to be the most interesting contests in many years.

So far little interest has been manifested in the primary, but it is expected this week will witness a decided change and that closing of the books will see practically every voter registered. There has been a total registration of 540 up to the present time of which about 115 are women. Greater activity on part of women was noted Saturday when seventeen appeared for registration. This number leads any other day since the books have been open and there is every reason to believe the remainder of the week will bring forth even greater interest.

The Second ward led Saturday with 15 registrations, of which 6 were women. The Fifth ward came in for close second with a total of fourteen registrations, of which three were women. The Third ward entered eleven the Fourth nine and the First eight. This record is about the best since opening of the books, and consequently practically the entire 1100 voters of the city will be registered if this continues.

So far there are only two candidates entered against Mayor D. M. Clark, and if there are others to come, they had better make it snappy. The race for aldermen seems to be without the slightest interest, as no candidates have yet announced themselves. The remainder of the week will tell the story, however, for if there are any intending to get into the race, it is generally conceded, they had better do it now so people will know whom they are to vote for.

Registrar Bowling has been making every effort to cooperate with voters in every section of the city and has been stationed at such places that the books were easily accessible. Persons failing to register will not be eligible to vote, an entirely new registration has been called owing to action taken at the last session of the legislature, therefore, everyone is urged to get busy immediately and register before it is too late.

C. H. BASCUM CONDUCTS TRAINING SCHOOL SERVICE

Mr. C. H. Bascum conducted the Sunday evening services of the Y. W. C. A. at the Training School. In his subject, 'Prayer', Mr. Bascum brought out that the definition for prayer is the uplifting of the soul to God.

Mr. Bascum brought out further that there are three conditions favorable to good prayer: Faith, Fervor, Perseverance. He concluded the service by repeating the text 'Ask, and it shall be given you; seek and ye shall find; knock and it shall be opened unto you'.

THREE MARRIAGE LICENSES ISSUED SINCE SAT. MORNING

The following marriage licenses have been issued by the register of deeds since noon of Saturday morning: Miss Annie Moore to John B. Nannie, both of the Farnville territory.

Colored, Addie Best, of Fictolus to Altonson Langley of Greenville section; Maggie Ward, of Carolina township to William Simmons of Greenville township.

Mr. J. H. Davis, of Washington, spent several hours in the city today on business.

Monday Afternoon, April 18th

One would think by the way the United States and Japan fuss over the Island of Yap that it was worth warring over. As it is, there's not enough involved in the Island to make it worth a controversy.

When a fellow puts off the paying of a bill he doubtless does not stop to consider the inconvenience he may be causing the other fellow. Business moves along better for everybody and embarrassments avoided if bills are paid promptly.

The Reflector's list of subscribers, which is 65 per cent larger than any other Pitt county newspaper, is the volunteer kind, people who take the paper because they want it. This class of readers are worth more to advertisers than those to whom a paper is given when they don't want it, by somebody who puts up the money just to get votes in a contest.

It is rumored that Judge Kennasaw Mountain Landis will resign from the bench as result of argument over his position with baseball circles. This will be received with concern in many sections of the country, as his decisions in many cases have been the best coming from any man in his position. He has truly been a mountain of strength and no concern realizes it more than the Standard Oil Company.

Greenville people should not forget the clean up campaign to begin probably some time this week. Such campaigns have been conducted with great success in other cities, and it's quite natural. Sanitation is absolutely essential to every progressive community and no one realizes it more than people who really have pride enough to care.

The mission of Viviani, French envoy extraordinary, may have accomplished something in America, but it would have been of greater benefit to his country if the democrats had been in control. The Republicans mean to do something, but they haven't been in office long enough to really find out what they want to do. This situation will be in evidence for some time to come and France will be in bad plight if it waits on the Republican party for assistance.

Activity of county officials against the illicit whiskey traffic indicates the time is coming when there will be little profit in the traffic. In fact, this is becoming evident now. The courts are realizing the enormous increase of crime cannot be curtailed unless the whiskey selling is reduced and court verdicts are more severe than ever before. This is the right way to go after the matter is not doubted in the least. The past few months has proved the inadvisability of convicting blockaders and tigers with light sentences, and it is apparent a great change is to take place at no distant date. North Carolina is famed for its illicit whiskey traffic, and this is the greatest stain the States name has ever received before. There may be other states as bad, but I is certain they cannot be any worse.

WOMEN SHOULD VOTE

It's surprising that women of Greenville haven't taken more active interest in registration now in progress for the city primary, for it was generally supposed they would take an important part in deciding the type of men who are to look after affairs of government in the next two years. The right to vote was accorded the women believing they really wanted to make political conditions better, but if they continue to show no more interest than Greenville has displayed it is certain the men will still run things by a great majority. The woman vote in other city primaries has been quite pleasing, according to reports of recent date. They selected the men whom they had the utmost confidence. Men who would conduct affairs of their respective cities without fear or favor, and that they will get results cannot be disputed in the slightest sense of the word.

The government of a town involves the greatest business interests of the town itself. Therefore, it is very plain capable men are necessary if money is to be spent wisely and improvements are planned as they should be. Greenville has been both fortunate and unfortunate for the past ten years, but at this time it is probably in better shape than in years. The water and light commission is functioning splendidly and other municipal owned enterprises are being conducted as economically as possible.

With this situation prevailing it is highly important that the next administration be men of the highest regard for integrity and impartiality in government, and if the women fail to go to the polls and express their choice they will be unfair to themselves and the community. Every vote in some manner directly protects every home, and it is certain that when two persons vote out of every home they stand more chance of protecting that home than a single vote.

This fact was realized by leading statesmen when they advocated woman suffrage, and if the women do not take advantage of their enfranchisement they need not expect to see the improvement which they have been preaching from press and pulpit for years. The time for action has come and it is hoped the next few days registration books are open will witness the registration of the entire voting strength. This will produce better conditions and place the women on an equal footing with men whom they have charged with sordid political motives.

The Republicans may not know it, but their failure to accept the League of Nations means that the United States must go to the expense of increasing a larger navy and army. The League of Nations is a medium for preserving peace, and with every important nation a member of it there is every reason to believe the United States is not safe on the outside. Mr. Harding proposes some kind of an association of nations. But what's the use. No other country will want to become a member of such a pact when the league is functioning successfully. It seems very foolish to present such a proposal, and shows to what extent the president is prepared to handle questions of international importance.

April 22nd "Monsieur Beaucaire" Training School Admission 75c & \$1.00

NOTICE OF SALE

By virtue of the power of sale contained in that certain mortgage given by Chas. Mayo and wife Nannie Mayo to I. L. Williamson and wife Addie Williamson dated on the 6th day of Sept. 1919 and due and payable on the 1st day of November 1919 and recorded in Register of deeds office of Pitt county in book W-13 page 402, and default having been made in the payment of same the undersigned will on Monday the 2nd day of May 1921 at 12 o'clock expose to public sale before the Court house door in Greenville, N. C. the following described tract of land and personal property, to wit: Lying and being between the Penny Hill road and Tarboro and Greenville road and adjoining the lands of Green Ferrel on the South and West, the lands of F. A. Balance on the North, and the lands of Lewis Payton on the East, containing 16 3/4 acres more or less and being all of the said land as conveyed in deed from J. R. Barnes and wife to I. L. INTERESTING FEATURES IN SENIOR PLAY

Monsieur Beaucaire in the first star play ever attempted by a Senior class of the Training School. The actor playing the title roles is the star. This is the part made famous by Richard Mansfield. The plot is exciting and has mystery. The scenes are laid in Bath, England. Monsieur Beaucaire, a Frenchman living in Bath, is believed to be a gambler, an adventurer. The rumor gets abroad that he is an ex-heretic. He discovers the Duke of Winters cheating at cards and as a price for alliance he demands that Winters introduce him to society in Bath as a French Nobleman, to be called the Duke of Chateaurain. Monsieur Beaucaire thus disguised wins the love of Lady Mary Carlyle, the belle of Bath. Winters, who is also in love with her plans to get revenge on Beaucaire.

When Lady Mary is told that her accepted lover is a barber disguised as a nobleman, she scornfully discards him. Her charge is great when she discovers that Monsieur Beaucaire is really Prince Louis d'Phillipe, the heir to the throne of France, who is in disguise and living out of France for reasons of state.

EVANGELIST BEN. M. EDWARDS OF TEXAS TO PREACH HERE

The special services at the Christian church will begin on Wednesday evening at 7:45. Dr. Edwards closed a very successful meeting at Marfa, Texas last night. For several years he served as pastor of some of the great churches of the state. He has had unusual success both as pastor and evangelist. He uses no objectionable methods. Preaches a plain gospel message that is always interesting. A cordial welcome to all to come and worship.

REVIVAL SERVICES BEING CONDUCTED IN BETHEL METHODIST CHURCH

A revival meeting which is attracting wide attention and drawing people by the hundreds is being conducted in the Methodist church of Bethel, N. C. Rev. Kenyon Byrd, of Wilmore, Ky., is doing the preaching and Mr. Lewis, also of Kentucky has charge of the singing. Rev. Kenyon has the reputation of being one of the best evangelists in the South and during the two weeks which he has spent in Bethel, he has preached some of the best sermons ever heard in this section. On yesterday he preached a splendid sermon taking for his subject last night, 'The Black Horse and Lustrous Rider. Twenty seven new members were added to the church in yesterday's services. The church has been packed full during the meeting, and at times hundreds of people have been turned away on account of not being able to find seats.

Bethel is a wide awake town and especially so when it comes to church interest. The church members are cooperating with Dr. Byrd in every way, and their interest is helping in a great way to make the meeting a success.

St Paul's vestry will meet tonight at the Rectory at 8 p. m.

THREE DEEDS OF TRANSFER, FILED SINCE SATURDAY

The following deeds of transfer have been filed in the office of the register of deeds since reports of Saturday afternoon: R. D. Harrington to S. S. Washington, consideration \$2500; H. G. Munford to J. A. Smith, consideration \$10; J. F. Barwick, Mortgagee, to H. G. Munford, consideration \$135.

INTERESTING MEETING

The Woman's Missionary Society of the Immanuel Baptist church held the first meeting in observance of the week of prayer for Home Missions in the ladies parlor of the church Sunday afternoon.

The meeting was called to order and led by our efficient vice-president Mrs. S. J. Everett.

There were twenty two women present and entered into the service with much enthusiasm singing the W. M. U. Hymn for the year 'Jesus Shall Reign, where are the Sun, Scripture lesson read and commented on Jesus interpretation of Prayer sank deep into our hearts, and seemed to impart a feeling that our kind Heavenly Father will, and does, hear his children's humble petitions. He, who at all times watches over us with His tender love and care.

Subject for the afternoon was Prayer, and our work in Cuba, Miss Wyman in a very impressive manner made a talk on 'What the women have accomplished, for the advancement of Christ Kingdom.'

Miss Collins, told an interesting story of how a native Cuban Missionary had reached people through this old way of doing things, that no other missionary had ever been able to reach.

Two touching traits of how two Cuban girls were converted, read by Mrs. Frances Jones, and Miss Arley Moore. There will be three other meetings Monday Wednesday and Friday afterwards, those of you who fall to attend will be the losers. Announcements for the week were made by the president Mrs. Leon R. Meadows, presiding.

BAPTISTS REPORT GAIN IN NUMBERS

IN LAST 14 YEARS THEY HAVE ADDED OVER MILLION MEMBERS IN SOUTH.

WILL MEET IN CHATTANOOGA

Many Matters Related to Future Work Will Come Up for Consideration at the Annual Convention May 12 to 18.

DR. E. Y. MULLINS President Southern Baptist Theological Seminary, Who is Touring South.

Following the close of the second year of the Baptist 75 Million Campaign April 30, several thousand messengers from the local churches are expected to assemble at Chattanooga, Tenn., for the seventy-sixth annual session of the Southern Baptist Convention. The Convention met in Chattanooga last in May, 1906, and during the interim there has been a marked growth in every department of the Convention's activities and in the numbers and work of the local churches as well. The total number of Baptists reported to the Convention in 1906 was 1,855,784, while last May, fourteen years later, when the body met in Washington, the total membership of the local churches as reported was 2,961,348, or a gain of 1,105,564. The returns for this year are not yet available, but inasmuch as it is known there were practically 175,000 additions to the local churches last year by baptism alone, there is every reason to believe the showing for 1921 will be even larger.

Growth Shown in All Lines. At the same time there has been a marked increase in the membership of the churches, there has been a distinct advance in all departments of local and denominational work. It is set out. The total number of local churches has grown from 20,129 in 1906 to 25,303 in 1920; the total number of Sunday Schools from 11,332 to 17,686; and the number of Sunday School pupils from 857,244 to 1,835,936, an increase of more than 100 per cent. The value of local church property has mounted from 4,501,122 in 1906 to \$74,273,728 in 1920, an increase of more than 1600 per cent, while contributions to missions and benevolences in 1906 were \$1,501,396.67, as compared to \$7,331,266.55 in 1920, an advance of practically 600 per cent. Fourteen years ago the contributions to all purposes in a year were \$5,941,283.44, as against \$21,327,446.67 for 1920.

Next Meeting Important.

The approaching session of the Convention is regarded as vitally important to the future of the denomination's work. It is hoped that by the Convention two-fifths of all subscriptions to the 75 Million Campaign will have been paid in cash and that the program for the completion of the remainder of the campaign task can be formulated at this time. Dr. J. B. Gambrell, president of the Convention, and Dr. E. Y. Mullins, who recently completed a tour of Europe, where they carried fraternal greetings to the Baptists of that continent, will give their impressions of Baptist opportunity in that country, while Dr. George W. Truett and Dr. J. F. Love, who represented the Foreign Mission Board at the London Conference last summer when the mission fields of Europe were considered, will tell of the new territory of Spais, Jugo-Slavia, Hungary, Roumanis and Southern Russia, which Southern Baptists are asked to occupy. This territory is as large as the Southern States and has a population of 123,000,000.

All the boards of the Convention will report the largest year's accomplishments in their history, the Home Mission Board being scheduled to report the completion of its million dollar loan fund for church building, in addition to the aiding of a thousand churches during the year with gifts and loans for the erection of new houses of worship. The Sunday School Board will report more than \$1,000,000 in collections for the year and with collections as well as sales better than at any previous time in its history.

TWO YEARS TOOK DRECO SLUGG

Staunton Man Says It Took Two Years to Get Well of Good and Has Been Ever Since

It is not unusual to find men who have taken Dreco one or two years ago and state that they are in good health which is the lasting results of this medicine. Read what Mr. J. F. Robling Street Staunton, Va.

Two years ago I suffered from gas in my stomach, food never thoroughly lay there and fermented, risings and cramps. My constipated and my liver which brought on dizzy tongue and foul breath.

I took a treatment of Dreco and was thoroughly cleansed my organs restored my organs to Dreco worked off my liver that I haven't been bothered with biliousness. My bowels so thoroughly restored that forming and I am never constipated more, and my bowels are regular as clockwork. Thanks from Dreco stand with me why I praise it.

Dreco is being specially sold in Greenville by Warren Druggists.

TRUSTEE'S SALE OF TOWN PROPERTY

By virtue of the power of sale contained in that certain deed of trust executed on the 15th day of January, 1920, by L. J. Flowers and Ed. Flowers to L. G. Cooper Trustee, of record in Book M-13, at page 520, of the register of deeds office of Pitt county, default having been made in the payment of the indebtedness therein secured, and application having been made to the undersigned trustee pursuant to the terms of said deed of trust, the undersigned trustee will offer for sale before the Court House door in Greenville, N. C., at public auction to the highest bidder for cash, at 12:00 o'clock noon on Monday the 16th day of May, 1921 the following described lot or parcel of land and premises to wit:

Lying on the south side of Second street between Cotanch and Reade Streets in the town of Greenville, N. C., beginning at a stake, the northeast corner of Mrs. Hattie Skinner's lot on Second Street and runs east with Second Street 40 feet to a stake, L. J. and Ed. Flowers' corner; thence in a southerly direction 68 feet to a stake in L. C. Skinner's line; thence west with the said line 40 feet to Mrs. Hattie Skinner's line; thence in a northerly direction 68 feet with her line to the beginning, and being a part of the lands purchased by L. C. Skinner from the Harrington Estate and the same conveyed by L. C. Skinner and wife to L. J. and Ed. Flowers.

This sale made for the purpose of satisfying the indebtedness secured in said deed of trust, default having been made in the payment thereof.

L. G. Cooper Trustee L. C. Skinner, Owner of notes secured. 1 t w 4 wks.

SALE OF REAL ESTATE

By virtue of the power of sale contained in that certain mortgage executed on December 31st, 1919, by W. S. Gardner and wife to Joseph Bland, which was duly recorded in the Register of deeds office of Pitt county in Book L-12, page 312, the undersigned will expose for sale, for cash, before the court house door in Greenville, N. C. at 12 o'clock, noon on Monday, April 25th, 1921.

The following described real estate, lying situate and being in Swift Creek township, Pitt county, more particularly described as follows.

That piece, parcel or tract of land deeded to W. S. Gardner and wife Delphia Gardner, by Joseph Bland and wife, December 31st, 1918 containing sixty acres, more or less, which deed is recorded in Book U-12, page 300, of the Register of deeds office of Pitt county, being lots 4, 5 and 6, in the division of the Calvin Bland land.

This sale made to satisfy said indebtedness.

seven years of age, but experience I have never seen like Tanlac. Think I gained twenty five pounds, but that is just what I had. Mrs. Emma Reifenstein, 337 Webster Avenue Syracuse, N. Y.

In my power, she could not put a bottle of Tanlac in the country for this wonderful medicine. For almost two years I was almost a nervous wreck, and I could not leave the house or go to work unless my husband was with me. I was afraid to even go out and had a feeling of hopelessness.

I was weak and easily tired. I could not eat at a time I would go to bed. I could not rest. I was very nervous and felt tired all the time. Some days I could hardly drag myself across the room. I was weak and miserable and I could not give up.

I am fine now and I eat anything and never have a touch of nervousness. I have never slept better since I do now. My recovery is the talk of our neighborhood, as it was general.

ly believed I could not last but a few weeks longer. This grand medicine has brought me health and happiness and I just can't say enough in its praise.

Mr. Reifenstein, in commenting on his wife's statement, said Yes, her recovery has been a happy surprise to us all. A few weeks ago I had no idea she would be able to pull through, but now she is in better health than I have ever seen her and the credit is due to Tanlac. We have been married fifty two years today and I don't believe I have ever seen her looking any better
