PITT COUNTY SCHOOL CHILDREN TO TAKE PART IN ATHLETIC MEET GIVEN BY ROTARY CLUB HERE APRIL THIRD

S. K. Phillips Announces Schedule of One of Greatest Events in History of the County

TO BE STAGED UNDER AUSPICES OF THE LOCAL ROTARY CLUB MEMBERS

Meet to Consist of Relay Races, Jumping and Many Other Contests For Physical Development

(By S. K. Phillips, Chairman of Boys' Committee of Rotary Club.)

This Athletic Meet is for the purpose of developing the bodies of the boys and girls of the county, by means of those clean athletic contests which call for the display of skill, courage and hard work.

It will be held under the auspices of the Greenville Rotary Club, as a part of its years program in the interest of boys and girls. The Boys' Work committee of the Club is composed of the following: S. K. Phillips, chairman, J. E. Winalow, Junius Rose, Haywood Dall, Tom Hollingsworth, Ed Higgs and S. T. White, and this committee will have charge in conducting the meet and welcoming the boys and girls of our schools to Greenville.

The meet will be held at the Fair Grounds on Monday, April 3rd and everything will be done to make it a success and guarantee its permanency.

Prizes will be awarded to all winners of the first place; ribbon to the winners of second place, and the school winning the highest number of points will be awarded a silver cup, suitably engraved, which will be its permanent property.

In order to make the meet a success, it will be necessary to have at least two preliminary meets before the one to be held in Greenville. Each school will hold its own meet in order to select its first and second best athletes. These athletes will then contest each other at a second meet to be held at the Group Centers to which their school belongs. The winners at the Group Center meets will then contest each other at the Final Meet to be held in Greenville, which will put the best boy and girl athletes of the county against each other.

All boys and girls will be divided into two classes as follows:

- 1. Those who measure 4 feet 10 inches and under.
2. Those who measure over four feet 10 inches.

Each school will be allowed to enter a boy and girl 4 feet 10 inches and under for each event, and a boy and girl over 4 feet 10 inches for each event.

The following rules will govern the contest at each school; those contests to be held at the Group Centers, and the final meet at Greenville:

Events For Boys.

- 50 yard dash, 100 yard dash, 220 yard dash, 440 yard dash, 400 yard relay race, 880 yard relay race, sack race, wheel barrow race, standing broad jump, running broad jump, running high jump, base ball throw, chin the bar contest.

Events For Girls.

- 25 yard dash, 50 yard dash, 200 yard relay race, sack race, potato race, place potatoes 5 yards apart instead of 15. base ball throw.

Each school will be allowed to enter one boy and girl in each class for the above events; they will contest each other at their Group Center and if they win there, will then contest again at Greenville.

The names of all the winners at the Group Center contests, must be sent to S. K. Phillips, Greenville, N. C., not later than March 23rd 1922, and either the principal or some teachers of the school they represent, must state the following in writing: "These boys and girls are regular pupils in our school, and are in good standing both department and scholarship."

The Greenville Rotary Club does not believe that any boy or girl who cannot meet the requirements in both good behavior and scholarship in his work, is worthy to represent that school on the Athletic Field.

The scorers and judges at the Group Center contests, shall send the names of the second best must also be sent in, as substitutes, so that if for any reason number one could

not be present, number two would take his or her place; but if number one answers his or her name at Greenville, the substitute cannot enter unless number one agrees.

If any oneboy or girl should happen to win in a number of events he or she may be entered for all those events, if his or her school deems it wise.

Each school may set the date for which it is held soon enough to select its representatives for the Group Center contest to which it belongs; and the dates for the Group Center contests shall be determined by the teachers at their Group meetings.

Each relay team shall consist of four members. In the 400 yard relay race, each will run 100 yards and then touch off the next runner. In the 880 yard relay race, each will run 220 yards and then touch off.

In the girls relay race, each will run 50 yards, and each runner must provide himself or herself with a standard sack, such as holds cotton seed hulls, when sold at the dealers. No other sacks will be permitted. In the potato race for girls, place the potatoes 85 yards apart, and place 5 potatoes, the first being 5 yards from the starting line, the second 10 yards from the starting line, and so on, until 5 have been placed. The wheelbarrow race will be for 25 yards and at the 25 yard line, the one who was pushing at the start, becomes the wheel barrow to the finish line.

In the standing broad jump, each contestant must jump from the position of toes to the line. In the running broad jump, a sand pit will be provided in which all jumpers will land. In the running high jump, each contestant will jump over a light bar, which will be gradually raised and will fall easily, if struck by the body.

The directions for starting all races, will be as follows: "Go to your mark; Get set," and on the shot of a pistol all will start. Of course (Continued on page 4)

FOUR ELECTROCUTED AT NASHVILLE TODAY FOR KILLING DRIVER

Nashville, Tenn., March 1.—Protecting innocence, Charlie Petree, Otto Stevan, Tom Christian and John McClure were electrocuted at the penitentiary here today for the murder of George Lewis, Knoxville taxicab driver. The men cut Lewis' throat after hiring him to drive them to Clinton, Anderson county. They also cut the throat of a companion, Lewis, who was left for dead, recovered and launched charges against the men.

SEVERAL CASES HEARD BY MAYOR HERE TODAY

The following cases were disposed of by Mayor D. M. Clark in police court here this morning: Snode Mills, charged with disorderly conduct, was fined \$15 and cost of action. John Noble, charged with speeding, was fined \$10 and cost of action. A. H. Perry, charged with driving an automobile on the streets five minutes after sounding of the fire alarm, had judgment suspended in his case. Joseph Thompson, Joe Wilson and John Wiley, mutual assault, \$15 each and one-third of cost.

DISPOSITION OF TWO LARGE BATTLESHIPS MAY CAUSE BIG FIGHT

Washington, March 1.—The fate of the Washington and West Virginia, two of the largest battleships under construction in the United States navy, may cause a fight in congress before a final decision has been rendered. The navy indicated that only one would be completed under the naval treaty question which probably may result in a rest for Secretary Denby.

Joe Dixon Ill.

The many little friends of Master Joseph Dixon, son of Dr. and Mrs. Joe Dixon, will regret to learn that he is confined home by illness,

GRIFTON CHAPTER OF RED CROSS IN SPLENDID SESSION

Miss Maude Lee of Greenville Addresses Organization in Meeting Yesterday

JUNIOR ACTIVITY TO BE CARRIED ON DURING THE SUMMER MONTHS

W. J. Kittrell Appointed to Arrange Program For Regular Monthly Meetings

Chairman T. C. Gardner called a meeting of the executive committee of Grifton Red Cross on Monday afternoon at 4 p. m. All members were present and a definite program for the continuation of the Peace Program of the Red Cross was completed.

Miss Maude Lee, Chairman of Junior Red Cross of Pitt county after having made a most interesting talk to the Juniors at the High School gave a short talk to the executive committee on the necessity of carrying on healthy recreation for our Pitt County children. Not only from standpoint of health but citizenship as well.

It was unanimously decided that the Junior work should be carried on through the summer and one entertainment planned for the young folks every month. Mrs. C. E. Gardner was appointed chairman of this committee.

The citizens of Grifton requested through their community secretary they should have a "Clean Up" week. Mrs. Joel Patrick was made chairman to see that civic betterment is kept going—not only to have clean up week but to urge the beautifying of present unsightly lots.

A number of persons are anxious to form a Red Cross Book or Literary Club and Mrs. C. C. May was put in charge of same. This club is to work also for school library and take advantage of offers made by state public library.

Chairman Gardner appointed W. J. Kittrell a chairman of a committee to be chosen by himself to work up an all community Red Cross program every month, which will be in the form of a sing, picnic or social entertainment. Supt. W. J. Coletrane was added to the executive committee as publicity chairman.

Meeting adjourned next to meet with a town council to talk over with them plans for clean up week which they wish to stage within next two months.

Mrs. Annie Tyson Dies.

Mrs. Annie Tyson, 49 years of age, wife of Mr. William Tyson, who resides about four miles west of Greenville, died at her home yesterday morning following long illness.

Funeral services were held from Reedy Branch church yesterday afternoon, interment being made in the church cemetery.

The deceased is survived by her husband and a host of friends. Mrs. Tyson was well known in the community in which she resided, and was one of the most faithful members of the Reedy Branch church.

ROCKEFELLER WITHDRAWS RECENT INVITATION TO MCCORMICK'S FAMILY

Dayton, March 1.—Rockefeller has withdrawn his invitation to Harold McCormick and daughter, Mallice to visit his winter home at Ormond Beach to discuss the engagement of his daughter to Max Oser, Swiss horseman, according to persistent reports from Chicago, which the secretary to Rockefeller refused to confirm today.

BUILDING TRADES WORKERS STRIKE IN CITY OF CLEVELAND

Cleveland, March 1.—All union employees, members of building trades councils, struck today when employers posted notices reducing wages from thirteen to thirty-six per cent.

Pittman Goes to Richmond

Mr. R. E. Pittman left this morning for Richmond where he will undergo treatment at the Johnson & Willys hospital. He was joined at Oak City by his brother, Dr. Earl Pittman, who will remain with him several days in Richmond.

GREENVILLE WINS FROM AYDEN TEAM IN CLOSING GAME

Locals Defeat Visitors Here by Score of 48 to 18 in Final Game of Present Season

BARBER FEATURES FOR LOCALS WITH TOTAL OF ELEVEN FIELD GOALS

Hardee, Williams, Smith, Foley, Brown and Mayo Now Figured in Increasing Score

In the final game of the current basketball season last night defeated a strong aggregation from Ayden at Forbes & Morton's warehouse by the score of 48 to 18. The game was full of interest from beginning to end and despite the one-sided score, as Ayden battled Greenville had gained an apparent overwhelming lead.

The Greenville club showed up remarkably well considering the crippled condition of the team, and the substitutes put up a fight that would do credit to much older and experienced players. C. B. West, Greenville's mainstay at center was unable to participate in the game because of illness, but his position was filled creditably by Barber and Hardee, who played an exceptionally fine brand of ball and did much towards decreasing Ayden's chances of victory.

Captain Jimmie Barber again proved the outstanding figure for Greenville, shooting a total of eleven field goals and making four fouls. Hardee came in for the highest honors with a total of three goals. Williams, Smith and Foley succeeded in making two field goals each, while Brown and Mayo came in for one each.

Smith and Hardee, who played from center to left guard, figured prominently for the local club and several times defeated Ayden from gaining advantages. Brooks and Worthington featured for Ayden; Hooks making four goals and two fouls and Worthington three goals. These two players were the outstanding figures for Ayden and it was due to their skill and quickness that the visitors found scoring possible.

The line-up for both clubs follows: Greenville, Brown, left forward; Williams, right forward; Barber, center; Smith, left guard; Foley, right guard; Hardee, center. Ayden, E. Worthington, left guard; H. Worthington, right forward; Hooker, center; Burney, left guard; Hines, right guard. Substitutes for Greenville: Moye, trimcker and Mayo. Referee: Kennedy; timekeepers, Evans and Weather; scorers, Norman and House. Coach Duncan was gratified at the outcome of the game last night, and said the victory gave Greenville a record of fifteen games, nine of which were won and six lost. The record is a splendid one, considering the short time the locals had to develop in at opening of the season, Coach Duncan said, and bespeaks things for them in the future.

SEVEN DEEDS FILED HERE SINCE YESTERDAY

The following deeds of transfer have been filed in the office of the register of deeds for registration since reports of yesterday afternoon: R. C. Flanagan to Frank Corbett, consideration, \$460; W. M. Corbett and wife to H. C. Tripp, consideration, \$1; W. S. Galloway and wife to W. E. Proctor, consideration, \$600; Phil Corbett and wife to Clara Coward, consideration, \$600; L. B. Kinlaw, and wife to J. C. Anderson, consideration, \$225; E. G. Flanagan and wife to T. E. Hooker, consideration, \$1500; M. K. Blount and wife to May Ebron, consideration, \$4900.

REPUBLICANS CONSIDER NEW TAX PLAN TO RAISE SOLDIERS BONUS MONEY

Washington, March 1.—A new tax to meet part of the soldiers bonus payment is under consideration by Republicans of the house ways and means committee. The amount it falls short of paying will be taken from the general treasury, it was stated. Great secrecy surrounds the size and character of the tax. Members are hopeful an agreement will be reached today when plans were first announced.

NEGRO ROBBERS GIVEN A HEARING BEFORE MAYOR

Each Defendant Bound Over to Next Term of Superior Court and Returned to Jail

OFFICIALS FAIL TO MAKE ANY PROGRESS IN RECOVERING MONEY

Identity of Thief Has Been Established But All Other Defendants Deny Complicity

Willie Talton, Willie Martin, J. B. Little, and John Adams, colored boys of this city ranging from 12 to 19 years of age, were given a hearing before Mayor D. M. Clark in police court this morning, charged with complicity in the larceny of \$500 from the National bank of this city, and remanded to jail, in default of bond. I. J. Flowers, colored shoemaker, charged with aiding and abetting the boys in concealment of the stolen money, was also implicated and returned to jail. The five defendants were bound over to the next term of superior court.

The trial this morning was featured by the examination of numbers of witnesses, but nothing definite regarding the bold robbery of the bank was brought out. Each of the defendants in examination accused the other of stealing the money, and when the trial closed the officers were as far from solution of the case as they were last Sunday when Officer Whichard stumbled over a clue leading to arrest of the five negroes.

The arrest of Flowers resulted from a statement which he is alleged to have made to the police when they asked him if he knew anything of the robbery. He is alleged to have claimed that he knew all about it and would tell when the money could be found if paid enough. He was immediately placed under arrest, and locked up, but maintained that payment of enough money would cause him to disclose every fact connected with the case.

While authorities place some credence in the negro's statement, they are inclined to believe he doesn't know as much as he pretends to, and that the money has been placed where it will never be recovered. In fact, only five or six dollars, had actually been recovered prior to the trial this morning, although officers thought Monday that they were on the track of nearly the entire amount.

The robbery, it is believed, was committed by Willie Talton, 12 year old boy, placed on the stand in his defense today. He denied implication, but evidence by officials of the bank who saw him in the bank the day the money was missed and as well as other darkies under arrest, tended to show that he did.

Talton is alleged to have entered the bank at noon hour when most of the clerks had gone to dinner and inquired for one of the absent men. He was informed that the person he wanted to see was not in, but would return sometime later. He told those in the bank his mother had sent him to collect a quarter and that he would wait until the absent clerk returned. The clerks busied themselves and forgot all about the little negro until checking up time when the money was missed.

The robbery was not disclosed, however, until Sunday when Policeman Whichard stumbled across a clue during his beat. A negro man approached the officer and told him his boy had too much money and he wished it would be investigated. The officer got busy, and the boy said he got the money from Talton, who had stolen it from the bank.

In less than twelve hours the officer had arrested the five negroes before Mayor Clark this morning, each contending that the money was given him by the Talton boy who had taken it from the bank.

The prosperous condition of the young negroes attracted considerable attention among members of the colored race. One of them is said to have paid fifty dollars for a haircut, and a similar amount for a small case of monkey rum. Others of the party paid exorbitant prices for wearing apparel, and in fact, were having a glorious time when the law swooped down upon them.

Whether the money will ever be recovered was a matter of consideration. (Continued on page 4)

FARMERS URGED NOT TO CURTAIL COTTON ACREAGE

Department of Agriculture Declares Curtailment Won't Reduce Infestation

ADVISE PLANTING OF SAME KIND OF COTTON BY GROWERS IN SOUTH

Same Kind of Cotton Maturing at the Same Time Will Decrease Depreciations

(By International News.) Washington, March 1.—Despite the fact that heavy infestation of boll weevils is likely in the cotton belt this season the Department of Agriculture won't advise planters to reduce cotton acreage, high officials declared in discussing the matter this morning.

Decreasing the acreage won't keep down weevil depredations, and it was stated that community planting is urged to circumvent the weevil. The can be done if each community will plant the same kind of cotton which will mature at the same time and prevent the weevil from having succession to ripening plants to feed on.

FARMVILLE PLANS TO TAKE BERTH IN CAROLINA LEAGUE

Pitt County Town Forms Tentative Plans at a Meeting Monday

(By Special Correspondent.) A large crowd met in the town hall Monday night to discuss the possibility of Farmville joining the East Carolina league. Mr. J. T. Harris was elected temporary chairman to preside over the meeting. A committee was appointed to sell stock and raise the necessary funds by Monday night at which time it will be definitely decided whether or not Farmville will be in the league this coming summer. It was an enthusiastic meeting and everybody here seems to be getting the baseball fever and when the time comes to play ball the chances are with the live committee this town will have a team.

The Senior Class Gives Play.

The three act comedy, "Mrs. Temples Telegram," was given at the school auditorium Thursday evening by the Senior Class of the Farmville High School to a large and appreciative audience. The entire cast was well balanced and afforded a treat in song and laughter. Jim Joyner, as Wigsome the Butler, Chas. Hilliard, as Mr. Temple, Robert Lee Smith as Mr. Fuller, Ed. Nash Warren, as John Brown, Daisy Holmes, as Mrs. John Brown, and the entire cast and chorus acted their part in a very creditable manner.

Colonial Tea.

A Colonial Tea was given by the Altar Guild of the Episcopal Church in the hall over Joyner-Cox's store Wednesday evening, February 22. The hall was decorated with the National Colors. Miss Venetia Morrill dressed as Martha Washington and Mr. Hooper dressed as George Washington served punch. The waiters, Mrs. Noe, Miss Alice Tankard, and Mrs. Gibbs, dressed in black "Mammies" served a delightful turkey supper and ice cream and cake.

The young children of the Sunday school dressed in colonial costumes danced the Minuet, they were beautifully trained by Mrs. W. G. Cox, a member of the faculty of the Graded schools. Mr. J. L. Shackelford was the violinist. A large crowd attended and was thoroughly enjoyed by all.

Miss Annie Laurie Lang left last Friday for a three weeks stay in New York City and Bermuda Islands.

Miss Orie Moseley of Kinston, spent last week here the guest of her brother, Dr. H. P. Moseley.

Mr. and Mrs. D. E. Oglesby spent last week in New York.

Mr. Frank Capps, of Raleigh, is spending the week here visiting relatives and friends.

JOE WORTHINGTON MURDERS HARGETT ON THEFT CHARGE

Two Negroes Get Into Bad Mood Over Stolen Still Equipment—Hargett Gave Him Few Hours

MAN HUNT LASTS FOR MANY HOURS IN WOOD NEAR GRAINGER STATION

Sheriff Taylor Finally Is Finder of Worthington Who Is Lodged in Lenoir Jail

Kinston, March 1.—Hamp Hargett, colored, was shot by Joe Worthington, also colored, in the Grainger section of the county about 10:30 yesterday morning and instantly killed, when the two got into an argument over apparatus belonging to a still, which Hargett claimed Worthington had stolen from him. It is also claimed that Hargett was armed with an automatic revolver and threatened Worthington's life, prior to the shooting, but these facts can not be absolutely ascertained at this time.

Worthington, who was captured at 4 o'clock by a party composed of Sheriff Arden W. Taylor, Deputy Sheriff Tom Conway and others, specially sworn in for the man hunt, in a dense woods near the home of Pete Phillips in a section 4 or 5 miles from the city, towards Graingers, called Jerico, nearly escaped. Sheriff Taylor actually arrested the man.

Had Big Start. The negro with a two and one half hour start on county officers, made for the woods. The sheriff and his party scoured the woods thoroughly and had about given up the search, when Sheriff Taylor though he heard a noise back of him and the two other men with him separated to scour the vicinity. Suddenly, a cry, "hands up" was heard from where the sheriff had gone and the rest of his party, rushing up, found that he had come on the negro, guided by the white of a suspender string and had caught the negro off his guard, sitting on his own gun. The negro was brought to town and lodged in jail to await a preliminary hearing.

BAD WEATHER IS HOLDING UP CROPS AROUND BETHEL

Bethel, Feb. 28.—The continued rain and bad weather is keeping many of our farmers from planting their potato crop. Several cars of seed potatoes have been delivered here and should the wet weather continue long it is feared that the crop will be late.

Confirmed Rain Keeps Many Farmers From Planting Season's Crops

The firm of M. O. Blount and Sons have received a car load of Big Stem Jersey sweet potatoes that they are bedding now in hot beds to furnish their customers the sprouts to plant a large acreage of that variety of potato for the early market.

Misses Estelle Jones, Addie Lee Grimes and Anne Cahoon returned from their trip to New York Sunday.

Mrs. C. E. Willis and little son of Weldon, N. C., are spending a while with her sister Miss Mable Barnhill.

Mrs. John Moore, from Emporia, Va., is visiting her sister and brother Miss Ruth and Baxter Carson.

The town fathers looking to the improvement of the lighting system of the town and have recently placed order for a new and larger boiler for the plant. With the installation of this much need equipment our light system will be greatly improved.

Mr. and Mrs. J. P. Dicus returned Sunday from Birmingham, Ala. Mr. Dicus is the contractor building the state highway from here to Williamson.

Parents are about out of date. Modern youngsters may find a way to do without them altogether.

White's Theatre - Tomorrow Night - Thursday

The Incomparable Star, POLA NEGRI, in

"PASSION"

A Mighty Epic of the Screen

5000 People

2 Years to Produce

The National Board of Review of Motion Pictures said: "Passion" is by far the finest portrayal of the life and tragedy of Madame Du Barry yet placed on the screen. As a picture of the times, in its fidelity to the spirit of history, in its imagination and its dramatic vigor, and in the quality of its acting, it must be regarded as a masterpiece. It is a screen spectacle of the first magnitude, and a work of true photodramatic art. It should interest all lovers of the fine and unique in motion pictures.

Wednesday, March 1, 1922

The Alabama Power Company is still making a great effort to prevent Henry Ford from getting possession of Muscle Shoals, but from all indications congress is going to get as the committee advises. Mr. Ford has considerable opposition, but that doesn't amount to anything. The public believes he is the man for the job, and when you get people thinking like that it's hard to get them to think otherwise.

The Republican party isn't measuring up to expectations, and it was the fact probably that caused Woodrow Wilson to give his opinion of conditions. He says the Democrats should get busy and help the country out of a bad situation, believing the people have realized the inability of the Republican party to do so. Mr. Wilson is one of the broadest visioned men in the country, and what he has to say will have great weight.

Former President Woodrow Wilson says the time is at hand for all Democrats to serve the country. He means, of course, that to serve the country they are to get busy and help put the Republicans out of office. No one can enjoy any noticeable degree of prosperity so long as the party remains in ascendancy and the sooner they give way to the progressive element of the Democratic party the earlier the country will experience the revival which President Wilson mentioned.

President Harding has recommended that congress take steps to reduce enormous expenses of the shipping board, and within the next few months the public may have the pleasure of seeing a favorable change, although it is merely problematical at the present time. Congress has its hands full of other problems, and if it can reconcile differences of the shipping board it will have accomplished something, no doubt about that.

Times are hard, we admit, but they are going to be even harder unless the farmer plants carefully this season. It is said that many growers are planning to increase instead of reducing acreage. In event this takes place, as it certainly will in many instances, the industry will face one of the most serious situations in years. Times are good now compared to what is to come if sound advice of agricultural leaders, and the farmer is urged to reduce acreage and plant surplus average in food crops. The world is always in demand of something to eat, but right at this time cotton and tobacco are crops that can be abandoned for awhile without the world being the worse off. Plant wisely and rest assured of receiving prices in proportion to the cost of production.

SAVE OR SPEND, WHICH?

A well-to-do business man had his shoes made for years by a shoemaker who charged, usually, \$10 to \$18 a pair. When prices of everything were soaring skyward, the business man asked what he would be charged for a new pair of shoes. "Forty dollars," he was told. He decided to get along without them. Last year he again telephoned and was again told forty dollars. He protested, as leather was selling for next to nothing, that this price was preposterously high. The shoemaker, however, was obdurate. The business man then told him that henceforth he would buy his shoes elsewhere. And he told me the other day that he had obtained for less than \$20 an excellent pair of shoes. He added:

I would regard spending \$40 for a pair of shoes as unwise. I believe in thrift. But I also believe in spending. Genuine thrift does not consist of not spending. Genuine thrift consists of spending money to the very best of advantage. Saving is, or should be, only a means to an end. Unless we are spending, we can have no vigorous prosperity. As a matter of fact, real prosperity comes from the right kind of spending. But the right kind of spending is true economy, and true economy is equivalent to thrift. Thriftlessness is unwise, foolish spending.

In taking over the Greenville Daily News, the Reflector is going to make an effort of serving the public better than ever before, and those who have watched the paper grow in the past years may be assured of receiving the same untiring service. The recent installation of new machinery

has practically doubled our capacity and with a little assistance from the public we will be able to render a more efficient service than ever before. It is the purpose of the paper to serve the people as intelligently and efficiently as possible, and by sending in items from time to time our readers will not only be doing us a great service but will assure themselves of receiving more news daily. It is impossible for our writers to get every little incident. It would be impossible if we had a hundred editorial workers, therefore, if you know anything let us have it immediately. The telephone or letter can be used in forming us whatever you know, therefore, anyone can send in an item without much trouble. If you haven't time to write it, simply send in the facts, and our experienced writers will do the rest. Help us serve you better by giving us your friendly cooperation.

Cotton growers of Pitt county may be assured that the boll weevil is no

plaything, and the sooner he begins to plan against the ravages of the pest the greater will be the outcome of the harvest season. Reduction of acreage is absolutely essential if the pest is to be beaten at his own game, therefore, the farmer who wants to play a winning game is urged to consider this important matter before planting season comes.

Someone has said that good roads and schools cost money, but are very necessary. This is very true, and it is very gratifying to note that so many counties have taken steps looking to improvement of their roads and schools. Pitt county has just recently spent considerable money for improvement of its roads, two or three of which now under construction, and in the course of a few months its people will have the pleasure of boasting of one of the best systems of the kind in the state. Such systems are truly expensive, but considering the great good the pub-

lic derives from them, people suffer very little from what they spend.

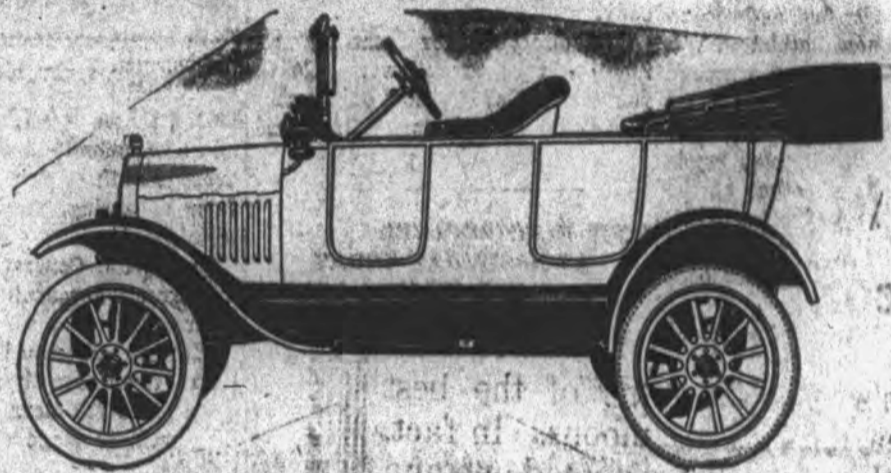

The Greenville white way will become an actuality much sooner than under ordinary circumstances if those who signed the contract to pay their proportionate part will get busy and attend to this important matter. If installation of the system is delayed it will be from this fact and no other benefit from it.

as material has already been received and workmen are ready to get down to business. If you offered to contribute anything, do so now and let the committee have the satisfaction of knowing it has the support of the public. The white way is an indispensable asset to a town the size of Greenville and the sooner it is established the earlier we will derive benefit from it.

GAS 23 1-2 CENTS

Effective tomorrow we can supply you with gasoline at 23 1-2 cents. Central Filling Station

BARR FILLING STATION SENDS ALL FORD OWNERS IN THIS TERRITORY GOOD NEWS ABOUT SMOOTH DRIVING

Don't let them tell you there's no cure for a CHATTERING FORD

Jerky running is not due to flaws in the Ford design, but to faulty lubrication. Transmission linings when improperly lubricated, become "glazed" and cease to grip the drum evenly and firmly. Drive to Barr Filling Station and fill your crank case with this wonder oil—"F" Autoline, for Ford Cars. Unless it ends jerky driving, the dealer will refund your money without question or quibble. "F" Autoline for Ford Cars, is a superior, all season lubricating oil that performs best when used with standard Ford parts. Ordinary oil costs just as much as "F" Autoline. Get the full story of "F" Autoline by writing today for the free booklet "Keeping out of the Jerks". No. 23 Autoline is recommended by the Buick factory.

AN UNQUALIFIED GUARANTEE

Drain ALL the old oil from your crank case, and fill up with Ford Autoline. Drain crank case and refill with Ford Autoline every 500 miles. If Ford Autoline does not do all we claim for it, your money will be cheerfully refunded without question.

Willard & Smith Company

Personal

Mr. J. C. Lanier has returned from a business trip to Raleigh.

Mr. John A. Park returned to his home in Raleigh this morning.

Mr. H. McWilliams, of the passenger department of the Norfolk & Southern railway, was in the city today on business.

Dr. L. C. Skinner spent yesterday afternoon in Farmville on professional business.

Mr. A. M. Waddell, of Wilmington, spent several hours in the city today on business.

Mr. J. H. Winbush, of Winston-Salem, spent the day in Greenville.

Mr. J. A. Stocks, of Grifton, spent the day in Greenville on business.

Mr. George R. Hickman, of Raleigh, spent the day in Greenville.

Mr. J. W. Smith, of Fort Barnwell, visited friends in Greenville this morning.

Mr. S. D. Modlin, of Rocky Mount, made a short business trip to Greenville during the morning.

Mrs. C. W. Fourshee, who has been in Baltimore for several weeks studying designing and trimming has returned to Greenville. She will be with the firm of Mrs. I. F. Lee and Co., this season.

Sutton-Smith.

Mr. Guy Sutton and Miss Ruth Smith were married this morning at the home of the bride in Beaver Dam township. The ceremony was performed by Rev. Leland W. Smith, pastor of the Memorial Baptist church of Greenville.

The room which the ceremony was performed was beautifully decorated. Miss Christine Smith, cousin of the bride at the piano played the wedding music.

Mrs. Sutton is a daughter of Mr. and Mrs. C. B. Smith and well known in the county in which she resides. Mr. Sutton is a prosperous farmer of Beaver Dam.

Immediately after the ceremony Mr. and Mrs. Sutton left for a bridal tour of northern cities.

Round Table Club.

On Tuesday the Round Table club met with Mrs. N. S. Fulford.

Fifteen members responded to roll call.

The principle item of business was the appointing of the nominating committee, for officers for the coming year.

Mrs. S. K. Phillips a recent member was given a cordial welcome.

Mrs. Grant announced the topic for the days study: The Higher Life of the Individual.

Mrs. J. W. Higgs gave a paper on Walter Whitman as a Prophet of the New America, in which she read his poem, Thou Mother with Thy Equal Brood, containing his prophecy.

Mrs. Fitzgerald had as her subject, Ralph Waldo Emerson, in giving a sketch of his life she brought out many of his fine characteristics. There were given quite a number of quotations from these poets.

The hostess assisted by the Misses Fulford served a tempting and very elaborate salad course with coffee.

All present were glad to have Mrs. F. C. Harding as guest of the afternoon. On March the fourteenth the club will meet with Mrs. C. J. Ellen.

J. A. BRADY DIES IN WASHINGTON CITY

Telegrams were received in Greenville this morning announcing the death of Mr. J. A. Brady, which occurred at his home in Washington City last night. Interment will take place tomorrow morning at Wilmington.

Mr. Brady had been ill a long time, and his death was not unexpected. He formerly lived in Greenville and has a host of friends who will regret to learn of his death. He is survived by his wife.

Thursday, evening prayer and address 4 p. m.

Vestry meeting right after the evening service tonight.

NEW INVENTION OF COFFINS.

A new invention of coffins will soon be on the market for sale. The latest style that is in the U. S. A. An improvement on lids and boxes also. A box that when the body of the dead is placed in it the head will not turn sideways if you are on a rocky road. A lid that when it is placed on the box there may be side shelves to come up on the sides to place trays of flowers on while it is sitting in the house. There is a four inch strip over the face of the case that vases can be placed on all the way to the end, and yet the face of the corpse will be visible. The shelves are a part of the lid and when the case is closed they will come together by hinges. The handles are made so that when you let the coffin down in the box you will not have to get down in the grave to lift up the coffin to pull out the cords. All you will have to do is to have a cord with a ring or loop in the end of it, and when the coffin touches the bottom just slacken the cord and they will unfasten themselves. This is the latest invention in the U. S. A.

Patented by George W. Hemby, colored. Address 516 Pitt street, Greenville, N. C. 28 24

When you think of Life Insurance

remember the

PRUDENTIAL LIFE INS. CO.

This grand old company is now represented in my office. An opportunity to quote rates and compare policies always sells the Prudential Policy.

WE ARE BETTER PREPARED TO GIVE YOU FIRST-CLASS

Dry Cleaning. Pressing and Repairing

THAN ANYONE ELSE IN THE CITY

WHY?

Because we have better equipped machinery that enables us to guarantee the workmanship on every garment entrusted to us.

Because we have added to this department Mr. B. F. McLemore, an expert tailor that knows the dry cleaning, pressing and repairing business through years of experience.

Because every garment is handled carefully, assuring our patrons of no discoloring.

Our charges are no more but our workmanship is better

Pitt County Children to Take Part in Athletics

(Continued from page 1)
blank cartridges will be used by the starter, and runners may start from any position they choose, just so they take that position on the command, "get set."

No track shoes, that is, shoes, with spikes in them will be allowed, but tennis shoes may be worn if desired. To find the height of a boy or girl, have them stand in stocking feet, with the heels, shoulder blades and back of head touching the wall; then rest a light book on top of head, with book level touching the wall, and the distance from this point to the floor will be the correct height.

The judges reserve the right to re-measure any contestant about whom there may be doubt in their minds, and the decision of the judges in the matter shall be considered final.

The officials for the meet shall be as follows: Announcer, Starter, two scorers, and three judges, and where possible all judges must have had some experience in athletics.

Scoring shall be on the following basis: 1st place, 5 points 2nd place, 3 points, 3rd place, 1 point. Blanks will be sent to every school.

to be used in entering their athletes for the contests at the various Group centers.

Blanks will also be provided for the judges to use at the Group center contests, in entering the athletes whose names are to be sent to Mr. Phillips not later than March 23rd, 1922.

To make the meet a success, begin now to go to work. Have your boys and girls practice. Get the names of those who want to try, measure them so as to determine their class, and then help them to make good. Your school may be the one to win. The rules of the contest give the advantage to no one. Everybody is working on the same basis.

Negro Robbers Given Hearing Before Mayor

(Continued from page 1)
able speculation today. Those implicated positively declined to confess guilt or to tell what they did with the money. Members of the police department, however, are working on every clue possible, and believe further light will be thrown on the robbery by other arrests to take place from time to time.

If Talton had not released the money in such large sums it is probable he would never have been caught. Bank officials, in fact, were at a loss about the mysterious disappearance of the money, and probably would have never given the little negro a thought had not the officer stumbled across the clue as he did Sunday.

So far two of the negroes held in jail have been released under bond, but it is likely the remainder will remain where they are until the case comes up for hearing at the April term of superior court.

To Members of the Woman Exchange

This is to notify all members of the Woman's Exchange that the membership for the past year has expired and those who wish to renew their membership or those who intend to join for this year are requested to do so at an early date so they can have advantage of the exchange's services for the entire year.

He Never Had A Stomach

(Wednesday Health Talk No. 9)

(By J. B. Ball, D. C., Ph. C.)

A Western mining engineer was being interviewed by a magazine writer. Though he had spent his life at it he criticised everything and refused to see anything interesting, hopeful or human in mining. Then the interviewer switched to the subject health. The truth came out. The mining engineer had never had a stomach. He was tortured and soured by everything he ate.

UNCLE BEN SAYS:
"It is better to keep well. A short sickness can make a long debt."

When there is stomach trouble of this character, the cause is in the spine, as otherwise a change of diet, or a reduction in the amount of food would give relief. The chiropractor by chiropractic spinal adjustments of the vertebrae pressing upon spinal nerves to the stomach lifts the pressure and Nature restores normal digestive vigor. A good stomach makes an optimist.

Recommends Chiropractic For All Stomach Troubles

"I was troubled with ulcers of the stomach and was in a hospital for an operation, but was too weak. Then I tried chiropractic spinal adjustments and now I am feeling as good as ever.

Therefore, I highly recommend the adjustments to those afflicted with stomach troubles."—J. J. Schneider, Chiropractic Research Bureau, statement No. 1204H
